

6. ALLOCATION OF COMBINED FUNDING 2023-2024

1 - 2

The report of the Strategic Director, Place (**Document “O”**) summarises the applications received from eligible local organisations, across the Shipley Constituency, from the amalgamation of funding from United Kingdom Shared Prosperity Fund (UKSPF), West Yorkshire Mayor’s Cost of Living fund (CoLF) and Household Support Fund (HSF).

Recommended –

- 1. That the proposals for the funding allocations circulated at the meeting be approved.**
- 2. That the Grants Advisory Group be thanked for their work with the combined funding allocations.**

SUMMARY SHEET

GROUP	WARD	AMOUNT REQUESTED	PURPOSE	NOTES/ COMMENTS	DECISION
The Activity Den (Bradford) CIC	ShIPLEY	£9,917	We are going to use the funding to continue to provide the pay as you feel community groups we have been running and launch some more. There is a need for these groups as ShIPLEY is at a 1 of the depravity scale, plus the groups we have been running are oversubscribed so that we know that there is a need for more availability for sessions to accommodate the families we have not been able to fit in. Our groups are currently aimed at families with children 0-8 but we aim to broaden this reach to all ages with the funding.	Pay in full	£9,917
North East Windhill Community Association	Windhill & Wrose	£10,000	"Alongside our advisors we would like to have dedicated hours for a member of staff to have time to sit and talk with vulnerable centre users and residents, creating an overview of the households needs, looking into ways where we could provide extra support to reduce inequalities of healthy living standards due to limited household income after expenses. It would be ideal for us to be able to offer umbrellas/wellies/hats/scarfs/slow cookers/hygiene packs/warm clothing/duvets/blanket alongside this so we know the families in need are the ones who will be receiving the support, we would offer a private space to talk through any areas where we could help. Households would only receive items that would make the greatest difference to their families health and warmth within the budget per house."	Pay in full	£10,000
St Peter's Church	ShIPLEY	£10,000	"Funding for the development and expansion of a Welcome Space initiative. This initiative provides a safe and warm environment for members of the community to meet people providing them with a healthy nutritious lunch, a safe environment, which is warm and easily accessible. providing guidance on IT and digital matters and continuing to develop our existing links with a local college providing them with an opportunity for young adults with various levels of learning difficulties to develop confidence and skills to take into the workplace. This is intended to start as a weekly event but develop into more days a week."	Pay in full	£10,000
St Hugh's	ShIPLEY	£2,367	St Hugh's Beat the Winter project aims to serve local, financially vulnerable, individuals and families by providing resources to keep them warm. We already run a food bank and this project will run hand-in-hand with providing food, toiletries and cleaning products to people who struggle to cover the cost of living for various reasons.	Pay in full	£2,367

SUMMARY SHEET

Friends of Crag (Bradford North methodist Church)	Windhill & Wrose	£10,000	<p>"The aim is to offer weekly gardening sessions to include, building and designing the garden; fruit and vegetable growing; food harvesting/eating sessions; self-sufficiency and sustainability. We aim to utilise the services of a local community gardener through 'Sponge Tree' to deliver regular, educational food growing sessions. The community will be encouraged to take part and to develop ownership of the garden by tending the plot and nurturing the garden. Sessions will take place through the period (and, we hope, all year round) for adults to volunteer, gain knowledge and experience; and during school holidays, families with children, will work together and take part in planned food growing activities, learning about fruit and vegetables and how they are grown and eaten."</p>	<p>Pay less than requested. The available funds were exhausted, and other applications are to deal with the immediate effect of the cost of living crisis.</p>	£9,509
				Total	£41,793
