These decisions are published for information in advance of the publication of the Minutes

### Decisions

#### 6. REVIEW OF THE 12 MONTH TRIAL BAN OF PAVEMENT OBSTRUCTIONS

Resolved –

(1) That the Committee recommend to Executive that:

- a) Following completion of the trial ban of advertising boards Executive approve the formalisation of the ban across all clearly defined urban centres of the district.
- b) That opportunities for additional signposting in the District, including, for example the Instaplanta scheme, and possible measures to deal with other pavement obstructions be investigated by officers in conjunction with local businesses including those affected by the loss of advertising boards.
- c) A further approach is made to all businesses within the trial zones to seek information in relation to the impact of the ban on trading levels prior to Executive's consideration of the ultimate approach.

(2) That the Strategic Director, Regeneration contact the lead petitioners for the three petitions related to the trial ban to advise them of this Committee's recommendation to Executive.
