**Resolved –**

**On a balance of probabilities and in light of the police evidence relating to issues of crime and disorder investigated by the police with regard to incidents of major public disorder and unauthorised events taking place at the premises and the premises user's apparent lack of control of functions taking place at the premises; the panel is not convinced that crime and disorder issues would be fully addressed in respect of the proposed event at the premises and therefore authorises service of a Counter Notice preventing the Temporary Event.**
