5 WASTE MANAGEMENT FINANCES

Resolved –

- (1) That the breadth and complexity of activities that go into delivering a comprehensive Waste Collection and Disposal Service to the Bradford District be welcomed.**
- (2) That the significant work that has been undertaken thus far to deliver and embed an Alternate Weekly collection Service for residual and recycled materials be welcomed.**
- (3) That the efforts of households within the district who recycle as much as possible of their household waste be recognised and urges all households to redouble their efforts in recycling.**
- (4) That the Regeneration and Environment Overview and Scrutiny Committee recognises the contamination of recyclates is an area that must improve and officers be supported in undertaking all possible steps to support the public in recycling more whilst utilising appropriate enforcement where necessary.**

- (5) That officers be supported in identifying and implementing options as quickly as possible to take the most cost effective control of the district's recyclates and reduce the pressures on the Council's Waste Budget.
- (6) That officers encourage the recruitment of recycling Ambassadors and representatives of communities.
- (7) That Richard Longcake, Principal Officer be thanked for his work with Councillors and the Overview and Scrutiny Committee over the years and wish him a happy retirement.

ACTION: Strategic Director, Place
