### 2.5 Steps proposed by the applicant to address the Licensing Objectives

a) Prevention of crime and disorder will be achieved by:

I will provide a means of two way communication to report incidents between the premises and the local police or CCTV monitoring centre.

I will install Video/CCTV equipment inside/outside the premises and ensure that it is maintained in working order.

I will set Video/CCTV equipment to record from the time that the premises open to the public until the premises close and all members of the public have left.

I will ensure that any cameras covering the exterior of the premises are left to record for the duration of the tape and for a period not less than 24 hours a day.

I will ensure that monitoring tapes are retained for at least twenty eight days and are produced to an authorised officer on demand.

I will put up notices advising that CCTV has been installed on the premises so that they are clearly visible to the public within the licensed premises.

b) Public safety will be achieved by:

Where glass bottles are used they will be retained or disposed of on the premises.

No customers will be admitted or permitted to leave when carrying open or sealed bottles or glasses.

I will ensure that the consumption of alcohol is restricted to the areas identified on the plan attached to the operating schedule.

I will ensure that a secure deposit box is kept on the premises for the retention of confiscated items and ensure that the police are advised of any items which require safe disposal.

I will be responsible for the disposal of waste on the frontage of the premises and make provision for the emptying of litter bins in the vicinity of the premises. I will ensure that lighting is provided outside the premises (and in my private car park) during the hours of darkness when any licensable activity takes place on the premises.

I will make sure that escape routes and exits including external exits are maintained to ensure that they are not obstructed, in good order with non-slippery and even surfaces, free of trip hazards and clearly identified.

I will make sure that where chairs and tables are provided, internal gangways are kept unobstructed.

I will make sure that all exit doors are easily openable and do not require the use of a key, card, code or similar means.

I will make sure that doors at such exits are regularly checked to ensure that they function satisfactorily and a record of the check is kept.

I will make sure that any removable security fastenings are removed whenever the premises are open to the public or occupied by staff.

I will make sure that all fire doors are maintained effectively self closing and not held open other than by approved devices (for examples, electromagnetic releases operated by smoke detectors).

I will make sure that fire resisting doors to ducts, service shafts and cupboards are kept locked shut.

I will make sure that the edges of the treads of steps and stairways are maintained so as to be conspicuous.

Safety checks are carried out before the admission of the public or club members and guests and details of such checks are kept in a log book.

I will make sure that hangings, curtains and temporary decorations are maintained in a flame retardant condition.

I will make sure that any upholstered seating meets on a continuous basis the pass criteria for smouldering ignition source 0, flaming ignition source 1 and crib ignition source 5 when tested in accordance with section 5 of BS5852:1990.

I will make sure that hangings, curtains and temporary decorations are arranged so as not to obstruct exits, fire safety signs or fire fighting equipment.

I will make sure that temporary decorations are not used with prior notification to the licensing authority/fire authority.

I will make sure that notices detailing the action to be taken in the event of fire or other emergencies, including how the fire brigade should be summoned, are prominently displayed and protected from damage and deterioration.

The fire brigade will be called at once to any outbreak of fire, however slight, and the details recorded in a Fire Log-book.

I will notify the local Fire Control Centre as soon as possible if the water supply to any hydrant, hose sprinkler, drencher or other fire extinguishing installation is cut off or restricted.

Access for emergency vehicles is kept clear and free from obstruction.

I will make sure that when disabled people are present, adequate arrangements exist to enable their safe evacuation in the event of an emergency, and that patrons are made aware of these arrangements.

I will make sure that adequate and appropriate supply of first aid equipment and materials is available on the premises.

I will make sure that at least 1 trained first aider will be on duty when the public are present. If more than one first aider is present, I will make sure that their respective duties are clearly defined.

In the absence of adequate daylight, I will make sure that the lighting in any area accessible to the public is fully operational.

I will make sure that Fire Safety signs are adequately illuminated.

I will not alter Emergency Lighting without prior notification to the Licensing Authority.

I will make sure that Emergency lighting batteries are fully charged before admission of the public.

In the event of failure of normal lighting, where the emergency lighting battery has a capacity of one hour, I will make sure that evacuation of the premises is possible within 20 minutes. Where the emergency lighting battery has a capacity of three hours, I will make sure that evacuation of the premises is possible within one hour.

I will not provide temporary electrical wiring and distribution systems without prior inspection by a suitably qualified electrician.

I will make sure that any temporary electrical wiring and distribution systems comply with the recommendations of BS7671 or where applicable BS7909.

Temporary Electrical Installation

I will make sure that I have valid public liability insurance in force and that a copy of the schedule is available for inspection by an authorised officer on request.

I will not alter the premises in such a way to make it impossible to comply with an existing licence condition without first seeking a variation of the premises licence.

I will make free drinking water available at all times the premises is open to the public.

c) Prevention of public nuisance will be achieved by;

I shall ensure that public information notices about crime and disorder issues are displayed at the request of the Council or local constabulary (eg Customer Code of Conduct).

I will display any conditions of entry to the premises in the vicinity of any entrance to the premises.

I will make sure that any request by an authorised officer of the Council in relation to reducing noise levels is complied with.

I will make sure that the pacing of bottles into receptacles outside the premises takes place at times that will minimise disturbance to nearby properties.

I will display prominent, clear and legible notices at all exits requesting patrons to respect the needs of local residents and to leave the premises and the area quietly.

I will ensure that offensive smells from the licensed premises are not permitted so as to cause a nuisance to nearby properties and the premises are properly vented.

Ensure that receptacles for waste are emptied regularly to minimise nuisance smells.

I will ensure that flashing or particularly bright lights on or outside the licensed premises do not cause a nuisance to nearby properties, whilst balancing the need for lighting in the interests of prevention of crime and disorder.

I will provide adequate and suitable (lidded) receptacles to receive and store refuse from the premises/site.

I will make sure that receptacles for refuse storage are maintained in a clean condition.

I will make sure litter is regularly cleared from the vicinity of the premises.

d) Protection of children from harm will be achieved by;

I will display any restrictions on the admittance of individuals according to age (eg children) on or immediately outside the premises.

I will implement a proof of age policy agreed by the police and local authority.

e) General – all four licensing objectives

I will ensure that any person selling or supplying alcoholic drink under the authority of a personal licence holder asks for a photo ID proof of age where they have reason to suspect that the individual may be under 18 years of age.

I will adopt and comply with the British Beer and Pub Association Guidelines on On-Trade Promotions..

## 2.6 Relevant Representations Received

### Individual, Body or Business

A representation has been received from a local resident, which raises concerns of public order violations and the potential detrimental effect on nearby retirement and residential properties if a licence is granted.

The representation is attached at Appendix 2.

### **3. OTHER CONSIDERATIONS**

#### **Legal Appraisal**

**3.1** The Licensing Act 2003 requires the Council to carry out its various licensing functions so as to promote the following four licensing objectives:

- a) the prevention of crime and disorder
- b) public safety
- c) the prevention of public nuisance
- d) the protection of children from harm

**3.2** The Council must also have regard to the guidance issued by the Home Office under Section 182 of the Licensing Act 2003. Regard must also be taken of the Council's statement of Licensing Policy for the District.

**3.3** Where it is decided it is necessary to depart from the statutory guidance or the Licensing Policy on the merits of a particular case; then special reasons justifying this must be given that can be sustained.

**3.4** Only "relevant representations" can be taken into account. In order to be "relevant" a representation must fairly relate to achieving a licensing objective. If it does not, it must be discounted.

**3.5** Any licensing conditions that Members may propose attaching must also relate to achieving one of the licensing objectives; be tailored to the actual premises and style of licensable activity; must be reasonably achievable by the applicant and in his/her control.

#### **Statement of Policy Issues**

**3.6** The following parts of the Licensing Policy are of particular importance; Part 4 (prevention of crime & disorder and Part 6 (prevention of public nuisance).

**3.7** The Annexes to the Policy sets out various types of model condition that could be considered.

### **4. FINANCIAL & RESOURCE APPRAISAL**

There are no apparent finance or resource implications.

### **5. RISK MANAGEMENT AND GOVERNANCE ISSUES**

There are no apparent risk management and governance implications.

### **6. LEGAL APPRAISAL**

Referred to in part 3 of this report.

**7. OTHER IMPLICATIONS**

**7.1 SUSTAINABILITY IMPLICATIONS**

There are no apparent sustainability implications.

**7.2 GREENHOUSE GAS EMISSIONS IMPACTS**

There are no apparent implications.

**7.3 COMMUNITY SAFETY IMPLICATIONS**

When determining the application the Licensing Authority is required to pay due regard to the licensing objectives referred to in 3.1 of this report.

**7.4 HUMAN RIGHTS ACT**

The following rights are applicable:

Article 1 First Protocol to the Convention – Right to peaceful enjoyment of possessions subject to the state’s right to control the use of property in accordance with the general interest. The Council’s powers set out in the recommendations fall within the states right. A fair balance must be struck between public safety and the applicant’s rights.

Article 6 – A procedural right to a fair hearing. As refusal of the application is an option, adherence to the Panels’ usual procedure of affording a hearing to the applicant is very important. The applicant should also be able to examine the requirements of the fire authority. If the decision is to refuse then reasons should be given.

**7.5 TRADE UNION**

Not applicable.

**7.6 WARD IMPLICATIONS**

Ward Councillors have been notified of receipt of the application.

**7.7 IMPLICATIONS FOR CORPORATE PARENTING**

There are no apparent implications.

**7.8 ISSUES ARISING FROM PRIVACY IMPACT ASSESMENT**

There are no apparent implications.

**8. NOT FOR PUBLICATION DOCUMENTS**

None.

## **9. OPTIONS**

### **9.1** Members may:

- (a) Grant a premises licence as applied for subject to any mandatory conditions and the precautions specified in the operating schedule submitted.
- (b) Grant a premises licence subject to such additional conditions relating to achievement of the licensing objectives as members think fit; or
- (c) Refuse the application for a premises licence.

### **9.2** Should the applicant or any other party to the hearing feel aggrieved at any decision with regard to the certificate or to any conditions or restrictions attached by Members they may appeal to the Magistrates Court.

## **10. RECOMMENDATIONS**

Members are invited to consider the information and documents referred to in this report and, after hearing individuals, bodies or businesses, determine the related application.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Continued from previous page...

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- An expired or current passport showing the holder, or a person named in the passport as the child of the holder, is a British citizen or a citizen of the UK and Colonies having the right of abode in the UK [please see note below about which sections of the passport to copy].

- A Registration Certificate or document certifying permanent residence issued by the Home Office to a national of a European Economic Area country or Switzerland.
- A Permanent Residence Card issued by the Home Office to the family member of a national of a European Economic Area country or Switzerland.
- A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder indicating that the person named is allowed to stay indefinitely in the UK, or has no time limit on their stay in the UK.
- A current passport endorsed to show that the holder is exempt from immigration control, is allowed to stay indefinitely in the UK, has the right of abode in the UK, or has no time limit on their stay in the UK.
- A current Immigration Status Document issued by the Home Office to the holder with an endorsement indicating that the named person is allowed to stay indefinitely in the UK or has no time limit on their stay in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the UK, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A birth or adoption certificate issued in the Channel Islands, the Isle of Man or Ireland when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A certificate of registration or naturalisation as a British citizen, when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.

Continued from previous page...

- A current passport endorsed to show that the holder is allowed to stay in the UK and is currently allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity.
- A current Biometric Immigration Document (Biometric Residence Permit) issued by the Home Office to the holder which indicates that the named person can currently stay in the UK and is allowed to work relation to the carrying on of a licensable activity.
- A current Residence Card issued by the Home Office to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights or residence.
- A current Immigration Status Document containing a photograph issued by the Home Office to the holder with an endorsement indicating that the named person may stay in the UK, and is allowed to work and is not subject to a condition preventing the holder from doing work relating to the carrying on of a licensable activity when produced in combination with an official document giving the person's permanent National Insurance number and their name issued by a Government agency or a previous employer.
- A Certificate of Application, less than 6 months old, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.
- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:-
  - evidence of the applicant's own identity – such as a passport,
  - evidence of their relationship with the European Economic Area family member – e.g. a marriage certificate, civil partnership certificate or birth certificate, and
  - evidence that the European Economic Area national has a right of permanent residence in the UK or is one of the following if they have been in the UK for more than 3 months:
    - (i) working e.g. employment contract, wage slips, letter from the employer,
    - (ii) self-employed e.g. contracts, invoices, or audited accounts with a bank,
    - (iii) studying e.g. letter from the school, college or university and evidence of sufficient funds; or
    - (iv) self-sufficient e.g. bank statements.

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:-

- (i) any page containing the holder's personal details including nationality;
- (ii) any page containing the holder's photograph;
- (iii) any page containing the holder's signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

Continued from previous page...

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Ilkley

Tues 6<sup>th</sup> April 2021

To whom it may concern.

I am writing in objection to the Alcohol Premise Licence application made by one "Sally Brumfitt" on behalf of New Brook Street Deli  
5-7 New Brook Street, Ilkley, LS29 8DQ.

The already very high number of licenced premises in Ilkley is becoming of grave concern to myself and others in the local area.

Given the ongoing, and increasing public order violations in and around the park and the area close to the suspension bridge and pebble beach, I can only foresee this problem becoming even more prevalent if there is yet another outlet en-route to these areas where people can purchase alcohol.

There are also retirement apartments in very close proximity as well as other residential properties (many of which including young children) that would also feel the detrimental effects of this business being granted an alcohol premise licence.

I hope you will take my strong, and justifiable objections into consideration.

Yours faithfully
