Representations

The Interim Assistant Director Waste, Fleet and Transport Services presented a report (**Document “N”**) giving consideration of a Temporary Event Notice for an event to be held at the View Marquee, 119 Westgate Hill Street, Tong, Bradford. The event included the sale of alcohol and the provision of regulated entertainment;

15 February 2020 from 13.00 to 23.00 hours

The Assistant Director Waste, Fleet and Transport Services advised that since the report was prepared agreement had been reached with the applicant to modify the Temporary Event Notice that the following condition be added to the to the premises licence which took in land on which the Marquee stood:

“Noise from the provision of regulated entertainment shall be inaudible at the nearest noise sensitive premises”.

Members were further advised that Environmental Health had agreed to modification of the application with hours of operation from 14.00 to 19.00.

The City Solicitor advised members that with the changes to the Temporary Event Notice and with the additional condition, the determination of the matter was outside the remit of the Panel.

Resolved –

That in the light of the withdrawal of the objection by the Council’s Environmental

Health unit due to the modification of the application with hours of operation from 14.00 to 19.00 and with the addition of condition 6 of the premises license “Noise from the provision of regulated entertainment shall be inaudible at the nearest noise sensitive premises”, the Panel therefore noted the modified notice and the meeting was closed.
