

Agenda for a meeting of the Bradford West Area Committee to be held on Wednesday, 20 September 2017 at 6.00 pm in Committee Room 1 - City Hall, Bradford

Members of the Committee – Councillors

Members: Labour Councillors	Alternate Members: Labour Councillors
Ahmed	<i>Duffy</i>
Akhtar	<i>Arshad Hussain</i>
Amran	<i>Imran Hussain</i>
Azam	<i>Shabir Hussain</i>
Dunbar	<i>Lal</i>
Mohammed	<i>Mullaney</i>
Nazir	<i>Shabbir</i>
Engel	<i>Swallow</i>
Shaheen	<i>Thirkill</i>

Notes

- This agenda can be made available in Braille, large print or tape format on request by contacting the Agenda contact shown below.
- The taking of photographs, filming and sound recording of the meeting is allowed except if Councillors vote to exclude the public to discuss confidential matters covered by Schedule 12A of the Local Government Act 1972. Recording activity should be respectful to the conduct of the meeting and behaviour that disrupts the meeting (such as oral commentary) will not be permitted. Anyone attending the meeting who wishes to record or film the meeting's proceedings is advised to liaise with the Agenda Contact who will provide guidance and ensure that any necessary arrangements are in place. Those present who are invited to make spoken contributions to the meeting should be aware that they may be filmed or sound recorded.
- If any further information is required about any item on this agenda, please contact the officer named at the foot of that agenda item.

Decisions on items marked * are not Executive functions and may not be called in under Paragraph 8.7 of Part 3E of the Constitution.

From:

Parveen Akhtar (City Solicitor)

To:

Agenda Contact:

Asad Shah, Committee Secretariat,

City Hall, Bradford BD1 1HY

Phone: 01274 432280

E-Mail: 01274 433505

A. PROCEDURAL ITEMS

1. ALTERNATE MEMBERS (Standing Order 34)

The City Solicitor will report the names of alternate Members who are attending the meeting in place of appointed Members.

2. DISCLOSURES OF INTEREST

(Members Code of Conduct - Part 4A of the Constitution)

To receive disclosures of interests from members and co-opted members on matters to be considered at the meeting. The disclosure must include the nature of the interest.

An interest must also be disclosed in the meeting when it becomes apparent to the member during the meeting.

Notes:

- (1) Members may remain in the meeting and take part fully in discussion and voting unless the interest is a disclosable pecuniary interest or an interest which the Member feels would call into question their compliance with the wider principles set out in the Code of Conduct. Disclosable pecuniary interests relate to the Member concerned or their spouse/partner.*
- (2) Members in arrears of Council Tax by more than two months must not vote in decisions on, or which might affect, budget calculations, and must disclose at the meeting that this restriction applies to them. A failure to comply with these requirements is a criminal offence under section 106 of the Local Government Finance Act 1992.*
- (3) Members are also welcome to disclose interests which are not disclosable pecuniary interests but which they consider should be made in the interest of clarity.*
- (4) Officers must disclose interests in accordance with Council Standing Order 44.*

3. MINUTES

Recommended –

That the minutes of the meetings held on 29 March and 26 April 2017 be signed as correct records (previously circulated).

(Asad Shah – 01274 432280)

4. INSPECTION OF REPORTS AND BACKGROUND PAPERS

(Access to Information Procedure Rules – Part 3B of the Constitution)

Reports and background papers for agenda items may be inspected by contacting the person shown after each agenda item. Certain reports and background papers may be restricted.

Any request to remove the restriction on a report or background paper should be made to the relevant Strategic Director or Assistant Director whose name is shown on the front page of the report.

If that request is refused, there is a right of appeal to this meeting.

Please contact the officer shown below in advance of the meeting if you wish to appeal.

(Asad Shah - 01274 432280)

5. PUBLIC QUESTION TIME

(Access to Information Procedure Rules – Part 3B of the Constitution)

To hear questions from electors within the District on any matter this is the responsibility of the Committee.

Questions must be received in writing by the City Solicitor in Room 112, City Hall, Bradford, BD1 1HY, by mid-day on Monday 18 September 2017.

(Asad Shah - 01274 432280)

B. BUSINESS ITEMS

6. DUCHY AVENUE, BRADFORD - REQUEST FOR A ROAD CLOSURE

Heaton

1 - 6

The report of the Strategic Director, Place (**Document “G”**) considers the results of a survey, carried out with local residents, to determine if there is support for a road closure on Duchy Avenue.

Recommended –

- (1) That no further action be taken on the request to introduce a road closure on Duchy Avenue.**
- (2) That the lead petitioner be informed accordingly.**

(Environment and Waste Management Overview and Scrutiny Committee)

(Andrew Smith 01274 434674)

7. ABERDEEN TERRACE, BRADFORD - REQUEST FOR A DISABLED PERSONS PARKING PLACE (EXCEPTION TO POLICY) 7 - 12

Clayton and Fairweather Green

The report of the Strategic Director, Place (**Document “H”**) considers an application for a Disabled Persons Parking Place where the applicant does not meet all the Policy criteria.

Recommended –

(1) That the Bradford West Area Committee determines whether or not to allow an exception to the Disabled Persons Parking Places policy for an application for 20 Aberdeen Terrace.

(2) That the applicant be informed accordingly.

(Environment and Waste Management Overview and Scrutiny Committee)

(Andrew Smith – 01274 434674)

8. STREET LIGHTING COLUMN REPLACEMENT PROGRAMME 13 - 18

The report of the Strategic Director, Place (**Document “I”**) seeks to advise the members regarding the replacement of street lighting columns determined as non compliant and the subsequent recommendations as to how the West Yorkshire Local Transport Plan Funding allocation is most effectively utilised.

Recommended –

That the Priority 1 street lighting column replacement scheme listed in Table A of Appendix 1 of the report be implemented.

(Environment and Waste Management Overview and Scrutiny Committee)

(Allun Preece – 01274 434019)

9. DERELICT BUILDINGS ON PRIESTMAN STREET, BRADFORD 19 - 26

The report of the Strategic Director, Place (**Document “J”**) has been produced for the Bradford West Area Committee to describe the condition of the buildings known as Lund Humphreys and Unit 71 on Priestman Street, Bradford and what actions can be taken to address the deteriorating condition of the buildings.

Recommended –

That the council resolves to underwrite the costs and liabilities of carrying out works in default of notice to remedy the condition of the ruinous and dilapidated buildings on Priestman Street subject to the risks in recovering such expenditure.

(Environment and Waste Management Overview and Scrutiny Committee)

(Justin Booth – 01274 434716)

10. BRADFORD WEST NEIGHBOURHOOD POLICING TEAM ACTIVITY TO ADDRESS THE "SAFER COMMUNITIES" PRIORITIES WITHIN THE BRADFORD WEST CONSTITUENCY WARD PLANS FOR 2016 / 2018 27 - 38

The report of the Bradford West Area Co-ordinator (**Document "K"**) gives an update of some of the work undertaken by the Bradford West Area Neighbourhood Policing Team and an overview of the Bradford West Constituency Performance data.

Recommended –

- (1) That Bradford West Area Committee notes the work undertaken by the Bradford West Neighbourhood Policing Team from April 2017 to July 2017 that contributed to addressing priorities within the ward plans for the Bradford West.**
- (2) That the Bradford West Area Committee notes the positive partnership working that has been established with Elected Members, Council Officers, community organisations, volunteers and residents within the Bradford West Area.**

(Environment and Waste Management Overview and Scrutiny Committee)

(Bhulla Singh – 01274 432597)

(Tom Casey – 01274 376391 ext 76191)

11. THE GREAT GET TOGETHER SMALL GRANTS PROGRAMME 2017 39 - 58

The report of the Assistant Director, Neighbourhood and Customer Services (**Document "L"**) informs the Bradford West Area Committee of the projects funded by the Great Get Together Small Grants Programme for the Bradford West constituency.

Recommended –

That Bradford West Area Committee acknowledges the positive work undertaken to support local community action through the implementation of the The Big Lunch Great Get Together Grants programme.

(Corporate Overview and Scrutiny Committee)

(Anna Frater – 01274 431498)

THIS AGENDA AND ACCOMPANYING DOCUMENTS HAVE BEEN PRODUCED, WHEREVER POSSIBLE, ON RECYCLED PAPER

Report of the Strategic Director, Place, to the meeting of Bradford West Area Committee to be held on 20 September 2017

G

Subject:

DUCHY AVENUE, BRADFORD – REQUEST FOR A ROAD CLOSURE

Summary statement:

This report considers the results of a survey, carried out with local residents, to determine if there is support for a road closure on Duchy Avenue.

Regeneration, Planning & Transport

Overview & Scrutiny Area:

Environment & Waste Management

1.0 SUMMARY

- 1.1. This report considers the results of a survey, carried out with local residents, to determine if there is support for a road closure on Duchy Avenue.

2.0 BACKGROUND

- 2.1. Duchy Avenue was originally included in the (wider) Duchy Drive area scheme but objections were received to the proposal to traffic calm this particular street; the alternative measures of either a closure or one-way system were requested. As a result a questionnaire was circulated to the residents of the surrounding area to determine an agreed scheme. Traffic Calming received the most votes but the cumulative votes for other measures were higher. The results were reported to the meeting of this Area Committee on 20 March 2013 where it was resolved "that a further consultation with residents of Duchy Avenue be undertaken to determine whether or not the proposed road humps on Duchy Avenue should be omitted from the scheme". At the time there was an overwhelming vote against traffic calming, therefore it was omitted from the scheme and only the 20mph speed limit was implemented.
- 2.2. Since the decision made in 2013 there have been further complaints about speeding traffic. One recorded collision has also occurred, due to inappropriate driving.
- 2.3. At the meeting on 20 April 2016 this committee approved, as part of its Traffic Management Schemes Programme, a scheme to introduce Traffic Calming on Duchy Avenue. Residents were subsequently consulted by letter drop in July 2016.
- 2.4. On the 5 July 2017 this committee considered a petition from the residents of Duchy Avenue objecting to the proposals to introduce traffic calming and requesting that the road should be closed to through traffic. The committee members were concerned that a closure would transfer the dispersed traffic onto other residential streets in the area. One of the most likely routes being Lynton Drive, which would bring about new problems for these residents and more than likely result in further complaints to the Council. The committee resolved to consult with the residents of Duchy Avenue and the surrounding area before a conclusive decision is made on the closure.
- 2.5. A consultation exercise was carried out between the 27 July and the 18 August 2017. Over 400 letters were distributed, by Council Wardens, to the households highlighted on the plan attached as Appendix 2. 105 questionnaires were returned, 64 indicated that they would not like Duchy Avenue closed and 41 voted for a closure. A breakdown of the survey results is shown in the table attached as Appendix 3.

3.0 OTHER CONSIDERATIONS

- 3.1. Should this committee resolve to close Duchy Avenue a further consultation with the residents would be required to decide on the most appropriate location of the closure. Given the recent consultation exercise results, it is anticipated that this would lead to objections from some dissatisfied residents of Duchy Avenue along with other local road users and residents who could be affected by the displaced traffic.

4.0 FINANCIAL & RESOURCE APPRAISAL

- 4.1. A sum of £10000 has been allocated for traffic calming from the Safer Roads budget. The cost of a point closure would be comparable to that of traffic calming at this location.
- 4.2. In the event of it being resolved not to undertake any further action at this location, reallocation of any residual funding would be considered as part of the future overall Safer Roads programme budget.

5.0 RISK MANAGEMENT AND GOVERNANCE ISSUES

- 5.1. Any measures to restrict vehicular movement on Duchy Avenue would have an adverse impact on other local residential areas.
- 5.2. A proposal to introduce a road closure on Duchy Avenue would meet with a significant level of objection that would result in a high risk of abortive costs associated with processing a Traffic Regulation Order.

6.0 LEGAL APPRAISAL

- 6.1. There are no specific issues arising from this report. The course of action proposed is in general accordance with the Council's power as Highway Authority.

7.0 OTHER IMPLICATIONS

7.1. EQUALITY & DIVERSITY

There are no issues arising from the Council's Equality & Diversity Strategy.

7.2. SUSTAINABILITY IMPLICATIONS

There are no significant Sustainability implications arising from this report.

7.3. GREENHOUSE GAS EMISSIONS IMPACTS

There is no impact on the Council's own and the wider District's carbon footprint and emissions from other greenhouse gases arising from this report.

7.4. COMMUNITY SAFETY IMPLICATIONS

A point closure on Duchy Avenue would be unlikely to lead to a net improvement in road safety as any through traffic would transfer to other local routes.

7.5. HUMAN RIGHTS ACT

None

7.6. TRADE UNION

None

7.7. WARD IMPLICATIONS

Ward members have been consulted on the advertised proposals.

7.8. AREA COMMITTEE ACTION PLAN IMPLICATIONS

None

8.0 NOT FOR PUBLICATION DOCUMENTS

None

9.0 OPTIONS

9.1. Members may propose an alternative course of action to that recommended on which they will receive appropriate officer advice.

10.0 RECOMMENDATIONS

10.1. That no further action be taken on the request to introduce a road closure on Duchy Avenue.

10.2. That the lead petitioner be informed accordingly.

11.0 APPENDICES

Appendix 1 – Location plan of the surveyed households.

Appendix 2 – Survey results

Phone: (01274) 434674
E-mail: andrew.smith@bradford.gov.uk

Overview & Scrutiny Area:

Environment and Waste Management

City of Bradford
Metropolitan District Council

1.0 SUMMARY

- 1.1 This report considers an application for a Disabled Persons Parking Place where the applicant does not meet all the Policy criteria.

2.0 BACKGROUND

- 2.1 The Council has received an application for a Disabled Persons Parking Place from the occupants of 20 Aberdeen Terrace. There are two residents at this address, who live independent of each other. Both are registered disabled and in ownership of mobility vehicles. There is a drive at this property, which is sufficient to park a single vehicle on; this results in the other registered vehicle being parked on street which often conflicts with other residents'/visitors' parking.
- 2.2 The criteria for eligibility for a Disabled Persons Parking Place require that the applicant:
- i. holds a Disabled Person's Blue Badge,
 - ii. has a vehicle registered at their place of residence,
 - iii. does not have accessible off-street parking e.g. hard standing or garage, and
 - iv. receives either:
 - a) the Higher Rate Mobility component of Disability Living Allowance, or
 - b) the Higher Rate of Attendance Allowance
 - c) the Mobility component of a Personal Independence Payment (PIP)
- 2.3 The applicant meets 3 of the 4 criteria listed in para. 2.2, but, as stated previously, does have the use of a driveway. However, this can only accommodate 1 vehicle and there are 2 mobility vehicles registered at the property.
- 2.4 A plan showing the indicative location of a Disabled Persons Parking Place outside 20 Aberdeen Terrace is attached as Appendix 1.

3.0 OTHER CONSIDERATIONS

- 3.1 The applicant has ongoing medical conditions preventing her from being able to support herself independently and relies on the use of a wheel chair. The applicant is also visually impaired.
- 3.2 As part of the Disabled Persons Parking Place application investigation process, officers undertake consultations with adjacent neighbours to determine if there are any objections to the proposal. This consultation is usually undertaken as a second stage, following successful verification of the criteria being met. In this instance, however, the consultation has already been undertaken (to avoid a scenario whereby the Area Committee approves the exception to the policy but the application then meets with objections from neighbours, thus requiring a further report to the Area Committee). There were no objections from neighbouring properties.

4.0 FINANCIAL AND RESOURCE APPRAISAL

- 4.1 A budget of £10,000 for the provision of Disabled Persons Parking Places across the Bradford West constituency has been approved as part of the 2017/18 Safer Roads schemes programme. If approved, this parking place would be implemented as part of the overall programme of Disabled Persons Parking Places in Bradford West.

5.0 RISK MANAGEMENT AND GOVERNANCE ISSUES

- 5.1 There are no significant risks arising out of the implementation of the proposed recommendations.

6.0 LEGAL APPRAISAL

- 6.1 The options contained in this report are within the Council's powers as Highway Authority and Traffic Regulation Authority.

7.0 OTHER IMPLICATIONS

7.1 EQUALITY & DIVERSITY

Due regard has been given to Section 149 of the Equality Act when determining the proposals in this report.

7.2 SUSTAINABILITY IMPLICATIONS

There are no sustainability implications arising from this report.

7.3 GREENHOUSE GAS EMISSIONS IMPACTS

There is no impact on the Council's own and the wider District's carbon footprint and emissions from other greenhouse gases arising from this report.

7.4 COMMUNITY SAFETY IMPLICATIONS

None.

7.5 HUMAN RIGHTS ACT

None

7.6 TRADE UNION

None

7.7 WARD IMPLICATIONS

Ward members have been consulted on the application.

7.8 AREA COMMITTEE WARD PLAN IMPLICATIONS

7.8.1 None

8.0 NOT FOR PUBLICATION DOCUMENTS

8.1 None

9.0 OPTIONS

9.1 That the Bradford West Area Committee approves an application for the installation of a Disabled Persons Parking Place at 20 Aberdeen Terrace as an exception to the policy.

9.2 That the Bradford West Area Committee refuses an application for the installation of a Disabled Persons Parking Place at 20 Aberdeen Terrace in accordance with the policy.

10.0 RECOMMENDATIONS

10.1 That the Bradford West Area Committee determines whether or not to allow an exception to the Disabled Persons Parking Places policy for an application for 20 Aberdeen Terrace.

10.2 That the applicant be informed accordingly.

11.0 APPENDICES

11.1 Appendix A – Location Plan

Report of the Strategic Director, Regeneration to the meeting of Bradford West Area Committee on 20 September 2017

I

Subject: Street Lighting Column Replacement Programme

Summary statement: This report seeks to advise the members regarding the replacement of street lighting columns determined as non compliant and the subsequent recommendations as to how the West Yorkshire Local Transport Plan Funding allocation is most effectively utilised.

Steve Hartley
Strategic Director
Place

Portfolio:
Regeneration, Planning and Transport

Report Contact: Allun Preece
Phone: 01274 434019
E-mail: allun.preece@bradford.gov.uk

Overview and Scrutiny Area:
Environment and Waste Management

1.0 SUMMARY

- 1.1 This report seeks to inform the Area Committee of the requirement to replace street lighting columns that have been identified as non-compliant. That is, they are in need of urgent replacement due their age and condition based upon the findings of inspections carried out during reactive maintenance visits.

2.0 BACKGROUND

- 2.1 An essential part of the maintenance of the street lighting assets is to carry out visual inspection of each column, which provides valuable information as to the condition of the unit, specifically the structural integrity of the column.
- 2.2 Many of the steel columns were installed over 30 years ago and although a programme of external painting has prevented the columns from corroding on the outside the inside remains unprotected, and is therefore vulnerable.
- 2.3 There are also a significant number of concrete columns that are in excess of 30 years old which are prone to cracking as a result of corrosion to the steel reinforcing bars inside the columns which also require replacement when identified as non compliant.

3.0 OTHER CONSIDERATIONS

- 3.1 When replacing life expired columns the most effective means is to replace on a scheme basis therefore not only replacing the columns but also improving the lighting to modern standards.
- 3.2 All new lighting installed as part of the column replacement programme is now energy efficient LED lighting saving around 50% of the energy used based on the energy consumption of the previous equipment, the new units can also be pre-programmed to reduce the lighting levels outside peak periods

4.0 FINANCIAL AND RESOURCE APPRAISAL

- 4.1 The funding required for the Priority 1 schemes in Appendix 1 is estimated as £25607 which is allocated to the Bradford West Area Committee.
- 4.2 The total West Yorkshire Local Transport Plan budget allocated to the Council by the Department for Transport is £132,400. This has been allocated between the Area Committees based upon the engineer's evaluation of condition to deal with the Priority 1 column replacement schemes based upon the value of the estimates.

5.0 RISK MANAGEMENT AND GOVERNANCE ISSUES

- 5.1 There are no risk management and governance issues

6.0 LEGAL APPRAISAL

- 6.1 The Council has a power under Section 97 of the Highways Act 1980 to provide and maintain street lighting columns.

7.0 OTHER IMPLICATIONS

When lighting is replaced as a whole street or scheme there may be some columns that have been previously replaced as a result of accident damage or maintenance replacements, these columns are either designed around wherever possible for retaining in situ or carefully removed for re-use for reactive maintenance.

7.1 EQUALITY AND DIVERSITY

- 7.1.1 There are no equal rights implications at this time

7.2 SUSTAINABILITY IMPLICATIONS

- 7.2.1 Galvanised steel street lighting columns are recyclable when replaced on reaching the end of their design life which is likely to be in excess of 50 years; modern lanterns are constructed so that over 90% of the materials can also be recycled.
- 7.2.2 LED lanterns have an anticipated life in excess of 100,000 hours, which equates to around 25 years dramatically reducing the maintenance requirements when compared to traditional light sources.

7.3 GREENHOUSE GAS EMISSIONS IMPACTS

Modern street lighting equipment is considerably more energy efficient than older apparatus, and when using variable lighting levels along with white light can significantly reduce the energy consumption and CO² emissions.

7.4 COMMUNITY SAFETY IMPLICATIONS

- 7.4.1 Street lighting is a highly visible front line service. Good street lighting provides a vital function during the hours of darkness, protecting people and property and enhancing the night-time environment. Effective street lighting deters criminal activity and reduces road accidents.

7.5 HUMAN RIGHTS ACT

- 7.5.1 There are no direct Human Rights implications arising from the recommendations below.

7.6 TRADE UNION

- 7.6.1 There are no Trade Union implications in this item

7.7 WARD IMPLICATIONS

7.7.1 Priority 1 Scheme in Appendix 1 is within Toller Ward.

8 NOT FOR PUBLICATION DOCUMENTS

8.1 There is no restriction on the publication of this report.

9.0 OPTIONS

9.1 Members are asked to consider implementing the schemes listed in Table A of Appendix 1 which are prioritised with Priority 1 (being the schemes requiring the most urgent replacement as identified by site surveys). Designs and detailed estimates have been prepared for these schemes, a copy of these design is in Appendix 2.

10.0 RECOMMENDATIONS

10.1 That the Priority 1 street lighting column replacement scheme listed in Table A of Appendix 1 of the report be implemented..

11.0 APPENDICES

11.1 Appendix 1 – Column Replacement Schemes for Area Committee consideration

11.2 Appendix 2 – Designs of column replacement schemes from Tables A & B in Appendix1.

12.0 BACKGROUND DOCUMENTS

None.

Report of the Strategic Director, Department of Place to the meeting of the Bradford West Area Committee to be held on 20 September 2017

J

Subject:

Derelict Buildings on Priestman Street, Bradford

Summary statement:

This report has been produced for the Bradford West Area Committee to describe the condition of the buildings known as Lund Humphreys and Unit 71 on Priestman Street, Bradford and what actions can be taken to address the deteriorating condition of the buildings.

Steve Hartley
Strategic Director
Department of Place

Portfolio:

Regeneration, Planning and Transport

Report Contact: Justin Booth
Principal Building Control Surveyor
Phone: (01274) 434716
E-mail: justin.booth@bradford.gov.uk

Overview & Scrutiny Area:

[Insert where appropriate]

City of Bradford
Metropolitan District Council

1. SUMMARY

- A partition has been received by the Council with regard to the condition and appearance of derelict buildings on Priestman Street.
- The former Lund Humphries building and a former portal framed industrial building known as Unit 71 have been damaged by fire and are now deteriorating. The owner of the buildings has not cooperated with the Council by removing the remains of the buildings or redeveloping the site, but has sought to undertake the minimum of work to alleviate the danger to the public by fencing off the buildings.
- The situation is typical of the many dilapidated buildings around the district.
- The reducing resources available to the council have meant that its services have had to prioritise those functions that are statutory duties and those that present the greatest risk to the public.

2. BACKGROUND

- The former Lund Humphries Building and the adjacent unit 71 have been fire damaged in separate incidents and other than fencing off the site, the owner has carried out no remedial works.
- The majority of the roofs to the former Lund Humphreys building have been lost due to fire damage. Some of the floors remain and the majority of the wall structure is in place and is structurally stable in the medium term.
- The appearance and condition of the buildings and the owners' lack of progress in redeveloping or removing the remains causes a detriment to the appearance of the neighbourhood.

3. OTHER CONSIDERATIONS

- The Council has a duty to perform certain functions. The functions to remove ruinous and dilapidated buildings are ones where the council has certain powers but there is no direct legislative duty to do so.
- No budget item has been set to provide resources to undertake works to the derelict commercial buildings in the district.

4. FINANCIAL & RESOURCE APPRAISAL

- As the local authority's resources have been reduced over the last eight years, the council has had to prioritise its statutory duties and those directly relating to public safety. Thus, the actions, taken by the council have prioritised those structures that present an immediate danger to the public over those that are not directly adjacent to the highway and have been fenced off.
- The demolition of the remains and the removal of the materials arising from the demolition of the buildings present a financial commitment for which there is no provision within the Council's budget. It is possible for the Council to claim back the reasonable costs incurred in demolishing a building and removing the materials from site. However, if the owner does not reimburse the council it is possible to make a charge on the land under Section 107, Building Act. Until the land is sold, the council is not compensated for the costs it incurred and, further, the value of the land can be less than the sums expended.

5. RISK MANAGEMENT AND GOVERNANCE ISSUES

- Besides being unsightly, the buildings present a potential danger to trespassers into the site.
- Trespassers have, on a number of occasions, set fires in the former Lund Humphries building, requiring the attendance of the Fire and Rescue Service and the on call Building Control Surveyor.

6. LEGAL APPRAISAL

- The legal responsibility for a building's safety and condition rests with its owner.
- The council's powers under Section 79, Building Act 1984 are exercisable in this case but are not a mandatory duty. If the Council undertakes work on the site it will be subject to the liabilities for its work under section 106, Building Act 1984. It is possible to recover the costs incurred by the council by exercising its powers under section 107, Building Act 1984 but must bear the costs until such time as they can be recovered.

7. OTHER IMPLICATIONS

7.1 EQUALITY & DIVERSITY

7.2 SUSTAINABILITY IMPLICATIONS

- The site occupied by the buildings could potentially be redeveloped subject to decontamination due to the previous use of the land.
- Some of the stone and other building materials can be recycled.

7.3 GREENHOUSE GAS EMISSIONS IMPACTS

7.4 COMMUNITY SAFETY IMPLICATIONS

- The buildings on Priestman Street were badly damaged by fire. The buildings are not directly adjacent to the highway and do not present an immediate structural danger to the public. The sites have been fenced off to deter public access and, therefore, do not present an immediate danger to the public. However, trespassers onto the site will be at risk due to the deteriorating state of the remaining structures.
- Trespassers onto the site have been prone to fire setting and the Fire and Rescue Service have attended on numerous occasions to extinguish small fires.

7.5 HUMAN RIGHTS ACT

- There are no human rights implications.

7.6 TRADE UNION

- There are no trade union issues.

7.7 WARD IMPLICATIONS

7.8 AREA COMMITTEE ACTION PLAN IMPLICATIONS
(for reports to Area Committees only)
?

8. NOT FOR PUBLICATION DOCUMENTS

9. OPTIONS

- The Council could leave the owners to clear and possibly redevelop the sites.
- The Council could use its powers under Section 79, Building Act 1984 or Section 215, Town and Country Planning Act 1990 to require the owner to restore or remove the buildings. In default of works by the building's owner, the council would determine the cost effective works to be carried out, fund such works and then seek to recover its costs.

10. RECOMMENDATIONS

- That the council resolves to underwrite the costs and liabilities of carrying out works in default of notice to remedy the condition of the ruinous and dilapidated buildings on Priestman Street subject to the risks in recovering such expenditure.

11. APPENDICES

Appendix 1. Photographs of the buildings.

12. BACKGROUND DOCUMENTS

- The Building Act 1984.

APPENDIX 1

Suzan Hemingway, City Solicitor

1. SUMMARY

- 1.1 This report gives an update of some of the work undertaken by the Bradford West Area Neighbourhood Policing Team and an overview of the Bradford West Constituency Performance data.

2. BACKGROUND

- 2.1 Appendix A gives an overview of the Bradford West Area between April 2016 and July 2017 and gives a comparison with the same period in the previous year.

3. OTHER CONSIDERATIONS

- 3.1 There are now named Police and Council Ward Officers aligned to Wards across the Area who are supported by designated staff with allocation to specific areas. The boundaries are co-terminous and therefore enable effective co-ordination, tasking and problem solving.
- 3.2 Bradford West Neighbourhood Policing Team works closely with Bradford Council's Neighbourhoods Team across the West Constituency. This relationship has been strengthened over the last 6 years, since Bradford West Area Co-ordinators Office co located to Lawcroft House. A number of joint community initiatives have taken place including piloting new contact points, street surgeries, attendance at parents' consultation events, fun days and also attendance at other public engagement opportunities. Days of Action have been undertaken including information-giving, door knocking by staff from the teams, traffic operations, fines warrants, and environmental activities.
- 3.3 Ward Partnership Team meetings, continue to be supported by partners, including the West Yorkshire Police, Social Landlords, Youth Service, West Yorkshire Fire Service, Environmental Health Officer and Elected Members to problem solving and information-sharing focussing on strategic priorities, entrenched issues and emerging challenges.
- 3.4 Neighbourhood officers from the Council and Police have participated in more robust joint patrols and enforcement activities managing school gate parking issues to reduce traffic congestion, illegal / inappropriate parking and risks to pedestrians as well as other road users. Traffic operations are planned throughout the year. The Council's CCTV car is also deployed to support enforcement activities. Where possible, engagement work including school assembly presentations, attendance at school events to meet parents, children taking part in speed watch and other road safety educational activities also take place.

4. FINANCIAL & RESOURCE APPRAISAL

- 4.1 Not applicable.

5. RISK MANAGEMENT AND GOVERNANCE ISSUES

5.1 No significant risks.

6. LEGAL APPRAISAL

6.1 There are no known legal implications.

7. OTHER IMPLICATIONS

7.1 EQUALITY & DIVERSITY

7.1.1 The information in the report seeks to address emerging crime and community safety priorities across all communities within the Area.

7.2 SUSTAINABILITY IMPLICATIONS

7.2.2 The involvement of a wide range of partners in working together to address community safety and crime issues contributes to finding sustainable solutions.

7.3 GREENHOUSE GAS EMISSIONS IMPACTS

7.3.1 No impacts.

7.4 COMMUNITY SAFETY IMPLICATIONS

7.4.1 All the work identified within this report contributes to improving community safety.

7.5 HUMAN RIGHTS ACT

7.5.1 No specific implications.

7.6 TRADE UNION

7.6.1 None.

7.7 WARD IMPLICATIONS

7.7.1 The information provided in this report is relevant to all Wards within Bradford West Area.

7.8 AREA COMMITTEE WARD PLAN IMPLICATIONS

7.8.1 The actions contained within this report impact on all the priorities within the Safer Communities theme in all Ward Plans.

8. NOT FOR PUBLICATION DOCUMENTS

8.1 None.

9. OPTIONS

9.1 This report is presented primarily for information.

10. RECOMMENDATIONS

10.1 That Bradford West Area Committee notes the work undertaken by the Bradford West Neighbourhood Policing Team from April 2017 to July 2017 that contributed to addressing priorities within the ward plans for the Bradford West Area.

10.2 That the Bradford West Area Committee notes the positive partnership working that has been established with Elected Members, Council Officers, community organisations, volunteers and residents within the Bradford West Area.

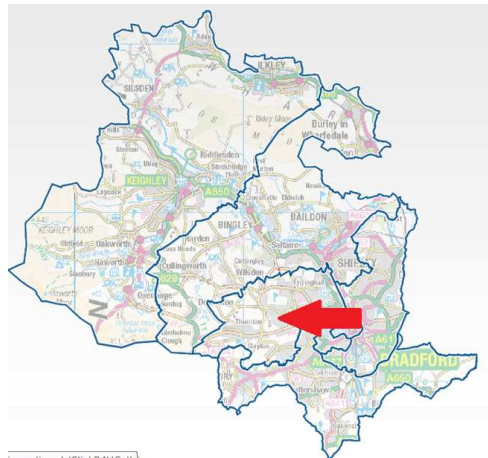

11. APPENDICES

11.1 Appendix A – Bradford West Performance Data – April 2016 and July 2017.

12. BACKGROUND DOCUMENTS

12.1 None.

BRADFORD WEST

CRIME FIGURES

The following data highlights figures for the main crime types in Bradford West for the year to date (this will equate to crime figures between beg April 2017 to middle of July 2017 with a comparison of the same period from the previous year):

This is broken down into different crime types as below along with an increase and decrease figure for each:

ANTI SOCIAL BEHAVIOUR

ASBAT (calls for service)

The below chart shows the total number of calls for service for nuisance related issues for the previous 12 months:

ASB INTERVENTIONS

Over the previous 12 months there have been a total of 24 interventions served across Bradford West. The below breaks this total down into Yellows, ABCS and Finals Warnings across the 12 months:

SUCCESSFUL CRIMINAL BEHAVIOUR ORDERS

Between the beginning of June 2016 and the end of May 2017 there was 1 CBO obtained against a subject within this PWA totalling 5 years:

- **John CLARKSON B.07/03/1975** – CBO obtained 16/05/2017 and is due to expire on 15/05/2020
- **Asif KHAN B.15/04/1985** – CBO obtained 24/01/2017 and is due to expire on 23/01/2022
- **Colin BEETHAM B.20/05/1965** – CBO obtained on 04/01/2017 and is due to expire on 03/01/2022
- **Tariq STEELE B.31/01/1980** – CBO obtained on 04/08/2016 and is due to expire on 03/08/2019

HATE CRIME

The below shows the trend of hate crimes / incidents reported over the previous 12 months across Bradford West. The data has been extracted from Niche and includes Hate Crimes, Race Hate Incidents, Faith Hate Incidents, Disability Hate Incidents, Sexual Orientation Hate Incidents and Transgender Hate Incidents.

POLICE UPDATE

INSPECTOR Tom Casey BRADFORD WEST NEIGHBOURHOOD TEAM

I was delighted and privileged to take over responsibility for Bradford West PWA in September 2016. I would like to take this opportunity to thank everyone across all agencies and the community, who have contributed in the last year to policing and improving community safety in Bradford West.

We continue to reinvest in Neighbourhood Policing and are refocusing our PCSO's on engagement with the community and early intervention. You should notice an increase in visibility whilst they are on foot patrol across the area. We are in the process of trying to visit every school, place of worship, community group and key business to introduce ourselves and provide up to date details of whom to contact if you require assistance with local issues.

Between the dates of 1st April 2016 and 31st March 2017, Bradford West PWA recorded an increase of 9% of total recorded crime over the previous year. *This was the lowest increase across all PWA's and below the Bradford District average increase of 13%.*

HM Chief Inspector of Constabulary sent an instruction to all Chief Constables to reiterate the

need to record absolutely every crime that comes to Police notice. This means that at one incident there can be multiple crimes recorded which has seen our overall crime increase in line with crime data integrity. It is absolutely right that we do, as we need an accurate reflection of what is happening in our area.

This along with an upward trend in some crime types such as internet use, will explain some of the increases, however there are good news stories around crime trends. Robbery, theft from motor vehicle and shoplifting have significantly reduced and house burglary remains largely static.

ROBBERY	-9
THEFT OF VEHICLE	2
THEFT FROM VEHICLE	-41
SHOPLIFTING	-103
BURGLARY (B & C)	14
BURGLARY (RES)	0

We continue to work closely with local community, partner agencies and elected members to address the issues important to them. The below are examples of some of the work and initiatives carried out:

City ward

Grantham Road

Working closely to tackle problems in the Grantham Road Area, related to drugs use and dealing and conducted a number of Multi Agency Days of Action.

Parking at schools

Parking and traffic issues outside schools. Joint patrols with PCSOs and Council Wardens. Joint support to a number of community events across the ward.

EID Project

A joint partnership project titled Operation Spittlemoor involves resources from the Police, Council and volunteers during Eid. The operation is designed to tackle anti-social use of motor vehicles along the Great Horton Road corridor.

The most recent EID project saw:-

Spittlemoor Returns	
Arrest	9
Vehicle Seizures	26
Parking Penalties (Council Wardens)	101
Speeding	21

Mobile Phone	2
Seatbelts	17
No Insurance/No licence	19
s59	30
Due Care	10
Other	7

Police Camps

Bradford District Police Camps are hosted at Trinity Green Campus, Morley Street. Over the summer in a 3 week period we have engaged with 800 young people aged 8-15 from across the district. We have broken down barriers between police and local young people whilst offering emergency service themed life skills education.

School Watch

We have begun to build bridges between Primary Schools in the Outer City and local policing using the medium 'School Watch'. The launch was attended by the Police and Crime Commissioner. Each school has been issued with a certificate to display in their reception area to give parents the confidence to pass intelligence to trusted teachers, who in turn communicate this with the police.

Clayton & Fairweather Green Ward

Community Alcohol Partnership (CAP).

This project incorporates a number of partners including Youth Service, NHS, Police, Ward Members & Barnados all of which work together sharing resources to deliver workshops and community events around alcohol awareness.

ASB yellow letter visits.

Youth service and police have been working jointly together. If a young person is flagged by calls for service because their behaviour is a cause for concern then a home visit is undertaken jointly by police and youth worker and parent/carer is spoken to alongside the child. This allows their behaviour to be addressed by the police and diversionary work and a support plan for the young person can be put in place.

Modern Day Awareness Project (MDA).

This project has been delivered by the Youth Service in partnership with the Police, Lower Grange Community Association, local schools, social care and Families First. 12 young people from each were identified to engage as they were known to services due to issues around their behaviour, school attendance and their involvement in ASB. These young people engaged well in the diversionary programme with positive outcomes including a reduction in anti-social behaviour and increased educational attainment.

Joint Outreach.

An initiative where a PCSO & Youth Worker jointly undertake outreach around the local hot spot areas for ASB. Engaging with the young people to explore why these issues are arising, we

educate them of the consequences, offer positive activities for them to engage in but also give a voice to the young people which builds relationships between the youth and the Police.

Heaton Ward.

The partnership problem solving approach in Heaton ward has been invaluable. This has included working with businesses such as Bradford West Golf club to tackle ASB with the youth service and area coordinators team to support individual residents with neighbourhood disputes where a joint approach between the council and police has been needed.

The neighbourhood policing team have a strong relationship with community groups in the ward and have played a pivotal role at community projects such as the launch of the new walking track in Upper Heaton, to supporting Frizinghall partnership in developing community development projects. Joint initiative with the Area coordinators office have included a day of outreach in Frizinghall with council wardens and neighbourhood police to deliver burglary prevention advice on the doorstep, road safety advice at primary schools at parents assemblies and parents evening and support to community events such as Upper Heaton working together launch and Frizinghall partnership's big lunch.

Manningham Ward.

Ramadan Project

Every year residents on Wilmer Road had problems with increased ASB over Ramadan. Wilmer road is located between 3 mosques and local residents feel that after fasting all day young people are out not going to mosques but causing them ASB. In the past cars and windows had been damaged. A Ramadan Plan was agreed, where the Police patrolled and set up a WhatsApp group between the residents where they could report concerns direct to the Council Ward Officer and themselves. The PCSOs were effective on their patrols, residents felt they had been listened to and there was no damage to houses or resident's cars. The project was successful as people didn't feel isolated.

Midland Road Traffic issues

The operation came after concerns were raised by local community groups about the standard of driving on the road and was raised at the Manningham WOT. Local media reported, "Police officers armed with speed guns were in Midland Road, next to Bradford City's Valley Parade stadium, yesterday for a crackdown on drivers who go too fast. During the three-hour operation, eight drivers were caught breaking the 30mph speed limit. Police also seized five cars – four for having no MOT and one for the driver having no insurance".

Road Safety week. School Children Educating Parents.

Local media reported, "Children at Miriam Lord Primary School were out all week with Council Wardens and the local Police to inform parents regarding school gate parking and its dangerous. School children were provided high viz jackets and safety leaflets to hand out to parents".

Bonfire night

Working closely with the Police and Fire Service (Watch Commander from Fairweather Green) with regards to getting some of the community involved in Girdlington and Manningham for this bonfire period. This was raised in the Manningham WOT on 30th August 2017. The plan is on Wed 27th and Thurs 28th September is to visit the relevant community buildings in Girdlington and Manningham (mosques and community centres).

Drug Rehabilitation

Working with drug rehabilitation charities clean ups have occurred in the Houghton place area to try and combat issues with drug taking. The charities now target the area to try and engage with drug users and help them to get on a drug rehabilitation plan.

Thornton and Allerton Ward

ASB yellow letter visits. Youth service and police - If a young person is flagged by calls for service because their behaviour is a cause for concern then a home visit is undertaken jointly by police and youth worker and parent/carer is spoken to alongside the child. This is so the behaviour can be addressed by the police and diversionary work or a support plan for the young person can be put in place.

Allotment Watch – Area office, police and allotments service – “Allotmenters” across the ward are joined in a police initiative to create a collective approach to keeping a watch on each other’s plots and property. The scheme will offer a tool marking service and signage. It aims to reunite property quickly in the event of theft or burglary and share good practice with other plot holders.

School gate parking – Area Office /Council wardens/ Road Safety Team /Police/Schools .Visits to schools across the ward to educate, inform and change driver behaviour and enforce where needed. The project uses police to educate drivers who are dropping off or picking up at start and end of school day. School pupils under supervision, reward good driver behaviour or give out false tickets for poor driving and often speak with them about driver behaviour which puts pupils or pedestrians at risk. After 3 days of this activity, Council wardens d follow up visits and carry out enforcement activity as required.

Toller Ward

Parking issues, Squire Lane, Lingwood Avenue.

Due to complaints from residents due to increased traffic congestion at school finish time joint patrols and enforcement conducted with Police, Highways, Council Wardens, the School, Local Councillors and local residents.

Drug misuse Chassum Grove, Farfield St.

Following concerns regarding drug dealing, littering, ASB and youths congregating.

Neighbourhood Watch introduced along with an increase in high visibility PCSO and Council Warden patrols.

Over the next twelve months I hope to build on our partnership work and ensure that my team have the skills to be as effective and productive as possible. I am proud to be responsible for policing in Bradford West and care deeply about making Bradford West a safer place to live, work and visit.

Neighbourhood & Community Safety

Overview & Scrutiny Area:

Corporate

1. SUMMARY

- 1.1. The report informs the Bradford West Area Committee of the projects funded by the Great Get Together small grants programme for the Bradford West area. The report will highlight the range of activities supported through the programme.

2. BACKGROUND

- 2.1 The Great Get Together (TGGT) Small Grants Programme 2017 has been funded by the Community Safety Fund in the amount of £25,000. The Bradford Community Safety Partnership made the money available to support the programme to encourage local groups to get involved in the governments, national, Big Lunch initiative delivered by the Eden Project.

The Big Lunch is the UK's annual get together for neighbours. Every year in June since the idea began in 2009 people up and down the country t together with their neighbours in a nationwide act of community and friendship. This year the Big Lunch hosted The Great Get-Together initiative in partnership with the Jo Cox Foundation, which had an emphasis on promoting and encouraging good community relations and reminding people and communities that we have **#more in common**

People from all backgrounds have been encouraged to participate and to get together with their friends, neighbours and others who they don't yet know, to hold street parties, picnics, barbeques, bake-offs, Iftars and Lunar Lunches. The emphasis is on sharing a simple meal/snack as a means of bringing people together.

Initially it was agreed that £20,000 of the funding would be distributed through the Area Committees via their Grant Advisory Groups (GAGs). Each of the five areas would receive an allocation of £4,000, which would be given out in small grants up to a maximum amount of £200 each. This arrangement had to be changed as a result of the early General Election being called. In response to legal opinion at the time it was agreed to run the grants programme centrally, overseen and managed by officers. Stronger Communities officers worked in partnership with Ward Officers from each of the constituencies and together they oversaw the distribution of the funds. The previous agreed amount of spend for each area remained the same (£4,000).

- **The sum of £20,000 was made available to be spent between each of the 5 area constancies to support Great Get Together activities.**
- **£5,000 was allocated to the Stronger Communities team to be spent on the Great Get Together Big Picnic and Big Iftar public events held in City Park on 18th June 2017.**

- 2.2 This funding opportunity gives communities the opportunity to come together. The cost of disconnected communities is known to increase crime, contribute to poor health, isolation and deprivation.

The broad aims of the TGGT Funds are to:

- Encourage and Increase Neighbourliness (one of our People Can priority themes)

- Help to connect people to each other and the area where they live, thereby reducing loneliness and isolation
- Help to build stronger communities as people will be able to get to know each other and establish new relationships
- Increase community cohesion and reduce fear of the 'other'
- Help to build resilience and give communities confidence to come together for common cause and to reduce fragmentation
- Celebrate being a part of a community
- Engender local pride

2.3 The Great Get Together grant scheme was widely publicised through a range of local networks, Ward Officers, the Voluntary Sector and the Stronger Communities Team. There were 2 rounds (May 2015 & July 2017). Round 1 was to primarily cover events to support the national Jo Cox Memorial weekend and also to include the end of Ramadan. Round 2 was to support activities taking place throughout the summer holiday period to the end of September. The scheme funded a diverse range of events and activities across the district including the Big Picnic and the Big Iftar events. There were 94 successful applications (**Appendix A**) of which 23 came from within the Bradford West area constituency (**Appendix B**).

2.4 The distribution of funds was decided by a Panel made up of officers from the Stronger Communities Coordinator, a Ward officer from each of the constituencies, the Programme Lead and the Programme Support Officer.

2.5 All Panel members had experience of being involved in grant decision making primarily through their local Grants Advisory Groups (GAPs) and the Bradford District Community Fund. They were able to consider the applications and make recommendations about all the applications for consideration and to determine that the criteria was met which included the following:

- A clear description of the activity
- A named referee for groups not formally constituted (a person of responsibility in the community)
- Who is to be involved
- How will the event be promoted and encourage others to take part
- A break down of the full project costs and how any shortfall would be met
- Date & location

2.6 Where there were applications for events across more than one constituency area the cost was shared between the areas. In addition three District Wide applications were funded centrally and all took place within the constituency making a total of 26 events for Bradford West area. (**Appendix B**)

- 2.7 To date feedback received from event organisers has been very positive and has been particularly welcomed from small groups who were applying for the first time. They have enjoyed the experience as they have been able to reach out to others in their neighbourhood and made new friends.
- 2.8 The Great Get Together grant offer has been successful as it has enabled additional activities and opportunities for local engagement within the Bradford West constituency as well as the wider district. The events and activities have been attended by thousands of people of all ages and backgrounds, many of whom were not usually involved in existing local provision.

3. OTHER CONSIDERATIONS

- 3.1 The Bradford Great Get Together programme is just one of many practical responses implemented to help support and improve local community cohesion and community relations the need for which have been highlighted by the following:
- The Casey Review recently highlighted the lack of integration and cohesion in Bradford as well as other places.
 - There has been an increase of hate crime since the EU Referendum and an increase in fear and worry regarding migration and immigration.
 - The cost and impact of disconnected communities is increased crime, isolation poor health and deprivation.

Community based programmes like TGGT can provide an opportunity to help communities to build relationships and resilience.

4. FINANCIAL & RESOURCE APPRAISAL

4.1 Financial

£22,507.94 was spent out of the £25,000 received from the Community Safety Partnership (CSP). The unspent amount of £2,492.04 is to be returned to the CSP to support other local Safer Communities priorities.

Staffing

Support for the development and implementation of programme has been provided from within the existing resources of the Neighbourhoods and Customers Services.

5. RISK MANAGEMENT AND GOVERNANCE ISSUES

- 5.1 There are no significant risks arising

6. LEGAL APPRAISAL

- 6.1 This work relates to the delivery of the statutory requirement for a Community Safety Partnership as set out under the 1998 Crime and Disorder Act and subsequent legislative amendments. These include the development and delivery of a Partnership Plan which

contains community safety priorities based on the current evidence base across the communities of Bradford District.

7. OTHER IMPLICATIONS

7.1 EQUALITY & DIVERSITY

- 7.1.1 The funded events and activities promote engagement and inclusion as well as supporting the Bradford West Area Committees commitment to equal opportunities for all.

7.2 SUSTAINABILITY IMPLICATIONS

- 7.2.1 None

7.3 GREENHOUSE GAS EMISSIONS IMPACTS

- 7.3.1 None

7.4 COMMUNITY SAFETY IMPLICATIONS

- 7.4.1 Community safety issues are acknowledged as a key contributor to the quality of life in neighbourhoods. It is anticipated that the activities generated through this funding will make a positive contribution towards community relations within the areas of benefit.

7.5 HUMAN RIGHTS ACT

- 7.5.1 None

7.6 TRADE UNION

- 7.6.1 There are no implications

7.7 WARD IMPLICATIONS

- 7.7.1 The areas covered by the recommendations of the Great Get Together Grant Panel includes wards within the Bradford West constituency. For range of events see appendix B

7.8 AREA COMMITTEE ACTION PLAN IMPLICATIONS

- 7.8.1 Future Big Lunch/Great Get Together activities and events could be considered for incorporation into future Bradford West Area Ward Plans as a means to support Bradford West area's stronger community priorities.

8. NOT FOR PUBLICATION DOCUMENTS

- 8.1 None

9. OPTIONS

- 9.1 None

10. RECOMMENDATIONS

- 10.1 That Bradford West Area Committee acknowledges the positive work undertaken to support

local community action through the implementation of the The Big Lunch Great Get Together Grants programme.

11. APPENDICES

- **Appendix A:** The Summary of The Great Get Together Grants - All
- **Appendix B:** The summary of the Great Get Together Grants -Bradford West

12. BACKGROUND DOCUMENTS
