**This decision is published for information in advance of
the publication of the Minutes**

DECISION:

**APPLICATION FOR VARIATION OF A PREMISES LICENCE FOR
VICTORIA HALL, VICTORIA ROAD, SALTAIRE**

Shipley

Resolved –

That having considered all valid representations made by the parties to the hearing; valid written representations received during the statutory period, the published statement of licensing policy and relevant statutory guidance; the panel grants (in part) the application for variation subject to the following conditions:

- (1) the hours for regulated entertainment (indoor) to be restricted to a terminal hour of 0000 on Friday and Saturday.**
- (2) the hours for live (unamplified) music and the performance of dance (outdoors) to be restricted to a terminal hour of 2000 on Monday to Sunday.**
- (3) that there shall be no amplification equipment or devices used in connection with regulated entertainment in external areas of the premises nor shall any amplified music, sound or speech be projected from inside the building to the exterior of the premises.**

Reason: In order to ensure that the Licensee takes all steps in their control to limit noise and disturbance to local residents from the noise of entertainment provided at the premises, by patrons using the premises and from the provision of entertainment, particularly from the use of amplification equipment in connection with live music in external areas– prevention of public nuisance objective.
