

**CITY OF BRADFORD METROPOLITAN DISTRICT COUNCIL  
(TRAFFIC REGULATION ORDER) (WAITING, LOADING & PARKING  
ORDER) (NO.\*) ORDER 2023**

**TCF BRADFORD CITY CENTRE CYCLING AND WALKING  
IMPROVEMENT SCHEME - VARIOUS ROADS**

**STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER**

Bradford Council, in partnership with the West Yorkshire Combined Authority, are proposing The Bradford City Centre Walking and Cycling Improvements Scheme which aims to reshape Bradford city centre by improving walking and cycling routes, removing traffic from some roads, and introducing new green outdoor spaces for people to enjoy.

The proposed Order will introduce new and amend existing waiting and parking restrictions on various roads. The proposals are considered necessary to improve road safety, assist the passage of traffic and maintain access to properties.

The Council considers it expedient to make this Order:-

- i. for facilitating the passage on the road of any class of traffic (including pedestrians);
- ii. for preserving or improving the amenities of the area through which the road runs and;
- iii. for avoiding danger to persons or other traffic using the road or any other road or for preventing the likelihood of any such danger arising;
