1. SUMMARY

The Licensing Panel are asked to consider a personal licence following a conviction of a relevant offence by the holder of that licence.

2. BACKGROUND

2.1 Personal Licence

Personal licences are issued by the Licensing Authority where the applicant resides, and applicants must hold an accredited licensing qualification. Once granted, a personal licence remains valid unless surrendered, suspended, revoked or declared forfeit by the Courts.

A personal licence was granted to Mr Vijay Kumar Patel on 19 September 2019. A copy of the personal licence is attached at Appendix 1.

- 2.2** Since 06 April 2017, a Licensing Authority which issued a Personal Licence is now able to suspend (for up to 6 months) or revoke a Personal Licence, where the Licensing Authority becomes aware that an individual holding a personal licence has been convicted of a relevant offence or a foreign offence, a foreign offence being an equivalent offence committed in any place other than England and Wales, or if the holder has been required to pay an immigration penalty. This is a discretionary power.

A list of relevant offences is attached at Appendix 2.

- 2.3** LA 2003 Section 128 provides that where the holder of a personal licence is charged with a relevant offence, he must, produce to the court the personal licence, or notify the court of the existence of the personal licence and the identity of the relevant licensing authority and of the reasons why he cannot produce the licence. A person commits an offence if he fails, without reasonable excuse, to comply with this section.

The Licensing Authority has been unable to obtain information from West Yorkshire Magistrates Court, as to whether Mr Patel disclosed to the Court that he holds a personal licence.

- 2.4** LA 2003 Section 132 places an obligation on the licence holder to notify the Licensing Authority of any conviction of a relevant offence. A person commits an offence if he fails, without reasonable excuse, to comply with this section.

The Licensing Authority was notified by West Yorkshire Police that the personal licence holder had been convicted of a relevant offence as defined in Schedule 4 of the Act. Mr Patel did not inform the Council as Licensing Authority of the relevant offence.

Details of the offence are attached at Appendix 3.

- 2.5** Where the Licensing Authority becomes aware that a holder of a Personal Licence has been convicted of a relevant offence or foreign offence and is considering revocation or suspension of the licence, notice must be sent to the holder of the Personal Licence inviting the Personal Licence Holder to make representations regarding the conviction within 28 days. This notice cannot be sent until after the period for lodging an appeal against the conviction for a relevant offence has passed. Where an appeal has been lodged, it must be decided and the conviction upheld in order for the Licensing Authority to exercise its powers.

The West Yorkshire Magistrates convicted Mr Patel of the offence of driving a motor vehicle when alcohol was above the prescribed limit (offence date 19 January 2022) contrary to Section 5 (1) (a) of the Road Traffic Act 1988 and Schedule 2 of the Road Traffic Offenders Act 1988

Mr Patel was found guilty of the offence on 9 March 2022.

The court disqualified Mr Patel from driving.

A copy of the notice served on Mr Patel is attached at Appendix 4.

- 2.6** Mr Patel has not responded to the notice.

 - c) the prevention of public nuisance
 - d) the protection of children from harm
- 3.2** The Council must also have regard to the guidance issued by the Home Office under Section 182 of the Licensing Act 2003. Regard must also be taken of the Council's statement of Licensing Policy for the District.
- 3.3** LA2003 Section 132A This section applies where a licensing authority has granted a personal licence and it becomes aware that the holder of the licence has been, at any time before or after the grant of the licence—
- (a) convicted of any relevant offence or foreign offence, or
 - (b) required to pay an immigration penalty.

The relevant licensing authority may—

- (a) suspend the licence for a period not exceeding six months, or
- (b) revoke the licence.

If the relevant licensing authority is considering whether to suspend or revoke the licence, the authority must give notice to the licence holder.

The notice must invite the licence holder to make representations regarding—

- (a) the relevant offence, foreign offence or immigration penalty that has caused the relevant licensing authority to issue the notice,
- (b) any decision of a court under section 129 or 130 in relation to the licence, and
- (c) any other relevant information (including information regarding the licence holder's personal circumstances).

The licence holder may make representations to the relevant licensing authority within the period of 28 days beginning with the day the notice was issued.

Before deciding whether to suspend or revoke the licence the Licensing Authority must consider:

- a) any representations made by the licence holder
- b) any decision of a court to forfeit or suspend the personal licence of which the licensing authority is aware, or any suspension of that decision on appeal; and

Dear Sir

**LICENSING ACT 2003 – Notice to consider whether to revoke or suspend a
Personal Licence.
Personal Licence – 214930**

I write regarding information provided by West Yorkshire Police stating that on the 9 March 2022, at Bradford Magistrates Court, you were convicted of the following offence;

Driving a motor vehicle with excess alcohol (offence date 19/01/2022) and disqualified from driving due to this offence.

The Court should have been informed that you hold a personal licence.

The Licensing Act 2003, Schedule 4 sets out the relevant offences in regards to a personal licence holder. A conviction under section 5, Road Traffic Act 1988, is classed as a relevant offence.

Under section 132A of the Licensing Act 2003, local authorities can revoke or suspend (maximum of 6 months) a personal licence.

In light of the above conviction, the licensing authority for City of Bradford Metropolitan District Council is giving you notice that they are considering revoking or suspending your personal licence, 214930.

You have 28 days beginning from the date this notice was issued to provide representations that will be considered before a final decision is made.

Your representation can make comments in regards to the following:

- The relevant offence that caused City of Bradford Metropolitan District Council to issue this notice,

- Any decision of the court under section 129 or 130 of the Licensing Act 2003 in relation to your personal licence. Section 129 allows the court to order the forfeiture of the licence or order its suspension for a period not exceeding six months. Section 130 relates to an appeal of the decision made by the court in regard to a decision made under section 129.

- Any other relevant information. This can include information regarding personal circumstances etc.

Please provide any representation by the 4 August 2022.

Once your representation is received, a meeting of the Licensing Sub-Committee will be held where a decision will be made to revoke your personal licence, suspend your personal licence, issue a written warning or take no further action. You will be informed of the date of the hearing and be invited to attend and speak if you wish to do so.

If the Sub-Committee decide to suspend, issue a written warning, or take no further action, we are required by law to inform the Chief of Police, and ask them to provide representations on your case considering the objective of the prevention of crime and disorder. Any response received from the police will be considered, and a second hearing may take place to consider the information available (e.g. if the police object to the original decision). Should such a second hearing be appropriate, then you will be informed of the date of the hearing and be invited to attend and speak if you wish to do so.

Following the hearing and decision process outlined above, you will be notified of the final decision.

If the decision of the Sub-Committee is to revoke or suspend your licence at either of these hearings you will have the right to appeal that decision. Further information will be provided to you in the event such a decision is made.

Yours faithfully

Good Afternoon,

We recently received an application for Angela Boyle to become the new DPS of Tipple Bar, Barry Street. We have her personal licence number as 2521.

Whilst carrying out our checks, we note that Boyle was recently convicted of a relevant offence, as defined by the Licensing Act 2003. That offence being "**Permit production/attempted production on premises of a controlled drug – class B Cannabis**" with a conviction date of 29/10/2020 at Bradford Crown Court. The sentence was a suspended imprisonment 6 months – wholly suspended for 18 months.

This would mean that the sentence would not be spent until 29 April 2022. Unfortunately we are not privy to whether Boyle informed the Court that she was a personal licence holder or not and was hoping that your records may show if you were or were not aware of this matter. We could submit papers to the Court but I would doubt that we would get an answer prior to the date of the sentence being spent and, therefore, would ask for your assistance in this matter.

If you need anything more from me, please do not hesitate to give me call or email.

Kind Regards

Tony

Dear Madam

**LICENSING ACT 2003 – Notice to consider whether to revoke or suspend a
Personal Licence.
Personal Licence – 092432**

I write regarding information provided by West Yorkshire Police stating that on the 29 October 2020, at Bradford Crown Court, you were convicted of the following offence;

Permit production/attempted production on premises of a controlled drug – class B Cannabis.

The Court should have been informed that you hold a personal licence.

The Licensing Act 2003, Schedule 4 sets out the relevant offences in regards to a personal licence holder. A conviction under section 4(2), Misuse of Drugs Act 1971, is classed as a relevant offence.

Under section 132A of the Licensing Act 2003, local authorities can revoke or suspend (maximum of 6 months) a personal licence.

In light of the above conviction, the licensing authority for City of Bradford Metropolitan District Council is giving you notice that they are considering revoking or suspending your personal licence, 092432.

You have 28 days beginning from the date this notice was issued to provide representations that will be considered before a final decision is made.

Your representation can make comments in regards to the following:

- The relevant offence that caused City of Bradford Metropolitan District Council to issue this notice,

- Any decision of the court under section 129 or 130 of the Licensing Act 2003 in relation to your personal licence. Section 129 allows the court to order the forfeiture of the licence or order its suspension for a period not exceeding six months. Section 130 relates to an appeal of the decision made by the court in regard to a decision made under section 129.

- Any other relevant information. This can include information regarding personal circumstances etc.

Please provide any representation by the 4 August 2022.

Once your representation is received, a meeting of the Licensing Sub-Committee will be held where a decision will be made to revoke your personal licence, suspend your personal licence, issue a written warning or take no further action. You will be informed of the date of the hearing and be invited to attend and speak if you wish to do so.

If the Sub-Committee decide to suspend, issue a written warning, or take no further action, we are required by law to inform the Chief of Police, and ask them to provide representations on your case considering the objective of the prevention of crime and disorder. Any response received from the police will be considered, and a second hearing may take place to consider the information available (e.g. if the police object to the original decision). Should such a second hearing be appropriate, then you will be informed of the date of the hearing and be invited to attend and speak if you wish to do so.

Following the hearing and decision process outlined above, you will be notified of the final decision.

If the decision of the Sub-Committee is to revoke or suspend your licence at either of these hearings you will have the right to appeal that decision. Further information will be provided to you in the event such a decision is made.

Yours faithfully

Mrs M McGurk
