## 2. ALLOCATION OF THE SCHOOLS BUDGET 2022/23 FINANCIAL YEAR

### Resolved that Council:

- Accepts and approves the proposals for the allocation of the 2022/23 Dedicated Schools Grant, as set out in the report.
- Approves the total amount of £665.617m to be appropriated in respect of all schools covered by the Bradford Scheme for the Local Management of Schools, so as to establish the Individual Schools Budget for 2022/23.

## 3. CAPITAL INVESTMENT PLAN 2022-23 TO 2025-26

### Resolved –

- (1) That Council had regard to the information contained within the Executive report (**Document BE**) in considering the Capital Investment Plan for 2022-23.

- (2) That commitments against reserve schemes and contingencies can only be made after a business case has been assessed by Project Appraisal Group and approved by Executive.
- (3) That delegated authority is given to Section 151 Officer to repay debt on an annuity basis, for chosen properties purchased during or after 2018-19. Delegated authority can only be exercised if two conditions are met:
  - a) the asset retains or increases its value;
  - b) the return from the capital scheme is sufficient to repay the capital sum invested.
- (4) That the proposed 2022-23 Minimum Revenue Policy set out in Appendix 2 is approved.
- (5) That specific approval be given for the following schemes previously approved by Executive to commence following a detailed review by Project Appraisal Group:
  - The 2022-23 Property Programme has a proposed total cost of £4m and this will be funded by the £2m allocated and an additional £2m.
  - Baildon Library – The £1.445m scheme is for the relocation of Baildon Library from Ian Clough Hall. The scheme will be funded by corporate borrowing and generate c £1m in corporate capital receipts.

#### **4. 2022/23 BUDGET PROPOSALS AND FORECAST RESERVES - S151 OFFICER ASSESSMENT**

##### **Resolved –**

That Members have regard to **Document BF** in setting the budget, and in particular note the conclusions that:

- the estimates presented to Council are sufficiently robust;
- the reserves are adequate for the 2022/23 proposed budget;
- the projected corporate reserves, on current estimates, are adequate in the medium term, subject to the implementation of the rest of the proposed financial plan; and
- the Medium Term Financial Strategy will be updated and reported to Executive as clarity on future local government funding is received.

As with all budgets there is the potential for amendments to be proposed/agreed which could change the overall package of proposals. In that respect, it should be highlighted that this statement would be amended or added to if a decision was proposed that lead to the Council's reserves falling below their recommended level. In addition, any other amendments would be considered against the scale of the overall budget and depending upon the extent and nature, may result in a revised statement.

***ACTION: Director of Finance***
