1. **RECOMMENDATIONS TO THE EXECUTIVE**

The Executive received the following recommendation from the Bradford South Area Committee meeting held on 8 and 29 September 2022 regarding the Bradford South Locality Plan 2022-25:

That the Executive be requested to review how the Council can better integrate its services to prioritise delivery of the Locality Plan within Bradford South as well as in other locality plan areas.

Note: In receiving the above recommendation the Leader stated that the Executive would agree with the sentiments expressed in the recommendation, adding that the additional resources that had been put into Neighbourhoods would assist in the delivery of the Locality Plan and that the role of the Area Coordinator was also crucial in this aspect.

5. LEVELLING UP FUNDING ROUND 2

Resolved –

(1) That further limited development and feasibility work on the proposal be approved prior to formal notification of the outcomes of the Government appraisal, where this would be essential to meet delivery timeline if bids are successful. Costs would be funded from the Project Feasibility reserve.

(2) That it be noted that officers have assessed the 4 proposals and identified that further feasibility work will be required for the large-scale Bradford South proposal to meet required delivery timescale. The Bradford South proposal is a complex project, requiring phased delivery with key interdependency related to the delivery programme of the City of Culture resulting in particularly challenging timescales.

(3) That it be noted that feasibility work would encompass the Park

and Ride proposal, land decontamination, Solar Farm proposal and the development of the Richard Dunn site.
