2. **APPLICATION FOR A REVIEW OF A PREMISES LICENCE** Craven
FOR THE COBBYDALE SOCIAL CLUB, 5 HAYHILLS ROAD, SILSDEN

Resolved -

That having considered all valid representations made by the parties to the hearing; valid written representations received during the statutory period, the published statement of licensing policy and relevant statutory guidance; the panel finds as follows:

1. That the premises licence be suspended for a period of 14 days.

Reason: Having regard to the compelling evidence, presented by the review applicant and the interested party relating to noise arising from regulated entertainment from the premises particularly during the period when the licensee has had an interest in the premises and evidence of breach of licence conditions, the Panel considers suspension of the Licence is justified in order to address serious issues related to the prevention of public nuisance.

2.1 That on expiry of the suspension period no regulated entertainment shall resume at the premises until satisfactory noise attenuation measures have been undertaken (including the fitting of noise limiters and suitable ventilation) and approved by the Licensing Authority, in consultation with Environmental Health.

2.2 That regulated entertainment shall cease at midnight on Friday and Saturday.

Reason: In order to ensure that the Licensee takes all steps in their control to limit noise and disturbance to local residents from the noise of entertainment provided at the premises, by patrons using the premises and from the provision of entertainment – Prevention of Public Nuisance objective.
