Resolved –

That having considered all valid representations made by the parties to the hearing; valid written representations received during the statutory period, the published statement of licensing policy and relevant statutory guidance; the panel finds as follows:

- 1.1 That the hours of licensable activities should be amended on Friday and Saturday only to 10.00 until midnight.
- 1.2 That the consumption of alcohol and food in the external areas of the licensed premises shall not be allowed after 2100 hours.
- 1.3 That the licensee shall not allow food or drink in opened bottles, glasses or other receptacles to be taken or consumed outside of the licensed premises after 2100 hours.
- 1.4 That the disposal of waste bottles or glass in to externally located receptacles shall not take place between the hours of 2300 and 0700 on any day.
- 1.5 That the licensee be requested to arrange regular meetings with representatives of the local residents to discuss areas of concern that may arise from time to time.

**2. APPLICATION FOR A REVIEW OF A PREMISES LICENCE FOR Royds
LALLY'S SUPERSAVE, 4 STRENSALL GREEN, BUTTERSHAW, BRADFORD**

Resolved –

That having considered all valid representations made by the parties to the hearing; valid written representations received during the statutory period, the published statement of licensing policy and relevant statutory guidance; the panel finds as follows:

- 1. That the premises licence be suspended for a period of 28 days.**

Reason: The incidents outlined by West Yorkshire Police, including evidence of the Licensee's lack of sufficient controls to reasonably prevent access by under age people to alcohol; and the acknowledged deficiencies in the current close circuit television system installed in the premises in providing adequate monitoring and supervision of the internal area of the premises; justify suspension of the licence.

- 2. That on expiry of the suspension period no licensable activities shall resume at the premises until an enhanced CCTV system (with satisfactory internal and external coverage) has been installed at the premises to the satisfaction of the Licensing Authority, in consultation with West Yorkshire Police, and such system as approved shall be thereafter maintained in good working order and used at all times the premises remain open to the public for licensable activities. Any CCTV footage shall be kept for at least 28 days and be available to the Licensing Authority or a Responsible Authority on request.**

Reason: In order to ensure that the current inadequate coverage and recording of the existing CCTV system is improved substantially in order that it operates effectively in deterring/monitoring crime – prevention of crime and disorder.

- 3. That an appropriate proof of age policy, incorporating the principles of the "Think 21" Campaign be implemented; incorporating measures to ensure that any patron wishing to purchase alcohol who may reasonably appear to be under 21 years of age are asked to prove they are at least 18 years old by displaying evidence of their identity and age in the form of a valid UK passport or new-style driving licence displaying their photograph. All staff employed in the premises must be adequately trained in their responsibility for enforcing the proof of age policy, all relevant conditions of licence, and all relevant licensing laws.**

Reason: To assist in ensuring that underage people do not gain access to alcohol – prevention of crime and disorder and protection of children from harm objectives.
