The Panel explained that they had given serious consideration to revocation of the licence. They gave formal warning that if other incidents came to their attention on resumption of the licence they would, subject to giving due consideration to relevant representations received, seriously consider revoking the licence.

Reason: It is considered that given the serious nature of the offences of underage sales proved to have taken place at the premises, suspension of the licence is appropriate. It is also considered that on resumption of licensable activities the above conditions are necessary in order to ensure proper supervision of the premises to secure prevention of sales of alcohol to underage people – Protection of children from harm objective.

**3. APPLICATION FOR REVIEW OF A PREMISES LICENCE FOR City
K & H NEWS & OFF LICENCE, 122C MORLEY STREET, BRADFORD**

Resolved –

That having considered all valid representations made by parties to the hearing; valid representations made during the statutory period, the published statement of licensing policy and relevant statutory guidance, the Panel revokes the premises licence.

Reason: In the light of compelling evidence from the Police of persistent problems of sales of alcohol to under 18 year olds at the premises, and as the panel is not confident that the premises holder has shown that adequate steps would be taken to ensure future compliance with the Licensing Act 2003, or relevant conditions of the licence, revocation of the licence is considered justified and appropriate in the interests of promotion of the licensing objectives – Protection of children from harm objective.
