18. WRITTEN ANNOUNCEMENTS FROM THE LORD MAYOR

DEATH OF FORMER LORD MAYOR, PAUL HOCKNEY

It was with sadness the Lord Mayor reported to Council the death of former Lord Mayor, Paul Hockney, who passed away on 1 July 2018, aged 87 years. Paul served this Council, and its predecessor, as a Liberal/Liberal Democrat Ward Councillor for the Idle Ward from 1970 until 1984. He was twice Leader of his Group from 1975/1976 and again from 1982/1984. In the municipal year 1977/78, part of which included the Silver Jubilee celebrations of Her Majesty the Queen, Paul took on the role of Lord Mayor, supported by his wife Jean as Lady Mayoress and became known for his patriotic attire. Paul's Civic Appeal fund was dedicated to acquiring the land and building the Nell Bank Centre on Denton Road in Ilkley. Many thousands of local children have had the opportunity to participate in the wide range of outdoor learning programmes provided at the Centre.

The Lord Mayor accompanied by the Lady Mayoress were due to attend Paul's memorial service in Ilkley and had, on behalf of the people of the district, written to Paul's widow and family to express sadness at his passing and gratitude for his work for this Council.

DEATH OF MR PETER GIBBONS, FORMER HEAD OF THE VIRTUAL SCHOOL

On 17 June 2018 Peter Gibbons, the former head of the Virtual School who retired last year, had died following a long illness. His outstanding work in the field of education had been of immense value to many children, young people and families throughout the District. The Lord Mayor had written to Peter's widow and family to extend the condolences of the local community.

Members were asked to stand and join the Lord Mayor in a minute's silence in memory of Paul Hockney and Peter Gibbons for their contributions to the life of the District.

THE DRAGONBOAT FESTIVAL

Gratitude was placed on record to all the Council staff working as volunteers, in collaboration with the public and local businesses, to deliver the Dragonboat Festival, which took place from 22 to 24 June 2018. Over 100 teams took to the River Aire, encouraged by their families, friends and many festival-goers and the event had been formerly recognised as the largest in the UK by the British Dragonboat Association.

VETERANS' WEEK AND THE EMPIRE WINDRUSH 70TH ANNIVERSARY

The Lord Mayor had been very pleased to be involved in recent events to mark the significant occasions of the annual Veterans' Week and also celebrations to mark the 70th anniversary arrival of the Empire Windrush.

An event was held to recognise the sacrifice made by the veterans in the service of their country and the Lord Mayor was pleased to have the opportunity to meet so many ex-service men and women, hear their stories and recognise their contribution to upholding freedom and peace.

A huge impact had been made on the life of not just our District, but to that of the

whole country, by members of the Windrush generation. The Lord Mayor had met many people in celebrating their contribution and had heard wonderful stories of the community's development over the last 70 years.

THE FIFTH BRADFORD LITERATURE FESTIVAL

The fifth Bradford Literature Festival took place from 29 June to 8 July 2018 and all those who had worked hard in planning and delivering this year's event ensured its continued place among the country's finest festival experiences.

HER MAJESTY THE QUEEN'S BIRTHDAY HONOURS LIST

26. RECOMMENDATIONS FROM THE EXECUTIVE - MEDIUM TERM FINANCIAL STRATEGY 2019/20 TO 2012/22 AND BEYOND

Previous reference: Executive Minute 15 (2018/19)

At the meeting of the Executive on 10 July 2018 the Assistant Director Finance and Procurement submitted a report (**Executive Document “F”**) presenting the Medium Term Financial Strategy focusing on how the Council intended to respond to the forecasted public sector funding reductions as a result of the on-going austerity measures imposed by the Government’s spending plans. It set out the approaches and principles the Council would follow to ensure the Council remained financially viable and delivered on its priorities.

Attached to the report for approval was an outline submission to the Government’s 2019/20 budget consultation.

Resolved –

- (1) That the updated and revised Medium Term Financial Strategy at Appendix 1 to Document “F” be approved.**
- (2) That the document setting out the Outline Submission to the 2019/20 National Budget be approved.**

ACTION: Assistant Director Finance and Procurement

27. RECOMMENDATIONS FROM THE EXECUTIVE - 2017/18 MINIMUM REVENUE PROVISION POLICY UPDATE

Previous reference: Executive Minute 16 (2018/19)

At the meeting of the Executive on 10 July 2018 the Assistant Director Finance and Procurement presented a report (**Document “G”**) giving an overview of the proposed changes to the Council’s Minimum Revenue Provision (MRP) policy from 2017/18 onwards. MRP was a statutory requirement to make an annual charge to the Council’s budget to provide for the repayment of historic capital debt and other related liabilities.

Resolved –

- (1) That on the recommendation of the Executive it be approved that:
 - a) The 2018-19 MRP policy for PFI assets is brought in line with the main MRP Policy and the charge of the principal to the revenue account is over the life of the school building assets.**
 - b) For 2017-18 calculate the MRP on Supported Borrowing for 2008 to 2016 on a 2% straight line method. The overprovision of £52m will be included in a reserve and applied to reduce the annual MRP charge from 2017-18 onwards.****
- (3) That on the recommendation of the Executive the MRP Policy be**

amended to reflect the following conditions:

- i) Total MRP after applying previous overpayment will not be less than zero in any financial year.
- ii) The same amount of principal has to be repaid over time irrespective of the method, the recommendation will be to hold the £52m freed up from the change in policy in an earmarked reserve, and it will be used to reduce the annual MRP cost.
- iii) The changes to MRP are agreed, releasing the overprovision of £52m over the coming years. As the overprovision is released, and given our balanced financial plan, the cash saving is credited to a dedicated earmarked MRP Adjustment Reserve so that future usage can be appropriated and monitored.
- iv) The PFI budgetary saving is used to reduce the net reported cost pressure in 2018-19.
- v) That the following checkpoints are met, and the implications of each are understood, before future usage of the proposed MRP Adjustment Reserve is determined:
 - a) Formal 2018-19 monitoring to determine likely outturn and further detailed understanding of structural cost pressures.
 - b) Review of the Medium Term Financial Strategy (MTFS) to determine detailed anticipated budgetary gaps over the next three years.
 - c) Clarity on future savings delivery, including the Demand Management strategy, for 2019-20 and 2020-21.
 - d) Finalising the 2019-20 and 2020-21 detailed budget process.
- vi) Subject to the outcomes noted above, consideration is given to a future voluntary repayment of outstanding capital debt using any residual amount set aside. This would therefore designate this move as a last resort insurance policy to protect against any negative consequences associated with the uncertainties outlined above.

28. QUALITY OF INPATIENT MEALS PROVIDED BY BRADFORD TEACHING HOSPITALS NHS FOUNDATION TRUST

A motion was moved by Councillor Warnes.

An amendment, as set out in the resolution below, was moved by Councillor Ferriby and was carried.

An amendment was also moved by Councillor Warnes.

Resolved –

Council notes that:

- a) Inpatient admissions for Bradford Teaching Hospitals NHS Foundation Trust were 93,508 in the year to November 2017;
- b) Good nutrition is an important part of health and recovery;
- c) Green Party councillors have expressed concerns that the results of the Inpatient Survey published by the CQC in June 2018 suggest that patient satisfaction with the quality of the meals in our local NHS hospitals is lower than with nearly all other aspects of hospital care, and that there are “extremely limited” vegan options for inpatients at Bradford Royal Infirmary.

Council requests that:

- 1) The Chief Executive brokers a meeting between Green Party councillors and Professor Clive Kay, Chief Executive Officer of the Bradford Teaching Hospitals NHS Foundation Trust, to find out what measures the Trust is taking to improve the quality of its inpatient meals.
- 2) That the Portfolio Holder for Healthy People and Places subsequently meets with Green Party councillors to hear their concerns and to support them in resolving any issues arising from the meeting with the hospital.

ACTION: Chief Executive/Portfolio Holder Healthy People and Places

29. IMMIGRATION DETENTION

A motion, as set out in the resolution below, moved by Councillor Warnes was carried.

An amendment moved by Councillor Sunderland was defeated.

Resolved –

Council notes that:

- (a) over 30,000 people are locked up each year for not having the correct immigration papers – more than any other European country;
- (b) the UK is the only country in Europe that allows indefinite immigration detention;
- (c) most detainees are eventually released;
- (d) this detention system costs taxpayers in excess of £160 million per annum;

- (e) **indefinite immigration detention has been condemned by Brighton and Hove City Council, Cambridge City Council and Manchester City Council.**

Council therefore:

- (1) endorses the ‘These Walls Must Fall’ campaign;**
- (2) calls on the government to implement in full the recommendations of the Report of the Inquiry into the Use of Immigration Detention in the UK, jointly published in March 2015 by the All Party Parliamentary Group on Refugees and the All Party Parliamentary Group on Migration;**
- (3) requests that the Chief Executive writes to our District MPs to ask them to raise this matter in the House of Commons and to support changes in the law and immigration policies and procedures that promote alternatives to detention;**
- (4) requests that the Leader of Council seeks further support for the ‘These Walls Must Fall’ campaign via the Local Government Association.**

30. ENSURING HIGH-QUALITY EDUCATION PROVISION FOR VULNERABLE LEARNERS

A vote taken under Rules of Procedure 9.1.6 and 18.2 to withdraw this motion submitted by Councillor Ward was defeated.

The motion was moved by Councillor Ellis.

An amendment, as set out in the resolution below, was moved by Councillor Imran Khan and was carried.

An amendment was also moved by Councillor Davies.

Resolved –

Council notes:

- Nationally and locally we have a responsibility to raise the educational attainment and life chances of vulnerable learners. This particularly includes those who are excluded from school, those with emotional and behavioural difficulties in mainstream schools and those with special needs. Their educational outcomes are disproportionately low compared to other groups.**
- The national report entitled ‘Making the Difference – breaking the link between school exclusion and social exclusion’, submitted to the House of Commons Education Select Committee, presented evidence that children excluded from school are especially vulnerable and**

nationally the education system does not do enough to break their cycle of disadvantage.

- Outcomes for vulnerable learners, including those who are excluded or at risk of exclusion, are very much a priority for Bradford Council. We are taking a number of actions to improve outcomes for all our vulnerable learners.
- The Leader and Deputy Leader have already asked for a review of all our work with vulnerable learners. This is ongoing and will report back later this year.
- Bradford Education Opportunity Area now has a sub group leading on Parental involvement and one leading on Attainment. As such the role of the Education Improvement Strategy Board (EISB), currently chaired by the Deputy Leader is being reviewed by him.
- The EISB review will feed back in September. Our current view is that we think this board should prioritise vulnerable learners in its deliberations.
- In addition we work closely with our headteacher colleagues in the three Behaviour and Attendance Collaboratives (BACs) as well as the Regional Schools Commissioner. We have also established the Education Safeguarding team which focuses on all vulnerable learners.

Council requests that:

- Once completed the Deputy Leader will share the findings of the review and next steps with other parties and interested councillors.
- Our vulnerable learners are treated as a priority group who need and deserve the best education.

31. SUPPORTING BRADFORD RESIDENTS APPLYING FOR PERMANENT RESIDENCY AND CITIZENSHIP

A motion, as set out in the resolution below, moved by Councillor Cooke was carried.

Action: Chief Executive

32. POTHOLES

A motion was moved by Councillor Pennington.

An amendment, as set out in the resolution below, moved by Councillor Ross-Shaw was carried.

An amendment was also moved by Councillor Stubbs.

Resolved –

Council notes:

1. Last year's harsh winter has contributed to national pothole-related breakdowns hitting a three-year high according to the RAC and a recent sharp increase in pothole reports across Bradford District
2. The monetary value of vehicle damage caused by potholes is increasing throughout the country, costing many millions of pounds
3. Bradford has invested in innovative pothole repair delivery, such as the Velocity Patcher, which can repair 300 pot holes in a single week, and in preventative work to stop potholes appearing in the first place
4. As a result Bradford has seen a reduction in the number of potholes across the district over the past five years at a time when the issue is becoming more prominent nationally but recognises the issue continues to be a priority for the district's road users

Council resolves:

1. To continue prioritising pothole repair and preventative work across the district, engaging with ward members on this year's pothole fund and the patching and pothole repair that will take place in each constituency
2. To continue exploring new ways of making pothole repair and highway maintenance more efficient and effective

ACTION: Strategic Director Place

33. COMMUNITY LOTTERY

A motion as amended, set out in the resolution below, moved by Councillor Davies was carried.

Resolved –

The Council notes:

1. That in recent years a number of libraries, swimming pools and other services have ceased being provided by the Council.
2. That on-going budget pressures will continue to require the Council to decide which services can continue to be provided.

Council resolves:

- 1. To instruct the Chief Executive to investigate the merits and otherwise of setting up an online community lottery, as pioneered by Aylesbury Vale District Council, to raise funds for non essential but much valued community services.**

ACTION: Chief Executive

34. ADOPTION OF IHRA DEFINITION OF ANTISEMITISM BY BRADFORD COUNCIL

A motion was moved by Councillor Green

An amendment, as set out in the resolution below, moved by Councillor Imran Khan was carried.

Amendments were also moved by Councillor Love and Councillor Ward.

Resolved –

- 1. Bradford Council opposes any form of anti-semitism. We also oppose racism against all communities, in keeping with our commitment to eradicate all acts of hatred on grounds of faith, race, ethnicity or sexual orientation.**
- 2. This motion does not constitute a new law, Bradford Council will continue to oppose, challenge and condemn any acts of abuse by the Government of Israel against the Palestinian people and their right to establishing a democratic state.**
- 3. The members of the Jewish community should not be blamed and held responsible for the actions of the Government of Israel.**
- 4. Bradford Council will uphold the rights of the people of Bradford to criticise or challenge the Government of Israel or any other government, for their abuse of basic human and democratic rights.**

This Council is concerned by the rise in hate crime and racism across the UK and the wider world. Bradford is rightly proud of its efforts to tackle discrimination in all its forms and as part of this work we believe that we need to build in clearer definitions of what is and isn't acceptable as part of our Equal Rights Policy, whether this relates to gender, sexuality or discrimination against people on the grounds of race, religion or culture.

Bradford Council expresses alarm at the rise in anti-semitism in recent years across the UK. As well as physical manifestations through violence and criminal damage it has also been seen in the use of anti-semitic tropes in criticism of Israel. It is legitimate to criticise the policies and practices of the Israeli Government but not if this involves using tropes and imagery of antisemitism.

Bradford Council therefore resolves to join with the Government and the major political parties in the UK in signing up to the internationally recognised International Holocaust Remembrance Alliance guidelines on antisemitism which define antisemitism thus:

“Antisemitism is a certain perception of Jews, which may be expressed as hatred toward Jews. Rhetorical and physical manifestations of antisemitism are directed toward Jewish or non-Jewish individuals and/or their property, towards Jewish Community institutions and religious facilities.”

The guidelines highlight manifestations as including:

- **Calling for, aiding, or justifying the killing or harming of Jews in the name of a radical ideology or an extreme view of religion.**
- **Making mendacious, dehumanising, demonizing or stereotypical allegations about Jews as such or the power of Jews as collective such as, especially but not exclusively, the myth about a world Jewish conspiracy or of Jews controlling the media, economy, government or other social institutions.**
- **Accusing Jews as a people of being responsible for real or imagined wrongdoing committed by a single Jewish person or group, or even for acts committed by non-Jews.**
- **Denying the fact, scope, mechanisms (eg gas chambers) or intentionality of the genocide of the Jewish people at the hands of National Socialist Germany and its supporters and accomplices during World War II (the Holocaust)**
- **Accusing the Jews as a people, or Israel as a state, of inventing or exaggerating the Holocaust.**
- **Accusing Jewish citizens as being more loyal to Israel, or to the alleged priorities of Jews worldwide, than to the interests of their own nations**
- **Denying the Jewish people their right to self-determination, eg by claiming that the existence of the State of Israel is a racist endeavour.**
- **Applying double standards by requiring of it behaviour not expected or demanded of any other democratic nation.**
- **Using the symbols and images associated with classic anti-semitism (eg claims of Jews killing Jesus or blood libel) to characterise Israel or Israelis.**
- **Drawing comparisons of contemporary Israeli policy to that of the**

Nazis

- **Holding Jews collectively responsible for the actions of the state of Israel.**

Council further notes:

- **This motion does not constitute a law. We believe that anyone in Bradford District is free to criticise Israeli Government policy and actions in Palestine. Bradford like Britain, is built on free speech and we will always uphold the rights of citizens to engage in reasoned debate.**
- **We believe in the right of the Palestinians to self-determination to have their own state.**
- **Non-anti-semitic criticism of the policies of the government of Israel is entirely legitimate, as is the case with any country's government. The right to express such criticism is not restricted by this motion. We can and will continue to condemn the Israeli government for acts of oppression and breaches of human rights in Palestine. Examples of legitimate criticism which can be made to demonstrate these points are:**
 - **When the US opened its embassy in Jerusalem against international consensus, at least 58 Palestinians were killed by Israeli forces in just one day. The overwhelming majority of those killed were unarmed demonstrators. We condemn this.**
 - **Unarmed civilians including medical staff and children from Gaza were shot by Israeli forces in March this year. We condemn this.**
 - **Tens of thousands of Palestinian homes and buildings have been demolished to make way for Israeli settlements through a policy which the United Nations says is in "flagrant" breach of international law. We condemn this.**
 - **The decade-long blockade of Gaza has led to the collapse of its economy. On 29th June 2018 the UN said: "Residents are deprived of their most basic rights, including the rights to health, to education, and most recently, in attempting to exercise their right to freedom of expression and peaceful assembly, they were deprived of the right to life." We condemn this.**
 - **Khan al-Ahmar, a Bedouin village near Jerusalem, is at imminent risk of forcible demolition and transfer after the Israeli High Court of Justice upheld a demolition order for all**

structures in the community. We condemn this.

- **The events in the Occupied Palestinian Territories are appalling and of grave concern to the world. The policies of the Israeli government have been condemned by a broad international coalition of countries, including through at least 45 United Nations Human Rights Council resolutions since that body's creation in 2006. We add our condemnation to theirs.**
- **There is an urgent need for a peaceful resolution which respects the fundamental rights of Palestinians as well as Israeli citizens.**

This Council resolves to:

- 1) Restate its condemnation of all forms of racism in all its manifestations**
- 2) Adopt the IHRA definition of anti-semitism as the working model for challenging and confronting incidents of this form of racism. This is perfectly compatible with criticising the Israeli government.**
- 3) Uphold the freedom of speech and the right to protest.**
- 4) All members of the Council to continue to confront and challenge all forms of racism and discrimination that exist within our society.**
- 5) Broker more opportunities for people of all backgrounds across Bradford District to understand each other's culture, beliefs and values to grow better understanding.**
