3. OTHER CONSIDERATIONS

Legal Appraisal

3.1 The Licensing Act 2003 requires the Council to carry out its various licensing functions so as to promote the following four licensing objectives:

- a) the prevention of crime and disorder
- b) public safety
- c) the prevention of public nuisance
- d) the protection of children from harm

3.2 The Council must also have regard to the guidance issued by the Home Office under Section 182 of the Licensing Act 2003. Regard must also be taken of the Council's statement of Licensing Policy for the District.

3.3 Where it is decided it is necessary to depart from the statutory guidance or the Licensing Policy on the merits of a particular case; then special reasons justifying this must be given that can be sustained.

3.4 Only "relevant representations" can be taken into account. In order to be "relevant" a representation must fairly relate to achieving a licensing objective. If it does not, it must be discounted.

3.5 Any licensing conditions that Members may propose attaching must also relate to achieving one of the licensing objectives; be tailored to the actual premises and style of licensable activity; must be reasonably achievable by the applicant and in his/her control.

Statement of Policy Issues

3.6 The following parts of the Licensing Policy are of particular importance; Part 4 (prevention of crime and disorder) and Part 6 (prevention of public nuisance).

3.7 The Annexes to the Policy sets out various types of model condition that could be considered.

4. OPTIONS

4.1 Members may:

- (a) Grant a premises licence as applied for subject to any mandatory conditions and the precautions specified in the operating schedule submitted.
 - (b) Grant a premises licence subject to such additional conditions relating to achievement of the licensing objectives as members think fit; or
 - (c) Refuse the application for a premises licence.
- 4.2** Should the applicant or any other party to the hearing feel aggrieved at any decision with regard to the licence or to any conditions or restrictions attached by Members they may appeal to the Magistrates Court.

Dear Melanie,

I am writing to you with regards to the above application for an alcohol licence.

I humbly request that Bradford council refuse the licence application on the grounds that the area is blighted by Anti social behaviour involving individuals and alcohol. This we feel will increase.

We also believe that this will result in harm to residential amenity and community cohesion and relations.

Please note that a petition has been submitted to reflect the community concerns in this matter.

May I also advise that i Have been asked and will be representing my constituents at the hearing of the application.

Yours sincerely

3. OTHER CONSIDERATIONS

Legal Appraisal

- 3.1** The Licensing Act 2003 requires the Council to carry out its various licensing functions so as to promote the following four licensing objectives:
- a) the prevention of crime and disorder
 - b) public safety
 - c) the prevention of public nuisance
 - d) the protection of children from harm
- 3.2** The Council must also have regard to the guidance issued by the Home Office under Section 182 of the Licensing Act 2003. Regard must also be taken of the Council's statement of Licensing Policy for the District.
- 3.3** Where it is decided it is necessary to depart from the statutory guidance or the Licensing Policy on the merits of a particular case; then special reasons justifying this must be given that can be sustained.
- 3.4** Only "relevant representations" can be taken into account. In order to be "relevant" a representation must fairly relate to achieving a licensing objective. If it does not, it must be discounted.
- 3.5** Any licensing conditions that Members may propose attaching must also relate to achieving one of the licensing objectives; be tailored to the actual premises and style of licensable activity; must be reasonably achievable by the applicant and in his/her control.

Statement of Policy Issues

- 3.6** The following parts of the Licensing Policy are of particular importance; Part 4 (prevention of crime and disorder) and Part 6 (prevention of public nuisance).
- 3.7** The Annexes to the Policy sets out various types of model condition that could be considered.

4. OPTIONS

- 4.1** Members may:
- (a) Grant a premises licence as applied for subject to any mandatory conditions and the precautions specified in the operating schedule submitted.
 - (b) Grant a premises licence subject to such additional conditions relating to achievement of the licensing objectives as members think fit; or

(c) Refuse the application for a premises licence.

4.2 Should the applicant or any other party to the hearing feel aggrieved at any decision with regard to the licence or to any conditions or restrictions attached by Members they may appeal to the Magistrates Court.

5. FINANCIAL & RESOURCE APPRAISAL

Dear Melanie,

I am writing to you with regards to the above application and wish too submit my objection to the same.

This premise is approx 150 yards away from a licenced premises. It is also on the doorstep of an area that residents council and partners are working tirelessly towards clearing of anti social drinking and drug taking. The local residents do not want this and neither do the council and partners.

I believe very strongly that allowing this application will undo all the hard work we have as councillors and partners put into the local area. This will breed further anti social behaviour and will be extremely detrimental to community cohesion and relations.

I therefore humbly request that you look at this application, consider its merits and refuse the application.

Yours Sincerely

Cllr Aneela Ahmed

3. OTHER CONSIDERATIONS

Legal Appraisal

- 3.1** The Licensing Act 2003 requires the Council to carry out its various licensing functions so as to promote the following four licensing objectives:
- a) the prevention of crime and disorder
 - b) public safety
 - c) the prevention of public nuisance
 - d) the protection of children from harm
- 3.2** The Council must also have regard to the guidance issued by the Home Office under Section 182 of the Licensing Act 2003. Regard must also be taken of the Council's statement of Licensing Policy for the District.
- 3.3** Where it is decided it is necessary to depart from the statutory guidance or the Licensing Policy on the merits of a particular case; then special reasons justifying this must be given that can be sustained.
- 3.4** Only "relevant representations" can be taken into account. In order to be "relevant" a representation must fairly relate to achieving a licensing objective. If it does not, it must be discounted.
- 3.5** Any licensing conditions that Members may propose attaching must also relate to achieving one of the licensing objectives; be tailored to the actual premises and style of licensable activity; must be reasonably achievable by the applicant and in his/her control.

Statement of Policy Issues

- 3.6** The following parts of the Licensing Policy are of particular importance; Part 4 (prevention of crime and disorder) and Part 6 (prevention of public nuisance).
- 3.7** The Annexes to the Policy sets out various types of model condition that could be considered.

4. OPTIONS

- 4.1** Members may:
- (a) Grant a premises licence as applied for subject to any mandatory conditions

and the precautions specified in the operating schedule submitted.

- (b) Grant a premises licence subject to such additional conditions relating to achievement of the licensing objectives as members think fit; or
- (c) Refuse the application for a premises licence.

4.2 Should the applicant or any other party to the hearing feel aggrieved at any decision with regard to the licence or to any conditions or restrictions attached by Members they may appeal to the Magistrates Court.

Dear Melanie

I write with reference to the above mentioned application and would like to forward my objections to this application.

The Council alongside west Yorkshire police have worked tirelessly over the last year or so to eradicate ASB including but not limited to alcohol abuse and drug abuse whereby users have openly used drugs and alcohol to the detriment of families especially young children witnessing drug taking and alcohol abuse.

I believe that allowing this application shall undermine the work done to date by the council its partners and the residents.

I am confident based upon the merits of this case you can look into refusing this application.

Dear Ms McGurk,

I am writing to you with regards to the above mentioned application. I would like to submit to you my objections to the same.

Over the past year or so the residents, along with the council and police have worked so very hard and tirelessly to rid the area of anti social behaviour including excessive and open drug use and abuse alcohol abuse to the horror and detriment of the local families. These families have young children who over time have witnessed the open drug and alcohol abuse.

I believe very strongly that allowing this application will undo the years worth of extremely hard and vital work done by the council ,police and residents.

I'm humbly requesting that based on the information provided that you look on this case, consider its merits and refuse the application .

Furthermore, may I as also inform you that I shall be representing my constituents in council before the panel in this matter.

Yours Sincerely

Re: LICENSING APPLICATION FROM BABA JAGA 15 LAISTERIDGE LANE/2 MERTON ROAD BRADFORD BD7 1QU/ARIAN KARIM

Dear Sirs,

I write this letter in the capacity as Secretary of the Grantham Residents Association (GRA). I refer to the application for the Sale of alcohol for consumption off the premises Monday to Sunday 07.00 to 23.00 at the address above.

As Secretary I object strongly to this application on behalf of all the members of the GRA who are local residents directly affected by this application on the following grounds:-

The protection of children from harm

The site for the sale of alcohol is in close proximity of two large Dixons (Trinity and McMillan) secondary schools both also have nurseries attached. Both these schools are situated on Trinity Road close by. The area around Laisteridge Lane is already festooned with used drug needles and drunks who are a hazard to the school children. The possible granting of this alcohol license which will permit the selling of alcohol will only exacerbate the problem.

Furthermore, there have already been altercations outside Baba Jaga on multiple occasions since opening recently with one incident requiring the attendance of the police. This will only get worse if an alcohol license is granted. We already have a problem with cheap availability of alcohol causing disorderly and threatening behaviour of drunks. School children both in the morning and at school closing time should not have to confront this.

The prevention of crime and disorder

The GRA was set up in early April 2016 due to the ongoing issue of excessive crime and drunk disorderly behaviour which is prevalent in area of Laisteridge Lane. Over the last two years residents who have lived in the immediate area have seen huge number of new people of east European extraction come to the area. As such there has been a massive increase in the availability of cheap east European alcohol from at least three shops locally. We regularly see drunks who conjugate around shops and houses near them and who regularly urinate, inject and deposit faeces where they see fit.

The GRA after having meetings with both Inspector Tom Horner, local councillors and our ward police officer Simon have drawn up an action plan to address this issue. If Baba Jaga is permitted to sell alcohol from 7am to 11pm this will only make it harder for all interested parties to combat drunkenness and the disorderly behaviour drunks cause.

Public safety

By far the greatest issue raised in meetings of the GRA is the intimidation residents feel from the drunks and drug addicts that they see on a daily basis on Laistridge Lane and surrounding streets. So much so, that the GRA and residents have petitioned the council to extend a PSPO (public safety protection order) which specifically prohibits the consumption of alcohol from the city centre to include Laistridge Lane and the rest of the local area covered by the GRA. We are backed in this by our local Ward Police Officer Simon and his team who have to deal with drunks on a daily basis in our area.

Huge efforts have been made through the GRA and the action plan created by Masood (our council ward officer) and Tom Horner our local inspector to tackle this intimidation by drunks. All this good work would be undone by granting another local shop in the middle of our area a licence to sell alcohol from 7am to 11pm. The licensing team must take notice of the problems we have in our area and not exacerbate them.

Prevention of public nuisance

Local residents who have lived all their lives in the locality felt powerless to tackle the huge increase substance and alcohol abuse. They setup the GRA to apply pressure to both the police and Bradford Council. The alcohol abuse as mentioned above results in local residents witnessing drunks urinating in public and exhibiting threatening behaviour to residents.

A lot of good work has been achieved in a small amount of time by the GRA. After constant pressure via the GRA, Bradford Council have installed 5 strategically placed CCTV cameras to tackle both drug and alcohol nuisance. The cameras will help police the area but if this license is granted then I am afraid the problems of drunks causing public nuisance will only get worse and negate the effect these cameras will have on reducing the problem.

Local residents regularly meet as the Grantham Residents Association to ensure the streets are a clean and safe environment not just for themselves but also for the huge number of both national and international students who study at Bradford University and the college.

What kind of image of Bradford will the Bradford Council licensing Team give to these students to take back home? If they have to endure threatening behaviour from drunks and addicts I am sure they will not talk proudly of Bradford. The council is doing its bit by providing cameras, investing in the city centre via the city park. The licensing team will undermine all our hard work if they grant a license. We therefore as a residents association strongly urge you to please reject this application to safeguard all local residents.

Yours faithfully

Secretary
Grantham Residents Association

Bradford College

Dear Sir/Madam,

I wish to object to the alcohol licence application submitted by *Baba Jaga, 15 Laisteridge Lane/ 2 Merton Road, Bradford, BD7 1QU/ Arian Karim* as listed on the Bradford Council website that requests for the sale of alcohol for consumption off the premises Monday to Sunday 07:00 to 23:00.

On behalf of Bradford College and the local area, I object to the application on the following grounds:

Pollution

As it currently stands, we have a significant issue with regards to pollution caused by individuals who are purchasing alcohol from local convenience stores. It can be found that these individuals consume the alcohol they have purchased outside the premises and around the surrounding streets, failing to adequately dispose of their cans/bottles, and instead litter these on the floor/in bushes, etc. The approval of the above alcohol licence application would only worsen this situation and have a further disruptive impact on the local infrastructure. This is of particular interest to Bradford College, as frequent events are held for potential students, who come to view the facilities offered when deciding on an institution to continue their education. The build-up of litter such as the endless cans/bottles could prove detrimental to this process and acts as deterrence for those considering Bradford College and other local intuitions. This is of particular interest when considering the significant investment that has been made for the new college buildings and facilities.

The safeguarding of students

Bradford College currently has 24,000 students enrolled across the many courses we offer, and holds a duty of care for these students throughout the duration of their study. It is in the best interests of these students that the above alcohol licence application is not approved as the sale of such alcohol could pose a danger to their wellbeing. To illustrate, individuals that are purchasing/consuming alcohol from local convenience stores become very disruptive and sometimes abusive towards the local community, which is significant when considering those students who live in the local area and walk to College, as well as to students that decide to leave the campus during their breaks/lunches. Moreover, there is also a risk that alcohol may be purchased on the behalf of students by individual's entering the store, especially considering alcohol would be on sale from 7am before the students start college, without which would prevent a potentially significant issue.

Prevention of anti-social and disorderly behaviour

With the sale of alcohol in the local area presents issues such as drunken behaviour, vandalism, drug dealing, etc. which would only increase should the above alcohol licence application be approved. As stated within the T&A from the home office: throughout May 2016 the highest reported levels of crime were in the form of anti-social behaviour and violent crime, as well as the highest levels of crime reported across the city centre were situated within the immediate area surrounding BD7. We have an ongoing problem of drunks, who pose a very serious risk to the local community when injecting with and disposing of needles, urinating in the streets and leaving other unpleasant and toxic wastes. This would only escalate with the approval of the above alcohol licence that would enable such individuals to obtain alcohol with more ease and acts as a desirable location for them to congregate and linger.

It is on the above grounds that I urge you to reject the above alcohol licence application.

Thank you for your time.

Yours faithfully,

Bradford Council

BY EMAIL AND FAX

Dear Sirs,

LICENSING APPLICATION FROM BABA JAGA 15 LAISTERIDGE LANE/2 MERTON ROAD
BRADFORD BD7 1QU/ARIAN KARIM

I refer to the above matter. I understand that the above party has submitted an application for an alcohol license. I, on behalf of the local residents participating in the Neighbourhood Watch Scheme, object to this on the following grounds:

The prevention of crime and disorder

This area has been subjected to high levels of crime and disorder. We have an ongoing problem with drunks who regularly urinate, inject and deposit faeces where they see fit. We have several streets around the Laisteridge Lane area which are littered with 100's of syringes dropped onto pavements, children's play areas and this areas os now saturated with drunks and homeless people. This problem has become so widespread that Inspector Tom Horner and local councillors have had to draw an action plan to combat this. By providing a licence to a retail outlet to sell alcohol from 7am to 11pm will only further exacerbate the existing problem to the detriment of the local community.

Public safety

Laisteridge Lane and surrounding areas are subjected to problems with alcohol and substance abuse. It cannot be in the public's interest to further compound this by allowing the above shop to sell alcohol from 7am til late. There is also a primary school and another school being built only 20 yards away. Schoolchildren will inevitably come into close contact with drunk and disorderly individuals which will then become a safeguarding issue. Local residents are finding individuals who are intoxicated by drugs and alcohol, in their gardens, on street corners and outside local shops. By granting the licence the Council is putting the public at risk.

Prevention of public nuisance

We have already identified that this area is saturated with problems of crime, drugs and alcohol abuse. By providing alcohol from 7am to 11pm, instances of public nuisances will increase tenfold. Laisteridge Lane has already been identified as an alcohol exclusion zone and it would be against the grain to them grant this business a licence. In addition the Council are expending thousands of pounds on new CCTV to police the area. The granting of this licence would defeat the purpose of discouraging public nuisance.

The protection of children from harm

By granting the licence the Council will be placing hundreds of children at risk of real harm. The children in the area are already at risk from harm from the 100's of needles thrown on the ground by those injecting themselves and those that are drunk. We are seeing more and more drunks in the area which has increased by more than 80% in the last 2-3 years. By providing a licence to this shop, the Council is subjecting the school children and local children to significant harm.

Local residents are taking part in the Neighbourhood Watch Scheme to ensure the streets are safe not only for themselves but their children also. Bradford Council will be undermining this scheme by granting the application. We urge you to reject the application.

Yours faithfully

To whom it may concern,

I am writing to inform you that i am unhappy with this application made for 15 laisteridge lane to be made as off licence shop,

Ex metro store which is now baba jagga shop have applied for alcohol licence 15 laisteridge lane This will be 8 or 9 alcohol place within the vicinity of greater Grantham area. This will cause massive havoc in the locality of our area.

This needs to be stopped soon as possible. This is bringing our university area down having drunken people on our street corners also in the last year due to approvals on most recent off licences in our area i have had my car broken into several time police comunity support are aware of this also having druken disordaly in our streets injecting them selfs drinking on our street corners bring our peacefull area to the ground down, due to this we are facing a big anti socail crime rate on the increase, house prices deprecating so badly its unbelievable, this is not fair our kids and local residents dont even want to use these local shops nomore due to gangs of youth stood outside these corner shops drinking smoking waiting for drug deals all sorts. Bradford council need speak with police and also residents before even considering this application. Our streets are becoming unsafe to even walk feeling intimidated by youth gangs outside shops such as mr kazis on great horton rd or the two off licences on morley street bd7 1be

Also this application has a big knock on effect to the westley pub on corner of laisteridge lane and start of easby rd bd7.

Please reject this application. We as comunity will be formally campaigning to have this rejected. Also this now will affect business for the barber next door as seeing youth and druken people outside his business will be severly damaged and also home security risk involved. I will be informing local comunity officer Simon and my local councilors to appose this.

To whom it may concern,

I am writting to inform you that i am very unhappy with the application made for 15 laisteridge lane, baba jagga shop, to be made into an off licence.

There are already many shops offering alcohol place within the vicinity adding to this will only disrupt the community further.

This needs to be stopped as soon as possible. I feel it is unsafe for our community as we already have to regularly deal with drunken people on our street corners and our cars broken into on many occasions! All of which the police find difficult to deal with due to intoxicated nature of the criminals. Allowing the application to be granted would only demonstrate how our interests and safety are not taken into account. Myself and the majority of the community feel very deeply about this issue as at times we feel very unsafe walking with in the area we call our neighbourhood.

It is clearly demonstrated by the fact that Crime In our area is only increasing whilst house prices are severely decreasing!

I feel Bradford council should greatly take into consideration the residents of THIS AREA before even considering the application. It is our community we have built we should not feel even more threatened or scared to go to the local shop than we already are.

Thus, I urge you to reject this application.

Dear Sir/Madam,

I enclose a petition objecting to the application made by Arian Karim of Baba Jaga, 15 Laisteridge Lane, Bradford, BD7 1QU. I am writing as a resident in the immediate are affected by this application. In addition to the details in this letter please ensure the panel has sight of the following articles:

http://www.thetelegraphandargus.co.uk/news/14399311.SHOCKING_PICTURES_Residents_fears_as_drug_users_shoot_up_in_their_backyards/?ref=mac

<http://www.thetelegraphandargus.co.uk/videoandpictures/videonews/154624/read/>

The grounds on which we wish to object to this licencing application are:

- The prevention of crime and disorder
- Public Safety
- The prevention of public nuisance
- The protection of children from harm

The prevention of crime and disorder

There has been a significant increase in crime in this area which has coincided with the increase in the number of off licences in the area the figures are available from the Police. In April the Telegraph and Argus ran a front page story which included pictures of alcoholics and drug users injecting in the back gardens of residents. Drug dealing has increased in the area as a direct result of the increasing in alcoholics and drug addicts which have increased as a direct result of the council handing out alcohol licences without considering the impact on our community.

Public Safety

Residents are frightened of the already high number of alcoholics in the area which will only be compounded by yet another off licence. Families are scared to walk their own streets and residents are the subject of abuse from alcoholics and drug addicts on a daily basis. Police reporting figures will demonstrate to you the number of incidents reported by residents.

The Prevention of Public Nuisance

As mentioned above there are a significant number of alcoholics in the area which will only increase as a result of another off licence. These alcoholics do not get the money for their alcohol by doing a hard days work but rather by breaking our car windows and stealing our property and by breaking into our homes and terrify our families whilst taking our belongings that we have worked hard to get. Begging is rife in the area as alcoholics try to get the money they need to but their next can at all costs, the begging is aggressive.

The Protection of Children

The alcoholics in the area are already causing significant risk to children as they are drug users as well. There are used needles throughout the area and the council has collected thousands of needles over the last few months. If a child or an adult for that matter ends up getting stabbed by one of these needles which potentially carry deadly diseases there is serious risk. Children play on the streets and are at significantly higher risk of picking up needles.

The council is having to invest significant amounts of money to provide cameras in the area due to the high levels of crime, nuisance and risk to children and the residents in general. Laisteridge Lane is also part of a consultation for a proposed alcohol exclusion zone to try and combat nuisance drinking in the area. The granting of an alcohol licence will be contradictory to the council's own policy of creating an alcohol exclusion zone.

As residents we have grave concerns about the level of crime and nuisance that will be created as a result of Baba Jaga getting an alcohol licence. I am concerned for the safety of our children and the risks that will be created to the local community.

We sincerely hope you take our concerns seriously.

Yours sincerely

The alcoholics in the area are already causing significant risk to children as they are drug users as well. There are used needles throughout the area and the council has collected thousands of needles over the last few months. If a child or an adult for that matter ends up getting stabbed by one of these needles which potentially carry deadly diseases there is serious risk. Children play on the streets and are at significantly higher risk of picking up needles.

The council is having to invest significant amounts of money to provide cameras in the area due to the high levels of crime, nuisance and risk to children and the residents in general. Laisteridge Lane is also part of a consultation for a proposed alcohol exclusion zone to try and combat nuisance drinking in the area. The granting of an alcohol licence will be contradictory to the council's own policy of creating an alcohol exclusion zone.

As residents we have grave concerns about the level of crime and nuisance that will be created as a result of Baba Jaga getting an alcohol licence. I am concerned for the safety of our children and the risks that will be created to the local community.

We sincerely hope you take our concerns seriously.

Yours sincerely

Dear Sir/Madam,

I enclose a petition objecting to the application made by Arian Karim of Baba Jaga, 15 Laisteridge Lane, Bradford, BD7 1QU. I am writing as a resident in the immediate area affected by this application. In addition to the details in this letter please ensure the panel has sight of the following articles:

The grounds on which we wish to object to this licencing application are:

- The prevention of crime and disorder
- Public Safety
- The prevention of public nuisance
- The protection of children from harm

The prevention of crime and disorder

There has been a significant increase in crime in this area which has coincided with the increase in the number of off licences in the area the figures are available from the Police. In April the Telegraph and Argus ran a front page story which included pictures of alcoholics and drug users injecting in the back gardens of residents. Drug dealing has increased in the area as a direct result of the increasing in alcoholics and drug addicts which have increased as a direct result of the council handing out alcohol licences without considering the impact on our community.

Public Safety

Residents are frightened of the already high number of alcoholics in the area which will only be compounded by yet another off licence. Families are scared to walk their own streets and residents are the subject of abuse from alcoholics and drug addicts on a daily basis. Police reporting figures will demonstrate to you the number of incidents reported by residents.

The Prevention of Public Nuisance

As mentioned above there are a significant number of alcoholics in the area which will only increase as a result of another off licence. These alcoholics do not get the money for their alcohol by doing a hard days work but rather by breaking our car windows and stealing our property and by breaking into our homes and terrify our families whilst taking our belongings that we have worked hard to get. Begging is rife in the area as alcoholics try to get the money they need to buy their next can at all costs, the begging is aggressive.

The Protection of Children

The alcoholics in the area are already causing significant risk to children as they are drug users as well. There are used needles throughout the area and the council has collected thousands of needles over the last few months. If a child or an adult for that matter ends up getting stabbed by one of these needles which potentially carry deadly diseases there is serious risk. Dear Sir/Madam,

I enclose a petition objecting to the application made by Arian Karim of Baba Jaga, 15 Laisteridge Lane, Bradford, BD7 1QU. I am writing as a concerned business owner who owns the business next door to Baba Jaga.

The grounds on which we wish to object to this licencing application are:

- The prevention of crime and disorder
- Public Safety
- The prevention of public nuisance
- The protection of children from harm

The prevention of crime and disorder

There has been a significant increase in crime in this area which has coincided with the increase in the number of off licences in the area the figures are available from the Police. In April the Telegraph and Argus ran a front page story which included pictures of alcoholics and drug users injecting in the back gardens of residents. Drug dealing has increased in the area as a direct result of the increasing in alcoholics and drug addicts which have increased as a direct result of the council handing out alcohol licences without considering the impact on the community. There has been a significant impact on my business and having an off licence will create further issues.

Public Safety

Residents are frightened of the already high number of alcoholics in the area which will only be compounded by yet another off licence. Families are scared to walk their own streets and residents are the subject of abuse from alcoholics and drug addicts on a daily basis. Police reporting figures will demonstrate to you the number of incidents reported by residents. Female members of the community do not feel safe walking the streets and having alcoholics hanging around will be a risk to the public especially my female clients who bring their children to my shop and often have traditional Asian gold jewellery on which makes them an easy target.

The Prevention of Public Nuisance

As mentioned above there are a significant number of alcoholics in the area which will only increase as a result of another off licence. These alcoholics beg aggressively and cause nuisance to my customers.

The Protection of Children

The alcoholics in the area are already causing significant risk to children as they are drug users as well. There are used needles throughout the area and the council has collected thousands of needles over the last few months. If a child or an adult for that matter ends up getting stabbed by one of these

needles which potentially carry deadly diseases there is serious risk. Children play on the streets and are at significantly higher risk of picking up needles.

The council is having to invest significant amounts of money to provide cameras in the area due to the high levels of crime, nuisance and risk to children and the residents in general. Laisteridge Lane is also part of a consultation for a proposed alcohol exclusion zone to try and combat nuisance drinking in the area. The granting of an alcohol licence will be contradictory to the council's own policy of creating an alcohol exclusion zone.

As a business owner I have grave concerns about the level of crime and nuisance that will be created as a result of Baba Jaga getting an alcohol licence. I am concerned for the safety of the children that come to my salon and the risks that will be created to my customers and business.

Dear Sir/Madam,

I enclose a petition objecting to the application made by Arian Karim of Baba Jaga, 15 Laisteridge Lane, Bradford, BD7 1QU. I am writing on behalf of all the residents that have signed the enclosed petition so if you need to disclose the details of to the applicant or write to us about our objection please ensure you write to each one of us listed on the petition.

The grounds on which we wish to object to this licencing application are:

- The prevention of crime and disorder

- The prevention of public nuisance
- The protection of children from harm

The prevention of crime and disorder

The council is having to invest significant amounts of money to provide cameras in the area due to the high levels of crime, nuisance and risk to children and the residents in general. Laisteridge Lane is also part of a consultation for a proposed alcohol exclusion zone to try and combat nuisance drinking in the area. The granting of an alcohol licence will be contradictory to the council's own policy of creating an alcohol exclusion zone.

As residents we have grave concerns about the level of crime and nuisance that will be created as a result of Baba Jaga getting an alcohol licence. We are concerned for the safety of our children and the risks that will be created to the local community. I would like to make representation to the panel on behalf of the residents and will be accompanied by some of the residents listed on the petition enclosed. Please advise of the date and time for any meetings where I can make representations.

We sincerely hope you take our concerns seriously.

Yours sincerely _
