2.5 Steps proposed by the applicant to address the Licensing Objectives

a) Prevention of crime and disorder will be achieved by;

This restaurant is keen to work in partnership with the local police service³ to prevent crime and disorder.

CCTV

McDonald's operates a robust CCTV policy to ensure compliance with Data Protection Legislation and to assist the Police with the prevention and detection of crime. At all stores where CCTV is in operation appropriate signage reflecting this information is displayed.

McDonald's operate digital motion activated CCTV systems where images are retained on a hard drive system. All CCTV equipment is of a standard suitable to record images of a proper quality, it meets the industry standard and has LGC Forensics or Kalagate Certification. As part of the digital system an alarm will sound if the equipment is faulty or not recording, thereby alerting management for the need to intervene. The CCTV system is regularly serviced by qualified maintenance technicians.

Access to the CCTV system will be provided to Police Officers at their request.

Staffsafe

A Staffsafe system with both audio and visual monitoring capability will be installed in the restaurant, this system, can be activated by either fixed or mobile panic buttons. Once activated the system links the restaurant to an external monitoring centre capable of intervening to resolve crime and disorder issues and/or provide the appropriate advice or instruction to support and protect the restaurant's staff and customers.

At this restaurant all shift managers have safety and security training; including Maybo SIA accredited Conflict Management Training.

b) Public safety will be achieved by;

This restaurant is keen to work in partnership with the local Fire Service and Environmental Health Officer to ensure public safety.

This restaurant has safety systems in place to protect the safety of customers and staff at all times (such as staffsafe). We work with the local Environmental Health Officer and local Fire Service to ensure we are complying, as far as reasonably practicable, with relevant Health and Safety and Fire Safety Legislation. This restaurant is also subject to inspections from our own safety and security teams to ensure our systems are being maintained.

All of our restaurant staff receive comprehensive safety training to ensure that safe working methods are adopted and all staff are trained on the restaurant's evacuation procedure in the event of a fire or other dangerous occurrence.

This store operates a 'No Open Alcohol Containers' policy to prevent persons carrying open alcohol into the in-store area.

c) Prevention of public nuisance will be achieved by;

Litter

McDonald's were the first company in our sector to introduce litter patrols in the early 1980's. McDonald's is committed to carry out litter patrols collecting both McDonald's packaging and any other litter that has been carelessly discarded. We are happy to act on recommendations from the Environmental Health Officer

should they feel that we should extend our patrol to a nearby area, as far as this is reasonable practicable.

All of McDonald's packaging displays the 'Bin It' symbol to encourage our customers to deal with their waste responsibly. Further details regarding McDonald's commitment to reducing waste and litter nuisance can be found at the 'Our World' section of the McDonald's website:

http://www.mcdonalds.co.uk/our_world/environment/policy.shtml

Noise

Where it is practical to do so we are content to put measures in place to limit noise. All McDonald's restaurant doors are self-closing and we try to encourage our customers to be considerate to our neighbours and to limit noise both when ordering their food and on leaving the local area.

d) Protection of children from harm will be achieved by;

McDonald's do not anticipate that unaccompanied children will use the restaurant in the extended hour's period covered by this licensing application. We do however take their safety extremely seriously and will continue to employ the same practices to ensure that they are protected from harm at all times when visiting the restaurant.

e) General – all four licensing objectives

This restaurant understands that in extending our opening hours we have a duty to the local community and that we continue to protect our staff and customers from danger and harm. We believe that the systems we have in place are robust, thorough and will, as far as reasonably practicable, secure the promotion of the four licensing objectives. It should be noted that no McDonald's restaurant within the United Kingdom serves alcohol and further none of our drinks or food are served to customers in glass receptacles.

We are eager to work in partnership with all responsible authorities to ensure the promotion of the four licensing objectives. We also seek to work with the local communities, whom we serve, in achieving a successful cohesion between our business operations and our neighbours.

2.6 Relevant Representations Received

Individual, Body or Business

A representation has been received from a local resident which raises concerns of increased noise and disturbance from patrons going to and from the premises in the early morning. Concerns are also raised regarding anti-social behaviour and noise nuisance from patrons using the car park and music emanating from cars in the car park earlier in the morning. The resident also raises concerns about nuisance from smells.

The representation is attached at Appendix 3.

3. OTHER CONSIDERATIONS

Legal Appraisal

- 3.1** The Licensing Act 2003 requires the Council to carry out its various licensing functions so as to promote the following four licensing objectives:
- a) the prevention of crime and disorder
 - b) public safety
 - c) the prevention of public nuisance
 - d) the protection of children from harm
- 3.2** The Council must also have regard to the guidance issued by the Home Office under Section 182 of the Licensing Act 2003. Regard must also be taken of the Council's statement of Licensing Policy for the District.
- 3.3** Where it is decided it is necessary to depart from the statutory guidance or the Licensing Policy on the merits of a particular case; then special reasons justifying this must be given that can be sustained.
- 3.4** Only "relevant representations" can be taken into account. In order to be "relevant" a representation must fairly relate to achieving a licensing objective. If it does not, it must be discounted.
- 3.5** Any licensing conditions that Members may propose attaching must also relate to achieving one of the licensing objectives; be tailored to the actual premises and style of licensable activity; must be reasonably achievable by the applicant and in his/her control.

Statement of Policy Issues

- 3.6** The following parts of the Licensing Policy are of particular importance; Part 4 (prevention of crime and disorder) and Part 6 (prevention of public nuisance).
- 3.7** The Annexes to the Policy sets out various types of model condition that could be considered.

The Council’s powers set out in the recommendations fall within the states right. A fair balance must be struck between public safety and the applicant’s rights.

This restaurant understands that in extending our opening hours we have a duty to the local community and that we continue to protect our staff and customers from danger and harm. We believe that the systems we have in place are robust, thorough and will, as far as reasonably practicable, secure the promotion of the four licensing objectives. It should be noted that no McDonald's restaurant within the United Kingdom serves alcohol and further none of our drinks or food are served to customers in glass receptacles.

We are eager to work in partnership with all responsible authorities to ensure the promotion of the four licensing objectives. We also seek to work with the local communities, whom we serve, in achieving a successful cohesion between our business operations and our neighbours.

Prevention of Crime and Disorder

This restaurant is keen to work in partnership with the local police service to prevent crime and disorder.

CCTV

McDonald's operates a robust CCTV Policy to ensure compliance with Data Protection Legislation and to assist the Police with the prevention and detection of crime. At all stores where CCTV is in operation appropriate signage reflecting this information is displayed.

McDonald's operate digital motion activated CCTV systems where images are retained on a hard drive system. All CCTV equipment is of a standard suitable to record images of a proper quality, it meets the industry standard and has LGC Forensics or Kalagate Certification. As part of the digital system an alarm will sound if the equipment is faulty or not recording, thereby alerting management for the need to intervene. The CCTV system is regularly serviced by qualified maintenance technicians.

Access to the CCTV system will be provided to Police Officers at their request.

Staffsafe

A Staffsafe™ system with both audio and visual monitoring capability will be installed in the restaurant, this system, can be activated by either fixed or mobile panic buttons. Once activated the system links the restaurant to an external monitoring centre capable of intervening to resolve crime and disorder issues and/or provide the appropriate advice or instruction to support and protect the restaurant's staff and customers.

At this restaurant all shift managers have safety and security training; including Maybo SIA accredited Conflict Management Training.

Public Safety

This restaurant is keen to work in partnership with the local Fire Service and Environmental Health Officer to ensure public safety.

This restaurant has safety systems in place to protect the safety of customers and staff at all times (such as Staffsafe). We work with the local Environmental Health Office and local Fire Service to ensure we are complying, as far as reasonably practicable, with relevant Health and Safety and Fire Safety Legislation. This restaurant is also subject to inspections from our own safety and security teams to ensure our systems are being maintained.

All of our restaurant staff receive comprehensive safety training to ensure that safe working methods are adopted and all staff are trained on the restaurant's evacuation procedure in the event of a fire or other dangerous occurrence.

This store operates a "No Open Alcohol Containers" policy to prevent persons carrying open alcohol into the in-store area.

Public Nuisance

Litter

McDonald's were the first company in our sector to introduce litter patrols in the early 1980's. McDonald's is committed to carry out litter patrols collecting both McDonald's packaging and any other litter that has been carelessly discarded. We are happy to act on recommendations from the Environmental Health Officer should they feel that we should extend our patrol to a nearby area, as far as this is reasonably practicable.

All of McDonald's packaging displays the "Bin It" symbol to encourage our customers to deal with their waste responsibly. Further details regarding McDonald's commitment to reducing waste and litter nuisance can be found at the "Our World" section of the McDonald's website:
<http://www.mcdonalds.co.uk/ourworld/environment/policy.shtml>

Noise

Where it is practical to do so we are content to put measures in place to limit noise. All McDonald's restaurant doors are self-closing and we try to encourage our customers to be considerate to our neighbours and to limit noise both when ordering their food and on leaving the local area.

The Protection of Children from Harm

McDonald's do not anticipate that unaccompanied children will use the restaurant in the extended hour's period covered by this licensing application. We do however take their safety extremely seriously and will continue to employ the same practices to ensure that they are protected from harm at all times when visiting the restaurant.

**Ref: Objection to An Application for an Extended hours 05:00 to 00:00 monday to sunday,
(currently open from 07:00 License by McDonalds Restaurant**

Dear Sirs,

I hereby submit my opposition to McDonald's Application to operate their Restaurant operation for an extended period into the early hours of the morning.

My name is [REDACTED] and I live at [REDACTED] Rooley Lane, Bradford, BD5 8JY which adjoins the McDonald Restaurant. Having carefully perused the application and the information submitted in support, I wish you to take into account my objection to the proposed application, essentially allowing the restaurant to operate into the early hours of the morning.

The granting of Licence permission will have an overtly and patently prejudicial impact on both myself and the other residents in the direct vicinity of the restaurant. As you are aware, myself and other residents live within metres of the restaurant and already in the existing trading hours we have to live and endure noise nuisance and pollution. The granting of permission will vastly increase the disturbance to our community and particularly to me and my family throughout the period of the extension requested.

I live with my family which includes my elderly parents and a disabled relative. The situation with the present trading hours already make our lives unbearable and the granting of permission would vastly interfere with the quality of our lives and unfairly interrupt our level of quiet and peaceful enjoyment, such as it is.

The granting of Licence permission will enormously increase noise pollution to our lives as inevitably the type of people frequenting the restaurant at all hours of the night morning are, demographically, going to be all ages of people and from our immediate experience, travelling at speed with high volume music beating. This is quite unfair but a true reality of the likely position if permission is so granted.

I have noted that the Licence application as applied to extend the hours, but clearly this will not alter the noise pollution that is my concern and the concern of the neighbouring residents, as the noise emanates from the outside of the restaurant from the engines of the vehicles which are, if anything be worsened with queuing traffic, i.e. from the parking lot and not from the inside of the restaurant. Off course it is only to be expected that there would be gathering of young revellers in the parking lot en route causing further noise and other inconveniences.

In addition to the above, our lives are already blighted by the congregation of young adults and teenagers who gather in large groups late at night and this is only likely to increase. In essence, the restaurant is used by many youngsters as a social or youth club and there have been various occasions when I and other residents have had to ask groups of young people to keep their noise to tolerable levels. At times moreover, some youths have threatened violence and used swearing and insulting behaviour when asked to be quiet.

Furthermore, this restaurant is situated in a residential area surround by houses all around it, residents need to be able to sleep at night and not be woken up, previously applications have been refused, Methods like this to be able to increase its trading hours is not fair for the living residents.

Any increase in trading hours is going to inevitably going to increase the levels of smells which are already impacting on our lives.

The documentation submitted by the Applicant in support of the application is typically self-supporting and I ask the honourable planning committee to reject the artificially based information in relation to the Applicant's "perceived" noise nuisance and pollution. Only those of us residents can provide a true real life account of the impact of increased trading hours.

I urge you most humbly as a citizen of our city to reject the proposals.

Mr [REDACTED]
