This consultation will go live immediately following this meeting and will have a closing date for responses of 6 February 2023.

This consultation follows from discussions in the 7 December Schools Forum meeting about the knock on implications for our decision making timetable of the late publication by the DfE of the 2023/24 Early Years Block settlement and operational guidance. These were published by the DfE on 16 December.

Recommended –

The Forum is asked for its formal feedback on the proposals. Members are asked to provide their feedback under agenda item 12. The outcomes of the consultation will be presented to the Forum on 8 March. However, this will be after Council has taken its final decisions on DSG arrangements for 2023/24 on 23 February.

Members are asked to note that the recommended allocation of the 2023/24 Early Years Block, and Early Years Single Funding Formula arrangements, presented to this meeting are put forward on the basis that the Authority's proposals are implemented. Any variance from this in the final arrangements, as agreed by

Council, including changes as result of consultation feedback, will be presented to the Forum on 8 March.

81 - 108

The Principal Finance Officers (Schools) and the Business Advisor (Schools) will present a report, **Document PO**, with Appendices 1-6.

Appendices 1a, 1b and 1c show the indicative values of allocations to be delegated to individual primary and secondary maintained schools and academies within the Schools Block.

Appendix 1d provides an analysis of the change in cost of Schools Block formula funding following the use of the data collected in / based on the October 2022 Census. Modelling previously presented to the Forum has been based on October 2021 Census data.

Appendices 2a, 2b and 2c show the proposed indicative rates of funding for early years settings for the 2023/24 financial year. These rates are shown, prior to the completion of the consultation on our Early Years Single Funding Formula (which closes on 6 February).

Appendix 3 provides a more detailed analysis of how the High Needs Block planned budget has been constructed at individual setting level. Please note that Appendix 3 does not show the values of allocations that high needs providers will actually receive in 2023/24 (as these will be based on monthly occupancy during the year).

11. UPDATED DSG MANAGEMENT PLAN (i)

109 -
130

The Business Advisor (Schools) will present a report, **Document PP**, which is an update of the Authority's Management Plan for the Dedicated Schools Grant. This Plan was first presented to the Schools Forum in January 2021.

The Plan explains the general management principles that guide our decision making and then focuses on High Needs Block matters. Alongside this Plan is presented a list of specialist places planned to be commissioned in 2023/24 and a future year forecast of the High Needs Block.

The Education and Skills Funding Agency (ESFA) now expects that every authority will present to their Forums a Management Plan, which explains their DSG's financial position, the risks of overspending and deficit, and the actions that an authority is taking either for deficit avoidance or for deficit recovery, as appropriate. The plan should include benchmarking and demand-led data, to provide context to the financial picture and which enables a focus to be retained on value for money. A plan is specifically required where an authority's DSG account is in deficit. In these circumstances, an authority is required to submit its plan to the ESFA. This is not the case in Bradford, as our DSG account is in surplus.

The Forum is asked to note the information provided. This will inform decisions and recommendations to be made under agenda item 12.
