1. SUMMARY

- 1.1 This report outlines the work of the Bradford West Area Co-ordinator's Office in the addressing the Ward priorities contained in the six Ward Plans.

2. BACKGROUND

- 2.1 Bradford West Area Committee considered a report at its meeting held 23rd April 2014 titled, Bradford West Ward Plans for consideration by the Area Committee with a view to their adoption in 2014/2015.
- 2.2 Bradford West Committee resolved that the Bradford West Area Co-Ordinator report back to this Committee on the progress in addressing the priorities contained in the Ward Plans.
- 2.3 The method for developing priorities for the Wards has been through the annual Ward Assessment. The Ward Assessment includes a wide range of key statistical information about the Ward. In addition to the statistical data there is also a collation of qualitative information gained through community engagement. The quantitative and qualitative information is interpreted to establish the needs of the Ward. The Assessment also includes information about community strengths and resources available to address the Ward needs.
- 2.4 The purpose of the six wards plans is to set out a clear list of priority issues (for which there is evidence of wide support) that should be addressed in 2014-2015 in order to improve the social, economic and environmental conditions within the Bradford West Area. The Ward Plans will be the subject of a refresh on an annual basis.
- 2.5 Partner organisations, Services and Agencies are committed to supporting action planning at a Neighbourhood and Area-level. They have supported Locality Planning and work with Bradford West Area Co-ordinator's Office in addressing the priorities contained in the Ward Plans.
- 2.6 Bradford West Area Committee has allocated resources at its disposal to meet the priorities contained in Ward Plans.

3 OTHER CONSIDERATIONS

- 3.1 None.

4. OPTIONS

- 4.1 That Bradford West Area Committee adopts the recommendations outlined in this Report.
- 4.2 That Bradford West Area Committee adopts the recommendations outlined in this report, with amendments.

- 4.3 That Bradford West Area Committee decides not to accept the recommendations outlined in this report.

5. FINANCIAL & RESOURCE APPRAISAL

- 5.1 Addressing priorities within the Bradford West Ward Plans has been undertaken from within resources of Bradford Council and partner organisations.
- 5.2 The Ward Plan priorities have been used to assist the Area Committee in its Local Area Management role, and to inform the allocation of Area Committee budgets.
- 5.3 Officer support for co-ordination to implement the priorities contained in the Ward Plan has been provided by the Bradford West Area Co-ordinator's Office.

6. RISK MANAGEMENT AND GOVERNANCE ISSUES

- 6.1 There are no risks arising from the proposed recommendations of this report.

7. LEGAL APPRAISAL

- 7.1 This work relates directly to the Local Government Act 2000 and to the Duty of Well-being placed upon the Council to promote and improve the well-being of the District

8. OTHER IMPLICATIONS

8.1 EQUALITY & DIVERSITY

The Ward Plans have sought to address concerns that have arisen from all sections of the community.

8.2 SUSTAINABILITY IMPLICATIONS

Sustainability considerations should be a constant element in any actions taken to address the Ward Plan.

8.3 GREENHOUSE GAS EMISSIONS IMPACTS

There are no greenhouse gas implications arising from this report

8.4 COMMUNITY SAFETY IMPLICATIONS

Community safety priorities have been included in the six Ward Plans.

A key aspect of this work relates to supporting the Safer Communities Strategy, the Council's obligations under Section 17 of the Crime and Disorder Reduction Act

1998 and the work of the Safer Communities Partnership.

8.5 HUMAN RIGHTS ACT

None

8.6 TRADE UNION

None

8.7 WARD IMPLICATIONS

Priorities identified in the Ward Plans will benefit all six wards in Bradford West.

9.8 AREA COMMITTEE WARD PLAN IMPLICATIONS (for reports to Area Committees only)

The Bradford West Area Committee Ward Plans include a commitment on the part of the Bradford West Area Committee to continue to support community engagement and to develop partnership-working to identify local solutions to local problems. The work of the Area Co-ordinator's Office is underpinned by the priorities within the Area Committee Ward Plans. Issues raised at Ward Forums and other community engagement activities feed into the development of future Ward Plans.

10. NOT FOR PUBLICATION DOCUMENTS

None

11. RECOMMENDATIONS

- 11.1 That the work of the Bradford West Area Co-ordinator's Office in supporting Ward priorities within the Bradford West Ward Plans 2014-2015 be noted.
- 11.2 That the commitment and involvement of residents, local community and voluntary organisation and partner agencies in supporting the priorities be welcomed and supported.
- 11.2 That the constructive engagement with local communities at Neighbourhoods and through other forms of Community Engagement in meeting the Ward Plan priorities be noted.

Alpha football is not only one the district community stars award winners for young citizen but best coach in the City ward community Hearts even as well. Speed ball which is business that provides indoor football facilities in the ward was recognised for its contribution in the community and continues to support the aspirations of young athletes in the ward.. Continued aspiration to support the development of multi-use sports at Spencer field. Bradford Youth service have continued engaging young people in physical activity, and promoting healthy lifestyles. Young people to be supported into summer sports programmes i.e. last year our Inclusion Bike events saw over 600 seats taken by young people with disabilities. We also ran cycling events in support of the Khidmat Centre and also and the Friends of Horton Park summer event which saw a further 200 young people take park in a physical activity. Throughout the summer months we also engaged in sporting activities with young people in a number of locations including Horton Park and Spencer 		<p>Primary schools Exceed Education Community centres and community groups</p>

Agreed as a partnership to look at this for the long term once CLLD is established. This approach now forms part of the active communities' delivery group which is a district wide group that may look to trial this approach in city ward. • Continued to support several voluntary organisations with funding advice, linking up with council service and other organisations in the area. Specific support to BD7 lounge, Joshua project, Friends of Horton Park, Shearbridge resident association, Spencer park association, Here we are, Farnham parents, Spencer youth zone and alpha football. This has resulted to a sustainable increase of the voluntary sector within the ward to ensure funds can be drawn in to the area where needed through fundraising. This is a significant area of success with the ward. 		<p>CVS Open college Network Council officers</p>
