1. SUMMARY

- 1.1 This report invites members to consider progress made on the delivery of actions identified within Bradford East Ward Plans 1 April 2013 to 31 March 2014 in response to priorities identified through the Ward Assessment process. In addition, this report presents the Bradford East Ward Plans 1 April 2014 to 31 March 2015.

2. BACKGROUND

- 2.1 Ward Plans highlight local priorities and provide a basis for tackling issues collectively at a local level.
- 2.2 The method for developing priorities for Wards has been through the annual Ward Assessment. The Ward Assessment includes a wide range of key statistical information about the Ward. In addition to the statistical data, there is also a range of qualitative information gained through community engagement. The quantitative and qualitative information is used to establish the needs of the Ward. The Assessment also includes information about community strengths and resources available to address the Ward needs.
- 2.3 Information collated through this process has identified priorities in the Ward Plans that require addressing.
- 2.4 Members in all the six wards and partners have been involved in the development of the Ward Plans. The Committee may wish to look to allocate resources at its disposal to meet the priorities contained in the Plans. The Ward Plans 2014 - 2015 are attached as Appendix A.
- 2.5 The Ward Plans for 1 April 2013 to 31 March 2014 and actions undertaken to respond to these priorities are contained within Appendix B.

3. OTHER CONSIDERATIONS

- 3.1 The purpose of the six Ward Plans is to set out a clear list of priority issues that should be addressed in 2014 - 2015 in order to improve the social, economic and environmental conditions within the Bradford East Area. The Ward Plans will continue to be the subject of a refresh on an annual basis with full consultation with members, partner organisations and the community.
- 3.2 Bradford East Area Committee is able to influence the Ward Plans directly by use of its executive powers and delegated budgets, as well as by a co-ordinator body and catalyst for action working in partnership. The six Ward Plans list the current priorities which can be amended in the light of emerging conditions and opportunities (e.g. devolution).
- 3.3 The Ward Plans will contribute to the District-wide Community Strategy and progress towards the 2020 Vision of Bradford as a good place to live, work, rest, and play.

4. OPTIONS

- 4.1 That Bradford East Area Committee adopts the recommendations outlined in this report.
- 4.2 That Bradford East Area Committee adopts the recommendations outlined in this report, with amendments.
- 4.3 That Bradford East Area Committee decides not to accept the recommendations outlined in this report.

5. FINANCIAL & RESOURCE APPRAISAL

- 5.1 The production and dissemination of the six Ward Plans can be met from within existing resources.
- 5.2 The priorities contained in the Ward Plans can be used to assist the Area Committee in its Local Area Management role and to inform the allocation of existing Area Committee budgets.
- 5.3 Officer support for co-ordination to action the priorities in the Ward Plans can be provided by the Area Co-ordinator's Office.
- 5.4 The six Ward Plans will inform budget-setting processes and service-planning throughout the Area.
- 5.5 The Bradford East Area Committee Action Plan 2011-14 will be forwarded to other key service-providers such as the Police and Clinical Commissioning Groups and community organisations to request that the Action Plan be used to inform their own priority-setting processes.

6. RISK MANAGEMENT AND GOVERNANCE ISSUES

- 6.1 There are no significant risks arising out of the proposed recommendations

7. LEGAL APPRAISAL

- 7.1 There are no legal implications arising from this report.

8. OTHER IMPLICATIONS

8.1 EQUALITY & DIVERSITY

The Ward Plans will seek to address concerns that have arisen from all sections of the community.

8.2 SUSTAINABILITY IMPLICATIONS

Sustainability considerations should be a constant element in any actions taken to address the Ward Plans.

8.3 GREENHOUSE GAS EMISSIONS IMPACTS

There are no Greenhouse Gas Emission implications arising from this report.

8.4 COMMUNITY SAFETY IMPLICATIONS

Community safety priorities have been included in the six Ward Plans.

8.5 HUMAN RIGHTS ACT

There are no Human Rights implications arising from this report.

8.6 TRADE UNION

There are no Trade Union implications arising from this report

8.7 WARD IMPLICATIONS

Priorities identified in the Ward Plans will benefit all six wards in Bradford East.

8.8 AREA COMMITTEE ACTION PLAN IMPLICATIONS

The Ward Plans seek to address prioritises outlined in the Bradford East Area Committee Action Plan 2011 – 2014.

9. NOT FOR PUBLICATION DOCUMENTS

There are no not for publication documents.

10. RECOMMENDATIONS

10.1 That the Bradford East Area Committee approves and adopts the six Ward Plans 2014 - 2015.

10.2 That Bradford East Area Committee requests Council Officers, partner agencies and community organisations to support the implementation of the six Ward Plans 2014 - 015.

10.3 That the Bradford East Area Committee notes and welcomes the work undertaken to deliver on the priorities in the 2013 – 2014 Ward Plans.

10.4 That the Bradford East Area Co-ordinator reports back to this Committee on the progress in addressing the priorities contained in the Ward Plans 2014 - 2015.

Hot-spots identified through WPTs pooling of intelligence aids effective multi-agency tasking reviewing progress on a regular basis through the structure of the WPT.</p> <ul style="list-style-type: none"> • Targeted hot-spots and gateways have received additional patrol coverage by Wardens, mechanical sweeping support and attention from the Clean Team which has been reducing over the last few months – improvements are being sustained without the need to put in additional resources. In such localities community litter picks have been undertaken involving residents to help tidy up the area in an attempt to encourage residents to take more pride in their local neighbourhood and responsibility for litter and waste within their neighbourhood. Residents associations have been involved and supported to carry out back street clean ups e.g. SidWigCres Group, backstreet tidy up of Exmouth Place area, resident led and Airedale Road. • Various community engagement days have been carried out across the Ward meeting residents face to face to talk about consequences of littering and fly-tipping, how to report fly-tipping and abandoned vehicles and to encourage residents to pass on information about individuals who are littering and fly-tipping. Connections to be explored through schools and community places – agreed at WPT meetings to deliver more community engagement contact through local community structures / activities which are taking place across the Ward e.g. Ward Officer has met with older people and young people sessions held at Greenwood Youth and Community Centre to promote services available and find out about local priorities for action feeding information back to partners through the WPT with joint tasking as an output to lead to improved outcomes. • School based educational campaigns including school assemblies and talks at parents meetings have been delivered. More of this work is required to be carried out over the next few months – changing people’s thinking and behaviour is a challenge and will take a while to achieve. Meeting arranged to take place with Poplars Farm School in November 2013. • Information about problems with litter, fly-tipping and consequences of illegally disposing and / or storing of waste have been a key focus at Neighbourhood Forums, PACTs and on Action Days. • Monthly meetings now take place with operational staff – Clean Team, Council Wardens and other operational staff are also invited to attend co-ordinated by the Ward Officer identifying lower level anti-social behaviour and environmental priorities for action. • Duty of care checks have been carried out at business premises and the owner / management informed of their responsibilities to properly store and dispose of their waste, encouraged them to keep their frontages tidy and explained the consequences for failing to do this. • Numerous locations have been cleared using Probation Justice Seen Justice done teams, including site visits, tasking, briefing, waste removal, refreshments, supervision etc. • Where engagement has not been successful with residents, businesses and other site owners referrals have been made to the Council’s Enforcement Team. • Projects to Improve the Living Environment priority of Bolton and Undercliffe Community First. • Work with Poplars Farm and Peel Park Primary School – assemblies and smaller focussed sessions including litter picking and

Cleaner and Greener Communities				
CG1.	Littering and fly-tipping on verges and backstreets (including unadopted backstreets) and waste in yards and gardens. This is often from home improvements and building works – sofas, mattresses etc and builder’s waste being dumped.	<ul style="list-style-type: none"> • Monitor rubbish in gardens, take action to prevent it ending up in back streets through warden visits, promote bulk waste service, gather evidence and refer for enforcement action where needed • Door knocking by Wardens – raise awareness of Council services, gather evidence for enforcement action where non-compliance • Liaison between Clean Team and Wardens on areas to focus on and actions needed • Get details of and contact private landlords to advise them of their responsibilities, refer for enforcement where needed • Information to residents at Forums and other community events and presentations to raise awareness of Council services and Council powers • Warden and PCSOs to issue FPNs where needed • Support active citizenship and organise litter picks with residents and services in hotspot areas 	<ul style="list-style-type: none"> • East Bowling; Paley Road, Balfour Street, Margate Terrace and Raleigh Street • Barkerend, Wingfield Street, Tennyson Place and Hendford Drive • Otley Road; Undercliffe Lane, Beech Grove, Northampton Street, Chatham Street 	Wardens Clean Team Ward Officer PCSO Environmental Enforcement
<ul style="list-style-type: none"> • Visual audits have been undertaken to identify priority streets with high numbers of gardens with waste accumulation and informed regular patrols and face to face engagements. Council Wardens have provided information about the bulk refuse collection service, household waste collection centres and details about the possible consequences of non compliance. Residents have been encouraged to volunteer to carry out litter picking on their local streets working both with Council Wardens and independently. • Targeted hot-spots have received additional patrol coverage by Wardens, mechanical sweeping support and attention from the Clean Team. In such localities community litter picks have been undertaken involving residents to help tidy up the area in an attempt to 				

encourage residents to take more pride in their local neighbourhood and responsibility for litter and waste within their neighbourhood.

- Various community engagement days have been carried out across the Ward meeting residents face to face to talk about consequences of fly-tipping, how to report fly-tipping and abandoned vehicles and to encourage residents to pass on information about individuals who are fly-tipping.
- Work with Friends of Groups has resulted in community litter picking events being held bi monthly. Litter pickers, gloves and other resources have been funded by the Bradford East Area Co-ordinator's Office. Projects undertaken with residents litter picking and tidying up on their backstreets.
- Projects targeting open land and clearance of back streets some of which have included The Greenway, Prospect Road, various streets in East Bowling and more have been improved by the Community Pay Back Team. Big pick held over 120 young people and residents took part in April covering the Greenway / Barkerend area.
- School based educational campaigns including primary school assemblies, talks at parents meetings and workshops at secondary primary schools have been delivered.
- Information about problems with litter, fly-tipping and consequences of illegally disposing and / or storing of waste have been a key focus at Neighbourhood Forums, PACTs and on Action Days.
- Joint patrols with the NPT are scheduled to take place on a weekly basis.
- Engagement has been carried by attendance at a range of sessions – Karmand Centre, Barkerend School, East Bowling Pensioners Club, Bradford Academy, Carlton Bolling College, Friends of Bowling Park, mosques, churches and within other settings.
- School gate surgeries have been delivered across the Ward to engage with residents to identify hot-spot areas for environmental issues and promote services available for disposal of their waste.
- Private landlords on Paley Road, Balfour Street, Prospect Road, Chatham Street and other locations have been contacted to make them aware of their and tenant responsibilities. Supported closely by Environmental Enforcement.
- Joint litter patrols with NPT, Enforcement Team and Council Wardens have been carried out particularly on Leeds Road.
- Monthly meetings now take place with operational staff – Clean Team, Council Wardens and other operational staff are also invited to attend co-ordinated by the Ward Officer identifying lower level anti-social behaviour and environmental priorities for action.
- Educational programmes linked to understanding environmental problems, anti-social behaviour, vandalism and crime have been delivered through Barkerend Primary School and Carlton Bolling College.
- Focussed work covering Swain Green area – visual audits, tidy up event with young people and much more. Support received from The Vine Centre and InCommunities.
- Focussed work around Otley Road / Dover Street / Prospect Road area involving residents with litter picking, bulb planting, signage put up for anti-littering and ASB campaign. Supported by InCommunities closely.
- Action Plan in development for the Mary Street site including Birkshall Lane – lead contact Environmental Health with regular support by Neighbourhood and Customer Services.
- Work started for BD3 initiative which will include tackling litter issues.

<ul style="list-style-type: none"> • Work starting for development of a possible Friends of Seymour Park group. • Organised community litter picking events – area wide The Greenway, Beech Grove, East Bowling, backstreets, parks and woodlands. • Proud of BD3 initiative – Waste week run in March 2014. • Distributed packs to groups and schools to carry out self-help activities and community litter picks. • School work in Barkerend School, Carlton Bolling College, Westminster, Bradford Academy and Ostler School. • Delivered Eco Schools programme at Barkerend School. • Joint work programmes with ORBE e.g. Revamping History Project, Heritage Garden, fun days and fun taster sessions area wide. 				
CG2.	Uptake and understanding of what and how to recycle and lack of enthusiasm for recycling– including in the ‘Barkerend, Pollard Park and Otley Road’ areas.	<ul style="list-style-type: none"> • Visual audit of current properties with recycling bins by Wardens. • Door knocking by Wardens – trying to engage owner / occupier to properly recycle and explain what they can use the bin for and when this is emptied • Information at Forums and other community events to raise awareness • Work with local schools and parents to encourage take-up and proper use of recycling bins 	<ul style="list-style-type: none"> • Barkerend area 	Wardens Clean Team Ward Officer
<ul style="list-style-type: none"> • Particular focus has been given to properties which fall between Otley Road, Barkerend Road and Tennyson Place. <ul style="list-style-type: none"> • Visual audit of Leeds Road, Barkerend Road and Bowling Back Lane has been undertaken to identify businesses (other properties and land) with waste accumulation and / or litter problems. Litter dropped by customers purchased from fast food outlets remains a significant issue. Wardens have engaged with the owner / occupiers educating them about property storing and disposing of their waste, keeping their frontages clean and tidy and offering litter pickers to anyone who has expressed an interest in litter picking around their frontages. Work on going. Supported by Environmental Enforcement as necessary. • Litter patrols have been carried out sometimes with Environmental Enforcement Officers. Zero Tolerance Campaign materials produced, distributed and displayed at various locations. • Where the informal engagement has not been successful to encourage the owner / occupier to tidy up their premises such cases have been referred to the Environmental Enforcement Team. There has continued to be positive engagement from the Environmental Enforcement Team. • A mapping exercise has been carried out along the gateways to get a better understanding of the existing litter bin provision. Some work has been carried out to replace damaged litter bins and also provide additional litter bins with funding allocated through the local Ward budget. Work continues to upgrade street litter bins but this is challenging to do within the tight financial constraints the Councils is working within and such a large area to cover.
