## **1. SUMMARY**

The Audit Strategy Memorandum sets out our audit plan for 2014/15. The document:

- describes our approach to the audit opinion on the accounts;
- includes our assessment of the significant risks of material misstatement in the accounts; and
- outlines the proposed testing strategy to address the identified risks.

We have identified significant risks of material misstatement relating to:

- management override of controls and revenue recognition which is common to all entities subject to audit;
- the valuation of unquoted investments; and
- the actuary's report disclosure note.

This is a major audit so Mazars have appointed an independent partner to review quality.

## **2. BACKGROUND**

International Standards on Auditing (ISAs) require external auditors to communicate with Those Charged with Governance (TCWG) on a number of matters (see Appendix C of the Audit Strategy Memorandum for full details) including significant audit risks and how the auditor proposes to address them.
