Overview & Scrutiny Area:**

**Corporate**

Suzan Hemingway, City Solicitor

## **1. SUMMARY**

This report presents a draft Bradford South Area Committee Action Plan 2014-17 for consideration by the Area Committee.

## **2. BACKGROUND**

2.1 Bradford Council's Executive resolved on 9 March 2004:

“that the Community Development and Lifelong Learning Director prepare Area Committee Plans, setting out local accountability of Services, including Actions responding to Ward Members, Neighbourhood Forums, Neighbourhood Action Plans, Parish Plans, Urban Village Plans and other local action planning.”

2.2 This work was undertaken and has been followed through by the Neighbourhoods and Customer Service, through the Area Co-ordinator's Office, working to support the Area Committee through the implementation stage of Bradford South Area Committee Action Plans covering the period 2004 – 14.

2.3 Partners, Services and Agencies have also been committed to supporting action planning at a Neighbourhood and Area-level within the Community Strategy. They have supported Locality Planning and have worked with Bradford South Area Co-ordinator's Office to identify issues.

2.4 Ward Assessments have been developed to provide information used to underpin the draft Bradford South Area Committee Action Plan 2014-17.

2.5 The information collated through this process has identified areas where priorities in the draft Bradford South Area Committee Action Plan 2014-17 continue to be addressed by mainstream provision. This will be of particular importance to the Area Committee where it involves Services which have recently been devolved to it. It also enables Bradford South Area Committee to more effectively identify where it may wish to allocate those resources.

## **3. OTHER CONSIDERATIONS**

3.1 The purpose of the Bradford South Area Committee Action Plan 2014-17 is to support improvements to the quality of life in Bradford South. It sets out priorities for action and provides a framework for the Area Committee to monitor progress.

3.2 Bradford South Area Committee will implement the Bradford South Area Committee Action Plan 2014-17 directly by use of its executive powers and delegated budgets as well being a co-ordinatory body and catalyst for action working in partnership.

3.3 For a number of the priority issues within the Action Plan, it is likely that the main role of the Area Committee will be to continue to act as a co-ordinatory body and catalyst for action; with the Area Committee taking an investigative, supportive, developmental, championing, and monitoring role.

3.4 It is suggested that this role will largely be conducted through requesting Council Service Departments and partner agencies to note and respond to the priorities, to present reports to the Area Committee on the work they are undertaking and the

progress that is being made against the priorities within the Area Committee Action Plan.

- 3.5 By presenting priorities by Ward it is intended that the Bradford South Area Committee Action Plan 2014-17 will continue to be used in support the work of Ward Leadership Teams and Ward Officer Teams on an ongoing basis.
- 3.6 The Bradford South Area Committee Action Plan 2014-17 can contribute to the District-wide Community Strategy and progress towards the 2020 Vision of Bradford as a good place to live, work, rest, and play.

#### **4. FINANCIAL & RESOURCE APPRAISAL**

- 4.1 The production and dissemination of the Bradford South Area Committee Action Plan 2014-17 will be undertaken from within existing resources.
- 4.2 The Area Committee Action Plan priorities can be used to assist the Area Committee in its Local Area Management role, and to inform the allocation of Area Committee budgets.
- 4.3 Officer support for co-ordination to take forward the Action Plan will be provided by the Bradford South Area Co-ordinator's Office.
- 4.4 The Bradford South Area Committee Action Plan 2014-17 will inform the budget-setting processes and service-planning throughout the Authority.
- 4.5 The Bradford South Area Committee Action Plan 2014-17 will be forwarded to other key service-providers such as the Police and Clinical Commissioning Groups and community organisations to request that the Action Plan be used to inform their own priority-setting processes.

#### **5. RISK MANAGEMENT AND GOVERNANCE ISSUES**

- 5.1 There are no significant risks and governance issues arising from the proposed recommendations in this report.

#### **6. LEGAL APPRAISAL**

- 6.1 This work relates directly to the Local Government Act 2000 and to the Duty of Well-being placed upon the Council to promote and improve the well-being of the District.

#### **7. OTHER IMPLICATIONS**

##### **7.1 EQUALITY & DIVERSITY**

Priorities identified within the Bradford South Area Committee Action Plan 2014-17 will promote fairness and inclusion while supporting Bradford South Area Committee's commitment to equal opportunities for all.

## **7.2 SUSTAINABILITY IMPLICATIONS**

Sustainability considerations are an element in actions taken to address priorities within the Bradford South Area Committee Action Plan 2014-17.

## **7.3 GREENHOUSE GAS EMISSIONS IMPACTS**

Actions to assist in identifying the greenhouse gas impacts of actions to address priorities within the Bradford South Area Committee Action Plan 2014-17 will be undertaken. These will include a consideration of for example energy efficiency opportunities in purchasing new equipment or refurbishing or modifying buildings.

## **7.4 COMMUNITY SAFETY IMPLICATIONS**

7.4.1 Community Safety issues are acknowledged as a key contributor to the quality of life in neighbourhoods. Community safety priorities have therefore been identified for inclusion in the Bradford South Area Committee Action Plan 2014-17.

7.4.2 A key aspect of this work relates to supporting the Safer Communities Strategy, the Council's obligations under Section 17 of the Crime and Disorder Reduction Act 1998 and the work of the Safer Communities Partnership.

## **7.5 HUMAN RIGHTS ACT**

7.5.1 No direct implications arising from the Human Rights Act.

## **7.6 TRADE UNION**

7.6.1 No direct Trade Union implications arise from this report.

## **7.7 WARD IMPLICATIONS**

7.7.1 The priorities outlined in this report will help to address issues in the Great Horton, Queensbury, Royds, Tong, Wibsey and Wyke Wards.

## **7.8 AREA COMMITTEE ACTION PLAN IMPLICATIONS (for reports to Area Committees only)**

7.8.1 The priorities within the Bradford South Area Committee's Action Plan 2014-17 help inform Bradford South Area Committee decisions.

## **8. NOT FOR PUBLICATION DOCUMENTS**

None.

## **9. OPTIONS**

9.1 That Bradford South Area Committee adopts the recommendations outlined in this report.

9.2 That Bradford South Area Committee adopts the recommendations outlined in this report, with amendments.

9.3 That Bradford South Area Committee decides not to accept the recommendations outlined in this report.

## **10. RECOMMENDATIONS**

10.1 That Bradford South Area Committee approves and adopts the draft updated Bradford South Area Committee Action Plan 2014-17.

10.2 That Bradford South Area Committee requests Council Officers, partner agencies and community organisations to support the implementation of the Updated Interim Bradford South Area Committee Action Plan 2014-17.

10.3 That Bradford South Area Committee requests the Area Co-ordinator to continue to work with the relevant officers to support the implementation of the Area Committee Action Plan, as adopted, and to prepare a schedule of reports about progress, to be presented to future meetings of the Area Committee.

10.4 That the Bradford South Area Committee Action Plan 2014-17 should be considered in future revisions of District-wide strategies and budget-setting processes.

## **11. APPENDICES**

Appendix 1: Draft Updated Bradford South Area Committee Action Plan 2014-17.

## **12. BACKGROUND DOCUMENTS**

12.1 "Bradford South Area Committee Action Plan 2011-14" (Document N), report to Bradford South Area Committee, 22 July 2010.

12.2 "Bradford South Area Committee Action Plan 2011-14" (Document AW), report to Bradford South Area Committee, 27 January 2011.

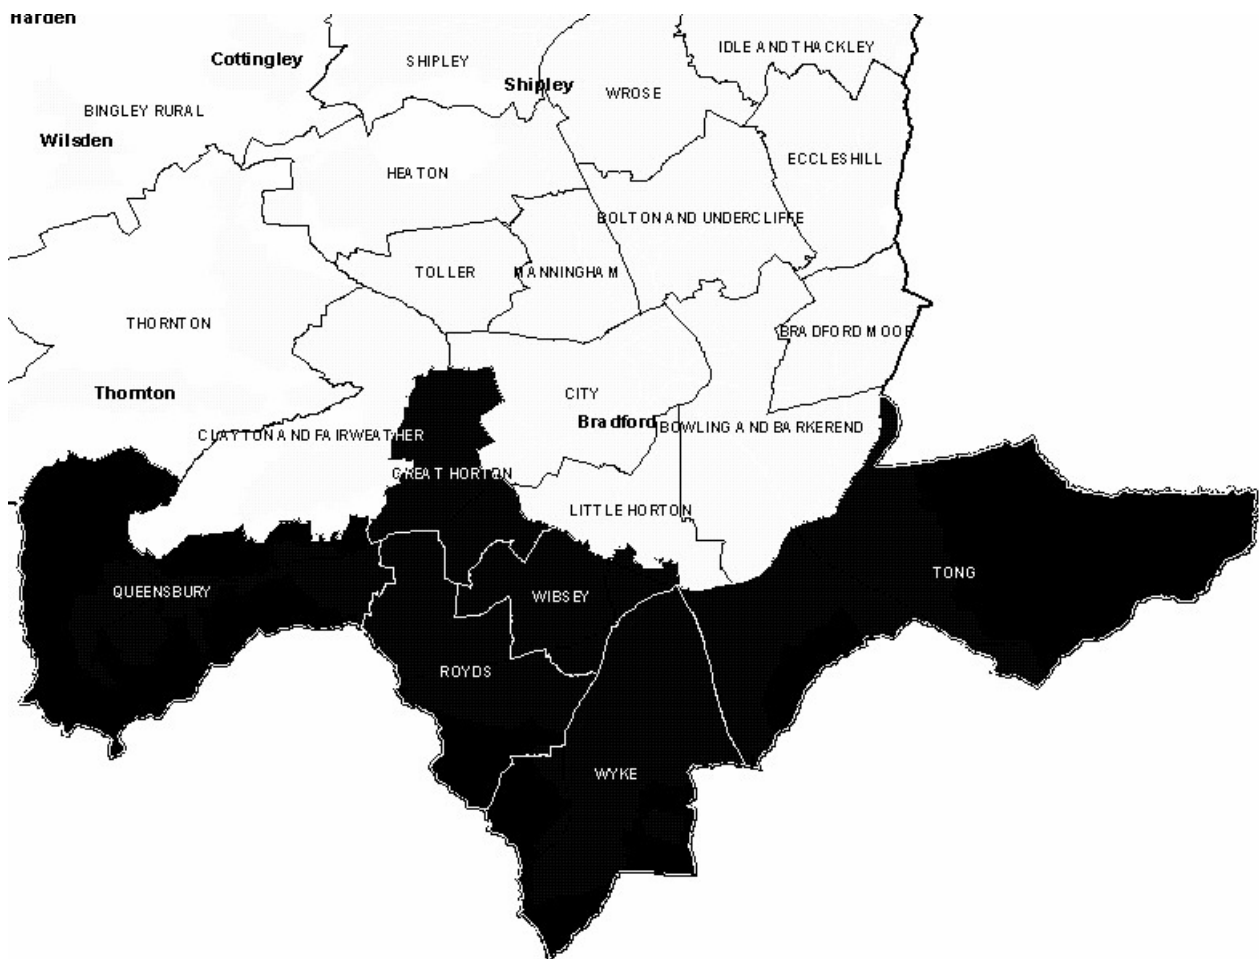

12.3 "Draft Interim Bradford South Area Committee Action Plan 2011-14" (Document BH), report to Bradford South Area Committee, 24 March 2011.

12.4 "Draft Bradford South Area Committee Action Plan 2011-14" (Document BA), report to Bradford South Area Committee, 22 March 2012.

12.5 "Bradford South Area Committee Action Plan 2011-14 Update" (Document BA), report to Bradford South Area Committee, 24 January 2013.

12.6 "Bradford South Area Committee Action Plan 2011-14 Update" (Document AM), report to Bradford South Area Committee, 28 November 2013.

### **Purpose of the Area Committee Action Plan**

The purpose of the Bradford South Area Committee Action Plan is to support improvements to the quality of life in Bradford South. It sets out the priorities for action and provides a framework for the Bradford South Area Committee to monitor progress.

Bradford South Area Committee is the leading democratically elected decision making body within the Constituency and will work with other Council Services, partners (both statutory and community) to address these priorities.

### **The Process by which the Priorities were Selected**

The priorities within the Bradford South Area Committee Action Plan 2014-17 have been informed by consultations carried out through a wide range of activities, including:

- Scheduled Ward, Neighbourhood Forums and Single Issue Neighbourhood Forums.
- Engagement with Council Wardens.
- Neighbourhood Action Planning across Bradford South.
- Community Consultation Events.
- Urban Village Action Planning in Wibsey.
- Holme Wood and Tong Neighbourhood Development Plan.
- Ward based Area Safer Communities' Partnerships in Wyke and Great Horton.
- Action planning at a District-wide level by communities of interest.

These have informed and been informed by the Ward Assessments.

From these issues draft priorities, with supporting statistical information, have been developed by Ward.

## **DESCRIPTION OF BRADFORD SOUTH**

Bradford South is an administrative sub-division of the City of Bradford Metropolitan District Council, and covers the following District Council Wards: Great Horton, Queensbury, Royds, Tong, Wibsey and Wyke Wards.

Bradford South covers a number of separate but linked communities with different identities and characters. There is a rich tradition of community engagement and voluntary activity throughout Bradford South.

Ward and Neighbourhood Forums are held in Bradford South enabling local people to have their say on issues which affect them and put forward their views on how together we can deliver sustainable improvements.

Bradford South benefits from the presence of some major employers, particularly chemical companies such as BASF and A. H. Marks. It also has a number of distribution companies in Low Moor with a broad range of companies located in the Euroway Trading Estate and in the vicinity of Tong Street. In addition, further employment opportunities have recently been realised with the completion of Phase 1 of the Prologis Business Park which has enabled Marks & Spencer to move into their largest distribution centre in Europe. Whilst not all the employees live locally, a significant proportion does live within Bradford South.

Village centres across Bradford South, along with a number of supermarkets, provide a focus for shopping, although many people do travel outside the area to shop. The service sector does also provide jobs within Bradford South.

The area has benefited, and continues to benefit, from a number of major targeted regeneration programmes, which included Economy and Jobs as one of their major themes.

Bradford & Airedale NHS Trust deliver primary health care and Bradford Districts Clinical Commissioning Group commission secondary care, both with an emphasis on public consultation and participation. This has provided the opportunity for significant inter-agency communication and partnership working. This work continues to develop and is key to developing the Health & Wellbeing themes within the Action Plan.

Bradford South provides opportunities for a range of leisure and sporting pursuits. There are many sports clubs which organise a wide range of activities for people of all ages. There are a number of indoor leisure centres, both public and private, with the flagship being Richard Dunne Sports Centre providing a leisure swimming pool. In addition there are plans to develop a Sporting Village in Wyke. It is also home to the Bradford Bulls Rugby League Team who play in the Superleague.

There are a number of school halls, community centres and other halls available for meetings and events run by Council, voluntary organisations and faith communities. There are a large number of well maintained and valued public parks across Bradford South as well as a number of recreation grounds and play areas maintained by Bradford Council, many supported by "Friends of Parks" groups.

The heritage of the area and cultures of the communities are important in giving Bradford South a unique identity. These are supported and maintained by a number of active local history groups.

## DRAFT Great Horton Ward Assessment and Ward Plan

<b>Ward Members</b> (1/1/13)	Cllr Joanne Dodds	Cllr John Godward	Cllr Abdul Jabar
<b>Ward Officer</b>	Mohammed Taj	<b>Date completed</b>	March 2014

## **Introduction: What is the Ward Assessment for?**

The Ward Assessment is designed to inform Ward working, including action planning and decision making. The document summarises the prevalent strengths and issues within the Ward. This evidence base produced in the assessment will shape the identification of Ward priorities and actions to take to address these within the annual **Ward Plan**. The Council Ward Officers plays a critical role in digesting this information and summarising findings into the most pertinent issues. In order to assist Ward Officers in capturing and analysing findings this document has been organised under the following seven sections:

### **Section: 1 Ward Demography: Who lives in the Ward**

### **Section: 2 Community Strengths/ Stronger Communities: Active Citizenship within the Ward.**

This section highlights aspects of Ward strengths; including volunteering, voluntary groups etc.

### **Section: 3 Resources.**

This section relates to the resources that Area Committees will be able to influence either directly or indirectly.

### **Section: 4 New section called Assets of Community Value**

This section outlines physical assets (buildings and public spaces) that are assets within the Ward

### **Section: 5 Ward Issues.**

This section summarises the main issues identified by 1) numbers, 2) engagement and voice. There are sub-sections for the themes 1. Cleaner Greener, 2. Safer Communities, 3. Health and wellbeing inequalities 4. Incomes, employment and housing and 5. Children and young people. In each sub section there is a table that is an analysis of the main issues for each theme.

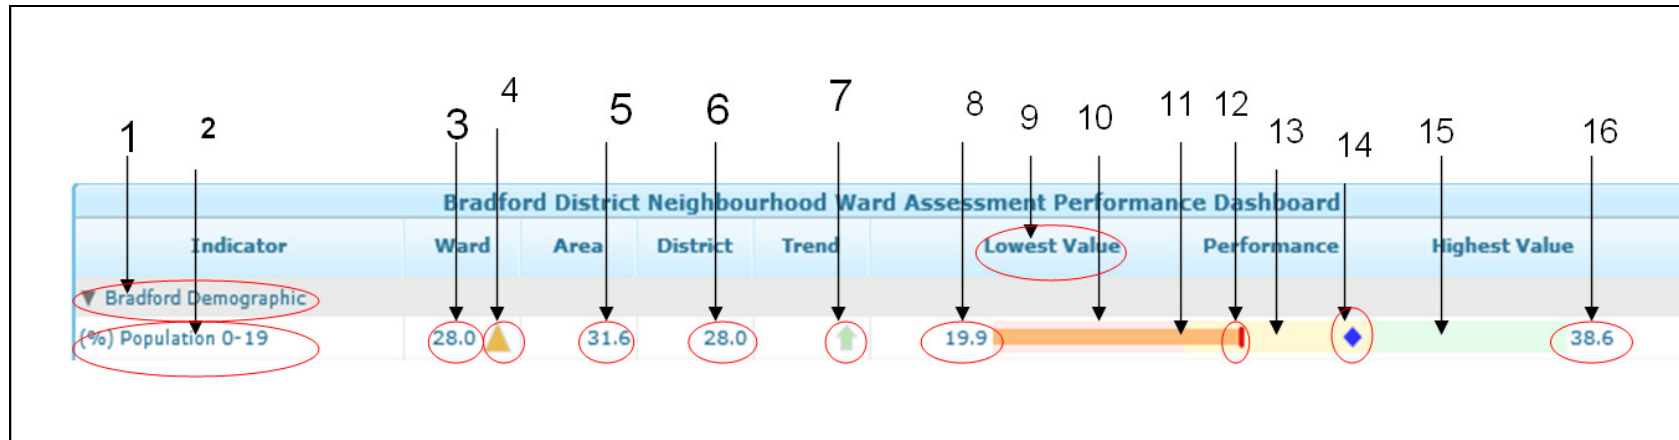

### **Section: 6 Sub Ward Issues**

This section highlights areas within smaller areas of the Ward where there are more specific issues.

## Section: 7 Making Assessment Ward Priority Issues

Each Indicator is presented as a Ward Assessment table that shows each indicator with a Ward, District and Area Committee comparator.

### Ward Profile Indicator Key

- The above table also shows five columns: **Ward, Area Committee and District** measure for the selected ward indicator and a **trend** column that shows an arrow symbol to indicate if the ward measure has either increased or decreased from the previous year. The full table with all ward indicators can be accessed via [Bradford observatory](#). The number key for the above Ward profile is as follows:

**1 Theme Name**

**2 Indicator** = the indicator name

**3 Ward** = the indicator measure for the your selected ward

**4 Ward Status Symbol** this icon symbol acts as a quick summary guide in indentifying if the ward measure is significantly above/below or centres around the district average.

**Green Circle** ● denotes either significantly above or below the district average

**Amber Triangle** ▲ shows the indicator centres around the district average

**Red Diamond** ▼ indicates either significantly above or lower than the district average.

**5 Area** is the **Area Committee** Area average

**6 District** is the figure for Bradford District

**7 The Trend** column relates to change through time and enables an analysis of change between two points in time. This is denoted with either a small up or down arrow or a large ones where the increase or decrease has been significant.

**8** Indicates lowest value for the selected indicator for any ward in the district

**9** Lowest value label

**10 Red background shading** indicates the top/bottom range for the ward indicator

**11 Orange horizontal bar** is the ward value that matches that in the Ward Column **(2)**

**12 Red Verticle** line shows the district average |

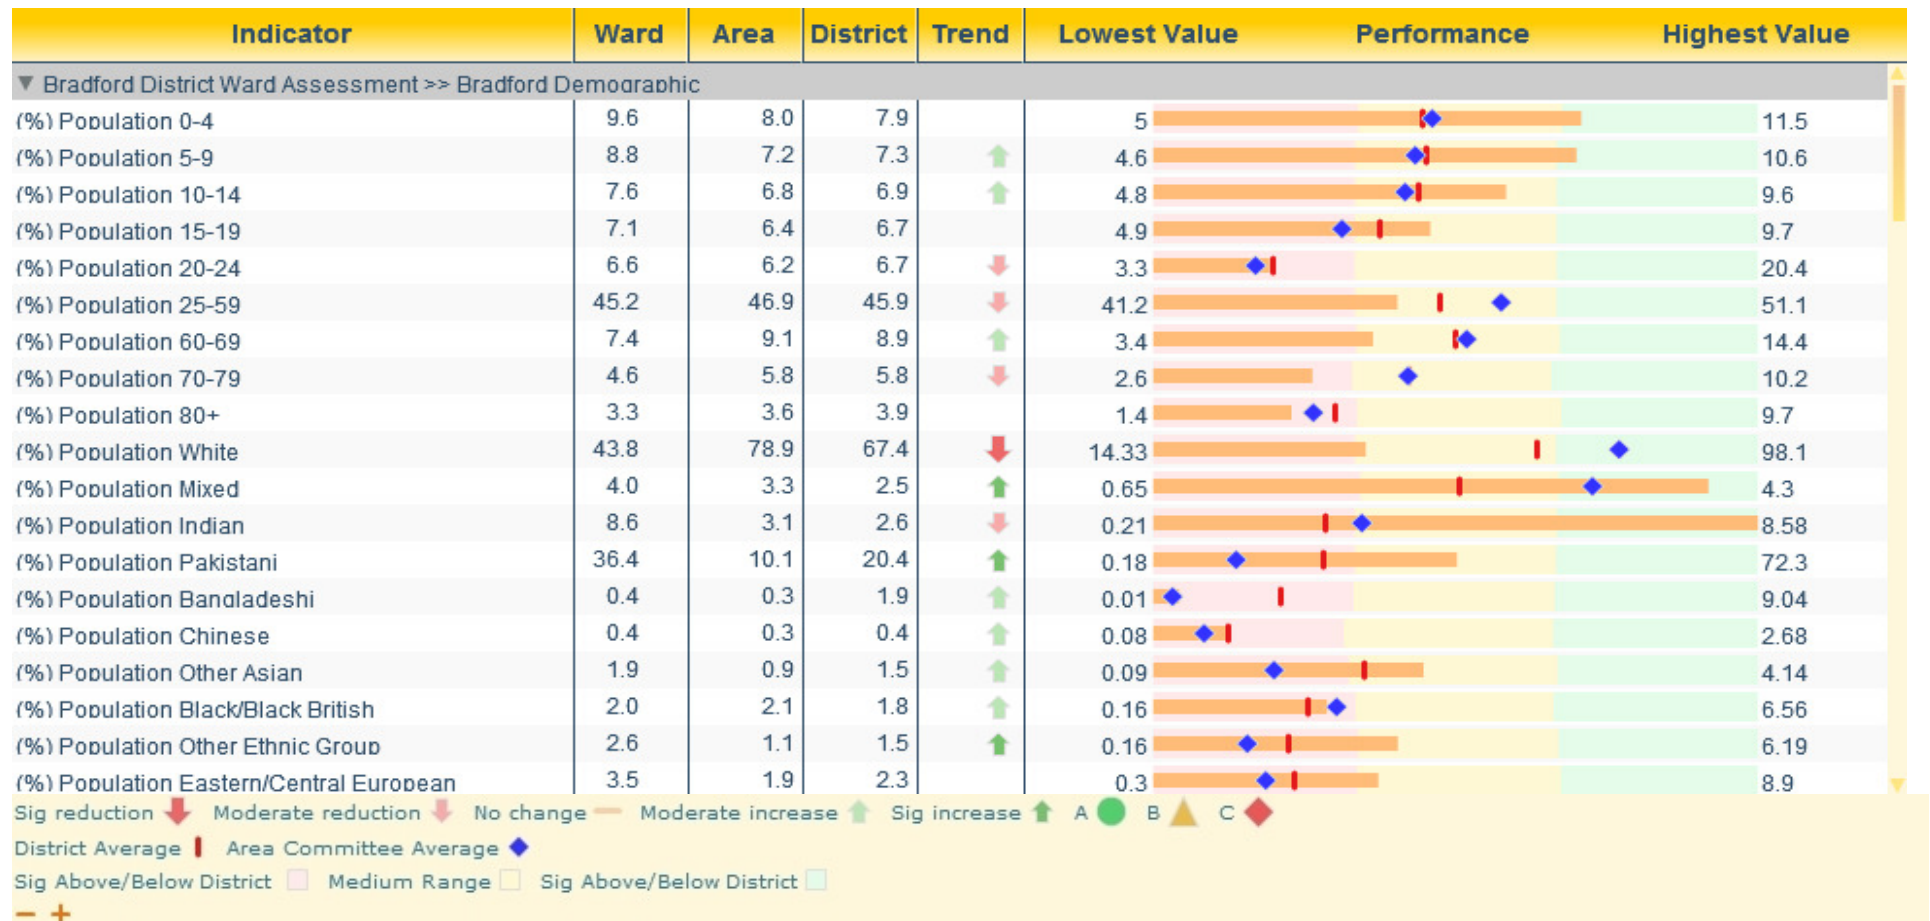

**13 Amber background shading** indicates where the ward value would need to fall for it to within the average of the data range

**14 Blue triangle** shows Area Committee average ▼

**15 Green background shade** indicates the range that is in the top/ bottom or average of the data range

**16** Indicates highest value for the selected indicator for any ward in the district

## Section 1: Demography: Who lives in the ward?

See page 3 of this document for Key.

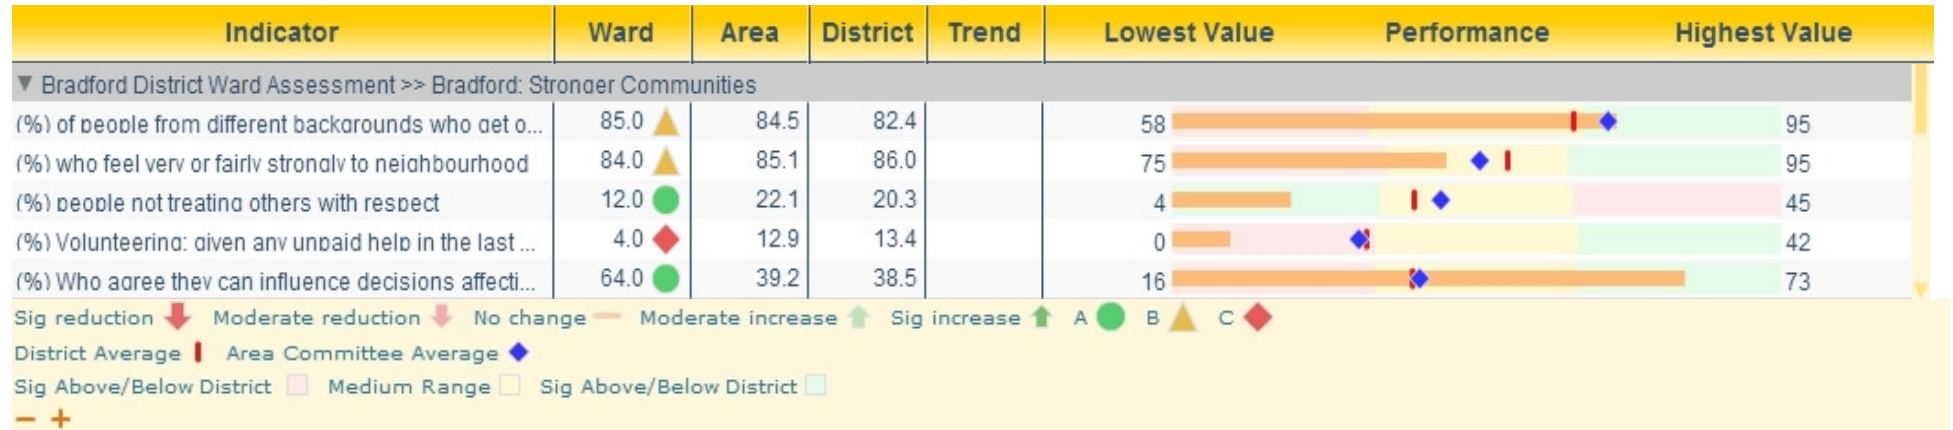

**Great Horton : Census 2011 Ward Population  
(17,683)**

Age Band	Males	Females
0-4	861	846
5-9	768	740
10-14	683	633
15-19	617	625
20-24	560	645
25-29	651	815
30-34	710	669
35-39	668	608
40-44	579	514
45-49	455	497
50-54	459	525
55-59	442	424
60-64	397	404
65-69	231	227
70-74	205	255
75-79	159	223
80-84	117	216
85-89	65	121
90+	19	50
<b>Total</b>	<b>8,646</b>	<b>9,037</b>

Future ONS updates will also include ethnicity and faith groups.

## Section 2: Stronger Communities/Community Strengths-Active Citizens

All above indicators are derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

## **Section 2.2 identifying prevalent strengths through community engagement and voice (Stronger Communities)**

### **1. Active Citizen-led initiatives within the Ward**

Neighbourhood Watch Schemes. Great Horton Community Partnership, Lidget Green Community Partnership, Scholemoor Beacon, various sports clubs. Scout Groups, Great Horton Ward Live at Home Scheme, Church based activities e.g. toddler/playgroups, Lidget Green Seniors Organisation, Lidget Green Walking and Outdoor Group.

In 2012, The Bradford South Area Co-ordinator's Office was successful in securing Big Lottery Funding of £1 million over ten years for the Scholemoor and Lidget Green area. We have been supporting Bradford CVS and Cnet who are the interim Local Trusted Organisation for this funding. As part of this initiative Green Moor Community Partnership Board consisting of 15 local residents has been set up and a community plan with key priorities has been produced. The plan has been sent to Big Local in London for approval. The Board is currently undertaking a commissioning process to appoint a Local Trusted Organisation to support the board in the delivery of this programme for the next 2 years.

### **2. Scope for increasing Active Citizenship within the Ward**

All the Community Partnerships require more resident members and volunteers to assist with their activities and also better promotion is required of the partnerships and their activities

Support partnerships to increase members and to promote activities

Support Big Local in promoting the Community Partnership and the involvement of local people in this programme

Increase number of constituted community and voluntary groups in the Ward

Increase attendance at Ward Forums and community engagement events

Increase engagement with residents via Council Wardens, attendance at community events and via days of action with partners.

### **3. How many incidents of community tensions were reported to your WOT/ WPT in the past 12 months (January to December 2013)**

None.

### **4. Qualitative assessment of the level of Active Citizenship within the Ward**

There are three longstanding Community Partnerships which are Lidget Green Community Partnership, Great Horton Community Partnership and Scholemoor Beacon that are supported by service providers and Ward Members. Whilst all three are resident led, over the years residents on the Management Committees of these organisations have decreased and due to this there has been a reduction in their activities organised. The Partnerships are all keen to increase resident involvement.

The statistics show that only 4% of people volunteered in the Ward in the last 12 months and this is significantly below the Bradford South Area (12.9%) and district averages (13.4%).

**4a. Overall assessment of actual levels of Active Citizenship / Social Capital within the Ward (tick)**

	Lower	Average	Higher
		✓	

**5. Any other information relevant to Stronger Communities**

The statistics are very positive with regards to people from different backgrounds getting on well in the Ward and feel a belonging to their neighbourhood.

85% of people believe that people from different backgrounds get on well and this is higher than the Bradford South Area and District averages. The percentage of people who feel belonging to their neighbourhood is 84% which is slightly lower than the Bradford South Area (85.1%) and District (86%) averages. The percentage of people not treating others with respect is 12% which is significantly lower than the Bradford South Area (22.1%) and District (20.3%). 64% of people agree that they can influence decisions affecting their area which is significantly higher than the Bradford South Area (39.2%) and District (38.5) averages.

The percentage of Eastern and Central European Communities in the Ward is 3.5% which nearly double the District average of 1.9%. Any community projects and activities undertaken need to be inclusive of this community and to ensure community cohesion in the area.

### Section 3: Council and partner resources allocated to the Ward and Area Structures

Description of Resource	Amount of Resource	Type of resource, cash, worker time	How can this Resource be influenced within the Ward	Area Committee decision making	Notes
Council Wardens	2 x full time 1 mobile warden covering 3 wards	Worker time	Close liaison with Warden Manager	✓	
Street cleansing staff and mechanical sweepers	5 x full time and 1 four days a week, across Great Horton and Queensbury Wards 3 x full time mechanical sweeps shared across Bradford South	Worker time	Close liaison with Clean Team Manager	✓	
Housing Officers/Managers	2 x full time	Worker time	Through Ward Officer Team meetings and Great Horton Safer Communities Partnership		
Youth Workers	1 full time	Worker time	Through Ward Officer Team meetings	✓	
NPT Police Officers / PCSOs	NPTs are currently undergoing restructure.	Worker time	Through Ward Officer Team meetings		

Fire Service	Staff	Worker time	Through Ward Officer Team meetings		
Community Payback	Staff	Time	Through Ward Officer Team meetings		
Lidget Green Children's Centre	Staff	Worker time	Liaison with the Head teacher		
Ward Officer	1 full time	Worker time	Ward Leadership Team	✓	

## Section 4: Assets of Community Value

This list should include any physical asset, including buildings and open spaces that are or potentially could be used by the local community. The Council will have a List of Assets of Community Value that will have a degree of protection if the current owners of the asset would wish to sell. Assets listed here may be used as a shortlist of assets that may later gain the formal status of an Asset of Community Value

<b>Asset of community value</b>	<b>Location</b>	<b>Current use</b>	<b>Potential use</b>
Great Horton Village Hall and Library	Beldon Road	Great Horton Village Hall has been refurbished and the Library Service has relocated to this site. The building is now used by community groups. The Library Service manages the building on an interim basis.	Increase number of groups and organisations using this community facility.
Scholemoor Community Centre and Recreation Ground	Dracup Avenue	Various activities in community centre, floodlit multi use games area and play area. Outside junior football pitch has been completed and is ready to use.	Refurbishment of community centre and changing facilities for football teams
Brackenhill Park	Hollingwood Lane	Bowling Green and Club Play Area Tennis Courts	Improve tennis courts area
Wibsey Bank	Southmere Drive	Limited use for community. Maintained on behalf of Bradford Council by Forster	Potential for residents to be involved in the management and maintenance of the site

		Community College	
Black Mountain site	Haycliffe Lane	Site on a temporary licence to local school with a long term lease being negotiated. Limited community use	Potential to involve local residents on partnership being developed and obtain funding to undertake further improvements at the site. Potential for volunteering opportunities for local community

## Section 5: Ward Issues.

This section identifies the main issues within the ward through a mixture of identifying issues through numbers and through engagement and voice. These two forms of information are then interpreted in the third sub-section. There is a sub-section on each of the following themes: 1. Cleaner Greener, 2. Safer Communities, 3. Health and Wellbeing, 4. Incomes, Skills and Housing and 5. Children and Young People. The three sub sections for each theme are as follows:

1. **Identifying prevalent issues through numbers** includes key **headline** measures of the **State of the Ward**, in relation to experienced in a ward.
2. **Community engagement and the voice** of communities is an analysis of a wide range of information that includes the following:
  - Neighbourhood Forums and other engagement events including with young people
  - Views expressed to elected Ward Members
  - Key frontline staff including Council Wardens & Youth Workers
  - Parish, Town and Community Councils
3. **Analysis of statistics and engagement and voice.** This sub section for each theme identifies the ward priority issues and is developed into Ward Priority Issues within the Ward Plan

## Sub Section 5.5.1 Cleaner Greener identifying prevalent issues through numbers

Streets Failing on Weeding, Over Vegetation and Edging have not been updated this year

Overall Satisfaction, % who perceive rubbish as a problem and % recycling are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

## Sub Section 5.1.2 identifying prevalent issues through community engagement and voice (Cleaner Greener)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
Litter across the ward particularly on main thoroughfares and outside schools	Across the ward. Hotspots are Great Horton Road, Southfield Lane	WOTs / WLTs Ward Forum / Youth Service Consultation Council Wardens Ward Councillors
Fly tipping	Adjacent to St Wilfrid's Church, Lidget Place and Lidget Terrace, Necropolis Road, Beldon Close Private land adjacent to 131 Hartington Terrace, 117 Cumberland Road, Land at back of Haycliffe Road / Terrace	WOTs / WLTs Ward Forum Partnership meetings Ward Councillors Council Wardens
Dog fouling	Across the ward. Hotspots are Scholemoor Road / Necropolis Road area Clayton Road and Lidget Terrace Arctic Parade and Southfield Lane	WOTs / WLTs Ward Forum Ward Councillors
Rubbish and bulky refuse in gardens	Four Streets area ie Wheater Road / Hartington Terrace etc, Beldon Road and Southfield Lane area, Lidget Place and Lidget Terrace	Council Wardens Ward Councillors Partnership meetings
Blocked gullies	Across the ward	Ward Councillors Council Wardens

### Sub Section 5.1.3 Cleaner Greener Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?

88.1% of people in the Ward are overall satisfied with their area and this is higher than the Bradford South Area and District averages of 84.7% and 86.8% respectively. Residents who perceive litter or rubbish as a problem at 27% is marginally higher than the District average (26.2%) but below the Bradford South Area average of 27.8%. The percentage of streets failing on Over Vegetation at 52.5% is significantly lower than the Bradford South Area (61%) and District (59.7%) averages.

The percentage of streets failing on litter has improved since last year but at 21.1% is almost double the Bradford South and significantly higher than the District averages. The streets failing on flyposting at 6.7% has reduced from last year but is still the highest across all the Wards in the District. The flytipping request per 1000 population at 10.5 has increase over the last year is significantly higher than the District average of 7.4. The percentage of streets failing on graffiti has increased since last year and at 4.4% is significantly higher than the Bradford South Area (2.3%) and District (1.3%) averages. The street cleansing requests per 1000 population has increased from last year and at 14.1 is nearly double the District average of 7.2 and is the highest across all the wards in the District. The percentage of recycling at 44% is significantly lower than the Bradford South Area (59.7%) and District (60.8%) averages.

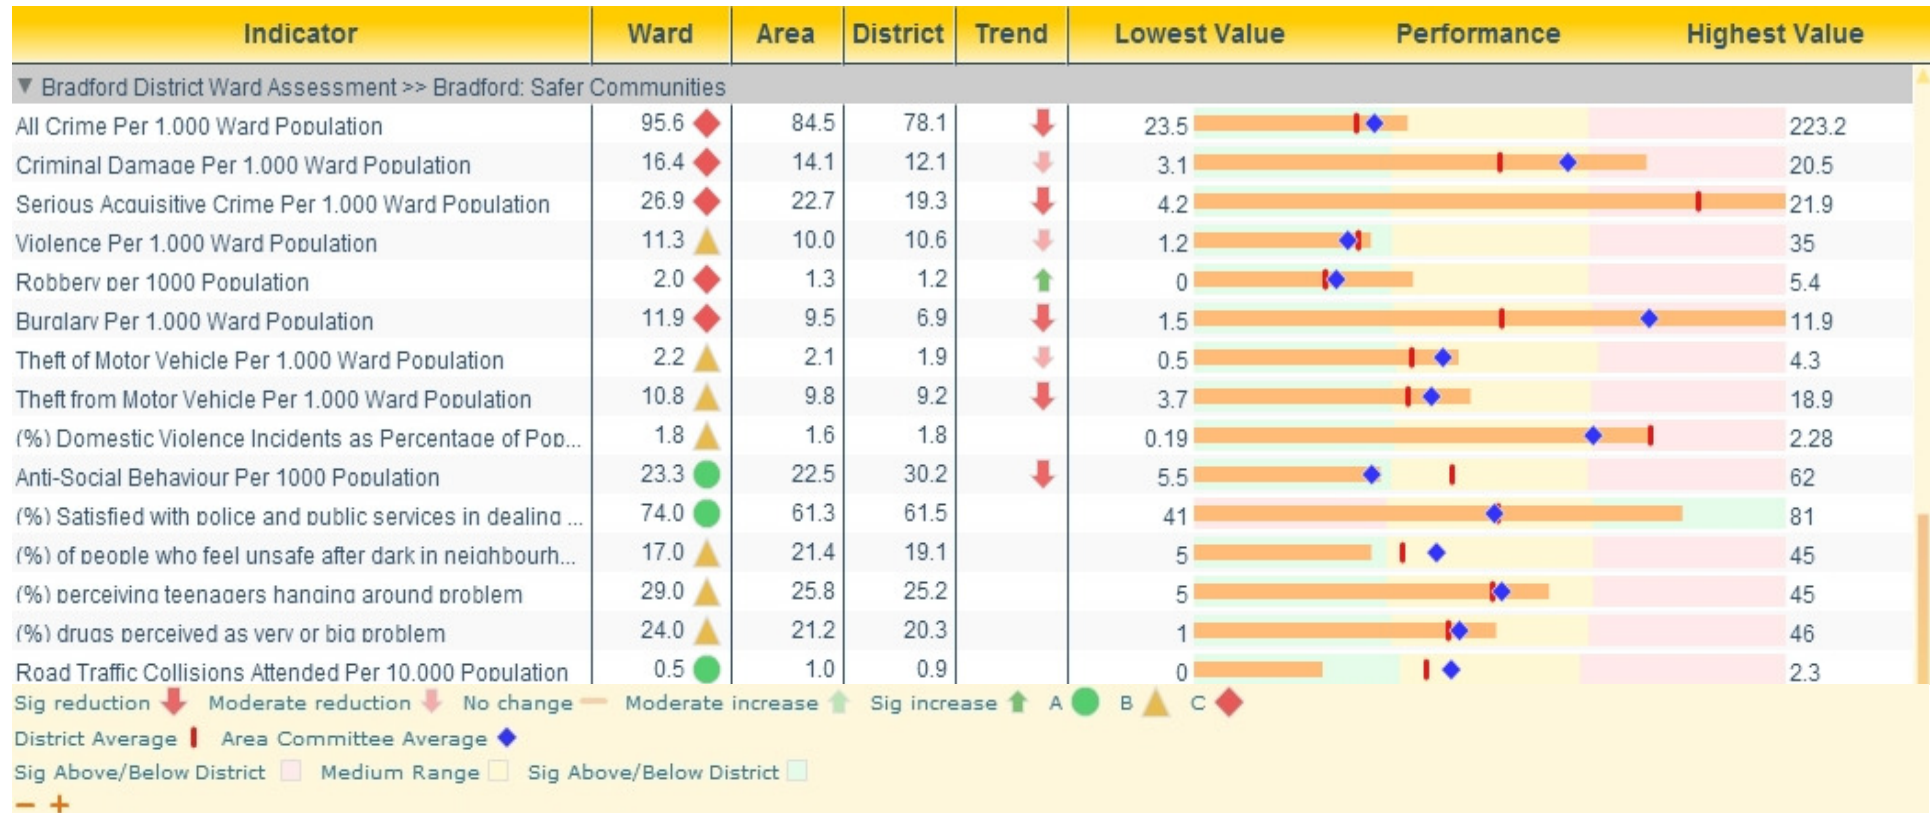

#### **Key Headline issues**

Littering and flytipping – Very high number of streets failing on litter. Flytipping and streets cleansing requests significantly higher than District average

Recycling in the Ward is significantly lower than the Bradford South Area and District averages

Reports and complaints about dog fouling to Council Wardens and Ward Councillors

## Sub Section 5.2.1: Safer Communities identifying prevalent issues through numbers

Satisfied with police, people who feel unsafe, perceiving teenagers hanging around as a problem drugs perceived as a problem are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

## Section 5.2.2 identifying prevalent issues through community engagement and voice (Safer Communities)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
Speeding traffic across the area	Hollingwood Lane, Great Horton Road, Bartle Lane, Southfield Lane, Clayton Road and Scholemoor estate.	WOTs / WLTs Ward Forum PACT / Days of Actions Partnership meetings
Drug dealing in cars on the streets and from residential properties	People living around ‘four streets’ area ie Hartington Terrace, Wheater Road area, Scholemoor Estate	Great Horton Safer Communities Partnership PACT / Days of Action Youth Service Consultation
Burglary rates higher than district average	Hot spot areas around the Ward.	WOTs / WLTs PACT Partnership Meetings
Illegal and inconsiderate parking and traffic issues around schools	All Schools in the Ward around school times.	WOTs / WLTs Great Horton Safer Communities Partnership Council Wardens Ward Councillors Ward Forum

## Section 5.2.3 Safer Communities Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?

Anti-social behaviour per 1000 population has reduced to 23.3 from 36.6 last year and this is significantly lower than the District (30.2) and slightly higher than the Bradford South Area (22.5) averages. In addition, the percentage of people satisfied that the police and public services are dealing with anti-social behaviour and crime is 74%, which is significantly higher than the Bradford South Area (61.3%) and District (61.5%) averages. The Road traffic collisions per 10,000 population is 0.5 and this is significantly lower than the Bradford South Area and District averages and amongst the lowest across all the wards in the district.

The total crime in the Ward per 1000 population has reduced over the last year to 95.6 but is still significantly higher than the Bradford South Area (84.5) and District (78.1) averages. The serious acquisitive crime per 1000 population has also reduced over the last year to 26.9 but is still significantly higher than the Bradford South Area and District averages and is the highest across all the Wards in the District. The Burglary rate per 1000 population has reduced from last year to 11.9; however, it is still significantly higher than the District average (6.9) and is still highest across all the wards in the District. The perception that drugs are a big or a very big problem is higher than the Bradford South Area and District averages.

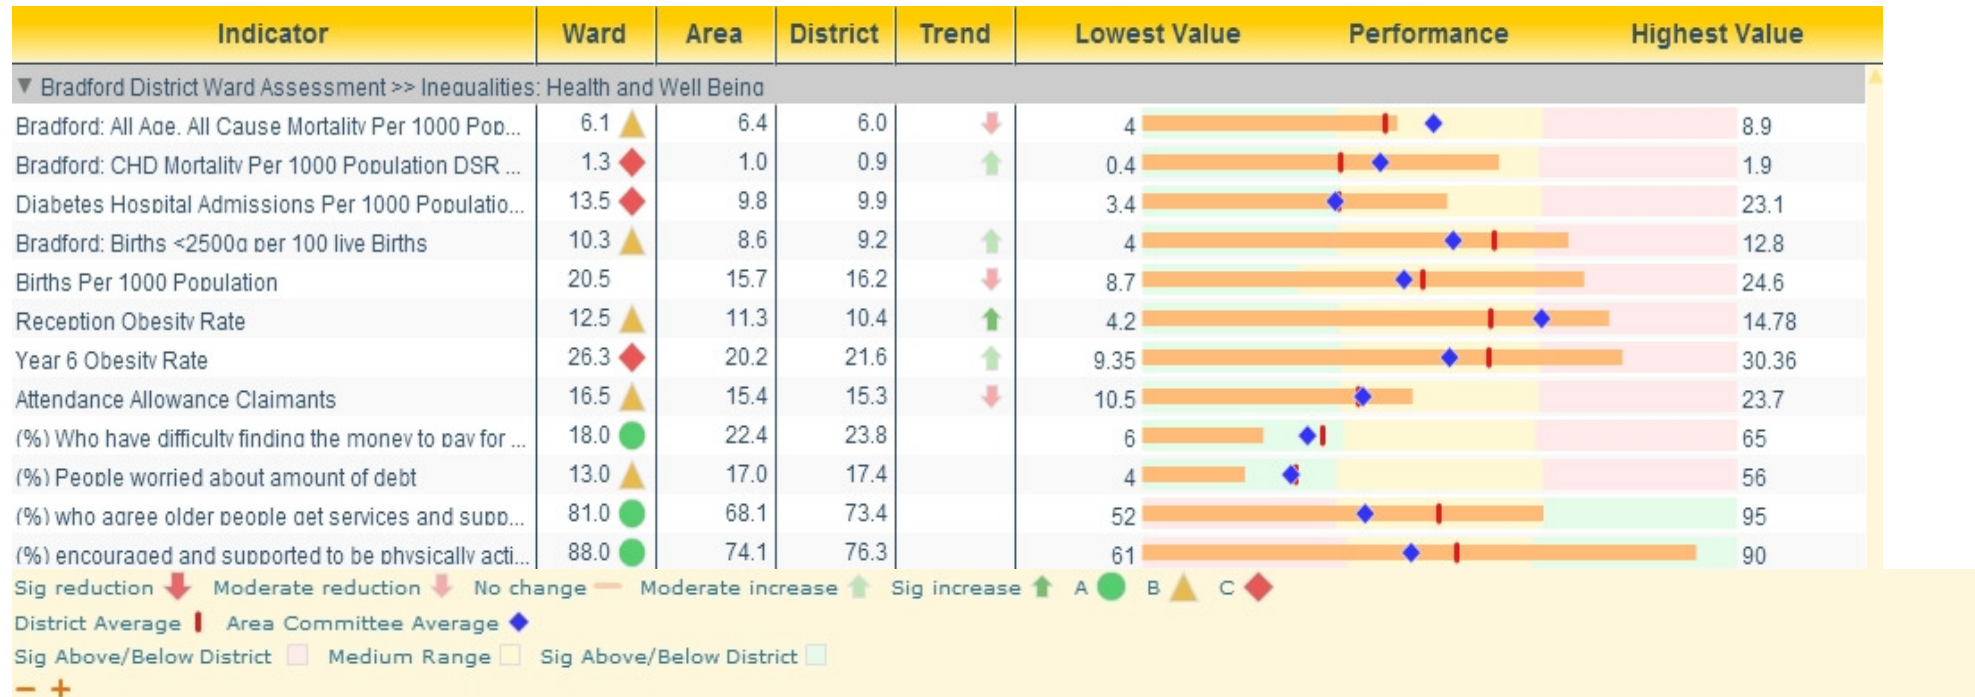

### **Key Headlines**

Burglary rate still the highest across all the wards in the District

Drug dealing in the area and perception that drugs are problem is higher than the Bradford South Area and District averages

Parking and traffic issues around schools in the Ward

## Sub Section 5.3.1: Inequalities in Health and Well Being: Identifying prevalent issues through numbers

% who find difficulty finding money to pay for heating and hot water, % people worried about debt, % who agree older people get services and support and % encouraged to be physically active are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

The Diabetes date in this year's assessment is not comparable with previous year's assessment indicators – as a new improved measure is used.

**See page 3 of this document for Key**

## Sub Section 5.3:2 identifying prevalent issues through community engagement and voice (Inequalities in Health and Well Being)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Inequalities in Health and Well Being</b>		
Lack of access to primary healthcare including a GP Practice in the Ward	Across the Ward, there is no GP Practice in the Ward.	Ward Forum Ward Councillors
Lack of support for parents particularly with young children	Families with young children	Partnership meetings
Lack of physical activities for children and young people	Beldon Road area Four Streets	Ward Forum Ward Councillors Youth Service Consultation
Older people feeling isolated and lack of provision for older people. Better services for housebound residents. Use a variety of methods to publicise services and activities and not just internet. Limited number of community venues used for activities due to accessibility issues.	Across the Ward	Ward Forum Great Horton Ward Live at Home Scheme
High demand for befriending service as Live at Home Scheme is the only provider in the Ward. Scheme has limited funding for this service.	Lidget Green area, Across the Ward	Great Horton Ward Live at Home Scheme

## Sub Section 5.3.3 Inequalities in Health and Well Being Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?

81% of people agree that older people get support and services to live at home and this is significantly higher than the Bradford South Area (68.1) and District (73.4). A very high percentage of people (88%) are encouraged and supported to be physically active is significantly higher than the Bradford South Area (74.1%) and District (76.3%) averages. It is also amongst the highest of all wards in the district. 18% of residents in the ward have difficulty in paying for heating and water and this is significantly lower than the Bradford South Area (22.4) and District (23.8) averages.

The diabetes admission to hospital per 1000 population at 13.5 is significantly higher than the Bradford South Area and District averages. The overall mortality per 1000 population has reduced from last year to 6.1 which is below Bradford South Area but slightly higher than the District average. The mortality due to Coronary Heart Disease at 1.3 per 1000 population is significantly higher than the Bradford South and District averages.

The percentage of Attendance Allowance and Incapacity Benefits claimants are higher than the Bradford South Area and District averages. The Births per 1000 population at 20.5 is higher than the area and district averages, however, there has been reduction in this and the trend is that it will decrease.

Year 6 children obesity rate has increased from last year and at 26.3% is significantly higher than the Bradford South Area and District averages.

### **Key Headlines**

High levels of diabetes and Coronary Heart Disease mortality significantly higher than the Bradford South Area and District averages  
Older people feeling isolated and lack of provision for older people

## Sub Section 5.4.1: Incomes, Skills and Housing: Identifying prevalent issues through numbers

% who find difficulty finding money to pay for heating and hot water, % people worried about debt, % who agree older people get services and support and % encouraged to be physically active are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

Note Housing indicators to follow in this section of the table. See page 3 of this document for Key  
**Sub Section 5.4.2 identifying prevalent issues through community engagement and voice  
(Incomes Skills and Housing)**

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Incomes, Skills and Housing</b>		
Lack of Welfare Benefits and Debt Advice services	Across the Ward	Community Partnerships Community Centre Workers
High unemployment	Across the Ward	Partnership meetings Ward Councillors Ward Forum
Lack support for business growth and social enterprise	Across the Ward	Partnership meetings Ward Councillors Ward Forum
Lack of training opportunities	Across the Ward	Partnership meetings Ward Councillors

## Sub Section 5.4.3 Incomes Skills and Housing Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?

The positives for the Ward are that the level of young people in NEET (Not in Education, Employment or Training) has reduced to 2.6% from 4.1% and this is significantly lower than Bradford South and District averages. The percentage of people not worried about debt is lower than the Bradford South Area and District averages.

However, the remaining statistics show the levels of deprivation within the ward. The percentage of job seekers allowance claimants has reduced over the last year to (7.8%) but is still significantly higher than Bradford South and District averages. The percentage of younger claimants (aged 18-24) has increased over the last year to 16.5% and is still higher than the Bradford South Area and District averages. Also, the percentage of total working age claimants has increased from last year to 24.5, which is significantly higher than Bradford South Area and District averages. Due to the above issues the average income compared to the District average is significantly lower (-£16,000) and the percentage of Children receiving free school meals is significantly higher than the District average.

Only 38.5% percentage of pupils achieved 5 or more GCSEs (Grades A – C) in English and Maths and this is significantly lower than the Bradford South Area (43.8%) and District (47.5%) averages. The percentage of long term empty properties has reduced over the year to 3.1% but this still remains higher than Bradford South Area and District averages. Overcrowded households are higher than the Bradford South Area and District averages.

### **Key Headline**

High levels of unemployment – Percentage of Job Seekers Allowance claimants is significantly higher than the District average  
Lack of benefits and debt advice  
Long term empty properties higher than the Bradford South Area and District averages

## Sub Section 5.5.1: Children and Young People: Identifying prevalent issues through numbers

Pupils Attaining 5+ A\*-C GCSEs' (including English & Maths) at KS4 has not been updated this year – data for 2012/13 is only available for wards by location of school. This will be supplied separately.

% Children receiving free school meals and children becoming looked after have not been updated this year

See page 3 of this document for Key

## Sub Section 5.5.2 identifying prevalent issues through community engagement and voice (Children and Young People)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Children and Young People</b>		
Negative perception of young people hanging around streets	Across the ward	Ward Forum Youth Service Consultation
Lack of facilities and activities for young people in the ward	Across the ward	Ward Forum, Partnership meetings Ward Councillors Youth Service Consultation
Drug dealing in the area	Wheater Road area Scholemoor estate and Necropolis Road area	PACT / Days of Action Partnership meetings WOTs/MLTs Ward Councillors Youth Service Consultation
Litter and rubbish	Across the ward	Youth Service Consultation
Lack of advice, training and employment opportunities	Across the ward	Youth Service Consultation

## Sub Section 5.5.3 Children and Young People Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?

The birth rate in the Ward at 20.5 per 1000 population is higher than the Bradford South Area and District Averages. The population aged 0 -19 has increased since last year to 33.1% is still significantly higher than the Bradford South Area (28.4%) and District (28.8%) Averages. The percentage of pupils in Reception Classes at schools who are obese has increased over the last year to 12.5% and this is higher than the Bradford South Area (11.3%) and District (10.4%) averages. The percentage of young people Not in Education, Employment or Training (NEET) has reduced over the year to 2.6% and this is significantly lower than Bradford South Area (5.2%) and District Averages (5.9%).

The percentage of children receiving free school meals at 25.4% is significantly higher than the District average of 20.9%. The children being looked after rate at 3.9 per 1000 population is significantly higher than the Bradford South Area (2.8) and District (1.9) averages. The percentages of pupils attaining 5 or more A\* - C grades in English and Maths at 38.5% is significantly lower than the Bradford South Area (43.8%) and District (47.5%) averages.

Year 6 children obesity rate has increased from last year and at 26.3% is significantly higher than the Bradford South Area and District averages.

### **Key Headlines**

Lack of advice, training and employment opportunities for young people

Lack of facilities and activities for young people

## Section 6: Sub-Ward Issues

This table identifies key sub-divisions / localities within the Ward. These can be clearly defined villages and housing estates or they may be neighbourhoods that have clear distinctive identities. This table identifies where the issues within these localities deviates substantially from the Ward average. Statistical evidence is not available at the sub-Ward level for many of the indicators used within this Ward Assessment and therefore this is significantly based on the knowledge of attendees at WOTs / WPTs who the Ward Officer will support to make this assessment. (Use LSOA's if data available).

Locality	Cleaner Greener	Safer Communities	Incomes, Benefits etc.	Health Inequalities
Four Streets area (Wheater Road area), Hartington Terrace. Also Lidget Terrace/Place	✓	✓	✓	✓
Scholemoor estate	✓	✓	✓	✓
Beldon Road / Southfield Lane/ Kingswood Street	✓	✓		

## Section 7: Making the Assessment of Ward Priority Issues

<b>Analysis of Ward Issues.</b> From third table in each sub section of Section 5	<b>Community Strength</b>	<b>Resources</b>	<b>PRIORITIES</b>
<b>Sub Section 7.1 Cleaner Greener</b>			
Littering and flytipping – Very high number of streets failing on litter. Flytipping and streets cleansing requests significantly higher than District average	Active Community Partnership, High percentage of people feel they can influence decisions	Council Wardens, Clean Team, Environmental Enforcement, Police/PCSOs, Big Local	Reduce littering and flytipping across the Ward
Recycling in the Ward is significantly lower than the Bradford South Area and District averages	Active Community Partnerships, High percentage of people feel they can influence decisions	Council Wardens, Recycling Team, Area Action Plan Funding, Big Local	Increase recycling in the Ward
Reports and complaints about dog fouling to Council Wardens and Ward Councillors	Active Community Partnerships, High percentage of people feel they can influence decisions	Council Wardens, Clean Teams, Police/ PCSOs, Area Action Plan Funding, Big Local	Tackle incidents of dog fouling across the Ward

<b>Sub Section 7.2 Safer Communities</b>			
Burglary rate is highest across all the wards in the District and significantly higher than the District average.	Active Community Partnerships, High percentage of people feel they can influence decisions, Neighbourhood Watches	Police/PCSOs, Neighbourhood Watch Officers and Co-ordinators, Council Wardens, Area Action Plan Funding, Big Local	Reduce incidents of domestic burglary
Drug dealing in the area and perception that drugs are problem is higher than the Bradford South Area and District averages.	Active Community Partnerships, Neighbourhood Watches, High percentage of people feel they can influence decisions	Police/PCSOs, Neighbourhood Watch Officers and Co-ordinator's, Council Wardens, Area Action Plan Funding, Big Local	Tackle drug dealing
Traffic and parking issues around schools	Active Community Partnerships, High percentage of people feel they can influence decisions about the area	Council Wardens, Police/PCSOs, Schools, Area Highways Team and Highways Budget, Area Action Planning Funding, Big Local	Tackle inconsiderate and illegal parking around schools

<b>Sub Section 7.3 Inequalities: Health &amp; Wellbeing</b>			
High level of diabetes in the ward and significant levels of Coronary heart disease mortality	Active community partnerships, Sports Clubs, Faith Groups, Lidget Green Walking Group	Community Centres, Local Schools and Children's Centres, Champions Show The Way, Health and Wellbeing Hub, Ridge Medical Practice	Promote physical activity and healthy lifestyles
Older people feeling isolated and lack of provision for older people.	Active Community Partnerships, Lidget Green Seniors Organisation, Anand Milan Group, Local Faith Groups	Great Horton Ward Live at Home Scheme, Council Wardens, Police/PCSOs, Champions Show The Way, Ridge Medical Practice	Promote and support activities for older people
<b>Sub Section 7.4 Incomes, employment and housing</b>			
High levels of unemployment	Community Centres, Community Partnerships, Schools	Incommunities, Job Centre Plus, The Grid, Bradford Kickstart, Chamber of Commerce	Tackle unemployment in the Ward
Lack of benefit and debt advice	Community Partnerships, Local Schools,	Citizens Advice Bureau, Credit Unions, West	Promote benefit and debt advice services

	Local Faith Groups	Yorkshire Trading Standards, South Bradford Community Network	
Higher number of longer term empty properties in the Ward	Active Community Partnerships, Neighbourhood Watches,	Empty Homes Team, Council Wardens, West Yorkshire Fire Service, Police/PCSOs	Reduce long term empty properties
<b>Sub Section 7.5 Children and Young People</b>			
Lack of advice, training and employment opportunities	Active Community Partnerships, Community Centres	Job Centre Plus, Youth Service, Connexions, Culture Fusion, Big Local, Area Action Planning Funding, Community First Funding	Promote advice, training and employment opportunities for young people
Lack of facilities and activities for young people	Active Community Partnerships, Community Centres	Youth Service, Culture Fusion, Council Wardens, Police/PCSOs, Area Action Plan Funding, Community First Funding, Big Local	Promote activities (including sports activities) for children and young people

<b>Sub Section 7.6 Stronger Communities</b>			
Low number of residents engaged in volunteering	Active Community Partnerships, Community Centres, Schools, Children's Centres, local Faith Groups	Scholemoor Beacon, Youth Service, Council Wardens, Area Action Plan Funding, Community Chest, Big Local, Live at Home Scheme	Encourage residents to take up volunteering opportunities
Low number of residents engaged and involved with Community Partnerships and Voluntary Groups / Organisations	Active Community Partnerships, Community Centres	Ward Officer, Bradford CVS, Area Action Plan Funding, Community First Funding, Big Local	Support the work of Community Partnerships and Voluntary Groups / Organisations

If you require further details about the data used in the above tables these can be found on the Observatory Website. See link: <http://www.westyorkshireobservatory.org/dataviews/view?viewId=219>

## DRAFT Great Horton Ward Plan

Code	Priority Broad Actions	Specific Ward Actions (summary)	Target Areas/ Target Groups	Who responsible
<b>1. Cleaner Greener</b>				
1.1	Reduce littering and flytipping across the Ward	<ul style="list-style-type: none"> <li>• Identify hotspots</li> <li>• Provide information to residents on how to report fly tipping</li> <li>• Promote Household Waste sites</li> <li>• Promote charities who operate furniture recycling schemes</li> <li>• Deployment of Clean Team to remove rubbish supported by Mechanical Sweepers</li> <li>• Littering - Council Wardens and PCSOs patrolling and issuing notices</li> <li>• Flytipping - Council Wardens patrolling and reporting to Environmental Enforcement Team to identify landowners for further action</li> </ul>	Across the Ward	Ward Officer Warden Manager Cleansing Manager Environmental Enforcement Officer Neighbourhood Police Inspector

6.1	Encourage residents to take up volunteering opportunities	<ul style="list-style-type: none"> <li>• Undertake mapping exercise to identify projects and groups that support volunteering</li> <li>• Promote projects and volunteering opportunities</li> <li>• Support community and voluntary organisations in developing volunteers</li> </ul>	Across the Ward	Ward Officer Warden Manager Bradford CVS Youth Service Volunteer Centre Community Organisations
6.2	Support the work of Community Partnerships and Voluntary Groups / Organisations	<ul style="list-style-type: none"> <li>• Provide support and guidance to Community Partnerships and Voluntary Groups / Organisations</li> </ul>	Across the Ward	Ward Officer Bradford CVS

## Queensbury Ward Assessment and Ward Plan

<b>Ward Members</b> (1/1/13)	Cllr Lynda Cromie	Cllr Paul Cromie	Cllr Michael Walls
<b>Ward Officer</b>	Marie Copley	<b>Date completed</b>	March 2014

## **Introduction: What is the Ward Assessment for?**

The Ward Assessment is designed to inform Ward working, including action planning and decision making. The document summarises the prevalent strengths and issues within the Ward. This evidence base produced in the assessment will shape the identification of Ward priorities and actions to take to address these within the annual **Ward Plan**. The Council Ward Officers plays a critical role in digesting this information and summarising findings into the most pertinent issues. In order to assist Ward Officers in capturing and analysing findings this document has been organised under the following seven sections:

### **Section: 1 Ward Demography: Who lives in the Ward**

### **Section: 2 Community Strengths/ Stronger Communities: Active Citizenship within the Ward.**

This section highlights aspects of Ward strengths; including volunteering, voluntary groups etc.

### **Section: 3 Resources.**

This section relates to the resources that Area Committees will be able to influence either directly or indirectly.

### **Section: 4 New section called Assets of Community Value**

This section outlines physical assets (buildings and public spaces) that are assets within the Ward

### **Section: 5 Ward Issues.**

This section summarises the main issues identified by 1) numbers, 2) engagement and voice. There are sub-sections for the themes 1. Cleaner Greener, 2. Safer Communities, 3. Health and wellbeing inequalities 4. Incomes, employment and housing and 5. Children and young people. In each sub section there is a table that is an analysis of the main issues for each theme.

### **Section: 6 Sub Ward Issues**

This section highlights areas within smaller areas of the Ward where there are more specific issues.

## Section: 7 Making Assessment Ward Priority Issues

Each Indicator is presented as a Ward Assessment table that shows each indicator with a Ward, District and Area Committee comparator.

### Ward Profile Indicator Key

Indicator	Ward	Area	District	Trend	Lowest Value	Performance	Highest Value
Bradford Demographic (%) Population 0-19	28.0	31.6	28.0	↑	19.9		38.6

2. The above table also shows five columns: **Ward, Area Committee and District** measure for the selected ward indicator and a **trend** column that shows an arrow symbol to indicate if the ward measure has either increased or decreased from the previous year. The full table with all ward indicators can be accessed via [Bradford observatory](#). The number key for the above Ward profile is as follows:

**1 Theme Name**

**2 Indicator** = the indicator name

**3 Ward** = the indicator measure for the your selected ward

**4 Ward Status Symbol** this icon symbol acts as a quick summary guide in indentifying if the ward measure is significantly above/below or centres around the district average.

**Green Circle** ● denotes either significantly above or below the district average

**Amber Triangle** ▲ shows the indicator centres around the district average

**Red Diamond** ▼ indicates either significantly above or lower then the district average.

- 5 **Area** is the **Area Committee** Area average
- 6 **District** is the figure for Bradford District
- 7 The **Trend** column relates to change through time and enables an analysis of change between two points in time. This is denoted with either a small up or down arrow or a large one where the increase or decrease has been significant.
- 8 Indicates lowest value for the selected indicator for any ward in the district
- 9 Lowest value label
- 10 **Red background shading** indicates the top/bottom range for the ward indicator
- 11 **Orange horizontal bar** is the ward value that matches that in the Ward Column **(2)**
- 12 **Red Vertical** line shows the district average |
- 13 **Amber background shading** indicates where the ward value would need to fall for it to within the average of the data range
- 14 **Blue triangle** shows Area Committee average ▼
- 15 **Green background shade** indicates the range that is in the top/ bottom or average of the data range
- 16 Indicates highest value for the selected indicator for any ward in the district

# Section 1: Demography: Who lives in the Ward?

Indicator	Ward	Area	District	Trend	Lowest Value	Performance	Highest Value
▼ Bradford District Ward Assessment >> Bradford Demographic							
(%) Population 0-4	6.8	8.0	7.9	↑	5		11.5

## Section 2: Stronger Communities/Community Strengths-Active Citizens

All above indicators are derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

## **Section 2.2 identifying prevalent strengths through community engagement and voice (Stronger Communities)**

### **1. Active Citizen-led initiatives within the Ward**

A new initiative to protect and develop the heritage of Queensbury has been instigated, the Queensbury Community Heritage Partnership, the group intends to build on the legacy of the Sesquicentennial. Queensbury is in the process of developing an initiative to establish Queensbury as a dementia friendly village, a Facebook page has been set up.

Green Dog Walker volunteers are being recruited to co-ordinate the scheme.

There are a large number of voluntary led sports clubs in the area and a thriving scout group and band. There are a number of Neighbourhood Watch initiatives. The celebrations to mark the 150<sup>th</sup> anniversary have resulted in two new initiatives being set up. An annual Scarecrow Walk and Cycle Queensbury.

A Queensbury Facebook page and website now exist.

### **2. Scope for increasing Active Citizenship within the Ward**

There is always scope for increasing active citizenship. Increase attendance at Forums, more single issue forums and wider use of social networking. Queensbury Ward Partnership is the focal point for meeting to discuss, plan and exchange ideas and has grown significantly.

### **3. How many incidents of community tensions were reported to your WOT/ WPT in the past 12 months (January to December 2012)**

None

### **4. Qualitative assessment of the level of Active Citizenship within the Ward**

Queensbury Ward Partnership is the focal point for groups and organisations in Queensbury, these meetings are well attended and used as a central point for discussing funding and sharing ideas and good practice. Ward Budget applications are submitted to the Partnership and applicants can be asked questions by attendees about the project they are applying to fund. The Ward Partnership meetings are attracting new residents and organisations who want to be involved in the planning.

The Face book page which was set up to celebrate Queensbury Sesquicentennial is still very active and the volunteer who set it up is going to continue with a general Queensbury site. There are numerous independent groups already very active within the Ward inc. Scouts, Sports clubs, History Society and Queensbury Singers. The History Society is holding a major exhibition to commemorate WW1.

<b>4a. Overall assessment of actual levels of Active Citizenship / Social Capital within the Ward (tick)</b>			
	Lower	Average	Higher
			✓

**5. Any other information relevant to Stronger Communities**

The figures indicate that there are significantly more volunteers in the area than in other areas across the district; there are a considerable amount of voluntary organisations in Queensbury, offering a variety of activities for all ages.

### Section 3: Council and partner resources allocated to the Ward and Area Structures

Description of Resource	Amount of Resource	Type of resource, cash, worker time	How can this Resource be influenced within the Ward	Area Committee decision making	Notes
Council Wardens	1 f/t Council Warden patrolling on foot. 1 f/t Council Warden mobile working across whole area	Worker time	Close liaison with Uniformed Services Manager	yes	
Street cleansing staff supported by mechanical sweepers	6 f/t but also covering Great Horton Ward. 1 Apprentice p/t Mechanical Sweeper driver plus 2 staff and 1 Apprentice p/t	Worker time	Close liaison with Clean Team Manager	yes	
Housing Officers/Managers	1 full time Manager 1 part time Officer	Worker time	Through Ward Officer Team meetings.		
Youth Workers	1 part time contact person plus 1 full time lead worker and part time workers.	Worker time	Through Ward Officer Team meetings Ward Partnership meetings Regular meetings between Ward Officer and Youth Service		

Community Workers	Not council funded, attached to independent organisations	Worker time	Partnership working		
NPT Inspector/Police Officers/PCSO's	variable	Worker time	Through Ward Officer Team meetings		
Fire Service	variable	Worker time	Through Ward Officer Team meetings		
Community Payback	variable	Time	Through Ward Officer Team meetings		
Bradford Council Highways	Staff	Advice/worker time	Through Ward Officer Team meetings		
Bradford Council Parks and Landscapes	Staff	Advice/worker time	Through Ward Officer Team meetings		

## Section 4: Assets of Community Value

This list should include any physical asset, including buildings and open spaces that are or potentially could be used by the local community. The Council will have a List of Assets of Community Value that will have a degree of protection if the current owners of the asset would wish to sell. Assets listed here may be used as a shortlist of assets that may later gain the formal status of an Asset of Community Value

<b>Asset of community value</b>	<b>Location</b>	<b>Current use</b>	<b>Potential use</b>
Victoria Hall	Sandbeds	Various classes, major events e.g. Christmas Extravaganza, Youth Service sessions.	Building not open all of the time so could expand the usage in many ways.
Foxhill, Littlemoor and Russell Hall Parks.	Across the Ward	Widely used for a variety of leisure and sporting and recreational purposes	
Queensbury Children's Centre	Victoria Hall	Wide range of provision for under 5's and families including yoga, functional skills and baby massage.	Community use outside usual hours
Various church buildings with community centres attached	Across the Ward	Worship, community meetings, Neighbourhood Forums, lunch clubs and toddler/playgroups.	Well used generally
Scout Facilities	Albert Road	Meetings, sports activities and hiring's	Well used
Queensbury Celtic FC (large new purpose built building)	Pit Lane	Mainly football activities open to all ages.	Access to other sports clubs in the area. Used for community events and meetings.
Queensbury Community Programme building	High Street	Vocational and non vocational training courses	Well used facility

## Section 5: Ward Issues.

This section identifies the main issues within the ward through a mixture of identifying issues through numbers and through engagement and voice. These two forms of information are then interpreted in the third sub-section. There is a sub-section on each of the following themes: 1. Cleaner Greener, 2. Safer Communities, 3. Health and Wellbeing, 4. Incomes, Skills and Housing and 5. Children and Young People. The three sub sections for each theme are as follows:

3. **Identifying prevalent issues through numbers** includes key **headline** measures of the **State of the Ward**, in relation to experience in a ward.
4. **Community engagement and the voice** of communities is an analysis of a wide range of information that includes the following:
  - Neighbourhood Forums and other engagement events including with young people
  - Views expressed to elected Ward Members
  - Key frontline staff including Council Wardens & Youth Workers
  - Parish, Town and Community Councils
3. **Analysis of statistics and engagement and voice.** This sub section for each theme identifies the ward priority issues and is developed into Ward Priority Issues within the Ward Plan

### Sub Section 5.1.1 Cleaner Greener identifying prevalent issues through numbers

Indicator	Ward	Area	District	Trend	Lowest Value	Performance	Highest Value
▼ Bradford District Ward Assessment >> Cleaner Greener							
Street Cleansing Per 1000 Population	6.2 ▲	7.8	7.2	↓	3		14.1
Fly Tipping Per 1000 Population	3.3 ▲	8.5	7.4	↓	1.2		15.4
(%) Streets Failing on Litter	5.5 ●	10.7	12.2	↓	0		37.3
(%) Streets Failing on Detritus	1.8 ●	3.2	4.3	↓	1.1		8.8
(%) Streets Failing on Graffiti	0.7 ▲	2.3	1.3	↓	0		6.3
(%) Streets Failing on Fly Posting	0.0 ●	1.4	0.6		0		6.7
(%) Streets Failing on Weeding	0.0 ●	1.5	1.6		0		5.6
(%) Streets Failing on Over Vegetation	52.9 ●	61.0	59.7	↑	30.6		81.2
(%) Streets Failing on Edging	18.8 ●	48.6	33.4	↓	1.2		69.4
(%) Overall satisfaction with local area	80.9 ◆	84.7	86.8		69		98
(%) Who Perceive rubbish or litter as problem	26.0 ▲	27.8	26.2		2		58
(%) of respondents recycling	62.0 ▲	59.7	60.8		24		83

Sig reduction ↓ Moderate reduction ↓ No change — Moderate increase ↑ Sig increase ↑ A ● B ▲ C ◆  
 District Average | Area Committee Average ◆

 — +

Streets Failing on Weeding, Over Vegetation and Edging have not been updated this year

Overall Satisfaction, % who perceive rubbish as a problem and % recycling are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

**Sub Section 5.1.2 identifying prevalent issues through community engagement and voice (Cleaner Greener)**

<p><b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)</p>	<p><b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on</p>	<p><b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.</p>
<p>1. Litter particularly on the High Street and on public footpaths</p>	<p>People using the shops and people living around the public footpaths</p>	<p>Ward Forum Council Wardens PACT/Day of Action Ward Councillors Ward Officer Team/Ward Leadership Team</p>
<p>2. Inconsiderate and illegal parking</p>	<p>School gates and junctions across the Ward</p>	<p>Ward Officer Team/Ward Leadership Team Ward Forum PACT/Day of Action Ward Councillors</p>
<p>3. Dog fouling in parks, cemeteries and public open spaces.</p>	<p>Everyone using public areas, children are particularly vulnerable as they run and play.</p>	<p>Council Wardens Ward Officer Team/Ward Leadership Team Ward Forum PACT/Day of Action Ward Councillors</p>
<p>4. Large number of reports of blocked drains and gullies</p>	<p>Residents living around the blocked drains and traffic using roads with excess surface water</p>	<p>Council Wardens Ward Officer Team/Ward Leadership Team Ward Forum PACT/Day of Action Ward Councillors</p>
<p>5. Incidents of fly tipping in the more rural areas</p>	<p>Mainly residents around Shibden Head and Mountain areas</p>	<p>Council Wardens Contact from residents Ward Councillors Ward Officer Team</p>

### **Sub Section 5.1.3 Cleaner Greener Ward Analysis**

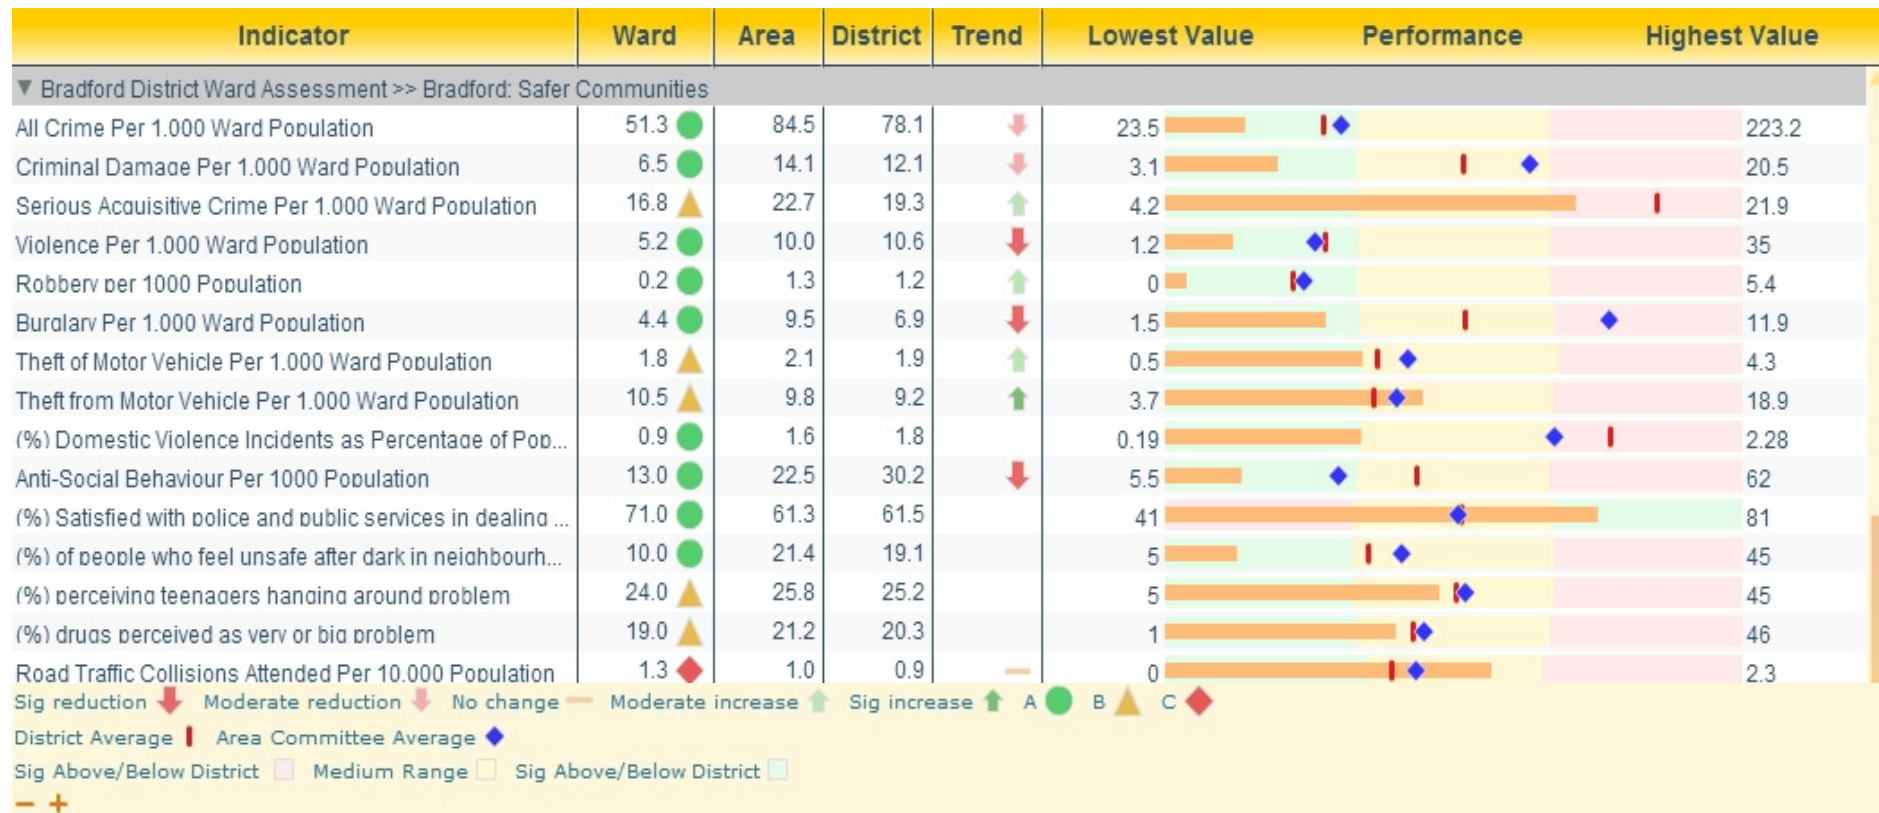

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?

The overall satisfaction in the area remains reasonably high at 80.9%. However more than a quarter of residents perceive litter as a problem. The table shows that the Ward performs better than the area and district. The data suggests that the residents of Queensbury have high expectations and standards.

Dog fouling remains a major issue right across the Ward with numerous reports received regularly.

### Sub Section 5.2.1: Safer Communities identifying prevalent issues through numbers

Satisfied with police, people who feel unsafe, perceiving teenagers hanging around as a problem drugs perceived as a problem are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

## Section 5.2.2 identifying prevalent issues through community engagement and voice (Safer Communities)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
1. Reports of anti-social behaviour across the Ward in hotspots	Areas including shops and takeaways on the High Street, Russell Hall Park and outside Tesco Supermarket	Ward Forum Ward Officer Team/Ward Leadership Team Ward Councillors PACT/Day of Action
2. Reports of vehicles speeding across the Ward.	Several areas have been identified as hotspots including Highgate Road	Ward Forum Ward Officer Team/Ward Leadership Team PACT/Day of Action Ward Councillors
3. Incidents of motor vehicle theft	Across the ward	Ward Officer Team/Ward Leadership Team Ward Forum PACT/Day of Action
4. Perception that burglary rates are high	Across the Ward	Ward Forum PACT/Day of Action

## Section 5.2.3 Safer Communities Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?
<p>All crime is significantly lower than both the area and district levels. The % of people who feel unsafe after dark is 10%; this is half of the district average. 71% of residents are satisfied with police and public services which is 10% higher than both the area and district average.</p> <p>There has been a significant reduction in the number of burglaries in the Ward.</p> <p>At Ward Officer Team meetings Anti social behaviour is regularly discussed and does continue to be a problem around Hillcrest and the High Street.</p>

### Sub Section 5.3.1: Inequalities in Health and Well Being: Identifying prevalent issues through numbers

% who find difficulty finding money to pay for heating and hot water, % people worried about debt, % who agree older people get services and support and % encouraged to be physically active are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

### Sub Section 5.3:2 identifying prevalent issues through community engagement and voice (Inequalities in Health and Well Being)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Inequalities in Health and Well Being</b>		
1. Lack of affordable access to facilities providing physical activity	Across the Ward	Ward Forum Feedback from Youth Service Ward Councillors
2. Use of cannabis, alcohol and tobacco by underage young people.	Young people in gathering in Russell Hall Park People living around the perimeter of the park Tesco car park at night	Ward Officer Team/Ward Leadership Team PACT/Day of Action Queensbury Ward Partnership Feedback from Youth Service survey
3. Lack of services to enable older people to remain at home.	Older people across the Ward.	Ward Forum Ward Councillors

### Sub Section 5.3.3 Inequalities in Health and Well Being Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?
<p>The percentage of people living in the Ward who are worried about debt is still higher than both the area and district figures despite the fact that the majority of work age residents are in employment.</p> <p>The percentage of people who agree that older people get the support services to live at home is less than both district and area.</p> <p>The figures could indicate that there is a lack of engagement between the services providers and older people.</p> <p>In response to these figures Queensbury is developing Dementia Friendly status including a befriending scheme aimed at supporting people to continue to live in their own homes for as long as possible.</p> <p>GP'S need to be more aware of community projects which could support older people in the area.</p>

### Sub Section 5.4.1: Incomes, Skills and Housing: Identifying prevalent issues through numbers

Indicator	Ward	Area	District	Trend	Lowest Value	Performance	Highest Value
▼ Bradford District Ward Assessment >> Bradford Incomes, Skills and Housing							
(%) JSA Claimant Rate	3.0 ●	5.5	5.3	↓	0.8		10.6
(%) 18-24 JSA Claimant Rate	8.3 ▲	12.6	11.2	↓	2.2		18

(%) Difference in Household Income from District	24.7 ●	-2.6	32K		-37.8		48.7

Sig reduction ↓ Moderate reduction ↓ No change — Moderate increase ↑ Sig increase ↑ A ● B ▲ C ◆  
 District Average | Area Committee Average ◆  
 Sig Above/Below District Medium Range Sig Above/Below District

Overcrowded households and people worried about debt are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

Difference in household incomes has not been updated this year

See page 3 of this document for Key

**Sub Section 5.4.2 identifying prevalent issues through community engagement and voice (Incomes Skills and Housing)**

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Incomes, Skills and Housing</b>		
Local facilities unavailable for people looking for work	Unemployed people across the Ward	Ward Partnership

**Sub Section 5.4.3 Incomes Skills and Housing Ward Analysis**

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?
The table identifies that, generally, except for small pockets the Ward is reasonably financially healthy. It would seem, however that a significant percentage of residents are worried about debt. At a recent Ward Partnership meeting a resident asked if there were any facilities for job seeking, several people supported the request and it was agreed to talk to Queensbury Community Programme to discuss the possibility of providing the service in their building on the High Street.

### Sub Section 5.5.1: Children and Young People: Identifying prevalent issues through numbers

Pupils Attaining 5+ A\*-C GCSEs' (including English & Maths) at KS4 has not been updated this year – data for 2012/13 is only available for wards by location of school. This will be supplied separately.  
 % Children receiving free school meals and children becoming looked after have not been updated this year

See page 3 of this document for Key

### Sub Section 5.5.2 identifying prevalent issues through community engagement and voice (Children and Young People)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on.	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Children and Young People</b>		
Anti Social behaviour in Parks and outside shops on the high street	Residents living around the parks and other people using the park. Business owners and shoppers	Ward Officer Team/Ward Leadership Team Ward Forum Ward Councillors
Lack of safe outdoor facilities for older children	Mainly young teenagers 13+	Ward Councillors Ward Forum Partnership meetings Ward Officer Team
Safer external meeting places for young people	Mainly young teenagers 13+	Youth Service consultation Ward Councillors Ward Officer Team
Young people perceive litter to be a problem	Across the Ward	Youth Service Consultation

### Sub Section 5.5.3 Children and Young People Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?
The number of obese children at reception age is lower than previous but on reaching Year 6 the figure has increased by 3% since last year. The Children’s Centre increased engagement with parents with very young children could possibly have helped help to reduce the reception age statistic.

## Section 6: Sub-Ward Issues

This table identifies key sub-divisions / localities within the Ward. These can be clearly defined villages and housing estates or they may be neighbourhoods that have clear distinctive identities. This table identifies where the issues within these localities deviates substantially from the Ward average. Statistical evidence is not available at the sub-Ward level for many of the indicators used within this Ward Assessment and therefore this is significantly based on the knowledge of attendees at WOTs / WPTs who the Ward Officer will support to make this assessment. (Use LSOA's if data available).

<b>Locality</b>	<b>Cleaner Greener</b>	<b>Safer Communities</b>	<b>Incomes, Benefits etc.</b>	<b>Health Inequalities</b>
Hillcrest Estate	Fly Tipping	Anti Social Behaviour	This is the area with a larger number of people on low incomes	Not enough families accessing the services at the Children's Centre
Highgate Road		Speeding vehicles		
Fleet Lane	Dog fouling			
Foxhill Park	Dog fouling			
Tesco car park		Anti Social behaviour Possible underage drinking		
High street mainly Chilli Corner and Co-op		Anti Social behaviour		

## Section 7: Making the Assessment of Ward Priority Issues

Analysis of Ward Issues. From Section 5	Community Strength	Resources	PRIORITIES
<b>Sub Section 7.1 Cleaner Greener</b>			
Numerous reports of dog fouling in parks and public open spaces.	Large percentage of people who feel that they belong to their neighbourhood and who are willing to get involved in schemes to combat the problem	Council Wardens Police/PCSOs Clean Team Ward Budgets	Tackle incidents of dog fouling across the Ward
Reports of littering across the ward especially in snickets near schools and outside shops	Large percentage of people who feel that they belong to their neighbourhood	Council Wardens Police/PCSOs Clean Team	Reduce littering across the Ward
Increase in number of reports to the office regarding blocked drains	Residents willing to report issues to services		
<b>Sub Section 7.2 Safer Communities</b>			
Incidents of anti social behaviour including underage drinking discussed at Ward Officer Team's and Neighbourhood Forums	Various community initiatives across the Ward	Police/PCSOs Youth Service Council Wardens	Reduce incidents of anti social behaviour including those linked to underage drinking

Resident complaints about cars and lorries speeding in hot spots across the Ward	Engagement with residents at regular PACT and Days of Action	Police/PCSOs Traffic and Highways Council Wardens	Tackle speeding vehicles
<b>Sub Section 7.3 Inequalities: Health &amp; Wellbeing</b>			
Lack of affordable access to facilities providing physical activity	Community groups offer walking and cycling free of charge to all age ranges and disabilities	Community Centres Sports Clubs Youth Service Queensbury Swimming Pool Community Groups	Increase access to physical activity for all residents
Some residents have raised issues about the lack of access to services for older people to help them remain in their own home.	Numbers of people volunteering is more than double the district average. Dementia Action Group set up	Queensbury Community Programme Adult Services Community Health Engagement Team Churches Council Wardens	Promote programmes to tackle isolation and loneliness.
<b>Sub Section 7.4 Incomes, employment and housing</b>			
A higher percentage of people are concerned about debt than the district average		Citizens Advice Bureau Voluntary Organisations offering debt advice Victoria Children's Centre	Raise awareness of benefits and debt advice services. Promote services offered by the Children's Centre.

Very limited local job search facilities		Queensbury Community Programme Queensbury Library	Promote use of existing service and support QCP to work with residents to supply the facility
<b>Sub Section 7.5 Children and Young People</b>			
Anti Social behaviour in Parks and outside shops on the high street	Community Groups Sports Clubs Scouts	Youth Service	Support activities to reduce incidents of anti-social behaviour in the Ward
Lack of safe outdoor facilities for older children	Community Groups Sports Clubs Scouts Parks	Youth Service Parks and Landscapes	Promote opportunities for improving safe external provision for young people.
<b>Sub Section 7.6 Stronger Communities</b>			
	Numbers of people volunteering in the Ward is high. Community Groups.	Council Wardens Police	Encourage activities to increase community cohesion.
	Community Groups.	Council Wardens Police	Work with police to ensure community tensions are low. Encourage activities to increase community cohesion

## Royds Ward Assessment and Ward Plan

<b>Ward Members</b>	Cllr Val Slater	Cllr Andrew Thornton	Cllr Gill Thornton
<b>Ward Officer</b>	Arshad Mahmood	<b>Date completed</b>	March 2014

## **Introduction: What is the Ward Assessment for?**

The Ward Assessment is designed to inform Ward working, including action planning and decision making. The document summarises the prevalent strengths and issues within the Ward. This evidence base produced in the assessment will shape the identification of Ward priorities and actions to take to address these within the annual **Ward Plan**. The Council Ward Officers plays a critical role in digesting this information and summarising findings into the most pertinent issues. In order to assist Ward Officers in capturing and analysing findings this document has been organised under the following seven sections:

### **Section: 1 Ward Demography: Who lives in the Ward**

### **Section: 2 Community Strengths/ Stronger Communities: Active Citizenship within the Ward.**

This section highlights aspects of Ward strengths; including volunteering, voluntary groups etc.

### **Section: 3 Resources.**

This section relates to the resources that Area Committees will be able to influence either directly or indirectly.

### **Section: 4 New section called Assets of Community Value**

This section outlines physical assets (buildings and public spaces) that are assets within the Ward

### **Section: 5 Ward Issues.**

This section summarises the main issues identified by 1) numbers, 2) engagement and voice. There are sub-sections for the themes 1. Cleaner Greener, 2. Safer Communities, 3. Health and wellbeing inequalities 4. Incomes, employment and housing and 5. Children and young people. In each sub section there is a table that is an analysis of the main issues for each theme.

### **Section: 6 Sub Ward Issues**

This section highlights areas within smaller areas of the Ward where there are more specific issues.

### Section: 7 Making Assessment Ward Priority Issues

Each Indicator is presented as a Ward Assessment table that shows each indicator with a Ward, District and Area Committee comparator.

#### Ward Profile Indicator Key

1	2	3	4	5	6	7	8	9	10	11	12	13	14	15	16
Indicator	Ward	Area	District	Trend	Lowest Value	Performance	Highest Value								
Bradford Demographic (% Population 0-19)	28.0	31.6	28.0	↑	19.9		38.6								

3. The above table also shows five columns: **Ward, Area Committee and District** measure for the selected ward indicator and a **trend** column that shows an arrow symbol to indicate if the ward measure has either increased or decreased from the previous year. The full table with all ward indicators can be accessed via [Bradford observatory](#). The number key for the above Ward profile is as follows:

1 **Theme Name**

2 **Indicator** = the indicator name

3 **Ward** = the indicator measure for the your selected ward

4 **Ward Status Symbol** this icon symbol acts as a quick summary guide in indentifying if the ward measure is significantly above/below or centres around the district average.

**Green Circle** ● denotes either significantly above or below the district average

**Amber Triangle** ▲ shows the indicator centres around the district average

**Red Diamond** ▼ indicates either significantly above or lower than the district average.

**5 Area** is the **Area Committee** Area average

**6 District** is the figure for Bradford District

**7 The Trend** column relates to change through time and enables an analysis of change between two points in time. This is denoted with either a small up or down arrow or a large one where the increase or decrease has been significant.

**8** Indicates lowest value for the selected indicator for any ward in the district

**9** Lowest value label

**10 Red background shading** indicates the top/bottom range for the ward indicator

**11 Orange horizontal bar** is the ward value that matches that in the Ward Column **(2)**

**12 Red Vertical** line shows the district average

**13 Amber background shading** indicates where the ward value would need to fall for it to within the average of the data range

**14 Blue triangle** shows Area Committee average ▼

**15 Green background shade** indicates the range that is in the top/ bottom or average of the data range

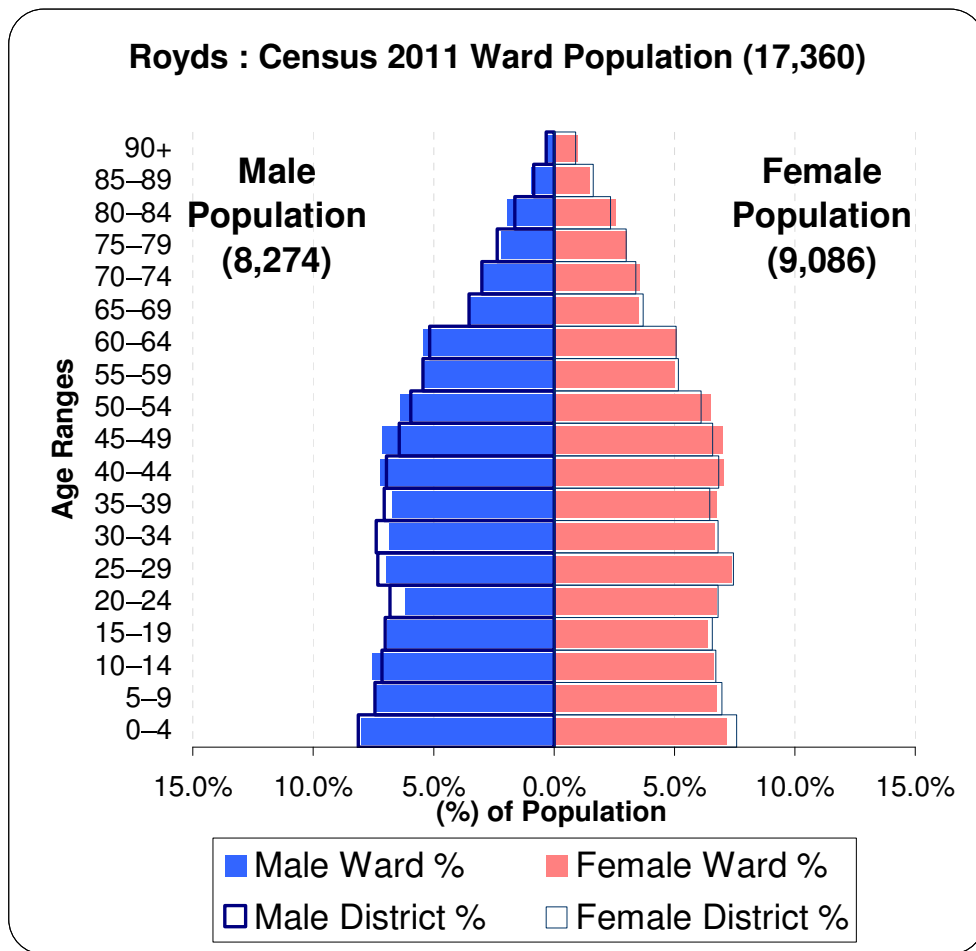

**16** Indicates highest value for the selected indicator for any ward in the district

## Section 1: Demography: Who lives in the Ward?

Indicator	Ward	Area	District	Trend	Lowest Value	Performance	Highest Value
▼ Bradford District Ward Assessment >> Bradford Demographic							
(%) Population 0-4	7.6	8.0	7.9	↑	5		11.5
(%) Population 5-9	7.3	7.2	7.3	↑	4.6		10.6
(%) Population 10-14	6.9	6.8	6.9	↓	4.8		9.6
(%) Population 15-19	6.5	6.4	6.7	↓	4.9		9.7
(%) Population 20-24	6.0	6.2	6.7	↓	3.3		20.4
(%) Population 25-59	46.3	46.9	45.9	↓	41.2		51.1
(%) Population 60-69	9.2	9.1	8.9	↑	3.4		14.4
(%) Population 70-79	5.9	5.8	5.8		2.6		10.2
(%) Population 80+	4.2	3.6	3.9	↑	1.4		9.7

Future ONS updates will also include ethnicity and faith groups.

## Section 2: Stronger Communities/Community Strengths-Active Citizens

All above indicators are derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

### Section 2.2 identifying prevalent strengths through community engagement and voice (Stronger Communities)

#### 1. Active Citizen-led initiatives within the Ward

Friends of Farfield Recreation Ground, Friends of Harold Park, Friends of North Bierley Cemetery, Woodside Neighbourhood Group, Butterwood Community Group. Clean up days, celebrations and fun days organised by local groups.

#### 2. Scope for increasing Active Citizenship within the Ward

In Woodside over the past 3 years more local residents have become involved in the Woodside Community Group. This group has supported local people to develop and access more services and it encouraged more local volunteers to take part in activities, such as youth clubs, allotment project and employment projects, luncheon clubs etc. In Buttershaw the Footprints Centre and Ripple project also work on a number of initiatives which allow for active citizenship opportunities. Both organisations are very well established in the Ward. Schools and Children centres have played a positive role in working with the community providing opportunities for active citizenship in the Ward.

**3. How many incidents of community tensions were reported to your WOT/ WPT in the past 12 months (January to December 2012)**

None.

**4. Qualitative assessment of the level of Active Citizenship within the Ward**

We have taken opportunities to increase levels of active citizenship recently we worked with a local group and set up 'Friends of Farfield Recreation Ground', this group has been instrumental in planning the improvements to the ground and setting up a local Snow Warden Scheme. We will continue to identify opportunities for active citizenship, with a blend of young and older people across the Ward we feel with support and advice more local people can become active citizens.

**4a. Overall assessment of actual levels of Active Citizenship / Social Capital within the Ward (tick)**

	Lower	Average	Higher
		✓	

**5. Any other information relevant to Stronger Communities**

All groups support each other in the Royds Ward. We have positive cross working between Buttershaw, Low Moor and Woodside areas.

### Section 3: Council and partner resources allocated to the Ward and Area Structures

Description of Resource	Amount of Resource	Type of resource, cash, worker time	How can this Resource be influenced within the Ward	Area Committee decision making	Notes
Council Wardens	1 x full time	Worker time	Close liaison with Warden Manager	yes	
Street cleansing staff & mechanical sweepers	3 x full time	Worker time	Close liaison with Clean Team Manager	yes	
Housing Officers/Managers	2	Worker time	Ward Officer Team and Safer Communities' Partnership.	No	
Youth Workers	1	Worker time	Ward Officer Team	yes	
Community Centre Worker	1	Worker time	Community Funding Unit	No	
NPT Police Officers/PCSO's	Variable, working shifts	Worker time	Ward Officer Team	No	
Fire Service	variable	Worker time, particularly at Days of Action	Ward Officer Team	No	
Community Payback	variable	Time	Ward Officer Team	No	

## Section 4: Assets of Community Value

This list should include any physical asset, including buildings and open spaces that are or potentially could be used by the local community. The Council will have a List of Assets of Community Value that will have a degree of protection if the current owners of the asset would wish to sell. Assets listed here may be used as a shortlist of assets that may later gain the formal status of an Asset of Community Value

<b>Asset of community value</b>	<b>Location</b>	<b>Current use</b>	<b>Potential use</b>
Harold Park	Low Moor	Recreation Lake, Foot pitch, sensory garden, Bowling Club, play areas, Police contact point.	With lighting could be used in evenings
Sandale Centre	Woodside	Community Activities – very active	Could be used more weekends
Playbuilder – Adventure Play area	Meadway - Woodside	Play area	More play equipment could be added.
Farfield Recreation Ground	Buttershaw	Play area	Large area not used. Could be used as a football pitch or other sports activities.
Land at Brafferton Arbor	Buttershaw	Grass land in middle of the estate – not used for anything	Could be used as recreation land.
Playbuilder – Adventure Play area	Beck Hill - Buttershaw	Play area	More play equipment could be added.
Buttershaw Youth Centre Building	Reevy Road	Youth Activities and Officer for Youth Service	Could be used more weekends

## Section 5: Ward Issues

This section identifies the main issues within the ward through a mixture of identifying issues through numbers and through engagement and voice.

These two forms of information are then interpreted in the third sub-section.

There is a sub-section on each of the following themes: 1. Cleaner Greener, 2. Safer Communities, 3. Health and Wellbeing, 4. Incomes, Skills and Housing and 5. Children and Young People. The three sub sections for each theme are as follows:

5. **Identifying prevalent issues through numbers** includes key **headline** measures of the **State of the Ward**, in relation to experienced in a ward.

6. **Community engagement and the voice** of communities is an analysis of a wide range of information that includes the following:

- Neighbourhood Forums and other engagement events including with young people
- Views expressed to elected Ward Members
- Key frontline staff including Council Wardens & Youth Worker
- Street PACT events
- Parish, Town and Community Councils

3. **Analysis of statistics and engagement and voice.** This sub section for each theme identifies the ward priority issues and is developed into Ward Priority Issues within the Ward Plan

## Sub Section 5.1.1 Cleaner Greener identifying prevalent issues through numbers

Streets Failing on Weeding, Over Vegetation and Edging have not been updated this year

Overall Satisfaction, % who perceive rubbish as a problem and % recycling are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

### Sub Section 5.1.2 identifying prevalent issues through community engagement and voice (Cleaner Greener)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
Complaints of dog fouling to Wardens patrolling the area and reports from local residents	Across the Ward – Impact in North Bierley Cemetery and Harold Park users	Buttershaw & Woodside Partnership Neighbourhood Forums
Fly tipping in Buttershaw, Farfield recreation ground and land behind Boltby Lane, land on Barfferton Arbor	Impacts on young children who play in the fields and local residents see it as an eye sore and health and safety risk.	Ward Officer Teams (WOTs), Neighbourhood Forums, Street Pact event, Buttershaw & Woodside Partnership
Complaints regarding the lack of grass cutting across the Royds Ward, from the Council Contractors.	Impact on local residents as grass grew so long land was unusable and started getting fly-tipped.	Neighbourhood Forum Ward Officer Team

### Sub Section 5.1.3 Cleaner Greener Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?
<p>The Ward is made up of two large housing estates and a number of privately owned areas. Streets failing on litter, detritus, fly-posting and graffiti have reduced even further, from last year. This is good for the Ward as all these figures are below both the area and district levels. The street cleansing per population is also below both the area and district levels however has had a small increase from last year.</p> <p><b>Key headline issues:</b>                  Complaints of dog fouling across the Ward                  Problems with fly-tipping across the Ward</p>

## Sub Section 5.2.1: Safer Communities identifying prevalent issues through numbers

Satisfied with police, people who feel unsafe, perceiving teenagers hanging around as a problem drugs perceived as a problem are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

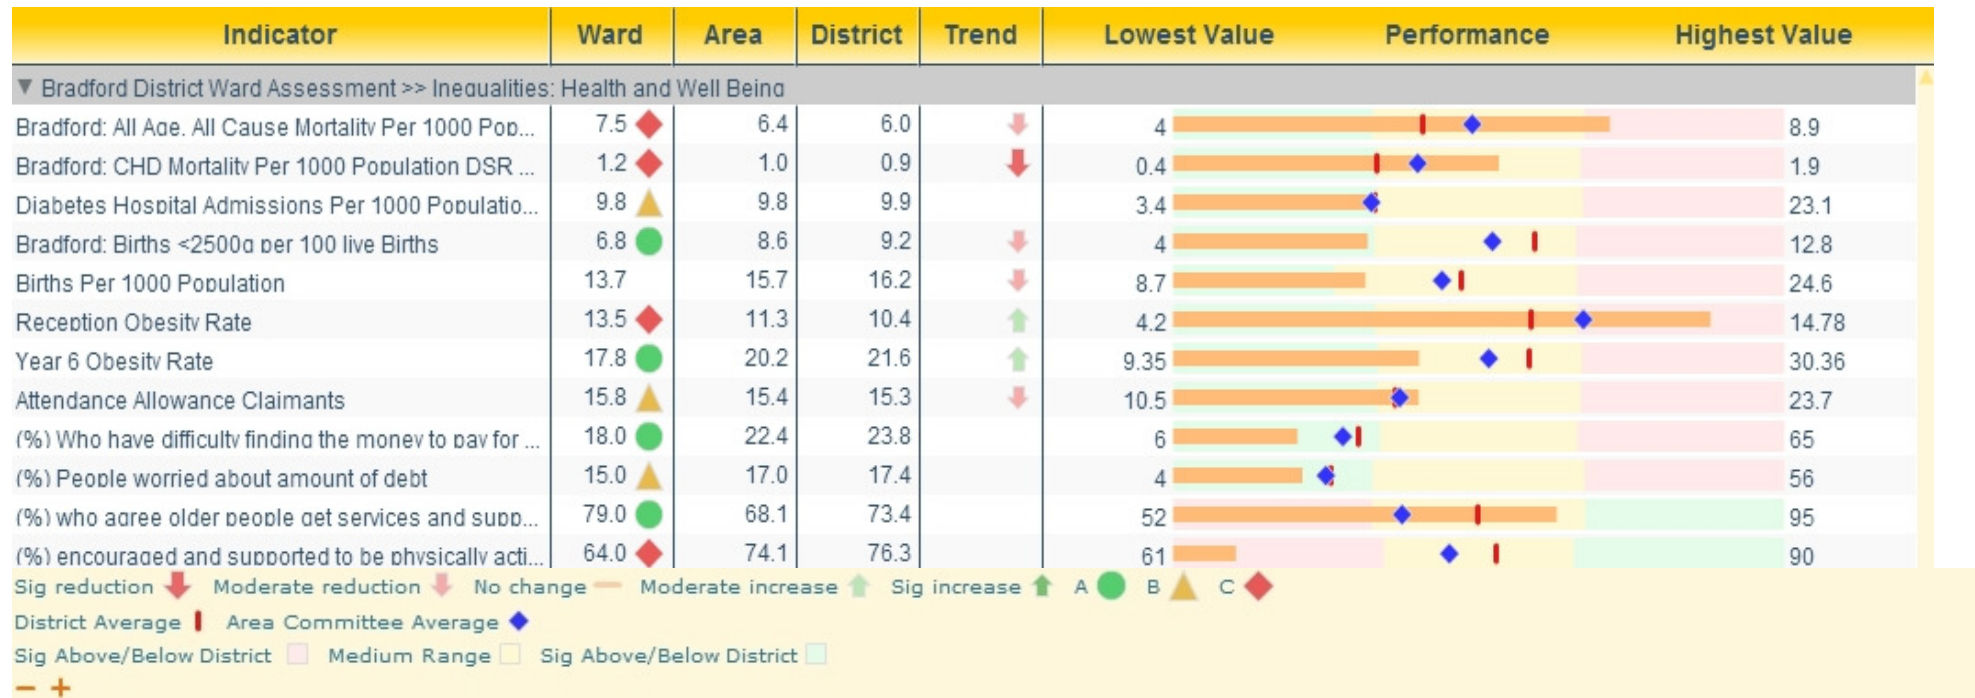

## Section 5.2.2 identifying prevalent issues through community engagement and voice (Safer Communities)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
Inconsiderate parking around schools.	Parking issues outside all Schools in the Royds Ward – Woodside, Reevy Hill, Farfield Primary Schools and Buttershaw Business and Enterprise College.	Buttershaw & Woodside Partnership Neighbourhood Forums Ward Officer Team
Anti–Social Behaviour in hot spot areas.	Buttershaw Estate – Stensell Green and Brafferton Arbor	PACT Events Ward Officer Team
Odsal Roundabout – New road markings are confusing at the entrance point from Halifax Road onto the roundabout.	Residents and anyone using the roundabout.	Neighbourhood Forum Neighbourhood Policing Team Ward Officer Team

## Section 5.2.3 Safer Communities Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?
Most of the data is positive on crime issues it is under the area and district averages, although criminal damage is an issue but has decreased from last year. Road safety is a concern for residents. Although the data does not show Anti–Social Behaviour (ASB) is an issue, from community engagement we understand that in certain parts of the housing estates it an issue and has been raised as a concern especially around the scrap metal trade. <b>Key headline issues:</b> Inconsiderate parking around schools Anti–Social Behaviour and Criminal damage

### Sub Section 5.3.1 Inequalities in Health and Well Being: Identifying prevalent issues through numbers

% who find difficulty finding money to pay for heating and hot water, % people worried about debt, % who agree older people get services and support and % encouraged to be physically active are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

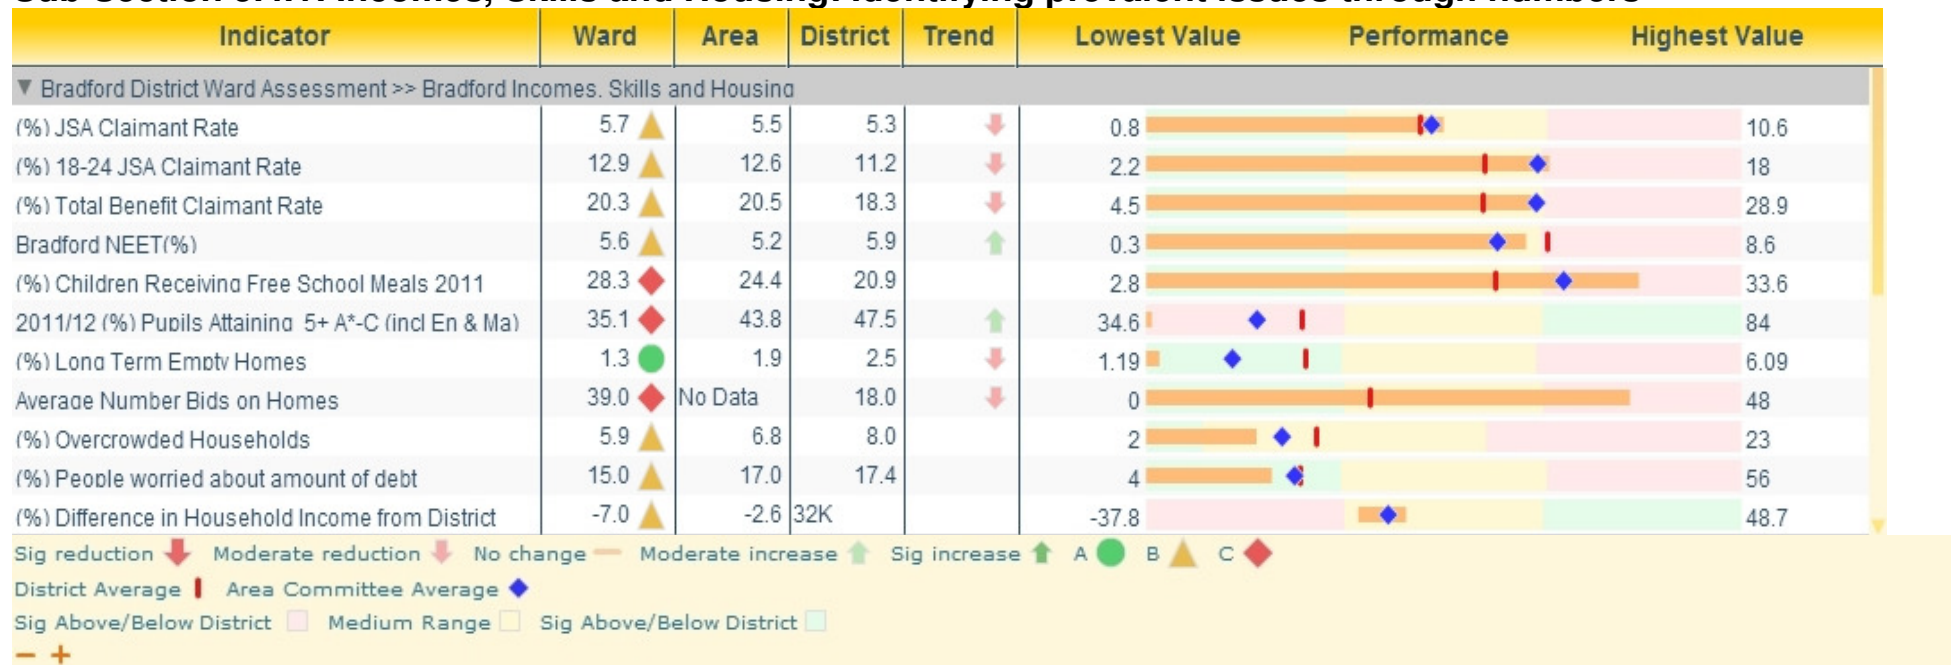

**Sub Section 5.3.2 identifying prevalent issues through community engagement and voice (Inequalities in Health and Well Being)**

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Inequalities in Health and Well Being</b>		
Older people not being engaged people feeling isolated	Impact on older people across the Ward	Neighbourhood Action Plan, Neighbourhood Forum, Ward Officer Teams
Young people not being physical active	Impact on older people across the Ward	Bradford South Health Hub.

**Sub Section 5.3.3 Inequalities in Health and Well Being Ward Analysis**

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?
In the Ward there is an issue with poor health, the number of deaths per 1000 population due to all causes, including cancer, stroke and CHD numbers are higher than both area and district levels. Number of deaths per 1000 population due to Coronary Heart Disease is also higher than both area and district levels. Higher number respondents felt they are not being encouraged and supported to be physically active as compared to other Wards. Higher number of respondents felt that older people get services and support to live at home as compared to other Wards. Obesity rate of reception children is higher than both district and area levels. <b>Key headline issues:</b> High obesity rate of children in reception Older people not engaging with local services Support and encourage residents to be more physically activity

### Sub Section 5.4.1: Incomes, Skills and Housing: Identifying prevalent issues through numbers

Overcrowded households and people worried about debt are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

Difference in household incomes has not been updated this year

See page 3 of this document for Key

**Sub Section 5.4.2 identifying prevalent issues through community engagement and voice (Incomes Skills and Housing)**

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Incomes, Skills and Housing</b>		
People find it difficult to find out about jobs. They need motivating and confidence building to look for work.	Across the Ward – in particular young people with low or no qualifications.	Neighbourhood Action Plan, Neighbourhood Forum, WOTs,
Concern about loan sharks	Issues on both Woodside and Buttershaw estates	Neighbourhood Forum, WOTs,

**Sub Section 5.4.2 Incomes Skills and Housing Ward Analysis**

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?
There is high demand for social rented properties within the area over double number of bids are made for properties in this Ward (39%) than the district (18%). This is calculated from the Choice Based Lettings computer system that is used to allocate social housing in the district. Households in need place bids on advertised properties they are interested in; the number of bids placed on each property reflects the demand. <b>Key headline issues:</b> Resents need support and information to get training and jobs Concerns raised about peoples debt levels and the increase in number of loan sharks

## Sub Section 5.5.1: Children and Young People: Identifying prevalent issues through numbers

Overcrowded households and people worried about debt are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

Difference in household incomes has not been updated this year

See page 3 of this document for Key

### Sub Section 5.5.2 identifying prevalent issues through community engagement and voice (Children and Young People)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Children and Young People</b>		
Young people not being physical active – do not feel safe using play areas and parks. Other interests computer games taking priority	Across the Ward	Ward Officer Teams, Neighbourhood Forums, Street Pact events, Youth Service Consultation
Young people find it difficult to find out about jobs. They need motivating and confidence building to look for work.	In particular young people with low or no qualifications.	Ward Officer Teams, Neighbourhood Forums, Street Pact events, Youth Service Consultation
High number of teenage pregnancy	Across the Ward	Youth Service Consultation

### Sub Section 5.5.3 Children and Young People Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?
Pupils attaining KS4 5+ A-C Grades is lower than both Area and District levels. NEET figure is higher than the area level also. High percentage of children receiving free school meals. High percentage of children living in poverty in the Ward. Overall birth rate for the Ward has reduced but locally there is still issues of high teenage pregnancies <b>Key headline issues:</b> Improve KS4 5+ A-C Grades Young people want support in find employment and training opportunities High number of teenage pregnancies

## Section 6: Sub-Ward Issues

This table identifies key sub-divisions / localities within the Ward. These can be clearly defined villages and housing estates or they may be neighbourhoods that have clear distinctive identities. This table identifies where the issues within these localities deviates substantially from the Ward average. Statistical evidence is not available at the sub-Ward level for many of the indicators used within this Ward Assessment and therefore this is significantly based on the knowledge of attendees at WOTs / WPTs who the Ward Officer will support to make this assessment. (Use LSOA's if data available).

Locality	Cleaner Greener	Safer Communities	Incomes, Benefits etc	Health Inequalities
Buttershaw Estate	✓	✓	✓	✓
Woodside Estate	✓		✓	✓
Low Moor		✓		
Horton Top		✓		
Wibsey Slack	✓	✓		

## Section 7: Making the Assessment of Ward Priority Issues

Analysis of Ward issues from Section 5	Community Strength	Resources	PRIORITIES
<b>Sub Section 7.1 Cleaner Greener</b>			
Complaints of dog fouling to Wardens patrolling the area and reports from local residents	Responsible dog owners clear up and report issues.	Council Wardens Clean Team	Tackle problems of dog fouling in hot spots across the Ward
Problems of Fly-tipping across the Ward	Vigilant residents	Council Wardens Environmental Enforcement Police	Identify and tackle fly-tipping areas in the Ward
<b>Sub Section 7.2 Safer Communities</b>			
Complaints of inconsiderate parking around schools across the Ward raised at Partnership meetings Wardens/PCSO's patrolling the area	School Governing Bodies	Police Council Wardens Highways Department	Identify incidents of illegal parking, take enforcement action and improve road safety
Problems of anti-social behaviour and criminal damage across the Ward	Vigilant residents Neighbourhood Watch Schemes – OWL Project	Police Anti-Social Behaviour Team Social Housing Tenancy Enforcement Officers	Work in partnership to tackle anti-social behaviour and criminal damage

<b>Sub Section 7.3 Inequalities: Health &amp; Wellbeing</b>			
High Obesity rates of children in reception	Strong Community organisations to promote healthy eating	Children Centres Bradford South Health Team	Promote and support healthy eating initiatives and advice for parents
Older people not engaging with local services	Community Centres	Bradford South Health Team	Co-ordinate engagement work with older people across the Ward
Support and encourage residents to be more physically activity	Community centres/ groups Recreation ground	Sport & Leisure Services	Promote and provide opportunities for residents to be more active
<b>Sub Section 7.4 Incomes, Skills and housing</b>			
Resents need support and information to get training and jobs			Promote training and employment opportunities
Concerns raised about peoples debt levels and the increase in number of loan sharks	Community Centres	Children Centres becoming collection points for Credit Union Trading Standards	Promote welfare benefits and debt advice

<b>Sub Section 7.5 Children and Young People</b>			
Young people want support in find employment and training opportunities.	Skills Training required for Job Seekers	Community Centres	Promote opportunities for young people including NEETS to gain skills and confidence to support their search for employment, training or further education
Pupils attaining KS4 5+ A-C Grades is lower than both Area and District levels.	Community workers - Hole work clubs	Schools	Support young people in education
High number of teenage pregnancies		Community Centres – Schools – Children Centres	Promotion of Sexual Health Education
<b>Sub Section 7.6 Stronger Communities</b>			
People who feel they can influence decision making is low	Local community groups and organisations that people can join.	Community Centres – Schools – Children Centres	Engage with local people to communicate with the Council, through Neighbourhood Forums, Street Pacts, Days of Action and Action planning events.

If you require further details about the data used in the above tables these can be found on the Observatory Website. See link: <http://www.westyorkshireobservatory.org/dataviews/view?viewId=219>

## DRAFT Royds Ward Plan

Code	Broad Priority Actions	Specific Ward Actions (summary)	Target Areas/ Target Groups	Who responsible
<b>1.0 Cleaner Greener</b>				
1.1	Tackle problems of dog fouling in hot spots across the Ward	<ul style="list-style-type: none"> <li>• Identify hotspots</li> <li>• Educate – Days of Action</li> <li>• Promote Green Dog Walkers Project</li> <li>• Enforcement – Council Wardens Patrolling</li> <li>• Deploy Clean Team to clear the area</li> <li>• Follow through at Ward Officer Team meetings</li> </ul>	Across the Ward North Bierley Cemetery Harold Park	Ward Officer, Warden Manager, Cleansing Manager, Environment Enforcement
1.2	Identify and tackle fly-tipping across the Ward	<ul style="list-style-type: none"> <li>• Identify hotspots</li> <li>• Educate – Days of Action</li> <li>• Deploy Clean Team and mechanical sweepers</li> <li>• Council Wardens patrol area for evidence of people undertaking graffiti activity</li> <li>• Follow through at Ward Officer Team meetings</li> </ul>	Across the Ward Buttershaw – Strensall Green Shops on Reevy Road West	Ward Officer, Warden Manager, Cleansing Manager
<b>2.0 Safer Communities</b>				
2.1	Take enforcement action on illegal parking and improve road safety	<ul style="list-style-type: none"> <li>• Identify hotspot areas</li> <li>• Promote road safety - Work with Schools</li> <li>• Reduce rat running/illegal parking – Days of action</li> <li>• Enforce – Council Wardens &amp; Police</li> <li>• Educate – through Neighbourhood Forums and community events</li> </ul>	Across the Ward - Outside Schools	Road Safety, Ward Officer, Warden Manager
2.2	Work in partnership to reduce anti-social behaviour	<ul style="list-style-type: none"> <li>• Identify hotspots</li> <li>• Educate - Provide information to residents how to report ASB</li> <li>• Engage – Promote/sign post projects and schemes for people causing the ASB</li> <li>• Enforcement – Evidence reported to appropriate partner for further action</li> </ul>	Across the Ward	Ward Officer, NPT – South, Tenancy Enforcement Officers, ASB Officers, Council Wardens

<b>3.0 Inequalities: Health and Wellbeing Inequalities</b>				
3.1	Support healthier life styles	<ul style="list-style-type: none"> <li>• Promote and support Dementia Friendly Communities initiative</li> <li>• Promote healthy initiatives for pregnant women and babies</li> <li>• Improve play areas and community recreation spaces</li> </ul>	Across the Ward	Ward Officer, Children Centres Bradford South Health and Wellbeing Hub,
3.2	Increase level of engagement of older people	<ul style="list-style-type: none"> <li>• Work with groups in the Ward</li> <li>• Engage through Coffee mornings and Luncheon clubs</li> <li>• Support and build capacity for new groups</li> <li>• Review engagement methods/processes</li> </ul>	Across the Ward	Ward Officer, Community Development Worker, Council Wardens
3.3	Promote and support healthy eating initiatives and physical activities for residents	<ul style="list-style-type: none"> <li>• Mapping exercise of projects that provide healthy eating initiatives</li> <li>• Mapping exercise of projects that enable residents to undertake physical activity</li> <li>• Promote to residents</li> <li>• Build capacity with local groups to enable them to hold both healthy eating initiatives and physical activities for local people</li> </ul>	Across the Ward	Ward Officer, Bradford South Health and Wellbeing Hub, Royds Community Worker
<b>4.0 Incomes, employment and housing</b>

<b>6.0 Stronger Communities</b>				
6.1	Engage with local people to communicate with the Council, through Neighbourhood Forums, Street Pacts, Days of Action and Action planning events	<ul style="list-style-type: none"> <li>• Leaflet areas where events are being held</li> <li>• Go door-to-door to engage with local community</li> <li>• Use luncheon clubs and coffee mornings</li> </ul>	Across the Ward	Council Wardens, NPT – South, Environmental Enforcement

## Draft Tong Ward Assessment and Ward Plan

<b>Ward Members</b> (1/1/14)	Cllr Michael Johnson	Cllr John Ruding	Cllr Alan Wainwright
<b>Ward Officer</b>	Rada Mijailovic	<b>Date completed</b>	March 2014

## **Introduction: What is the Ward Assessment for?**

The Ward Assessment is designed to inform Ward working, including action planning and decision making. The document summarises the prevalent strengths and issues within the Ward. This evidence base produced in the assessment will shape the identification of Ward priorities and actions to take to address these within the annual **Ward Plan**. The Council Ward Officers plays a critical role in digesting this information and summarising findings into the most pertinent issues. In order to assist Ward Officers in capturing and analysing findings this document has been organised under the following seven sections:

### **Section: 1 Ward Demography: Who lives in the Ward**

### **Section: 2 Community Strengths/ Stronger Communities: Active Citizenship within the Ward.**

This section highlights aspects of Ward strengths; including volunteering, voluntary groups etc.

### **Section: 3 Resources.**

This section relates to the resources that Area Committees will be able to influence either directly or indirectly.

### **Section: 4 New section called Assets of Community Value**

This section outlines physical assets (buildings and public spaces) that are assets within the Ward

### **Section: 5 Ward Issues.**

This section summarises the main issues identified by 1) numbers, 2) engagement and voice. There are sub-sections for the themes 1. Cleaner Greener, 2. Safer Communities, 3. Health and wellbeing inequalities 4. Incomes, employment and housing and 5. Children and young people. In each sub section there is a table that is an analysis of the main issues for each theme.

### **Section: 6 Sub Ward Issues**

This section highlights areas within smaller areas of the Ward where there are more specific issues.

## Section: 7 Making Assessment Ward Priority Issues

Each Indicator is presented as a Ward Assessment table that shows each indicator with a Ward, District and Area Committee comparator.

### Ward Profile Indicator Key

Indicator	Ward	Area	District	Trend	Performance	Highest Value
Bradford Demographic (%) Population 0-19	28.0	31.6	28.0	↑	19.9 - 38.6	38.6

4. The above table also shows five columns: **Ward, Area Committee and District** measure for the selected ward indicator and a **trend** column that shows an arrow symbol to indicate if the ward measure has either increased or decreased from the previous year. The full table with all ward indicators can be accessed via [Bradford observatory](#). The number key for the above Ward profile is as follows:

**1 Theme Name**

**2 Indicator** = the indicator name

**3 Ward** = the indicator measure for the your selected ward

**4 Ward Status Symbol** this icon symbol acts as a quick summary guide in indentifying if the ward measure is significantly above/below or centres around the district average.

**Green Circle** ● denotes either significantly above or below the district average

**Amber Triangle** ▲ shows the indicator centres around the district average

**Red Diamond** ▼ indicates either significantly above or lower then the district average.

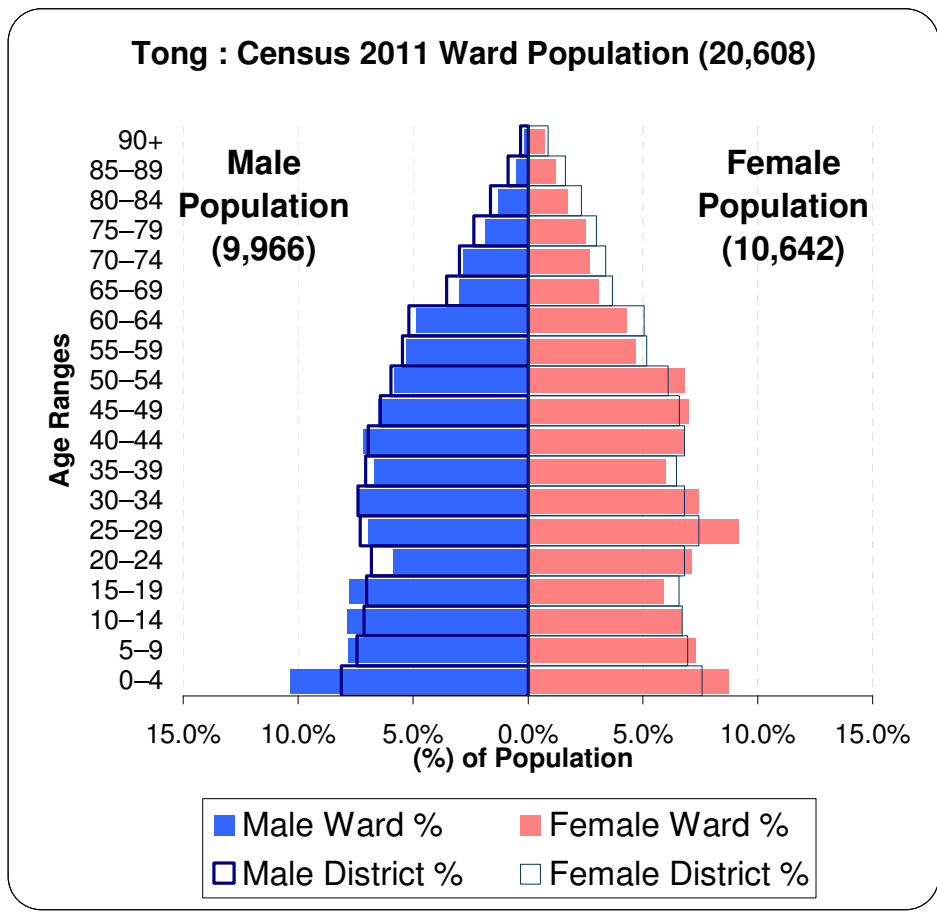

- 5 **Area** is the **Area Committee** Area average
- 6 **District** is the figure for Bradford District
- 7 The **Trend** column relates to change through time and enables an analysis of change between two points in time. This is denoted with either a small up or down arrow or a large ones where the increase or decrease has been significant.
- 8 Indicates lowest value for the selected indicator for any ward in the district
- 9 Lowest value label
- 10 **Red background shading** indicates the top/bottom range for the ward indicator
- 11 **Orange horizontal bar** is the ward value that matches that in the Ward Column **(2)**
- 12 **Red Vertical** line shows the district average |
- 13 **Amber background shading** indicates where the ward value would need to fall for it to be within the average of the data range
- 14 **Blue triangle** shows Area Committee average ▼
- 15 **Green background shade** indicates the range that is in the top/ bottom or average of the data range
- 16 Indicates highest value for the selected indicator for any ward in the district

# Section 1: Demography: Who lives in the ward?

Indicator	Ward	Area	District	Trend	Lowest Value	Performance	Highest Value
▼ Bradford District Ward Assessment >> Bradford Demographic							
(%) Population 0-4	9.6	8.0	7.9	↑	5		11.5
(%) Population 5-9	8.1	7.2	7.3	↑	4.6		10.6
(%) Population 10-14	7.2	6.8	6.9	→	4.8		9.6
(%) Population 15-19	6.6	6.4	6.7	↓	4.9		9.7
(%) Population 20-24	6.3	6.2	6.7	↓	3.3		20.4
(%) Population 25-59	46.6	46.9	45.9	↓	41.2		51.1
(%) Population 60-69	7.7	9.1	8.9	→	3.4		14.4

90+	19	81
<b>Total</b>	<b>9,966</b>	<b>10,642</b>

Future ONS updates will also include ethnicity and faith groups.

## Section 2: Stronger Communities/Community Strengths-Active Citizens

All above indicators are derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

## **Section 2.2 identifying prevalent strengths through community engagement and voice (Stronger Communities)**

### **1. Active Citizen-led initiatives within the Ward**

There are a large number of area based groups that serve the Ward, who lead on environmental projects (Springfield Centre), health initiatives (Healthy Lifestyles) and activities for older people (Hopes).

Faith Groups are also very active in the Ward e.g. St Christopher's Church, the Salvation Army, Holme Christian Care Centre, and the Gateway Centre. The Life Centre (formerly the Bierley Community Centre) runs activities for all ages. Holme Wood Library run numerous parent/child activities.

Surestart BHT work across the Ward with three Childrens' centres based in Holme Wood, Bierley and Sutton.

Tong Village Association, Friends of Bierley Woods, Friends of Black Carr Woods are citizen led initiative groups. Bradford Bee Keepers' Group is based at Knowles Park.

### **2. Scope for increasing Active Citizenship within the Ward**

Schools and Children centres play a positive role across the Ward. There are a number of primary schools in the Ward, where there are opportunities for citizens to become reading mentors or school governors. The three Childrens' Centres also provide the opportunity for volunteers to become more involved.

Tong Village has a strong village association and has led on community initiatives (speeding/traffic) and more recently on planning and green belt issues. By contrast, the remainder of the Ward is served by other associations, faith groups and statutory organisations that involve citizens, but the lead is taken by paid workers. These organisations work in partnership with Bradford South Area Co-ordinator's Office, the Police and social housing landlords.

There is scope for improvement through engaging one to one with residents on their issues, connecting them with services; also through specific clean- ups in areas where residents want to see change which could be developed to help sustain the work. Using community events to develop identity of neighbourhoods engage residents and bring people together to celebrate positives.

### **3. How many incidents of community tensions were reported to your WOT/ WPT in the past 12 months (January to December 2013)**

There were two incidents of community tension reported to the Tong WOT in the year up to December 2013.

#### 4. Qualitative assessment of the level of Active Citizenship within the Ward

Active citizenship is quite low overall. The number of community organisations and faith groups working across the Ward remains constant. Ward Councillors work well with these groups and support initiatives and projects within these groups, which benefits the wider community.

#### 4a. Overall assessment of actual levels of Active Citizenship / Social Capital within the Ward (tick)

	Lower	Average	Higher
	√		

#### 5. Any other information relevant to Stronger Communities

The Ward is now home to many new families, particularly from Eastern Europe, that are being welcomed in to our communities and who are integrating well.

Many residents of all backgrounds have issues with people making a living from collecting scrap metal. This practice is associated with keeping horses on communal land and other nuisance, such as burning off wires for copper.

On the whole, community relations are good across the Ward with distinct areas such as Tong Village, Holme Wood and Bierley.

The Holme Wood and Tong Partnership Board supports the Holme Wood and Tong NDP (Neighbourhood Development Plan) endorsed by the Council on January 20<sup>th</sup> 2012. The Plan identifies a need to diversify housing tenure in Holme Wood in order to attract owner-occupiers and more economically active residents; this diversification is felt essential if local shops, services and amenities are to be properly supported. In turn, this would create new retail and leisure uses, providing new employment opportunities for the local community. There is the potential to deliver up to 2,700 homes on urban extension sites and infill sites within the neighbourhood. The NDP Delivery Plan January 2013 has now been produced and distributed to stakeholders and it captures how the Council and its partners will contribute to the ongoing delivery of the NDP. There is also the NDP Executive Officer Group looking at the delivery of the NDP.

### Section 3: Council and partner resources allocated to the Ward and Area Structures

Description of Resource	Amount of Resource	Type of resource, cash, worker time	How can this Resource be influenced within the Ward	Area Committee decision making	Notes
Ward Officer	1 f/t Officer	Worker Time	Lead on WOTS	yes	Shared with Wyke Ward
Council Wardens	2 f/t Council Wardens patrolling on foot.	Worker time	Close liaison with Warden Manager	yes	Access to 2 mobile Wardens who work across Bradford South Access to City Centre Team
Street cleansing staff & mechanical sweepers	4 f/t staff	Worker time	Close liaison with Clean Team Manager	yes	3 mechanical sweepers with 3 drivers that work across Bradford South
Housing Officers/Managers (Incommunities)	1 full time Manager/ 7 Housing Officers	Worker time	WOTs		
Housing Associations/Social Landlords	Variable	Worker time	WOTs		
Youth Workers	2 full time contact staff. 1 part time worker.	Worker time	Through Ward Officer Teams meetings	yes	
Community Workers	Variable not council funded, attached to independent organisations	Worker time	Partnership working		

<u>Primary Schools</u> Knowleswood Carr Wood, Ryecroft, St Columba's St John's, Newhall Park, Woodlands	Statutory	Educational Services	Parental involvement, community resource		A number of schools have established community links
<u>Secondary Schools</u> Tong High School	Statutory	Educational Services	Parental involvement, community resource		
NPT Inspector/Police Officers/PCSOs	Variable	Worker time	WOTs		
Fire Service	Variable	Worker time	WOTs		
Community Payback	Variable	Time	WOTs		
Community Development Commission	One commission serving the ward currently based at Holme Wood Activity Centre	Worker time: 1 x full time Volunteers	Ward Officer WOTs	yes	
Church and Community	Workers Volunteers	Worker time	Ward Officer Team meetings		

Organisations					
Holme Wood Library	Workers Volunteers	Worker Time	Ward Officer		
Surestart BHT 3 Centres: Bierley Sutton Holme Wood	Workers Volunteers	Worker Time	WOTs Ward Officer Council Wardens		
The Life Centre Bierley	1 worker (3 days) Volunteers	Worker time	Ward Officer Council Wardens		
TFD Centre	2 full time staff Volunteers	Worker time	Ward Officer Team meetings		

## Section 4: Assets of Community Value

This list should include any physical asset, including buildings and open spaces that are or potentially could be used by the local community. The Council will have a List of Assets of Community Value that will have a degree of protection if the current owners of the asset would wish to sell. Assets listed here may be used as a shortlist of assets that may later gain the formal status of an Asset of Community Value

<b>Asset of community value</b>	<b>Location</b>	<b>Current use</b>	<b>Potential use</b>
Pit Hill Recreation Ground	Holme Wood	Walkers	
Eversley Drive Play Area	Holme Wood	Local amenity	
Stirling Crescent (the Valley) Play Area	Holme Wood	Local amenity	
St Margaret's Recreation Ground	Holme Wood	Local amenity	
Knowles Park	Holme Wood	Well used public amenity with many recent improvements carried out Football Children's play area Walkers	
TFD Centre/Recreation Ground	Holme Wood	Youth Centre Range of activities for young people	Recreation field could attract more local sports clubs
Dane Hill Park	Holme Wood	Children's Play area	Prevent irresponsible horse owners from tethering horses here
Holme Wood Library	Holme Wood	Lots of activities for young children The Story Garden	
Black Carr Woods	Tong	Walking Cycling Groups from both Bradford and Leeds	Potential to attract more local people if some improvements carried out

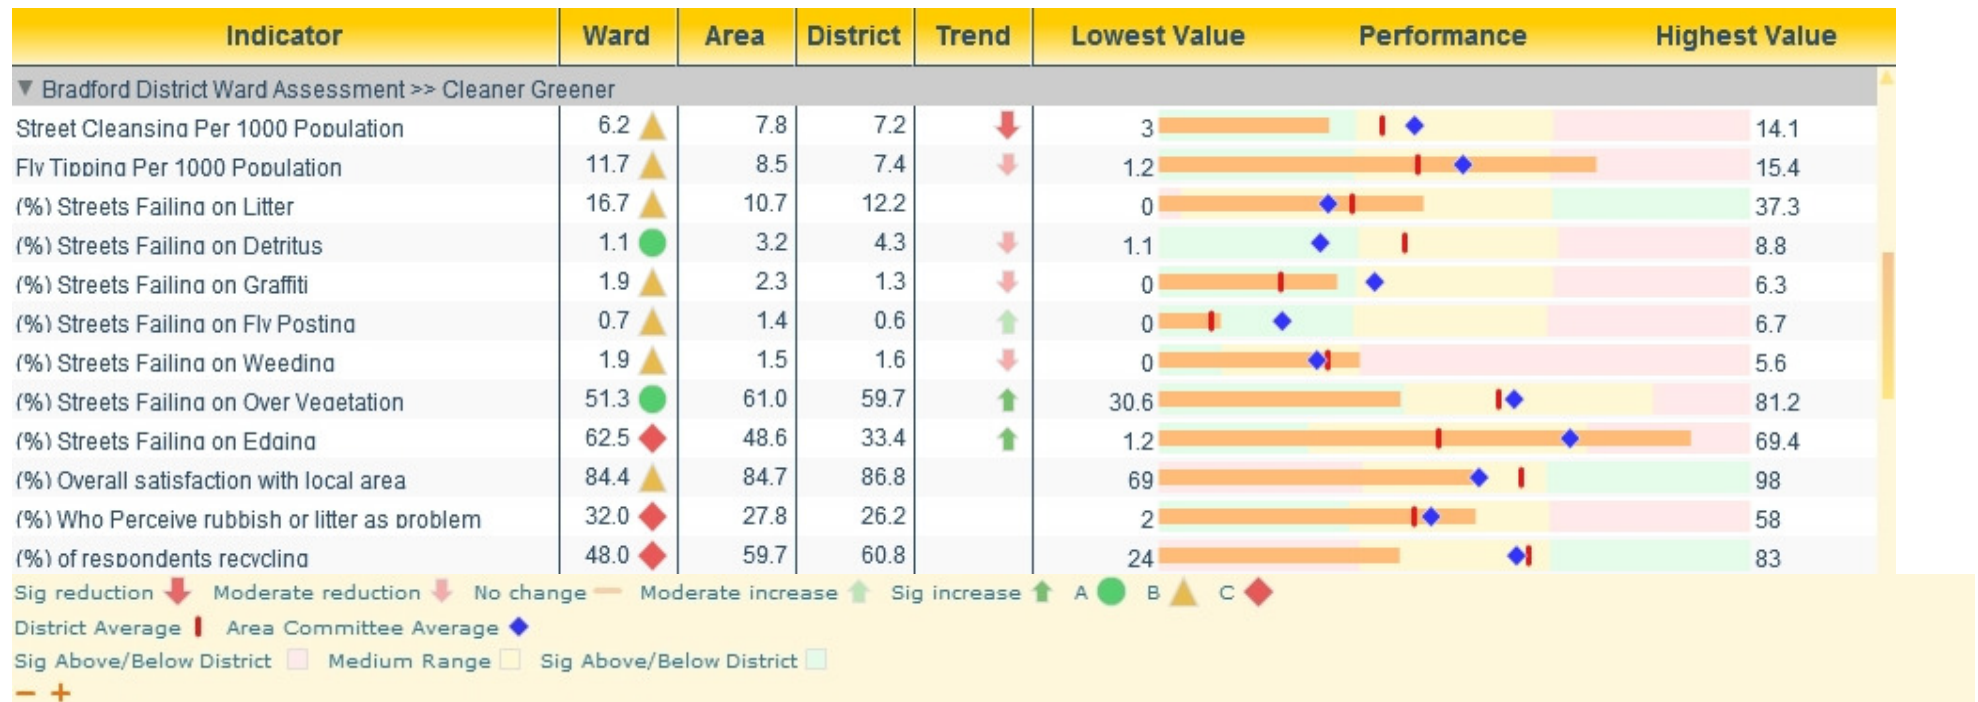

Bierley Recreation Ground	Bierley	Local teams play football	
The Life Centre	Bierley	Activities for all ages	Potential to attract more users if more worker/volunteers to run sessions
Bierley Woods	Bierley	Friends of Bierley Wood The Anglers Well used community facility	
Bierley House Avenue Junior/Toddler Play Areas	Bierley	Local amenity	
Hambledon Avenue MACA and public open space (next to The Life Centre)	Bierley	Local amenity	
Gleneagles Close Play Area	Bierley	Local amenity	
Hopefield Way Play Area	Bierley	Local amenity	
Coleshill Play Area	Bierley	Local amenity	
Woodlands Country Park	Tong	Walkers	
Woodlands Play Area	Tong	Local amenity	

## Section 5: Ward Issues.

This section identifies the main issues within the ward through a mixture of identifying issues through numbers and through engagement and voice. These two forms of information are then interpreted in the third sub-section. There is a sub-section on each of the following themes: 1. Cleaner Greener, 2. Safer Communities, 3. Health and Wellbeing, 4. Incomes, Skills and Housing and 5. Children and Young People. The three sub sections for each theme are as follows:

7. **Identifying prevalent issues through numbers** includes key **headline** measures of the **State of the Ward**, in relation to experienced in a ward.
8. **Community engagement and the voice** of communities is an analysis of a wide range of information that includes the following:
  - Tong Ward Forum and Single issue Forums
  - Engagement Events including those specifically for Young People
  - Views expressed to elected Ward Members
  - Views expressed to frontline staff including Council Wardens & Youth Workers
3. **Analysis of statistics and engagement and voice.** This sub section for each theme identifies the ward priority issues and is developed into Ward Priority Issues within the Ward Plan

### Sub Section 5.5.1 Cleaner Greener Identifying prevalent issues through numbers

Streets Failing on Weeding, Over Vegetation and Edging have not been updated this year  
 Overall Satisfaction, % who perceive rubbish as a problem and % recycling are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

### Sub Section 5.1.2 identifying prevalent issues through community engagement and voice (Cleaner Greener)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Forums, WPTs/ WOTs, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
Litter across parts of the Ward particularly on main thoroughfares and on open spaces	Everyone on Holme Wood	WOTs /Ward Leadership Team Ward Forum Partnership meetings /Ward Councillors
Fly tipping across the Ward	Everyone that lives in the Ward: Ned Lane, New Lane, Black Carr Woods, Holme Wood: Wenborough Lane, Heysham Drive, Landscope Avenue Bierley: Shetcliffe Lane, Mill Carr Hill, Euroway Estate, Fallowfield Gardens	WOTs/Ward Leadership Team Ward Forum Partnership meetings/ Ward Councillors
Rubbish and bulky refuse in gardens	Mainly across Holme Wood impacting on all local residents	WOTs Council Wardens
Lower uptake of people recycling	Holme Wood Bierley Tong Street	Ward Assessment WOTs
Overgrown edging	Across the Ward Holme Wood Bierley Tong Village	WOTS Ward Assessment Data

### Sub Section 5.1.3 Cleaner Greener Ward Analysis

Consider what the data and information in the above tables tell you about your ward. What are the key headline issues that can be identified?

Most people are content to live here: the perception of streets failing on litter has decreased significantly but is still significantly higher than the area and district average.

Perception of streets failing on graffiti has significantly decreased and is below the area average and slightly more than the district average.

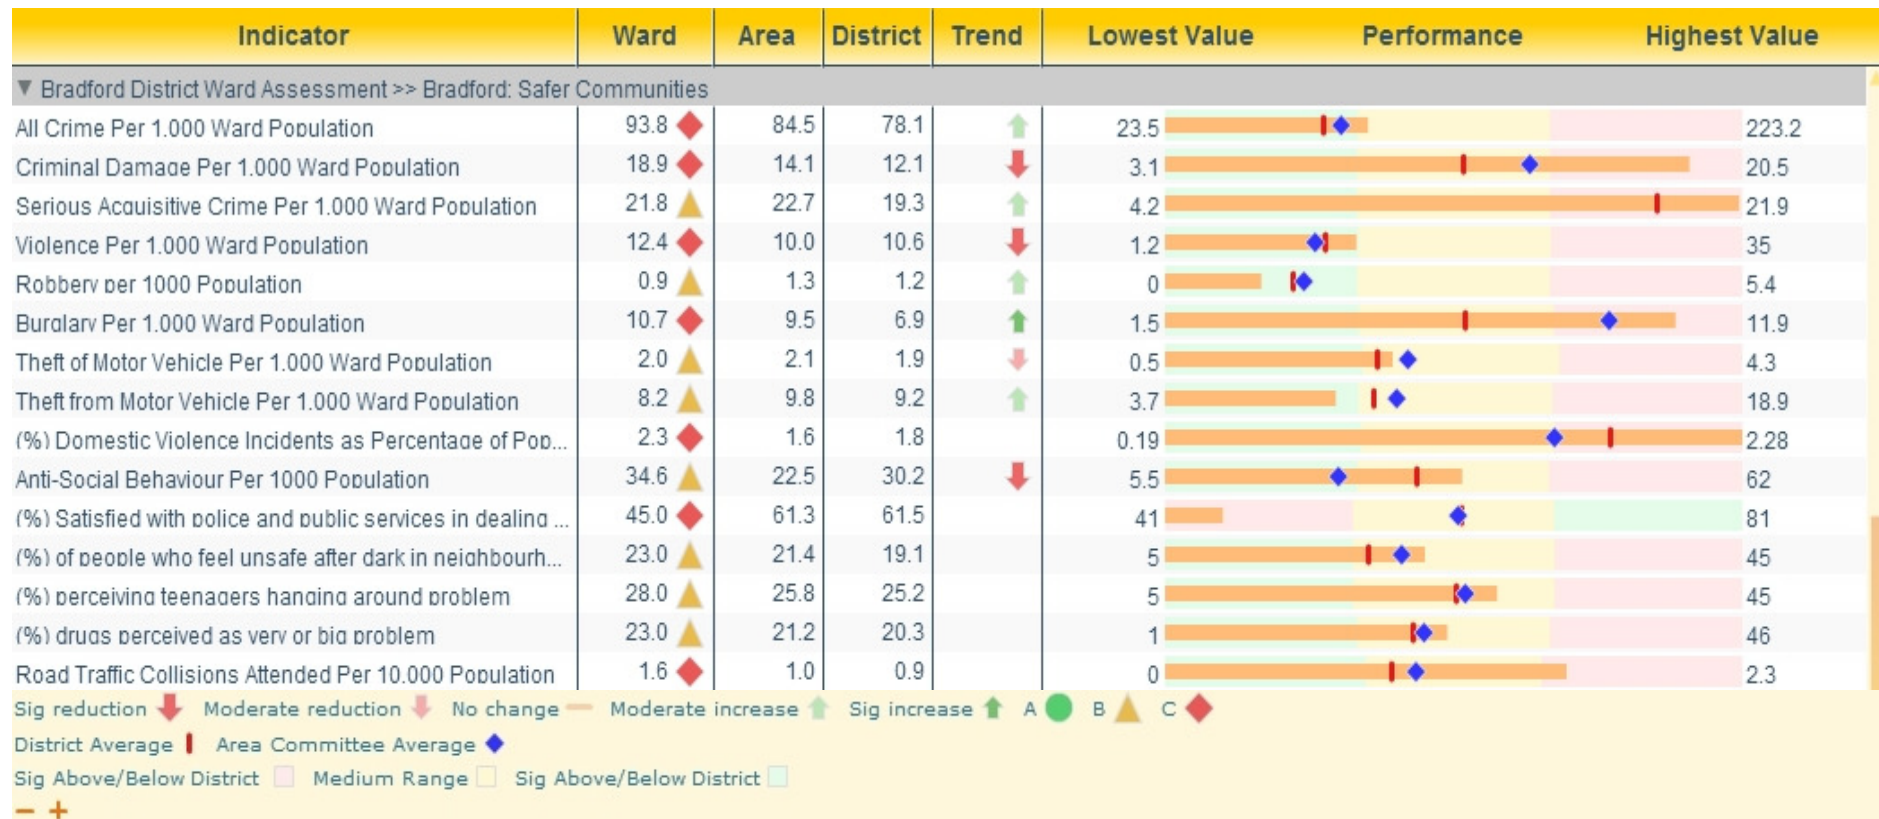

Perception of streets failing on edging is double the district average and much higher than the area average.

Incidents of fly tipping per 1000 population remains significantly higher than the district/area average but are on the slight decrease in the Ward.

% of people who perceive rubbish/litter as a problem is considerably higher than the district/area average

There is a considerably lower uptake of people recycling than the area/district average.

## Sub Section 5.2.1: Safer Communities identifying prevalent issues through numbers

Satisfied with police, people who feel unsafe, perceiving teenagers hanging around as a problem drugs perceived as a problem are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

**Section 5.2.2 identifying prevalent issues through community engagement and voice (Safer Communities)**

High incidents of burglary across the Ward	Everyone across the Ward	WOTs Ward Forum
Incidents of domestic violence on the increase	Across the Ward	Ward Assessment Data WOTs
Incidents of violence have slightly increased	Mainly in Holme Wood	WOTS Ward Leadership Team
Speeding traffic and rat running through Holme Wood	Residents in Holme Wood particularly on Broadstone Way, Knowles Lane	WOTs/Ward Leadership Team Ward Forum Ward Councillors
Criminal damage in the Ward higher than area/district average	Hot spot areas across the Ward	WOTs Ward Leadership Team Ward Forum
Large number of horses on Council Land and recreation areas; horse manure on footpaths, horse & carts on grass verges/gardens	Mainly in Holme Wood and Bierley	WOTs Ward Leadership Team Ward Forum Council Wardens/Ward Councillors

### **Section 5.2.3 Safer Communities Ward Analysis**

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?

Criminal damage per 1000 population is higher than the district and area average, even though the trend has seen a reduction.

There is a low satisfaction rate that the Police and public services are dealing with ASB and crime

Road traffic collisions attended per 10,000 population is higher than the district average.

All crime per 1000 ward population is significantly higher than the district/area average and has slightly increased overall.

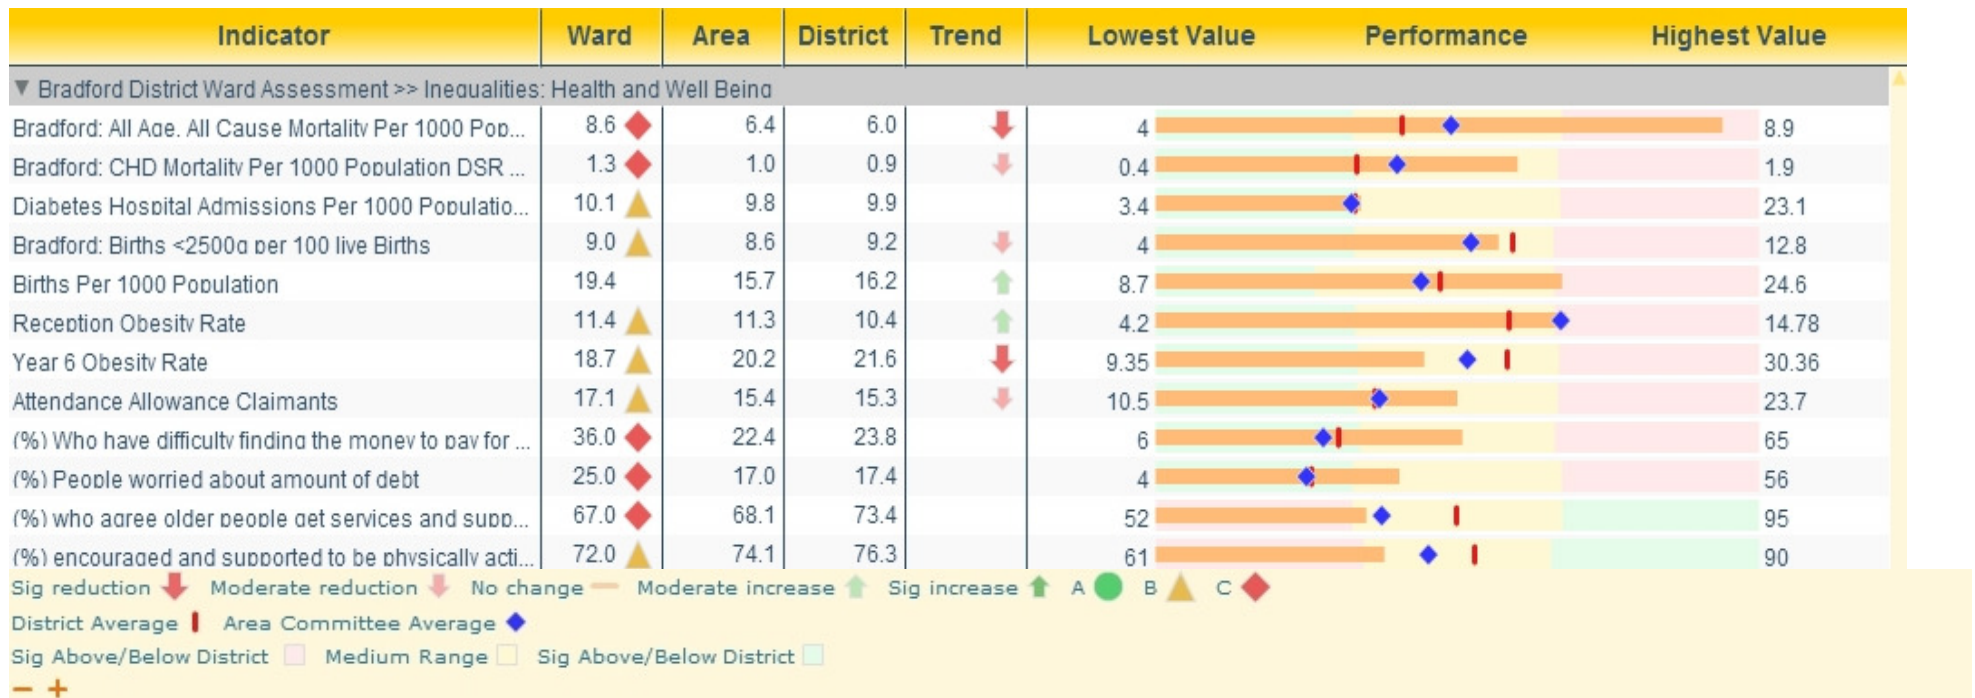

Serious acquisitive crime has significantly increased and is slightly lower than the area average, but higher than the district average.

Violence per 1000 Ward population has slightly decreased and is slightly more than the area/district average.

Burglary per 1000 ward population is slightly higher than the area average and considerably more than the district average.

There has been an increase in reports of domestic violence and is higher than the area/district average.

### Sub Section 5.3.1: Inequalities in Health and Well Being: Identifying prevalent issues through numbers

% who find difficulty finding money to pay for heating and hot water, % people worried about debt, % who agree older people get services and support and % encouraged to be physically active are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

### Sub Section 5.3:2 identifying prevalent issues through community engagement and voice (Inequalities in Health and Well Being)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Forums, WPTs/ WOTs, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Inequalities in Health and Well Being</b>		
High number of people worried about paying their bills for heating and water and falling into debt	Households mainly in Holme Wood	Ward Assessment Data Ward Councillors
The take up of physical activity to tackle obesity and associated problems	Across the Ward and all ages	Ward Assessment Data
Poor health such as Coronary Heart Disease and Diabetes	Across the Ward Holme Wood	Ward Assessment Data

### Sub Section 5.3.3 Inequalities in Health and Well Being Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?

The number of deaths per 1000 population due to all causes is higher than both area and district levels but has decreased slightly. People worried about debt and paying their bills is considerably higher than both the district and area average.

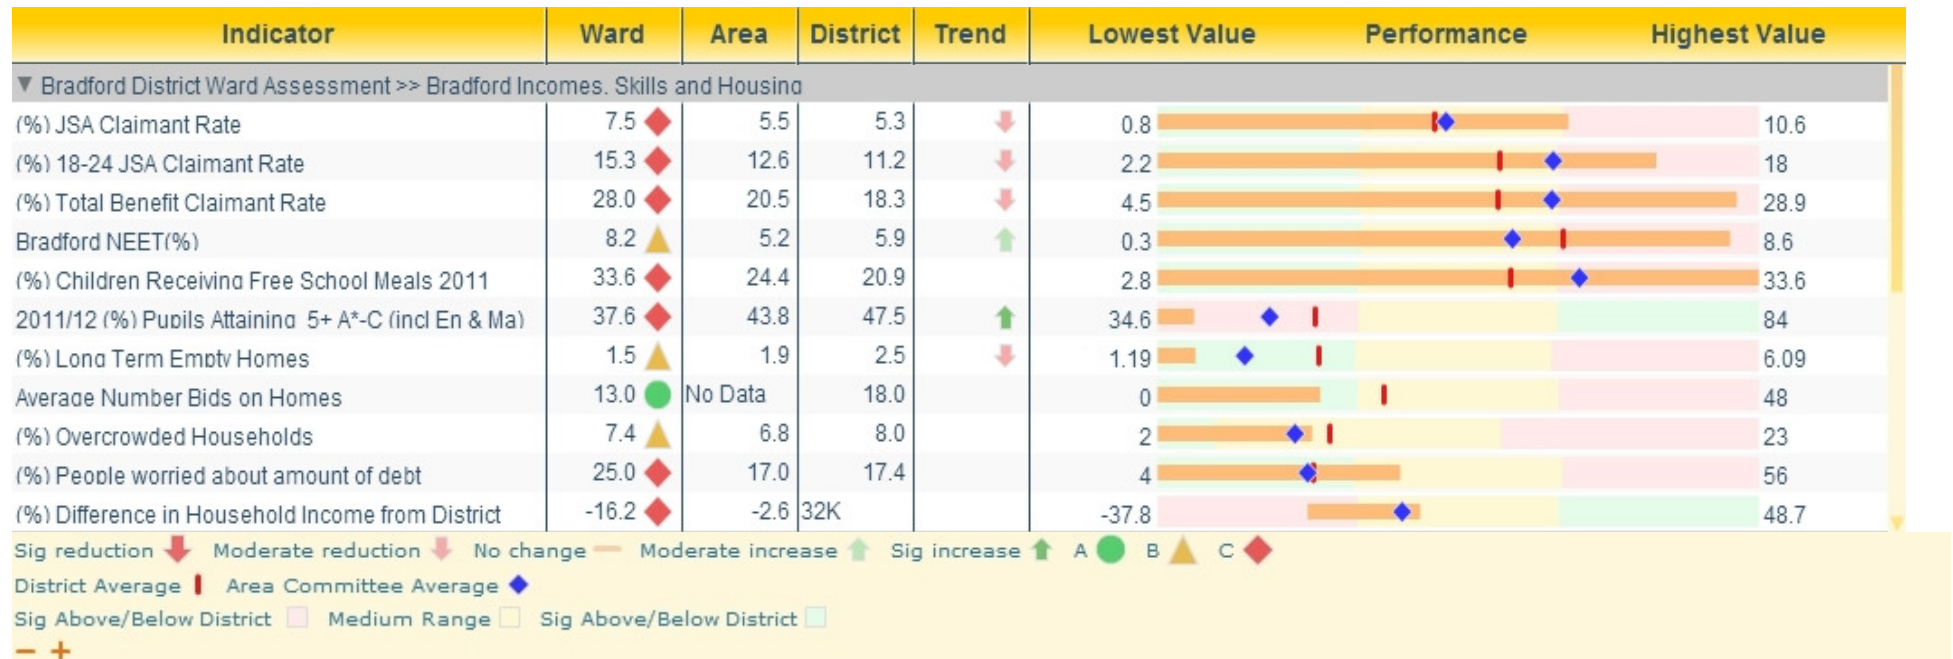

The number of deaths per 1000 population due to Coronary Heart Disease is slightly higher than both area and district levels.

The number of births per 1000 population has slightly decreased and remains higher than the both the area and district average.

The number of diabetes hospital admissions per 1000 population is slightly higher than the area and district average.

Year 6 obesity rate is significantly on the decrease but remains higher than both the area and district average.

## Sub Section 5.4.1: Incomes, Skills and Housing: Identifying prevalent issues through numbers

Overcrowded households and people worried about debt are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

Difference in household incomes has not been updated this year

See page 3 of this document for Key

### Sub Section 5.4.2 identifying prevalent issues through community engagement and voice (Incomes Skills and Housing)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Forums, WPTs/ WOTs, Parish, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Incomes, Skills and Housing</b>		
Large number of people on benefits	Holme Wood Parts of Bierley	Ward Assessment Data
High unemployment across all ages	Mainly in Holme Wood	Ward Assessment Data
Motivating people to look for jobs and building confidence to look for work	Across the Ward – in particular young people with low or no qualifications	Ward Councillors Partnership meetings
Lack of training opportunities/apprenticeships/ apathy to attend courses	Holme Wood	Ward Councillors Partnership meetings
Increasing educational attainment in (KS4 5+ A* -C English and Maths)	Across the Ward but mainly in Holme Wood	Ward Councillors Partnership meetings Ward Assessment Data

### Sub Section 5.4.3 Incomes Skills and Housing Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?

The number of people claiming benefits is significantly higher than both the area and district average.

The number of young people claiming JSA is also higher than both the area and district average, but has slightly decreased.

Children receiving free school meals are significantly higher than both the area and district average.

Pupils achieving 5plus A\*-C to include English and Maths is still below the area and district average.

High number of people worried about debt and is considerably higher than the area and district average.

## Sub Section 5.5.1: Children and Young People: Identifying prevalent issues through numbers

Pupils Attaining 5+ A\*-C GCSEs' (including English & Maths) at KS4 has not been updated this year – data for 2012/13 is only available for wards by location of school. This will be supplied separately.

% Children receiving free school meals and children becoming looked after have not been updated this year

**KS2 and Child Poverty to be added to the above table. See page 3 of this document for Key**

**Sub Section 5.5.2 identifying prevalent issues through community engagement and voice (Children and Young People)**

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Forums, WPTs/ WOTs, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Children and Young People</b>		
The number of NEETs has increased	Holme Wood Bierley	Ward Officer Teams Youth Worker feedback Ward Assessment Data
Increase in number of children being looked after	Across the Ward	
High rates of children receiving free school meals	Holme Wood	Ward Assessment Data
High rates of children living in poverty	Holme Wood	Ward Assessment Data
Pupils achieving at KS4 5+ A* -C still remains below the area and district average	Across the Ward	Ward Assessment Data

### **Sub Section 5.5.3 Children and Young People Ward Analysis**

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?

Children receiving free school meals is significantly higher than both the area and district average.

Pupils achieving at KS4 5+ A\*-C to include English and Maths is still below the area and district average.

There is high rate of children becoming looked after, per 1000 of population.

The number of NEETs has increased and is higher than both the district average and area average.

% of children living in poverty is significantly higher than both the area and district average

Year 6 obesity rate is decreasing and is slightly lower than the area and district average.

Reception obesity rate has slightly increased.

## Section 6: Sub-Ward Issues

This table identifies key sub-divisions / localities within the Ward. These can be clearly defined villages and housing estates or they may be neighbourhoods that have clear distinctive identities. This table identifies where the issues within these localities deviates substantially from the Ward average. Statistical evidence is not available at the sub-Ward level for many of the indicators used within this Ward Assessment and therefore this is significantly based on the knowledge of attendees at WOTs / WPTs who the Ward Officer will support to make this assessment. (Use LSOA's if data available).

Locality	Cleaner Greener	Safer Communities	Incomes, Benefits etc.	Health Inequalities
Tong Village	√	√		
Holme Wood	√	√	√	√
Bierley	√	√	√	
Woodlands	√	√		
Tong Street	√	√		
Sutton Estate	√	√	√	√

## Section 7: Making the Assessment of Ward Priority Issues

Analysis of Ward Issues. From third table in each sub section of Section 5	Community Strength	Resources	PRIORITIES
<b>Sub Section 7.1 Cleaner Greener</b>			
Perception of streets failing on litter is considerably higher than the area and district average	Active Community Groups reporting issues	Council Wardens Clean Team	Tackle litter across the Ward
Incidents of fly tipping are higher than the district average	Vigilant residents reporting issues Housing Officers	Council Wardens Environmental Enforcement Police, Social Landlords	Reduce fly tipping across the Ward
Lower uptake of people recycling	Vigilant residents reporting issues Housing Officers	Council Wardens Clean Team Social Landlords	Tackle low rate of recycling across the Ward
Perception of streets failing on edging/overgrown vegetation is double the district average and much higher than the area average	Vigilant residents reporting issues Housing Officers	Council Wardens Clean Team Landlords	Tackle over hanging vegetation/edging in hot spot areas
<b>Sub Section 7.2 Safer Communities</b>			
Criminal damage per 1000 population is higher than both the district and area average.	Community Groups/ Housing Officers reporting issues	Police ASB Team Social Housing Tenancy Enforcement Officers	Work in partnership to reduce number of incidents of criminal damage

Burglary rate is higher than area and district average	Community Groups/ Housing Officers reporting issues	Police ASB Team Social Housing Tenancy Enforcement	Reduce incidents of domestic burglary
Speeding traffic and rat running through Holme Wood	Residents reporting issues	Police Highways Department	Support traffic measures to reduce rat running and speeding
Large number of horses on Council land and recreation areas; horse manure on footpaths, horses & carts on grass verges/gardens	Community Groups/ Housing Officers/Residents reporting issues	Ward Officer NPT Inspector Highways Environmental Enforcement Social Landlords	Support multi -agency approach to tackle the large number of horses on Council land
Violence and reports of Domestic violence on the increase	Community Groups/ Housing Officers/Residents reporting issues	Police Social Housing Landlords	Support multi-agency approach to tackle increase in domestic violence
<b>Sub Section 7.3 Inequalities: Health &amp; Wellbeing</b>			
The number of deaths per 1000 population due to Coronary Heart Disease is higher than both area and district levels.	Community Centres GP Surgeries	Bradford South Health Team  Healthy Lifestyles	Promote and support healthy eating initiatives and physical activities for residents
People worried about debt and paying their bills is considerably higher than both the district and area average	Local Church Groups Community organisations	Community Centres Local church groups  Healthy Lifestyles	Promote Debt Advice Centres and Credit Union

<p>Low number of people taking up physical activity to tackle obesity and associated problems</p>	<p>Community Groups Youth Service Local Churches</p>	<p>Bradford South Health Team Community Centres  Healthy Lifestyles</p>	<p>Promote physical activities for residents of all ages</p>
<p><b>Sub Section 7.4 Incomes, Skills and Housing</b></p>			
<p>The number of people claiming benefits is significantly higher than both the area and district average.</p>	<p>Local Church Groups Community organisations Healthy Lifestyles</p>	<p>Community Centres Local church groups Children's Centres Local Schools Social Landlords</p>	<p>Promote benefit and debt advice services</p>
<p>High levels of unemployment across all age groups</p>	<p>Local Church Groups Community organisations</p>	<p>Community Centres Local church groups Local employers</p>	<p>Promote advice, training and employment opportunities</p>

<b>:Sub Section 7.5 Children and Young People</b>			
High rate of children living in poverty and significantly higher than the area and district average	Education Welfare Community Workers	Local Schools Children's Services Social Services GP Surgeries	Work in partnership to tackle child poverty
Pupils achieving 5 plus A*-C to include English and Maths remains below the area and district average.	Community Workers Children's Centres	Local Schools Youth Service Education	Work in partnership to Increase educational attainment
The number of NEETs has increased and is higher than the area and district average.	Community Workers Children's Centres Youth Workers	Local Schools Youth Service Voluntary Organisations	Promote facilities and training for young people
<b>Sub Section 7.6 Stronger Communities</b>			
People who feel they can influence decision making is low	Local Community Groups and organisations that people can join	Community Centres Schools Childrens' Centres	Engage with local people to communicate with the Council
The number of people volunteering is very low	Local Community Groups/Churches/organisations that people can join	Community Centres Schools Youth Centres	Encourage residents to take up volunteering opportunities
People not treating others with respect is high	Across all sectors of the community and organisations	The high number of paid workers and organisations working in the Ward	Encourage and support activities to increase community cohesion

## DRAFT Tong Ward Plan

Code	PRIORITY BROAD ACTIONS	Specific Ward Actions (summary)	Target Areas/ Target Groups	Who responsible
<b>1. Cleaner Greener</b>				
1.1	Tackle litter across the Ward	<ul style="list-style-type: none"> <li>• Identify hotspots</li> <li>• Deployment of Clean Team to hotspot areas supported by mechanical sweepers</li> <li>• Enforcement – Council Wardens patrolling the area and issuing notices</li> </ul>	Across the Ward	Ward Officer Warden Manager Cleansing Manager
1.2	Reduce fly tipping across the Ward	<ul style="list-style-type: none"> <li>• Identify hotspots</li> <li>• Education – Provide information to residents on how to report fly tipping</li> <li>• Promote Household Waste sites</li> <li>• Promote charities who operate furniture recycling schemes</li> <li>• Deployment of Clean Team to remove rubbish with mechanical sweepers</li> <li>• Enforcement – Council Wardens patrolling and reporting to Environmental Enforcement to Identify landowners to take further action</li> </ul>	Across the Ward	Ward Officer Warden Manager Cleansing Manager Environmental Enforcement Officer
1.3	Tackle low rate of recycling across the Ward	<ul style="list-style-type: none"> <li>• Promote recycling in the Ward</li> <li>• Promote Household Waste sites</li> <li>• Promote charities who operate furniture recycling schemes</li> </ul>	Across the Ward	Ward Officer Warden Manager Cleansing Manager Recycling Team
1.4	Tackle over hanging vegetation in hot spot areas	<ul style="list-style-type: none"> <li>• Identify areas</li> <li>• Council Wardens Patrolling</li> <li>• Deploy Clean Teams to hotspot areas</li> <li>• Follow up at Ward Officer Team</li> </ul>	Across the Ward	Ward Officer Warden Manager Cleansing Manager

<b>2. Safer Communities</b>				
2.1	Work in partnership to reduce number of incidents of criminal damage	<ul style="list-style-type: none"> <li>• Regular communication and updates to residents on anti-social behaviour and crime issues</li> <li>• Regular updates from Police on hotspots at the Ward Officer Team Meetings</li> <li>• Promote the Neighbourhood Policing Team Newsletter to residents</li> </ul>	Across the Ward	Ward Officer Neighbourhood Police Inspector NPT 3 Neighbourhood Watch Co-ordinator
2.2	Reduce incidents of domestic burglary	<ul style="list-style-type: none"> <li>• Identify hotspots via Ward Officer and Ward Leadership Team meetings</li> <li>• Promotion and setting up of Neighbourhood Watch Schemes</li> <li>• Education – Information and crime prevention advice to residents in hotspot areas</li> <li>• Enforcement – Police to patrol</li> </ul>	Across the Ward	Ward Officer Neighbourhood Police Inspector Neighbourhood Watch Co-ordinator
2.3	Support traffic measures to reduce rat running and speeding	<ul style="list-style-type: none"> <li>• Identify hotspots</li> <li>• Days of Action with the Police</li> <li>• Council Wardens patrolling</li> <li>• Traffic and Highways designing alternatives in hotspot areas</li> </ul>	Across the Ward Holme Wood	Ward Officer Police Warden Manager Traffic/Highways
2.5	Support multi-agency approach to tackle large number of horses on Council land	<ul style="list-style-type: none"> <li>• Identify hotspots</li> <li>• Support multi-agency partnership to tackle this issue</li> <li>• Promote the reporting of horse related issues</li> <li>• Keep residents informed of actions taken</li> </ul>	Across the Ward	Warden Manager Police Inspector Environmental Enforcement Social Landlords

2.4	Support multi-agency approach to tackle increase in domestic violence	<ul style="list-style-type: none"> <li>• Wardens to report incidents</li> <li>• Liaise with appropriate agencies</li> <li>• Report at WOT meetings</li> <li>• Promote the DV number at events/days of action</li> <li>• Police to report at WLT/WOT</li> </ul>	Holme Wood	Warden Manager Ward Officer Police Social Landlords
<b>3. Inequalities: Health and Well being</b>				
3.1	Promote and support healthy eating initiatives and physical activities for residents	<ul style="list-style-type: none"> <li>• Mapping exercise to identify projects</li> <li>• Promote activities being delivered and support new projects</li> <li>• Promote outdoor exercise and recreation opportunities</li> </ul>	Across the Ward	Ward Officer Warden Manager Community Organisations
3.2	Promote Debt Advice Centres and Credit Union	<ul style="list-style-type: none"> <li>• Sign post people to organisations and support networks</li> <li>• Promote Credit Union</li> <li>• Use local community centres for welfare benefits and debt advice</li> <li>• Warn residents about 'Loan Sharks'</li> </ul>	Across the Ward	Ward Officer Warden Manager
<b>4. Incomes Skills &amp; Housing</b>				
4.1	Promote benefit and debt advice services	<ul style="list-style-type: none"> <li>• Signpost people to organisations and support networks</li> <li>• Promote Credit Union</li> <li>• Use local community centres for welfare benefits and debt advice</li> <li>• Warn residents about illegal money lending and 'Loan Sharks'</li> </ul>	Across the Ward	Ward Officer Warden Manager Community Centres Community Organisations
4.2	Promote training and employment opportunities	<ul style="list-style-type: none"> <li>• Sign post people to organisations and support networks</li> <li>• Establish links with organisations</li> </ul>	Across the Ward	Ward Officer Community Workers

		<p>delivering appropriate training.</p> <ul style="list-style-type: none"> <li>• Promote training opportunities</li> <li>• Promote job fairs to local companies and residents</li> </ul>		<p>Regeneration Department</p> <p>Holme Wood &amp; Tong NDP</p>
<b>5.Children and Young people</b>				
5.1	Work in partnership to tackle child poverty	<ul style="list-style-type: none"> <li>• Sign post people to organisations and support networks</li> <li>• Establish links with organisations delivering appropriate advice</li> </ul>	Across the Ward	<p>Ward Officer</p> <p>Community Organisations Council</p> <p>Wardens</p> <p>Childrens' Centres</p> <p>Families First</p>
5.2	Work in partnership to Increase educational attainment	<ul style="list-style-type: none"> <li>• Facilitate meetings with schools</li> <li>• Through Ward Leadership Team meetings and Ward Officer Team meetings</li> <li>• Develop a multi-agency approach to tackle this issue</li> </ul>	Across the Ward	<p>Ward Officer</p> <p>Primary Schools</p> <p>Tong High School</p> <p>Youth Service</p> <p>Families First</p>
5.3	Promote facilities and physical activities for young people	<ul style="list-style-type: none"> <li>• Mapping exercise to identify on-going projects</li> <li>• Promote activities being delivered</li> <li>• Promote outdoor exercise and recreation opportunities via schools</li> <li>• Promote healthy eating programmes including cook and eat sessions</li> </ul>	Across the Ward	<p>Ward Officer</p> <p>Primary Schools</p> <p>Bradford South Health Hub</p> <p>Childrens' Centres</p>

<b>6. Stronger Communities</b>				
6.1	Engage with local people to communicate with the Council	<ul style="list-style-type: none"> <li>• Leaflet areas where events are being held</li> <li>• Door-to-door to engage with local community</li> <li>• Use luncheon clubs and coffee mornings</li> </ul>	Across the Ward	Council Wardens Police Ward Officer
6.2	Encourage residents to take up volunteering opportunities	<ul style="list-style-type: none"> <li>• Undertake mapping exercise to identify projects and groups that support volunteering</li> <li>• Support and build capacity where required</li> <li>• Support projects in developing volunteers</li> <li>• Promote projects and volunteering opportunities for residents in Tong</li> </ul>	Across the Ward	Ward Officer Community Development Worker CVS C-NET
6.3	Encourage and support activities to increase community cohesion	<ul style="list-style-type: none"> <li>• Use Holme Wood &amp; Tong Partnership as a means of sharing information about voluntary and statutory service provision within the Ward</li> <li>• Respond to requests for support to new groups in the local area and ensure they are included in the Holme Wood and Tong NDP</li> </ul>	Across the Ward	Ward Officer NPT Inspector Voluntary Organisations Local Churches Holme Wood and Tong Partnership

## Wibsey Ward Assessment and Ward Plan

<b>Ward Members</b>	Cllr Ralph Berry	Cllr David Green	Cllr Lynne Smith
<b>Ward Officer</b>	Arshad Mahmood	<b>Date completed</b>	March 2014

## **Introduction: What is the Ward Assessment for?**

The Ward Assessment is designed to inform Ward working, including action planning and decision making. The document summarises the prevalent strengths and issues within the Ward. This evidence base produced in the assessment will shape the identification of Ward priorities and actions to take to address these within the annual **Ward Plan**. The Council Ward Officers plays a critical role in digesting this information and summarising findings into the most pertinent issues. In order to assist Ward Officers in capturing and analysing findings this document has been organised under the following seven sections:

### **Section: 1 Ward Demography: Who lives in the Ward**

### **Section: 2 Community Strengths/ Stronger Communities: Active Citizenship within the Ward.**

This section highlights aspects of Ward strengths; including volunteering, voluntary groups etc.

### **Section: 3 Resources.**

This section relates to the resources that Area Committees will be able to influence either directly or indirectly.

### **Section: 4 New section called Assets of Community Value**

This section outlines physical assets (buildings and public spaces) that are assets within the Ward

### **Section: 5 Ward Issues.**

This section summarises the main issues identified by 1) numbers, 2) engagement and voice. There are sub-sections for the themes 1. Cleaner Greener, 2. Safer Communities, 3. Health and wellbeing inequalities 4. Incomes, employment and housing and 5. Children and young people. In each sub section there is a table that is an analysis of the main issues for each theme.

### **Section: 6 Sub Ward Issues**

This section highlights areas within smaller areas of the Ward where there are more specific issues.

## Section: 7 Making Assessment Ward Priority Issues

Each Indicator is presented as a Ward Assessment table that shows each indicator with a Ward, District and Area Committee comparator.

### Ward Profile Indicator Key

Indicator	Ward	Area	District	Trend	Lowest Value	Performance	Highest Value
Bradford Demographic (%) Population 0-19	28.0	31.6	28.0	↑	19.9	38.6	38.6

5. The above table also shows five columns: **Ward, Area Committee and District** measure for the selected ward indicator and a **trend** column that shows an arrow symbol to indicate if the ward measure has either increased or decreased from the previous year. The full table with all ward indicators can be accessed via [Bradford observatory](#). The number key for the above Ward profile is as follows:

**1 Theme Name**

**2 Indicator** = the indicator name

**3 Ward** = the indicator measure for the your selected ward

**4 Ward Status Symbol** this icon symbol acts as a quick summary guide in indentifying if the ward measure is significantly above/below or centres around the district average.

**Green Circle** ● denotes either significantly above or below the district average

**Amber Triangle** ▲ shows the indicator centres around the district average

**Red Diamond** ▼ indicates either significantly above or lower than the district average

**5 Area** is the **Area Committee** Area average

**6 District** is the figure for Bradford District

**7 The Trend** column relates to change through time and enables an analysis of change between two points in time. This is denoted with either a small up or down arrow or a large ones where the increase or decrease has been significant

**8** Indicates lowest value for the selected indicator for any ward in the district

**9** Lowest value label

**10 Red background shading** indicates the top/bottom range for the ward indicator

**11 Orange horizontal bar** is the ward value that matches that in the Ward Column **(2)**

**12 Red Vertical** line shows the district average |

**13 Amber background shading** indicates where the ward value would need to fall for it to within the average of the data range

**14 Blue triangle** shows Area Committee average ▼

**15 Green background shade** indicates the range that is in the top/ bottom or average of the data range

**16** Indicates highest value for the selected indicator for any ward in the district

## Section 1: Demography: Who lives in the Ward

Indicator	Ward	Area	District	Trend	Lowest Value	Performance	Highest Value
▼ Bradford District Ward Assessment >> Bradford Demographic							
(%) Population 0-4	7.2	8.0	7.9		5		11.5
(%) Population 5-9	6.9	7.2	7.3	↑	4.6		10.6
(%) Population 10-14	6.6	6.8	6.9		4.8		9.6
(%) Population 15-19	5.9	6.4	6.7	↓	4.9		9.7
(%) Population 20-24	6.3	6.2	6.7	↑	3.3		20.4

**Wibsey : Census 2011 Ward Population (14,671)**

Age Band	Males	Females
0-4	556	506
5-9	509	471
10-14	471	497
15-19	477	423
20-24	440	473
25-29	468	531
30-34	429	448
35-39	453	484
40-44	532	601
45-49	503	539
50-54	498	519
55-59	426	393
60-64	403	398
65-69	274	290
70-74	240	317
75-79	183	270
80-84	141	258
85-89	68	115
90+	25	42
<b>Total</b>	<b>7,096</b>	<b>7,575</b>

Future ONS updates will also include ethnicity and faith groups.

## Section 2: Stronger Communities/Community Strengths-Active Citizens

All above indicators are derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

<b>Section 2.2 identifying prevalent strengths through community engagement and voice (Stronger Communities)</b>			
<b>1. Active Citizen-led initiatives within the Ward</b>			
Wibsey Urban Village Partnership, Faxfleet Residents Association, Bankfoot Partnership, Action For The Odsal Community (AFTOC), Friends of Wibsey Park, Wibsey History Group, Wibsey Warriors Ruby Club, Odsal Cadets Centre, Netherlands Avenue Scout Hut and Wibsey Community First Panel.			
<b>2. Scope for increasing Active Citizenship within the Ward</b>			
As well as the above citizen led groups, where local people have a chance to volunteer and take part in activities, there are also other opportunities for citizens to be active in the Wibsey Ward, these include:			
a) Bradford Community Environment Project BCEP – opportunities for gardening volunteers on this project which is based in Wibsey Park and also opportunity for residents to join growing clubs at the Wibsey Park Community Garden			
b) Live at Home Scheme – based on Wibsey High Street, opportunity for volunteer work by joining their Befriending Scheme			
c) There are a number of Primary Schools in the Ward, there are opportunities for citizens to become reading mentors and governors at these schools			
<b>3. How many incidents of community tensions were reported to your WOT/ WPT in the past 12 months (January to December 2012)</b>			
None			
<b>4. Qualitative assessment of the level of Active Citizenship within the Ward</b>			
The Wibsey Ward has a number strong community groups working well together with communities within the Ward. Ward Councillors work well with these groups and support positive initiatives and projects to ensure collaboration between all the communities in Wibsey i.e. trying to create better networks between the groups and areas through Ward Budgets. This has led to more opportunities for active citizenship.			
<b>4a. Overall assessment of actual levels of Active Citizenship / Social Capital within the Ward (tick)</b>			
	Lower	Average	Higher
		✓	
<b>5. Any other information relevant to Stronger Communities</b>			
A number of community groups are working together and supporting each other. As the population of Wibsey Ward shows there are a high percentage of older people in the Ward. These people are of a great value to Wibsey, they sustain the community work by joining the local groups or by participating in activities. The figures show that more people feel that they would want to join in citizen activities. The future challenge will be to pull more people into active citizenship.			

### Section 3: Council and partner resources allocated to the Ward and Area Structures

Description of Resource	Amount of Resource	Type of resource, cash, worker time	How can this Resource be influenced within the Ward	Area Committee decision making	Notes
Council Wardens	2 x full time	Worker time	Close liaison with Warden Manager	Yes	
Street cleansing staff & mechanical sweepers	3 x full time	Worker time	Close liaison with Clean Team Manager	Yes	
Housing Officers/Managers	2	Worker time	Ward Officer Team and Community Partnerships	No	
Youth Workers	1	Worker time	Ward Officer Team	Yes	
NPT Police Officers/Police Community Support Officers	Variable, working shifts	Worker time	Ward Officer Team	No	
Fire Service	variable	Worker time	Ward Officer Team	No	
Community Payback	variable	Time	Ward Officer Team	No	
Wibsey Library	Space for Community meetings/Police contact point	Building	Ward Officer Team and partnership working	Yes	

## Section 4: Assets of Community Value

This list should include any physical asset, including buildings and open spaces that are or potentially could be used by the local community. The Council will have a List of Assets of Community Value that will have a degree of protection if the current owners of the asset would wish to sell. Assets listed here may be used as a shortlist of assets that may later gain the formal status of an Asset of Community Value

<b>Asset of community value</b>	<b>Location</b>	<b>Current use</b>	<b>Potential use</b>
Wisbey Park	Beacon Road	Recreation <ul style="list-style-type: none"> <li>- Bowling</li> <li>- Skate Park</li> <li>- Tennis Courts</li> <li>- Football pitch</li> <li>- Nature Trail</li> <li>- Play area</li> </ul>	
Odsal POD	Smith Avenue	Hub for young people of the Wibsey Area –and Odsal estate	
Faxfleet allotment	Faxfleet Bankfoot	<ul style="list-style-type: none"> <li>- Allotment</li> <li>- Gardening and engagement</li> </ul>	
Recreational Ground	Fair Road & North Road	Hold the summer Fair and recreation	
Wibsey Library	North Road	Books Contact Point for Police	

## Section 5: Ward Issues

This section identifies the main issues within the ward through a mixture of identifying issues through numbers and through engagement and voice. These two forms of information are then interpreted in the third sub-section. There is a sub-section on each of the following themes:

1. Cleaner Greener, 2. Safer Communities, 3. Health and Wellbeing, 4. Incomes, Skills and Housing and 5. Children and Young People. The three sub sections for each theme are as follows:

9. **Identifying prevalent issues through numbers** includes key **headline** measures of the **State of the Ward**, in relation to experienced in a ward.

10. **Community engagement and the voice** of communities is an analysis of a wide range of information that includes the following:

- Neighbourhood Forums and other engagement events including with young people
- Views expressed to elected Ward Members
- Key frontline staff including Council Wardens & Youth Workers
- Parish, Town and Community Councils

3. **Analysis of statistics and engagement and voice.** This sub section for each theme identifies the ward priority issues and is developed into Ward Priority Issues within the Ward Plan

## Sub Section 5.1.1 Cleaner Greener identifying prevalent issues through numbers

Streets Failing on Weeding, Over Vegetation and Edging have not been updated this year

Overall Satisfaction, % who perceive rubbish as a problem and % recycling are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

### Sub Section 5.1.2 identifying prevalent issues through community engagement and voice (Cleaner Greener)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
Litter and fly tipping in hot spot areas	Hotspot – Faxfleet, High Street, Wibsey Park, litter outside schools	Neighbourhood Forums, WOTs Council Wardens
Improvements to Wibsey Park required, particularly with regard to the nature trail and play equipment	Wibsey Park	Neighbourhood Forums, WOTs Council Wardens
Dog fouling problems reported	Hot spots – Wibsey Park, Brentwood Gardens	Neighbourhood Forums, WOTs Council Wardens

### Sub Section 5.1.3 Cleaner Greener Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?
Wibsey Ward has a high rating on satisfaction about the cleaner greener issues both from the data and engagement with local residents. Respondents who perceive rubbish and litter as a problem is nearly half the level of the district and area levels. However, there are small areas where there is a concentration of fly-tipping and litter. Streets failing on graffiti and edging are two concerns, when compared to the district level, but the trend on graffiti is on the decrease. Also street cleansing and fly tipping are issues also highlighted. Trend on street cleansing is on the increase. The Ward also has a significant level of people recycling.
<p><b>Key headline issues</b></p> Hot spot areas for fly-tipping in Bankfoot Dog fouling is an issue across the Ward Address issues of streets failing on edging

## Sub Section 5.2.1: Safer Communities identifying prevalent issues through numbers

Satisfied with police, people who feel unsafe, perceiving teenagers hanging around as a problem drugs perceived as a problem are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

## Section 5.2.2 identifying prevalent issues through community engagement and voice (Safer Communities)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
ASB reported in hot spot areas	Bankfoot area and Wibsey High Street	Neighbourhood Forums, WOTs Council Wardens
Complaints about parking issues on the High Street and speeding on Netherland Avenue by local residents	Road safety issue on Netherlands Avenue and Wibsey High Street.	Neighbourhood Forums, WOTs Council Wardens
Young people hanging round in groups, caused concern to local people	Outside Co-op on Beacon Road/Wibsey Park.	Neighbourhood Forums, WOTs Council Wardens

## Section 5.2.3 Safer Communities Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?
<p>Although over the past year all the crime trends in the Wibsey Ward are coming down. Robbery and Burglary are both higher than the area and districts levels. High numbers of people are feeling unsafe after dark and there is a low rate of satisfaction on how public services are dealing with local ASB and crime. There have been positives from the Councils survey, show that respondents who perceived drugs as a big problem in that is significantly lower than the district and area levels, as in teenagers hanging round seen as a problem. Also the ASB score and ASB per 1000 population is significantly lower than both district and area levels.</p> <p><b>Key headline issues</b>                  Burglaries and robberies are significantly higher than the district average                  Parking issues on the High Street                  Speeding and rat running across the Ward</p>

### Sub Section 5.3.1: Inequalities in Health and Well Being: Identifying prevalent issues through numbers

% who find difficulty finding money to pay for heating and hot water, % people worried about debt, % who agree older people get services and support and % encouraged to be physically active are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

### Sub Section 5.3.2 identifying prevalent issues through community engagement (Inequalities in Health and Well Being)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Inequalities in Health and Well Being</b>		
Older people not being engaged people feeling isolated	Across the Ward	Neighbourhood Forums, WOTs and by Meeting with older people and Luncheon Clubs and Coffee mornings
More activities for older people required	Across the Ward	Meeting with older people and Luncheon Clubs and Coffee mornings
More healthy eating initiatives and Physical activities required for local people	Across the Ward	Figures from the Ward Assessment

### Sub Section 5.3.3 Inequalities in Health and Well Being Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?
<p>There are a number of positives overall mortality rates are significantly lower than both area and district levels. Older people feel that they get services and support to live at home. Also people feel they are encouraged and supported to be physically active. Diabetes admissions to hospital are higher than both the area and district levels.</p> <p><b>Key headline issues</b>                  Support healthier life styles                  Perception is that older people are not being engaged with</p>

### Sub Section 5.4.1: Incomes, Skills and Housing: Identifying prevalent issues through numbers

Indicator	Ward	Area	District	Trend	Lowest Value	Performance	Highest Value
Sig reduction ↓	Moderate reduction ↓	No change —	Moderate increase ↑	Sig increase ↑	A ●	B ▲	C ◆
District Average	Area Committee Average ◆						
Sig Above/Below District —	Medium Range □	Sig Above/Below District □					
—	+						

Overcrowded households and people worried about debt are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

Difference in household incomes has not been updated this year

See page 3 of this document for Key

### Sub Section 5.4.2 identifying prevalent issues through community engagement and voice (Incomes Skills and Housing)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Incomes, Skills and Housing</b>		
Concerns raised about peoples debt levels and the increase in number of loan sharks	In Bankfoot and Odsal areas	Neighbourhood Forums, WOTs Council Wardens
High number of young people looking for employment.	Across the Ward	Neighbourhood Forums, WOTs Council Wardens

### Sub Section 5.4.3 Incomes Skills and Housing Ward Analysis

Consider what the data and information in the above tables tell you about your ward. What are the key headline issues that can be identified?
There is a high demand for homes in Wibsey Ward. Pupils attaining KS4 5+ A*-C in English and Maths is higher than the area and district averages. <b>Key headline issues:</b> Residents need support and information to get training and jobs In sub-areas of the Ward i.e. Odsal and Bankfoot people are concerned about debt and loan sharks

## Sub Section 5.5.1: Children and Young People: Identifying prevalent issues through numbers

Pupils Attaining 5+ A\*-C GCSEs' (including English & Maths) at KS4 has not been updated this year – data for 2012/13 is only available for wards by location of school. This will be supplied separately.

% Children receiving free school meals and children becoming looked after have not been updated this year

See page 3 of this document for Key

### Sub Section 5.5.2 identifying prevalent issues through community engagement and voice (Children and Young People)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Neighbourhood Forum, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Children and Young People</b>		
Young people not being physical active – do not feel safe using play areas and parks. Other interests computer games taking priority	Issue around Wibsey Park	Neighbourhood Forums, WOTs and Street Pact events.
Young people find it difficult to find out about jobs. They need motivating and confidence building to look for work.	Young people who live in the Odsal and Bankfoot areas	Neighbourhood Forums, WOTs and Street Pact events.
Young people hanging round in groups – perception of ASB	Outside Co-op on Beacon Road/Wibsey Park.	Neighbourhood Forums, WOTs and Street Pact events.

### Sub Section 5.5.3 Children and Young People Ward Analysis

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?
Young people not in education, employment or training (NEETs) are higher than the area average. Young people want support in find employment and training opportunities. Pupils attaining KS4 5+ A*-C in English and Maths is higher than the area and district averages. There are pockets of the Ward where there are problems of ASB from young people hanging round in groups.  <b>Key headline issues:</b> Young people want support in find employment and training opportunities Young people have nothing to do Young people hanging round in groups seen as ASB problem

## Section 6: Sub-Ward Issues

This table identifies key sub-divisions / localities within the Ward. These can be clearly defined villages and housing estates or they may be neighbourhoods that have clear distinctive identities. This table identifies where the issues within these localities deviates substantially from the Ward average. Statistical evidence is not available at the sub-Ward level for many of the indicators used within this Ward Assessment and therefore this is significantly based on the knowledge of attendees at WOTs / WPTs who the Ward Officer will support to make this assessment. (Use LSOA's if data available).

Locality	Cleaner Greener	Safer Communities	Incomes, Benefits etc	Health Inequalities
<b>Wibsey High St</b>		✓		✓
<b>Bankfoot</b>	✓			
<b>Netherlands Ave</b>		✓		
<b>Wibsey Park</b>	✓	✓		
<b>Odsal</b>	✓		✓	

## Section 7: Making the Assessment of Ward Priority Issues

<b>Analysis of Ward Issues.</b> From third table in each sub section of Section 5	<b>Community Strength</b>	<b>Resources</b>	<b>PRIORITIES</b>
<b>Sub Section 7.1 Cleaner Greener</b>			
Dog fouling is an issue across the Ward	Responsible dog owners report issues	Council Wardens, Clean Team	Tackle problems of dog fouling
Hot spot areas for fly-tipping	Local People	Council Wardens Clean Team	Tackle fly-tipping
Address issues of streets failing on edging	Strong community partnerships	Clean Team Council Wardens	Improve street edging
<b>Sub Section 7.2 Safer Communities</b>			
Large volume of complaints about parking issues by local residents.	Residents lobbying for residents only parking	Neighbourhood Policing Team, Council Wardens	Tackle parking issues on the High Street and speeding on Netherland Avenue
Burglaries and robberies are significantly higher than the district average	Community Neighbourhood Watch	Neighbourhood Policing Team Wardens	Tackle the issue of domestic burglaries and theft from vehicles
Speeding and rat running across the Ward	Local community	Neighbourhood Policing Team, Wardens, Highways	Carry out initiatives to reduce speeding and rat running across the ward
<b>Sub Section 7.3 Inequalities: Health &amp; Wellbeing</b>			
Support healthier life styles. Residents feel they are not supported or encouraged to be physically active.	Community Centres, Salvation Army	Live at Home Scheme, Wibsey Park, Community Centres, Richard Dunns Sports Centre including	Support healthier life styles

		Swimming pool	
Perception is that older people are not being engaged with	Community Centres, Salvation Army	Live at Home Scheme	Engage with older people and reduce social isolation
<b>Sub Section 7.4 Incomes, employment and housing</b>			
In sub-areas of the Ward i.e. Odsal and Bankfoot people are concerned about debt and loan sharks. Make people aware of Loan Sharks and promote Credit Union.	Local Community groups and organisations	The Cube Community Centre, The Grid.	Promote welfare benefits and debt advice
Residents need support and information to get training and jobs	Local Community groups and organisations	The Cube Community Centre, The Grid.	Promote training and employment opportunities
<b>Sub Section 7.5 Children and Young People</b>			
Young people want support in finding employment and training opportunities.	Local Volunteers and Community Workers	Community Centres	Support young people in looking for training and employment opportunities
Out reach work with young people is need and support them to get them involved with activities available in the area.	Local Volunteers and Community Workers	Richard Dunns Sports Centre, Bradford Bulls Café, Cube Community Centre, Odsal POD, Netherlands Scouts.	Sign post young people to activities in the area
Young people hanging round in groups seen as ASB problem	Local Community groups	NPT- South Community Centre, Odsal POD	Tackle anti-social behaviour in Wibsey Park, Co-op on Beacon Road and High Street POD

<b>Sub Section 7.6 Stronger Communities</b>			
Low numbers of people volunteering in the Ward (given up unpaid time)	Local community groups and organisations that people can join.	Community Centres	Engage with local people. Through Neighbourhood Forums – Street Pacts – days of action

If you require further details about the data used in the above tables these can be found on the Observatory Website. See link: <http://www.westyorkshireobservatory.org/dataviews/view?viewId=219>

<b>DRAFT Wibsey Ward Plan</b>				
<b>Code</b>	<b>Priority Broad Actions</b>	<b>Specific Ward Actions (summary)</b>	<b>Target Areas/ Target Groups</b>	<b>Who responsible</b>
<b>1.0 Cleaner Greener</b>				
1.1	Tackle problems of dog fouling	<ul style="list-style-type: none"> <li>• Identify hotspots</li> <li>• Educate – Days of Action</li> <li>• Promote Green Dog Walkers Project</li> <li>• Enforcement – Council Wardens Patrolling</li> <li>• Deploy Clean Team to clear the area</li> <li>• Follow through at Ward Officer Team meetings</li> </ul>	Across the Ward	Ward Officer, Warden Manager, Cleansing Manager, Environmental Enforcement
1.2	Tackle fly-tipping issues across the Ward	<ul style="list-style-type: none"> <li>• Educate - Provide information to residents how to report fly-tipping</li> <li>• Develop a multi-agency partnership to tackle scarp metal dealers fly-tipping</li> <li>• Promote the reporting of fly-tipping from scarp metal dealers</li> <li>• Clear fly-tipping once reported</li> <li>• Follow through at Ward Officer Team meetings</li> </ul>	Across the Ward Bankfoot Odsal	Ward Officer, Environment Enforcement, Warden Manager, Cleansing Manager
1.3	Tackle graffiti, edging and street cleaning issues	<ul style="list-style-type: none"> <li>• Identify hotspots</li> <li>• Educate – Promote Junior Warden Scheme</li> <li>• Enforcement – Council Wardens Patrolling</li> <li>• Deploy Clean Teams and mechanical sweepers to hotspot areas</li> <li>• Follow through at Ward Officer Team meetings</li> <li>•</li> </ul>	Across the Ward - Schools - High Street - Wibsey Park	Ward Officer, Warden Manager, Cleansing Manager
<b>2.0 Safer Communities</b>				
2.1	Tackle incidents of illegal parking and improve road safety	<ul style="list-style-type: none"> <li>• Take action on identified hotspot areas</li> <li>• Promote road safety - Work with Schools</li> <li>• Reduce rat running/illegal parking – Days of action</li> </ul>	Across the Ward - Schools - Netherlands Avenue	Road Safety, Transport and Highways, Ward Officer,

		<ul style="list-style-type: none"> <li>• Enforce – Council Wardens &amp; Police</li> <li>• Educate – through Neighbourhood Forums and community events</li> </ul>	<ul style="list-style-type: none"> <li>- High Street</li> <li>- Beacon Road</li> <li>- Moore Avenue</li> </ul>	Council Warden
2.2	Tackle the issue of domestic burglaries and theft from vehicles	<ul style="list-style-type: none"> <li>• Regularly update hotspot areas</li> <li>• Promote Neighbourhood Watches</li> <li>• Updates from Police on hotspots at the Ward Officer Team meetings</li> <li>• Educate – Presentations at Neighbourhood Forums, Coffee Mornings and Luncheon Clubs</li> </ul>	Across the Ward	Ward Officer, NPT–South, Neighbourhood Watch Co-ordinator
2.3	Speeding and rat running across the Ward	<ul style="list-style-type: none"> <li>• Set up days of action on the hot spot areas</li> <li>• Educate people through neighbourhood forums and community engagement activities</li> <li>• Use the Speed indication device</li> </ul>	Across the Ward	Ward Officer, NPT–South, Neighbourhood Watch Co-ordinator
<b>3.0 Health and Wellbeing Inequalities</b>				
3.1	Support healthier life styles	<ul style="list-style-type: none"> <li>• Promote Healthier eating initiatives</li> <li>• Promote and support the Dementia Friendly Community initiative</li> <li>• Develop and support new projects that provide physical activity opportunities for residents</li> <li>• Promote Richard Dunns</li> </ul>	Across the Ward	Ward Officer Bradford South Health and Wellbeing Hub
3.2	Engage with older people and reduce social isolation for older people	<ul style="list-style-type: none"> <li>• Promote ‘live at home scheme’</li> <li>• Increase engagement with older people</li> <li>• Promote Coffee mornings, Luncheon Clubs and other projects that involve working with older people</li> </ul>	Across the Ward	Ward Officer, Council Wardens
<b>4.0 Incomes, Benefits and Inequalities</b>				
4.1	Promote welfare benefits and debt advice	<ul style="list-style-type: none"> <li>• Sign post people to organisations and support networks</li> <li>• Promote Credit Union</li> </ul>	Across the Ward	Ward Officer Bradford South Credit Union

		<ul style="list-style-type: none"> <li>• Use local community centres for welfare benefits and debt advice</li> <li>• Warn residents about 'Loan Sharks'</li> </ul>		Trading Standards
4.2	Promote training and employment opportunities	<ul style="list-style-type: none"> <li>• Sign post people to organisations and support networks</li> <li>• establish links with organisations delivering appropriate training</li> <li>• Promote job fairs to local companies and residents</li> </ul>	Across the Ward	Bradford South Network Ward Officer, Local Community Partnerships
<b>5.0 Children and Young People</b>				
5.1	Support young people in looking for training and employment opportunities	<ul style="list-style-type: none"> <li>• Sign post people to organisations and support networks</li> <li>• establish links with organisations delivering appropriate training</li> <li>• Promote job fairs to local residents</li> </ul>	Across the Ward	Ward Officer Youth Service
5.2	Sign post young people to activities in the area	<ul style="list-style-type: none"> <li>• Support out reach work with young people</li> <li>• Identify and sign post key projects in the Ward to young people – Café on High Street, Odsal POD, Bradford Bulls Café, Scout Hut Netherland, Cube at Bankfoot etc</li> </ul>	Across the Ward	Ward Officer Youth Service Local Community Partnerships
5.3	Tackle anti-social behaviour (ASB) in Wibsey Park, Beacon Road and High Street	<ul style="list-style-type: none"> <li>• Support Bankfoot ASB project</li> <li>• Wardens to patrol and inform of any issues</li> <li>• Ward Officer Teams to prioritise ASB issues in Wibsey High Street</li> </ul>	Wibsey Park, Beacon Road and High Street	Ward Officer NPT – South Youth Service Community Partnerships
<b>6.0 Stronger Communities</b>				
6.1	Engage with local people and promote volunteering	<ul style="list-style-type: none"> <li>• Utilise forums, days of action and other engagement activities to promote volunteering</li> <li>• Support and build capacity where required</li> <li>• Support projects in developing volunteers</li> <li>• Promote projects and volunteering opportunities for residents in Wibsey Ward</li> </ul>	Across the Ward	Ward Officer, Community Development Officer, CVS C-NET

## Draft Wyke Ward Assessment and Ward Plan

<b>Ward Members</b>	Cllr Sarah Ferriby	Cllr David Robinson	Cllr David Warburton
<b>Ward Officer</b>	Rada Mijailovic	<b>Date completed</b>	March 2014

## **Introduction: What is the Ward Assessment for?**

The Ward Assessment is designed to inform Ward working, including action planning and decision making. The document summarises the prevalent strengths and issues within the Ward. This evidence base produced in the assessment will shape the identification of Ward priorities and actions to take to address these within the annual **Ward Plan**. The Council Ward Officers plays a critical role in digesting this information and summarising findings into the most pertinent issues. In order to assist Ward Officers in capturing and analysing findings this document has been organised under the following seven sections:

### **Section: 1 Ward Demography: Who lives in the Ward**

### **Section: 2 Community Strengths/ Stronger Communities: Active Citizenship within the Ward.**

This section highlights aspects of Ward strengths; including volunteering, voluntary groups etc.

### **Section: 3 Resources.**

This section relates to the resources that Area Committees will be able to influence either directly or indirectly.

### **Section: 4 New section called Assets of Community Value**

This section outlines physical assets (buildings and public spaces) that are assets within the Ward

### **Section: 5 Ward Issues.**

This section summarises the main issues identified by 1) numbers, 2) engagement and voice. There are sub-sections for the themes 1. Cleaner Greener, 2. Safer Communities, 3. Health and wellbeing inequalities 4. Incomes, employment and housing and 5. Children and young people. In each sub section there is a table that is an analysis of the main issues for each theme.

### **Section: 6 Sub Ward Issues**

This section highlights areas within smaller areas of the Ward where there are more specific issues.

## Section: 7 Making Assessment Ward Priority Issues

Each Indicator is presented as a Ward Assessment table that shows each indicator with a Ward, District and Area Committee comparator.

### Ward Profile Indicator Key

Indicator	Ward	Area	District	Trend	Lowest Value	Performance	Highest Value
Bradford Demographic (%) Population 0-19	28.0	31.6	28.0	↑	19.9		38.6

6. The above table also shows five columns: **Ward, Area Committee and District** measure for the selected ward indicator and a **trend** column that shows an arrow symbol to indicate if the ward measure has either increased or decreased from the previous year. The full table with all ward indicators can be accessed via [Bradford observatory](#). The number key for the above Ward profile is as follows:

**1 Theme Name**

**2 Indicator** = the indicator name

**3 Ward** = the indicator measure for the your selected ward

**4 Ward Status Symbol** this icon symbol acts as a quick summary guide in indentifying if the ward measure is significantly above/below or centres around the district average.

**Green Circle** ● denotes either significantly above or below the district average

**Amber Triangle** ▲ shows the indicator centres around the district average

**Red Diamond** ▼ indicates either significantly above or lower then the district average.

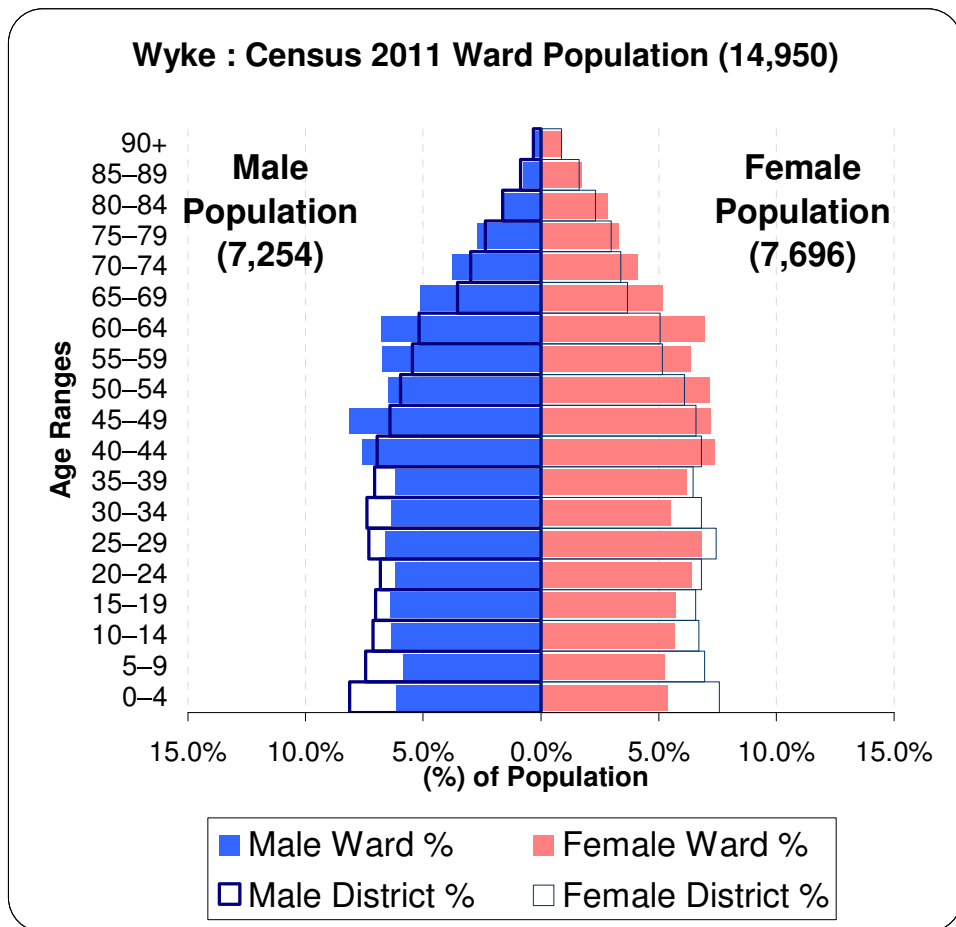

- 5 **Area** is the **Area Committee** Area average
- 6 **District** is the figure for Bradford District
- 7 The **Trend** column relates to change through time and enables an analysis of change between two points in time. This is denoted with either a small up or down arrow or a large one where the increase or decrease has been significant.
- 8 Indicates lowest value for the selected indicator for any ward in the district
- 9 Lowest value label
- 10 **Red background shading** indicates the top/bottom range for the ward indicator
- 11 **Orange horizontal bar** is the ward value that matches that in the Ward Column **(2)**
- 12 **Red Vertical** line shows the district average |
- 13 **Amber background shading** indicates where the ward value would need to fall for it to within the average of the data range
- 14 **Blue triangle** shows Area Committee average ▼
- 15 **Green background shade** indicates the range that is in the top/ bottom or average of the data range
- 16 Indicates highest value for the selected indicator for any ward in the district

## Section 1: Demography: Who lives in the ward?

Indicator	Ward	Area	District	Trend	Lowest Value	Performance	Highest Value
▼ Bradford District Ward Assessment >> Bradford Demographic							
(%) Population 0-4	6.2	8.0	7.9	↑	5		11.5
(%) Population 5-9	5.6	7.2	7.3		4.6		10.6
(%) Population 10-14	5.8 ▲	6.8	6.9	↓	4.8		9.6
(%) Population 15-19	5.9	6.4	6.7	↓	4.9		9.7
(%) Population 20-24	6.0	6.2	6.7	↓	3.3		20.4
(%) Population 25-59	47.0	46.9	45.9	↓	41.2		51.1
(%) Population 60-69	12.3	9.1	8.9	↑	3.4		14.4
(%) Population 70-79	7.0	5.8	5.8	↑	2.6		10.2
(%) Population 80+	4.2	3.6	3.9		1.4		9.7
(%) Population White	91.5	78.9	67.4	↓	14.33		98.1

<b>Total</b>	<b>7,254</b>	<b>7,696</b>

Future ONS updates will also include ethnicity and faith groups.

## Section 2: Stronger Communities/Community Strengths-Active Citizens

All above indicators are derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

## **Section 2.2 identifying prevalent strengths through community engagement and voice (Stronger Communities)**

### **1. Active Citizen-led initiatives within the Ward**

The Ward is made up of six distinct neighbourhoods: Delph Hill, Low Moor, Lower Wyke, Oakenshaw, Odsal and Wyke. There is a large range of community activities, organisations and church groups across the Ward to cover all ages and interests.

Wyke Wanderers, Wyke ARLFC, Odsal/Sedbergh Rugby Club, Odsal Crusaders, Woodlands Cricket Club, and Bankfoot Cricket Club are long standing sports groups that operate in the area, along with a range of other sports clubs, elderly groups, mums and toddlers groups, scout associations.

New Horizons, Friends of Judy Woods, Friends of Wyke Park, Low Moor /Oakenshaw Conservation Group, Oakenshaw Residents' Association, Wyke Awake, Neighbourhood Watches, Sedbergh Centre, Odsal Area Residents' Association, Wyke Village Society, Friends of Oakenshaw Park, Low Moor History Group, Oakenshaw History Group

Similarly, there are very active Churches that run a range of activities for all sections of the community:

Wyke Christian Fellowship, Lower Wyke Moravian Church, St Mary's, Low Moor Holy Trinity, Westfield United Reformed, Wyke Methodists, St Andrew's, Aldersgate Methodists.

### **2. Scope for increasing Active Citizenship within the Ward**

As well as the above active citizen-led initiatives, local businesses and companies are also linked together through the Business Watches: Euoway Business Watch, Low Moor Business Watch, Wyke Ward Business Watch.

Schools and Children centres play a positive role in working with the community. There are a number of primary schools in the Ward, where there are opportunities for citizens to become reading mentors or school governors. Wyke Children's Centre also provides the opportunity for volunteers to become involved.

The newly established Low Moor Railway Station Liaison Group is growing in strength and is looking to become a constituted group in January 2014. The Dealburn Road Group has achieved its main aim, with the creation of a woodland walk linking Oakenshaw with Wyke, completed December 2013. Citizens are actively involved in the development of both projects.

### **3. How many incidents of community tensions were reported to your WOT/ WPT in the past 12 months (January to December 2013)**

There were no incidents of community tension reported to the Wyke WOT in the year up to December 2013.

### **4. Qualitative assessment of the level of Active Citizenship within the Ward**

Active citizenship is healthy in the Ward overall with a large number of strong community groups working well across the Ward and with Local ward Councillors.

The Churches are very active in the wider community and provide a wide range of community activities and services to cover all age ranges.

**4a. Overall assessment of actual levels of Active Citizenship / Social Capital within the Ward (tick)**

	Lower	Average	Higher
			√

**5. Any other information relevant to Stronger Communities**

Wyke Ward Partnership is the focal point for groups and organisations in the Ward and is used to share good practice and resources amongst community groups that attend. The meeting is held at different locations across the Ward to ensure that all groups are included and have ease of access. The Partnership was instrumental in working together to plan community events and currently is involved in raising awareness for the Wyke Ward to become a dementia friendly community.

Wyke Youth Action Group is working well with the Friends of Wyke Park in planning improvements for the park for all users, which includes the skate park. Oakenshaw Residents' Association are also working with local young people to upgrade the skate park in Victoria Park.

### Section 3: Council and partner resources allocated to the Ward and Area Structures

Description of Resource	Amount of Resource	Type of resource, cash, worker time	How can this Resource be influenced within the Ward	Area Committee decision making	Notes
Ward Officer	1 f/t Officer	Worker Time	Lead on WOTs	yes	Shared with Tong Ward
Council Wardens	1 f/t Council Warden patrolling on foot.	Worker time	Close liaison with Warden Manager	yes	Access to 2 mobile Wardens who work across Bradford South Access to City Centre Team
Street cleansing staff & mechanical sweepers	3 f/t staff	Worker time	Close liaison with Clean Team Manager	yes	3 mechanical sweepers with 3 drivers that work across Bradford South
Housing Officers/Managers (Incommunities)	1 full time Manager/2 Housing Officers	Worker time	Through Ward Officer Team meetings.		
Youth Workers	1 full time contact person. 1 part time worker.	Worker time	Through Ward Officer Teams meetings	yes	
Community Workers	Not council funded, attached to independent organisations	Worker time	Partnership working		
NPT Inspector/Police Officers/PCSOs	variable	Worker time	Through Ward Officer Team meetings		
Fire Service	variable	Worker time	Through Ward Officer Team meetings		

Community Payback	variable	Time	Through Ward Officer Team meetings		
<u>Primary Schools</u> Low Moor CofE Worthinghead Shirley Manor	Statutory	Educational Services	Parental involvement, community resource		A number of schools have established community links
<u>Secondary Schools</u> Appleton Academy	Statutory	Educational Services	Parental involvement, community resource		

## Section 4: Assets of Community Value

This list should include any physical asset, including buildings and open spaces that are or potentially could be used by the local community. The Council will have a List of Assets of Community Value that will have a degree of protection if the current owners of the asset would wish to sell. Assets listed here may be used as a shortlist of assets that may later gain the formal status of an Asset of Community Value

<b>Asset of community value</b>	<b>Location</b>	<b>Current use</b>	<b>Potential use</b>
Upper Wyke Recreation Ground (also known as Wyke Park)	Wyke	Recreation Bowling Green Skate park Children's play area Rugby/football pitch	Already well used location Skate park needs improving Changing rooms need updating
Oakenshaw Park (also known as Victoria Park)	Oakenshaw	Recreation Oakenshaw Contact point Bowling Green Keep fit equipment Children's play area Skate park	Improving children's play area could attract more users
Judy Woods	Huddersfield Road	Woodland	Improve footpaths to attract more walkers
Wyke Lane Recreation Ground	Wyke	Play area football	
Toad Holes Beck/Railway Terrace	Oakenshaw	Nature Reserve Woodland ponds	Well used by local residents
Dealburn Road/Wilson Road Urban Greenspace	Wyke Oakenshaw	Link for walkers from Wyke to Oakenshaw  Nature reserve	Butterfly conservation and other wildlife habitat

Sedbergh Playing Fields	Odsal	Football	Develop a country walkway
Odsal Village Green	Odsal	Community Facility Fitness Equipment benches installed Autumn 2013	Through Wyke Ward Partnership, organise community events
Wyke Village Green	Wyke	Community Facility	Through Wyke Ward Partnership, organise community events
Carr Lane Recreation Ground	Low Moor	Football Pitch	
Richard Dunn Sports Centre	Rooley	Large recreational facility with users from across the district/ fun pool	Improve swimming facilities
Wyke Library	Wyke	Well used local amenity with activities for children/ adults following its relocation to Appleton Academy early in 2013	
Wyke Community Sports Village	Wyke	Previous Wyke Manor School site now demolished, apart from the Sports Hall - to be developed for a range of sporting facilities Playing fields maintained and in use	Cycling Community activities Walking

## Section 5: Ward Issues.

This section identifies the main issues within the ward through a mixture of identifying issues through numbers and through engagement and voice. These two forms of information are then interpreted in the third sub-section. There is a sub-section on each of the following themes: 1. Cleaner Greener, 2. Safer Communities, 3. Health and Wellbeing, 4. Incomes, Skills and Housing and 5. Children and Young People. The three sub sections for each theme are as follows:

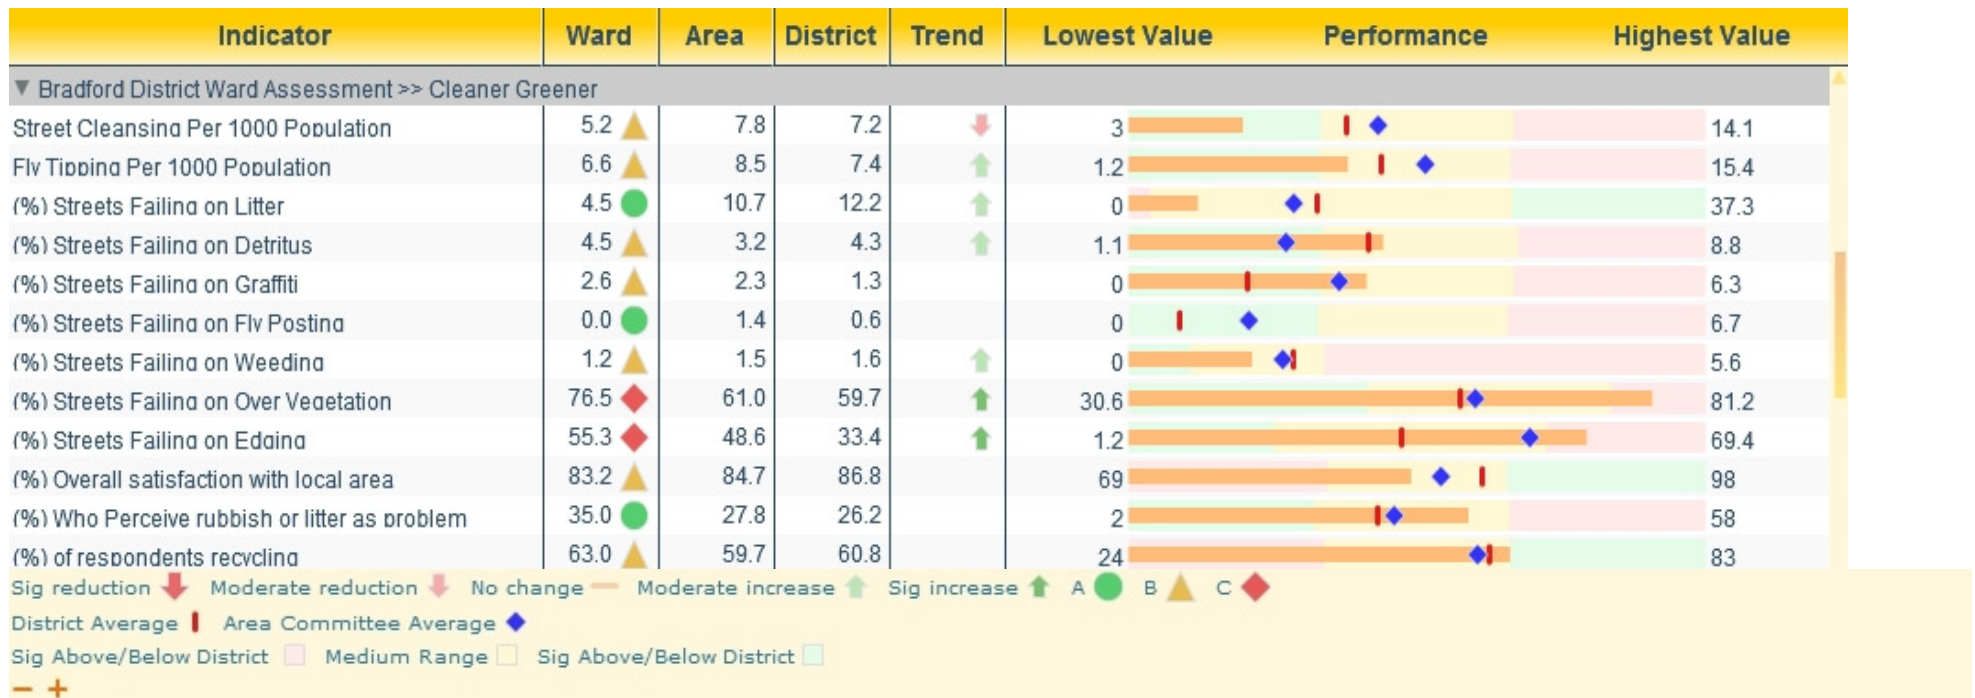

11. **Identifying prevalent issues through numbers** includes key **headline** measures of the **State of the Ward**, in relation to experienced in a ward.

12. **Community engagement and the voice** of communities is an analysis of a wide range of information that includes the following:

- Neighbourhood Forums and other engagement events including with young people
- Views expressed to elected Ward Members
- Key frontline staff including Council Wardens & Youth Workers
- Parish, Town and Community Councils

3. **Analysis of statistics and engagement and voice.** This sub section for each theme identifies the ward priority issues and is developed into Ward Priority Issues within the Ward Plan

### Sub Section 5.5.1 Cleaner Greener Identifying prevalent issues through numbers

Streets Failing on Weeding, Over Vegetation and Edging have not been updated this year

Overall Satisfaction, % who perceive rubbish as a problem and % recycling are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

**Sub Section 5.1.2 identifying prevalent issues through community engagement and voice (Cleaner Greener)**

<p><b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)</p>	<p><b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on</p>	<p><b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Forums, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.</p>
<p>Dog fouling in parks and public open spaces.</p>	<p>Everyone in Oakenshaw/Users of Victoria Park/Users of Judy Woods/Wyke Park Snicket Green Lane to St Mary's Close</p>	<p>Forums, Council Wardens, Ward Councillors, WOTs</p>
<p>Untidy footpaths/snickets</p>	<p>Wycoller, Markfield Avenue Rooley Crescent, Wyke Lane/Wilson Road/Pearson Fold/Elizabeth Avenue Salroyd Road to Woodrow Drive, Knowle Lane, Green Lane to St Mary's Close</p>	<p>Forums Ward Councillors WOTs/Ward Leadership Team</p>
<p>Overgrown vegetation/weeding</p>	<p>Lower Wyke Lane, Hanson Fold, Aysgarth Close, Rooley Crescent/Radfield Drive, Markfield Close</p>	<p>Forums, Ward Councillors WOTs/Ward Leadership Team</p>

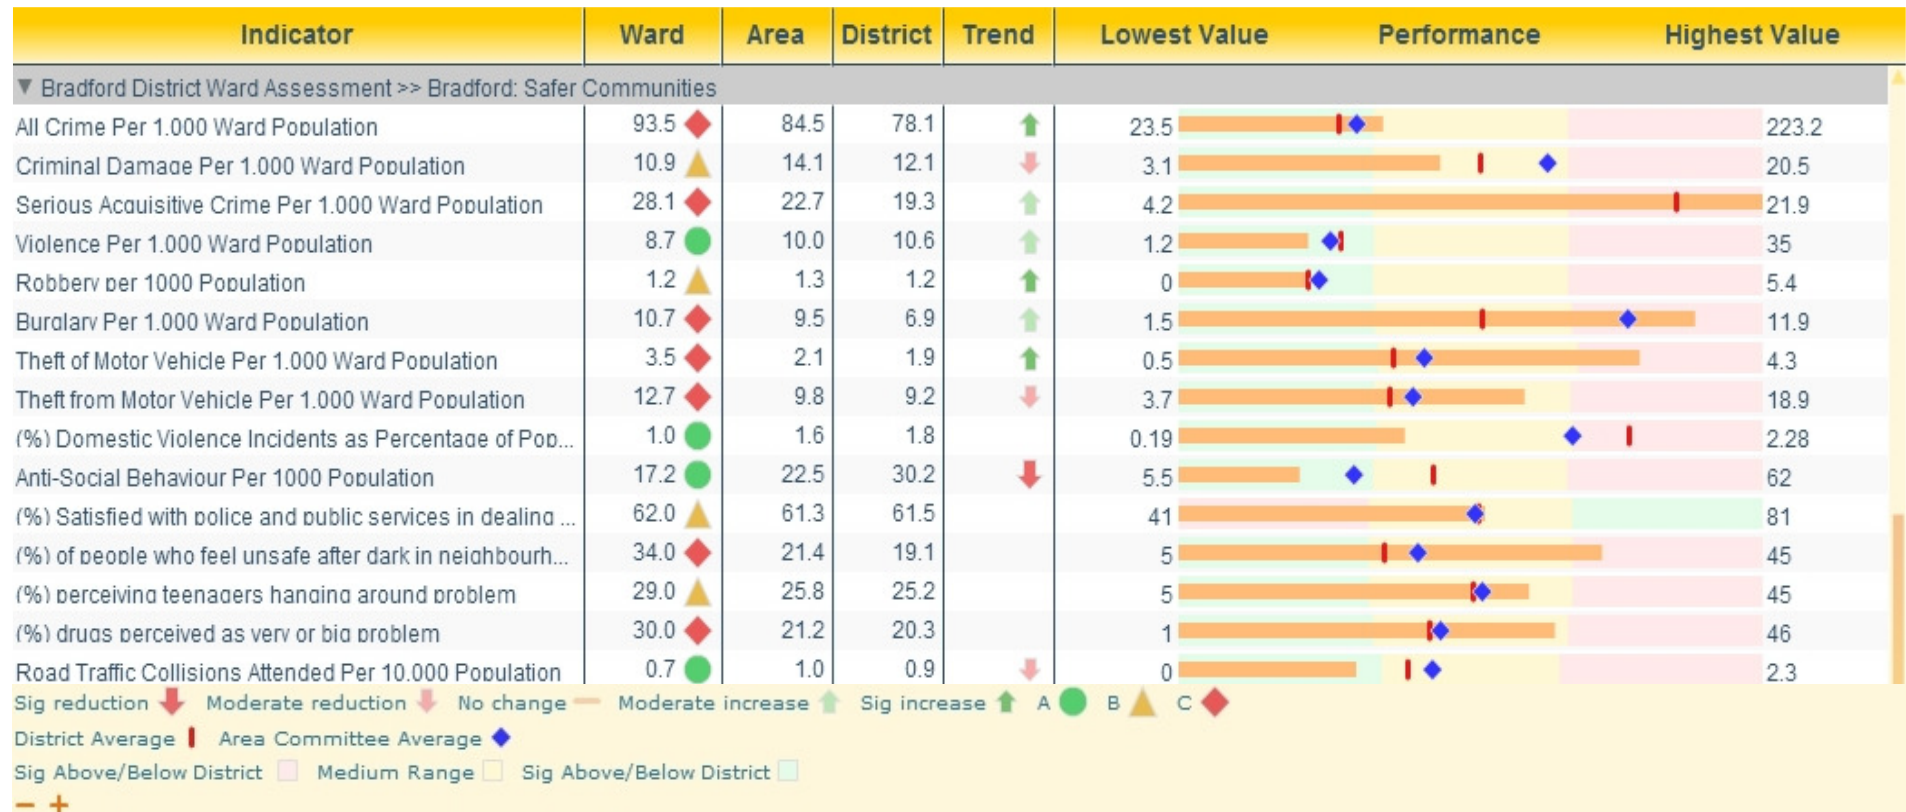

### **Sub Section 5.1.3 Cleaner Greener Ward Analysis**

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?

Wyke Ward has a high rating on satisfaction regarding litter and street cleaning and there is no problem with fly posting. Residents are very pleased with the level of street cleaning and feedback from Ward Councillors and Council Wardens reinforces this. However, the following still requires some attention:  
streets failing on overgrown vegetation is considerably high and higher than the district and area average  
streets failing on edging is well above the district average and higher than the area average.  
The number of respondents recycling in the Ward is around the district average.

## Sub Section 5.2.1: Safer Communities identifying prevalent issues through numbers

Satisfied with police, people who feel unsafe, perceiving teenagers hanging around as a problem drugs perceived as a problem are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

**See page 3 of this document for Key**

## Section 5.2.2 identifying prevalent issues through community engagement and voice (Safer Communities)

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Forums, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
Anti-Social Behaviour in hot spot areas	Elderly residents around Mayfield Rise Residents that live near Wyke Park/Wycoller	WOTs , Forums, Residents
Parking issues around schools and inconsiderate behaviour by adults that drop off children	All schools across the Ward at the start and end of the school day	WOTs, Ward Councillors Forums Residents
There has been an increase in serious acquisitive crime across the Ward	Everyone in the Ward	WOTs/Ward Leadership Team, Forums
Speeding traffic across the Ward Cleckheaton Road, Lower Wyke Lane, Westfield Lane, St Mary's Crescent/Wyke Lane, Carr Lane, Rooley Avenue Green Lane, Elizabeth Avenue	Everyone and in particular residents that live in the vicinity	WOTs/Ward Leadership Team Forums
High perception of drug dealing in the Ward	Everyone and in particular on St Mary's/Shirley Manor, Mayfield, Wycollar	WOTs Forums
Identify suitable locations for HGV overnight parking	Low Moor Brighthouse Road, Cleckheaton Road Oakenshaw, Pro-logis Park	Ward Leadership Team Forums Business Watch Meetings
Inconsiderate parking/dangerous driving	Common Road Junction A58/ Westfield Lane Huddersfield Road/Towngate junction Odsal Roundabout Mayfield Drive	Forums Ward Councillors

### **Section 5.2.3 Safer Communities Ward Analysis**

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?

All crime per 1000 population has seen a significant increase and is higher than the district and area average, whereas criminal damage per 1000 ward population has seen a significant reduction.

Serious Acquisitive crime per 1000 ward population has increased slightly and is considerably higher than the district and area average.

Burglaries per 1000 population have seen a significant increase and are considerably higher than the district average.

Theft of a motor vehicle shows a slight increase, as does theft from a motor vehicle: although still higher than the area/district average, it is on the decrease.

Perceptions that drugs are a big problem remain higher than the district and area average.

A significant number of people feel unsafe after dark and the percentage is considerably higher than the district average.

### Sub Section 5.3.1: Inequalities in Health and Well Being: Identifying prevalent issues through numbers

% who find difficulty finding money to pay for heating and hot water, % people worried about debt, % who agree older people get services and support and % encouraged to be physically active are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

See page 3 of this document for Key

**Sub Section 5.3:2 identifying prevalent issues through community engagement and voice (Inequalities in Health and Well Being)**

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Forums, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Inequalities in Health and Well Being</b>		
Increase in the number of people worried about paying their bills for heating and water	Everyone	Ward Assessment Data
The take up of physical activity to tackle obesity and associated problems	Everyone across the Ward and all age groups, particularly for older people	Ward Assessment Data

### **Sub Section 5.3.3 Inequalities in Health and Well Being Ward Analysis**

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?

Mortality per 1000 population is lower than both the area and district average.

The number of deaths per 1000 of population due to coronary heart disease is on par with the district average and slightly lower than the area average.

The number of people who have difficulty in finding the money to pay for heating and water bills is higher than the area and higher than the district average.

There is a lower percentage of people across the Ward that are encouraged and supported to be physically active than both the area and district average.

There has been a significant decrease in the year 6 obesity rate and it is considerably lower than the district and area average.

## Sub Section 5.4.1: Incomes, Skills and Housing: Identifying prevalent issues through numbers

Overcrowded households and people worried about debt are indicators derived from the Bradford District Perceptions Survey 2010-2011 which has not been updated this year.

Difference in household incomes has not been updated this year

See page 3 of this document for Key

**Sub Section 5.4.2 identifying prevalent issues through community engagement and voice (Incomes Skills and Housing)**

<p><b>Description of issue</b> – Describe what the issue is and where specifically it is an issue</p> <p>(Add additional rows if required)</p>	<p><b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on</p>	<p><b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Forums, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.</p>
<p><b>Incomes, Skills and Housing</b></p>		
<p>To develop stronger links with local companies and businesses across the Ward to generate more local jobs</p>	<p>All companies and businesses across the Ward</p>	<p>Ward Councillors Ward Leadership Team Business Watches</p>

**Sub Section 5.4.3 Incomes Skills and Housing Ward Analysis**

<p>Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?</p>
<p>There has been a moderate decrease in the number of JSA and DWP claimants. There has been a slight increase in the number of NEETs and it is higher than the area/district average.</p>

## Sub Section 5.5.1: Children and Young People: Identifying prevalent issues through numbers

Pupils Attaining 5+ A\*-C GCSEs' (including English & Maths) at KS4 has not been updated this year – data for 2012/13 is only available for wards by location of school. This will be supplied separately.

% Children receiving free school meals and children becoming looked after have not been updated this year

**KS2 and Child Poverty to be added to the above table. See page 3 of this document for Key Sub Section 5.5.2 identifying prevalent issues through community engagement and voice (Children and Young People)**

<b>Description of issue</b> – Describe what the issue is and where specifically it is an issue  (Add additional rows if required)	<b>Impact:</b> Does this impact on everyone in the Ward or is it specific to a particular area or group? Identify the parts of the Ward where this is an issue and the groups this disproportionately impacts on	<b>Source(s) (where identified):</b> E.g. Area Action Plan, Neighbourhood Action Plan, Forums, WPTs/ WOTs, Parish and Town Councils, Council Wardens, youth worker feedback and elected Member intelligence from constituents etc.
<b>Children and Young People</b>		
Young people hanging round in groups – perception of anti-social behaviour	Residents that live in the vicinity of Wyke Park, Mayfield Rise, St Mary’s/ Shirley Manor	Ward Officer Teams Forums Youth Worker feedback
Increase in number of NEETs	Young people across the Ward	Youth Worker feedback Ward Assessment Data

**Sub Section 5.5.3 Children and Young People Ward Analysis**

Consider what the data and information in the above tables tells you about your ward. What are the key headline issues that can be identified?
There has been a steady increase of pupils attaining KS4 5+ A* - C English and Maths and the figure is higher than the both the area and district average. The number of NEETs is on the increase and is higher than the area and district average. The number of births per 100 live births is showing a downward trend and is lower than the district average. There has been a significant decrease in the year 6 obesity rate and it is considerably lower than the district and area average.

## Section 6: Sub-Ward Issues

This table identifies key sub-divisions / localities within the Ward. These can be clearly defined villages and housing estates or they may be neighbourhoods that have clear distinctive identities. This table identifies where the issues within these localities deviates substantially from the Ward average. Statistical evidence is not available at the sub-Ward level for many of the indicators used within this Ward Assessment and therefore this is significantly based on the knowledge of attendees at WOTs / WPTs who the Ward Officer will support to make this assessment. (Use LSOA's if data available).

Locality	Cleaner Greener	Safer Communities	Incomes, Benefits etc.	Health Inequalities
Delph Hill	√	√	√	√
Wycollar	√	√	√	√
St Mary's/Shirley Manor	√	√	√	√
Lower Wyke	√	√		

## Section 7: Making the Assessment of Ward Priority Issues

<b>Analysis of Ward Issues.</b> From third table in each sub section of Section 5	<b>Community Strength</b>	<b>Resources</b>	<b>PRIORITIES</b>
<b>Sub Section 7.1 Cleaner Greener</b>			
Perception of streets failing on overgrown vegetation is considerably high and higher than the district average, to include footpaths/snickets	Active Residents reporting issues	Council Wardens Clean Team	Tackle untidy footpaths/snickets and overgrown vegetation
Perception of streets failing on edging is considerably high and higher than the district average	Active Residents reporting issues	Council Wardens Clean Team	Tackle streets failing on edging
Dog fouling in parks and open spaces	Active Residents reporting issues	Council Wardens Clean Team	Tackle incidents of dog fouling across the Ward
<b>Sub Section 7.2 Safer Communities</b>			
Perception that drugs are a big problem and higher than the district and area average	Vigilant Residents Neighbourhood Watch Groups	Neighbourhood Policing Team Council Wardens	Work with partners to reduce illegal drugs and dealing
A significant number of people feel unsafe after dark and the percentage is considerably higher than the district average	Residents across the Ward	Neighbourhood Policing Team Council Wardens	Increase public perception of being safe in their neighbourhood after dark
Serious Acquisitive crime per 1000 population is considerably higher than the area and district average	Vigilant Residents Neighbourhood Watch Schemes	Neighbourhood Policing Team Council Wardens	Work in partnership to reduce number of burglaries/thefts

Problems of Anti-Social Behaviour in hot spot areas	Vigilant residents Neighbourhood Watch Schemes	Police Anti-Social Behaviour Team Social Housing Tenancy Enforcement Officers	Work in partnership to tackle anti-social behaviour
Problems of speeding traffic and dangerous driving in hot spot areas	Local car users Vigilant residents	Police Highways Department	Reduce incidents of speeding and dangerous driving
Complaints of inconsiderate parking around schools across the Ward	Schools Governing Bodies	Police Council Wardens Highways Department	Tackle issue of parking around local schools
Complaints of inconsiderate parking, especially overnight by HGVs	Vigilant Residents	Police Highways Department	Identify suitable locations for HGV parking
<b>Section 7.3 Inequalities: Health &amp; Wellbeing</b>			
The number of people who have difficulty in finding the money to pay for heating and water bills is higher than the area and higher than the district average.	Local Church Groups Local organisations	Community Centres	Promote debt advice/Credit union
There is a lower percentage of people across the Ward that are encouraged and supported to be physically active than both the area and district average.	Local Groups Community Facilities	Community Centres Richard Dunn Sports Centre Wyke Park Oakenshaw Park Odsal Village Green	Encourage development of projects supporting physical activity to improve fitness levels and to tackle obesity for all residents

<b>Sub Section 7.4 Incomes, employment and housing</b>			
The large number of companies and business parks across the Ward provides an opportunity to work in partnership in assisting job creation	Local Companies	Local Companies Regeneration Department	Develop networks between local companies/businesses to promote job opportunities
<b>Sub Section 7.5 Children and Young People</b>			
Increase in number of NEETS	Youth Service Local Schools	Neighbourhood Policing Team Council Wardens	Promote advice, training and employment opportunities for young people
Encourage even more young people to be involved in physical activity sessions	Local organisations Volunteers	Youth Service Community centres Odsal Youth café Local Parks	Promote activities for young people in the area
<b>Sub Section 7.6 Stronger Communities</b>			
People who feel they can influence decision making is low	Local Residents Community groups	Community Centres Schools Childrens' Centres	Engage with local people to communicate with the Council
People not treating others with respect	Local community groups/churches volunteers	Community Centres/Schools Childrens' Centres	Encourage and support activities to increase community cohesion

If you require further details about the data used in the above tables these can be found on the Observatory Website. See link: <http://www.westyorkshireobservatory.org/dataviews/view?viewId=219>

## DRAFT Wyke Ward Plan

Code	Priority Broad Actions	Specific Ward Actions (summary)	Target Areas/ Target Groups	Who responsible
<b>1. Cleaner Greener</b>				
1.1	Tackle untidy footpaths/snickets and overgrown vegetation	<ul style="list-style-type: none"> <li>• Identify areas</li> <li>• Council Wardens Patrolling</li> <li>• Deploy Clean Teams to hotspot areas supported by mechanical sweepers</li> <li>• Follow through at Ward Officer Team meetings</li> </ul>	Markfield Ave/Wycoller Rooley Cres Wyke Lane/ Wilson Rd/ Pearson Fold Elizabeth Ave/Salroyd Rd to Woodrow Dr, Knowle Lane, Green Lane to St Mary's Close	Ward Officer Warden Manager Cleansing Manager
