1.0 SUMMARY

- 1.1 This report outlines the £60,000 Area Action Planning Funding available in 2014/2015 to support priorities within the Bradford East Area Ward Plans 2014 - 2015. The report also provides an update on the spending of the £74,664.04 Area Action Planning Funding in 2013/2014.

2.0 BACKGROUND

- 2.1 The Area Action Planning Funding has been included in Bradford Council's 2014/2015 Budget.
- 2.2 The Area Action Planning Funding is to be allocated by Area Committees, with each Area Committee having an allocation of £60,000. This is revenue funding and should therefore be spent by 31st March each year.
- 2.3 In previous years, the Bradford East Area Committee has allocated this money equally between the six Wards, giving £10,000 per Ward. The projects that are allocated funding support the delivery of priorities outlined within the Bradford East Area Ward Plans.
- 2.4 Officers from Bradford East Area Co-ordinator's Office work with Ward Councillors to develop proposals that support the delivery of the Ward Plans.

3.0 OTHER CONSIDERATIONS

- 3.1 In addition to the £60,000 Area Action Planning Funding 2013/2014, an under spend of £20,879 Area Action Planning funding was carried forward from 2012/2013 in Bowling and Barkerend (£6,720), Bolton and Undercliffe (£2,108), Idle and Thackley (£11,000) and Little Horton (£1,051) under the Better Use of Budgets. This funding was added to each of the Ward budgets for these areas for allocation. A total of £80,879 Area Action Planning funding was therefore available for allocation in 2013/2014.
- 3.2 The list of projects selected and developed by Ward Councillors, using Area Action Planning Funding 2013/2014 is included as Appendix A. All projects are currently in the process of returning monitoring forms and information.
- 3.3 A request has been made for a total of £6,214.06, out of the £80,879 funds from 2013/2014, to be rolled over into 2014/2015 year under the Better Use of Budgets. A decision will be made by the Executive Committee at the meeting to be held on 23 June 2014, with release following the 7 day Call In period. If this is agreed there is £6,214 to be allocated this year in 2014/2015, in the Bowling and Barkerend (£861.90), Eccleshill (£3,000.74), Idle and Thackley (£400) and Little Horton (£1,951) Wards. The remaining £74,664.94 was contracted to deliver projects during the last financial year 2013/2014 (see Appendix A).
- 3.4 Area Action Planning Funding can be used as match funding for any projects or initiatives which meet the priorities of the Ward Plans. This could include - where a Ward has a funding allocation - Communities First funding (which is a national funding stream allocated to specific Wards through the Community Development Foundation in London), or other funding.

- 3.5 Members are asked to note that at the Children’s Services Overview and Scrutiny Committee, held on Tuesday 14th January 2014, a report was presented titled ‘ All To Play For: A Strategy For Children’s Play In Bradford District 2013 – 2016’. It was resolved that it be recommended to Area Committees that they give consideration to play when allocating funding.
