DECISION SHEET (for no spending, revenue spending or capital expenditure of less than £100,000)

SUBJECT: Summerville Road and Cape Street, Bradford – Additions to the 2024-25 Bradford West Various Sites Traffic Regulation Order

APPENDICES:

None

MATTER FOR CONSIDERATION:

1. Approval for a Traffic Regulation Order for minor amendments to parking arrangements on various roads in Bradford West was granted by the Bradford West Area Committee on 28 February 2024.
2. Issues at two additional sites in Bradford West have been identified as follows:
 - i. Summerville Road - Long stay parking occupies most of the street, making it difficult for customers and deliveries to find convenient places to park to access local businesses. Limited waiting restrictions have been requested.
 - ii. Cape Street – commuter parking prevents access to a residential complex at Conditioning House. No Waiting At Any time restrictions have been requested.
3. This decision seeks approval to add sites at Summerville Road and Cape Street to the 2024-25 Bradford West Various Sites Traffic Regulation Order.

FINANCIAL & RESOURCE APPRAISAL

A budget of £28,000 has been allocated by the Bradford West Area Committee as part of the 2024-25 Safe Roads programme. The additional sites can be delivered within the existing budget.

RISK MANAGEMENT

There are no significant risk management implications.

LEGAL APPRAISAL

There are no specific issues arising from this decision. The course of action proposed is in accordance with the Council’s powers as Highway Authority.
