

APP4

DEAR SIR / MADAM

REF THE BOLD PRIVATEER PUBLIC HOUSE WROSE ROAD
BD18 MUSIC EXTENSION,

I STRONGLY OBJECT TO THE EXTENSION OF MUSIC AT THE
PREMISES, WROSE IS A RESIDENTIAL AREA AND DOES
NOT REQUIRE FURTHER NOISE THAN WE ALREADY HAVE.

THE BOLD PRIVATEER ALREADY HAS THE NIGHT CLUB
ATMOSPHERE WE DO NOT NEED TO ENCOURAGE THIS ANY
FURTHER, THERE ARE PLENTY OF NIGHTCLUBS IN THE TOWN.

THE RESIDENTS OF WROSE ALREADY HAVE TO TOLERATE
THE MUSIC AND NOISE COMING FROM THE PREMISES
AND PEOPLE LEAVING THE BOLD PRIVATEER LATE AT
NIGHT BEING ROWDY IN THE AREA.

PEOPLE DO HAVE TO WORK SUNDAYS SO THEY NEED
THEIR SLEEP NOT BEING DISTURBED BY LATE
NIGHT REVELLERS. IT WOULD BE INTERESTING TO
SEE THE SOUND OMISSIONS BEING MADE PUBLIC.

Subject: Bold Privateer- Wrose Road Shipley BD18

Dear Sirs

I want to respond and appeal the application made by the Bold Privateer as I live near the public house at Low Ash Road.

The noise pollution is already a problem for me living near this pub. Me and my husband cannot hear our television when the live music is playing even with our windows shut.

The staff make lots of noise after every gig packing the equipment away as well as the noise from the late night customers into the early hours every weekend.

I cannot believe that an application has been made to open for a further 2 hours when this is in a housing estate.

The present late hours are late enough.

If this application is granted all of the property owners who live in this area will not get much sleep every weekend.

Please consider the residents of Wrose and how we will suffer from this. I suggest that you actually park down Low Ash Road now so you can experience the racket that we already hear.

Yours faithfully
Mrs

OBJECTION TO PLANNING APPLICATION TO EXTEND EXISTING MUSIC LICENCE TO

BOLD PRIVATEER PUB REF: 702160

LATE NIGHT LOUD MUSIC PROBLEM

Hello Sir/Madam,

My partner, myself, plus many of my neighbours, have grave concerns regarding PLANNING APPLICATION TO EXTEND EXISTING MUSIC LICENCE TO BOLD PRIVATEER PUB article which was printed in the local newspaper T & A. (The mandatory blue notice which is supposed to be fastened to the nearest lamp post to notify the general public and closest living neighbours, appears to be inside the pub and is not visible to passing public.)

The planning application notice, Punch, who own the pub, has requested is to extend the entertainment license from 10:00 to 01:00 the following morning !! Which is very unfair to the surrounding neighbours. We can be sat in our house with doors and windows closed and can still hear it above the TV.

We live across from The Bold Privateer in a residential area of Wrose Road, Shipley, surrounded with lots of families with children living in very close proximity.

This pub was previously run as a community pub with live entertainment & music events, and the previous landlady was very considerate towards the neighbours, the doors and windows were kept closed to reduce the decibels of the music, and no one allowed to drink outside after 22:00

BUT SINCE the renovation, it is now having live entertainment which is far too loud every weekend, even if it is live OR recorded as this is just as loud. As I understood the stipulations on the original licence for live/recorded music were from 10am till 23:00 prompt, they go way past sometimes till nearly 24:00. The so called community pub, is no longer for the locals, but is now a sports/wine bar by day and a NIGHTCLUB at night. Revellers are still leaving the premises by taxis, shouting and banging doors at 02:00 and sometimes later in the early hours of the morning.

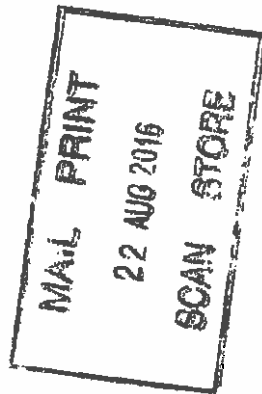

We do not want to spoil anyone's enjoyment but the noise is unbearable especially late at night weekends and Monday nights when motorbike clubs meet and sit revving their bikes as late as 22:00 -22:30. Currently the noise issue is only a problem on Monday, Friday and Saturday nights but as far as I am aware the licence does not restrict music to weekends only.

Please could you consider the surrounding neighbours and refuse this application, a residential area with young families is not the area for a NIGHTCLUB.

Regards

17 AUG. 2016

BOLD PRIVATEER REF 702160.

I write to register my objection to the proposed 1 hour extension to the music licence.

Surely the current licence till 23.00 / 24.00 hours is adequate for a residential area?

Sometimes the noise level does not settle till the early hours.

Dear Sir/Madam

I am writing in response to a letter received from our local councillors regarding a planning application from the Bold Privateer to extend the hours for live music Friday and Saturday from 2300 until 0000 and recorded music Friday and Saturday from 2300 until 0100.

The village of Wrose does not require a late night/early morning music licence for a local public house. This is a residential area and I do not feel that allowing this application would be conducive to the health and wellbeing of the local population, made up of working parents, young children, older people and people with disabilities and/or illness.

Our house is at the back and to the side of the pub and the music will hit our property directly, particularly when the Bold Privateer rear window is open. My husband has now been retired from work on ill health grounds, is in receipt of Personal Independent Payment and is reliant on medication to help him sleep. Being woken by noise and disturbance at such late hours will cause him great distress.

Our daughter, who is currently undergoing chemotherapy treatment for an auto-immune disease, is a shift worker and requires an unbroken sleep as she commutes to Manchester for her work with HMRC. This could not be guaranteed if the music licence was granted and the possibility of late night/early hours of the morning commotion.

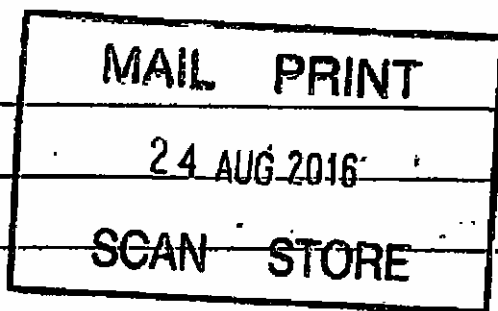

Like other parts of the Bradford Metropolitan district there is increasing anti/unsocial activity in this area of the village – of which the police, local councillors and our MP are acutely aware. To have this behaviour potentially supported by the local public house to continue into the early hours at weekends due to longer licensing hours would be too much to tolerate.

To (mis)use a quote from local council officers as printed in the T&A on 10 August 2016 about a recent application for a licence in Saltaire: A drinking establishment with music till 1am every weekend is not acceptable in this location due to potential adverse impact on residential amenity as a result of the noise and disturbance to surrounding residents.

Thank you for taking my opinions into account in this matter. I was born in Wrose and have lived in this house for over 30 years, so feel qualified to express myself and my experience regarding this matter.

Yours faithfully ^

BOLD PRIVATEER: REF 702160

20/08/16

Dear Sir, Madam

With reference to the above, I am raising objections to the proposed 1 hour extension for the following reasons.

① The live bands in the past have well exceeded the 11pm cut off time ② Recorded music a few Saturdays ago was playing until 12:38am ③ The noise when people are waiting outside for taxis. Arguments occur most week ends which end up with people shouting and belling over whos taxi is who's ④ Numerous occasions where under age youths are asking people to go buy drinks for them and they get out of hand as they

cannot handle the alcohol intake.
⑤ There are quite a lot of shift workers living nearby and some do work weekends and have to get up between 3 and 5 AM.

Things are bad enough now so an extra hour is only going to make things a lot worse and become totally unbearable.

Yours sincerely,

Mr.

Ms.

to whom it may concern

I have received a letter about the Pub wanting longer music hours. I am not bothered unless it's too loud as I have autism and disabled, I live over the road from the pub. The only thing is the customers are very noisy when outside the pub shouting up and down the street dropping glass bottles and rubbish leaving smashed glass about.

This is what is worst to me and my disability.
