**Representations**

The Interim Assistant Director Waste, Fleet and Transport Services presented a report (**Document "F"**) which outlined an application for the variation of a Premises Licence to extend permitted hours for the sale of alcohol for consumption off the premises.

It was explained that since the production of the report the applicant had offered the following conditions to be placed on the licence:

1. The premises licence holder shall ensure the removal of the arcade machine to the front of the property with immediate effect. Also, no further machines or devices will be installed that may cause a gathering to the front of the shop.
2. The external lighting will be placed on a system that allows the brightness to be adjusted downwards after 23.00.

In light of the above the Environmental Health Officer and Councillor Sajawal had confirmed that they wished to withdraw their representations. As there were no other representations it was explained that the variation would be granted as applied for with the addition of the two conditions.

**Action: Interim Assistant Director, Waste, Fleet and Transport Services.**
