

Agenda for a meeting of the Bradford West Area Committee to be held on Thursday, 30 November 2023 at 5.30 pm in Committee Room 1 - City Hall, Bradford

Members of the Committee – Councillors	<i>Alternates - Councillors</i>
LABOUR	LABOUR
Alipoor	<i>Ahmed</i>
Amran	<i>Duffy</i>
Azam	<i>Engel</i>
Ibrar Hussain	<i>Arshad Hussain</i>
Kamran Hussain	<i>Shabir Hussain</i>
Kauser	<i>Lal</i>
Nazir	<i>Mohammed</i>
Regan	<i>Mullaney</i>
Shaheen	<i>Thirkill</i>

Notes:

- This agenda can be made available in Braille, large print or tape format on request by contacting the Agenda contact shown below.
- The taking of photographs, filming and sound recording of the meeting is allowed except if Councillors vote to exclude the public to discuss confidential matters covered by Schedule 12A of the Local Government Act 1972. Recording activity should be respectful to the conduct of the meeting and behaviour that disrupts the meeting (such as oral commentary) will not be permitted. Anyone attending the meeting who wishes to record or film the meeting's proceedings is advised to liaise with the Agenda Contact who will provide guidance and ensure that any necessary arrangements are in place. Those present who are invited to make spoken contributions to the meeting should be aware that they may be filmed or sound recorded.
- If any further information is required about any item on this agenda, please contact the officer named at the foot of that agenda item.

Decisions on items marked * are not Executive functions and may not be called in under Paragraph 8.7 of Part 3E of the Constitution.

From:

Asif Ibrahim
Director of Legal and Governance

To:

Agenda Contact: Asad Shah, Committee Secretariat, City Hall, Bradford BD1 1HY
Phone: 01274 432280; E-Mail: asad.shah@bradford.gov.uk

A. PROCEDURAL ITEMS

1. ALTERNATE MEMBERS (Standing Order 34)

The Director of Legal and Governance will report the names of alternate Members who are attending the meeting in place of appointed Members.

2. DISCLOSURES OF INTEREST

(Members Code of Conduct – Part 4A of the Constitution)

To receive disclosures of interests from members and co-opted members on matters to be considered at the meeting. The disclosure must include the nature of the interest.

An interest must also be disclosed in the meeting when it becomes apparent to the member during the meeting.

Notes:

- (1) *Members must consider their interests, and act according to the following:*

Type of Interest	You must:
<i>Disclosable Pecuniary Interests</i>	<i>Disclose the interest; not participate in the discussion or vote; and leave the meeting <u>unless</u> you have a dispensation</i>
<i>Other Registrable Interests (Directly Related) OR Non-Registrable Interests (Directly Related)</i>	<i>Disclose the interest; speak on the item <u>only if</u> the public are also allowed to speak but otherwise not participate in the discussion or vote; and leave the meeting <u>unless</u> you have a dispensation</i>
<i>Other Registrable Interests (Affects) OR Non-Registrable Interests (Affects)</i>	<i>Disclose the interest; remain in the meeting, participate and vote <u>unless</u> the matter affects the financial interest or well-being</i> <i>(a) to a greater extent than it affects the financial interests of a majority of inhabitants of the affected ward, and</i> <i>(b) a reasonable member of the public</i>

knowing all the facts would believe that it would affect your view of the wider public interest; in which case speak on the item only if the public are also allowed to speak but otherwise not do not participate in the discussion or vote; and leave the meeting unless you have a dispensation.

- (2) *Disclosable pecuniary interests relate to the Member concerned or their spouse/partner.*
- (3) *Members in arrears of Council Tax by more than two months must not vote in decisions on, or which might affect, budget calculations, and must disclose at the meeting that this restriction applies to them. A failure to comply with these requirements is a criminal offence under section 106 of the Local Government Finance Act 1992.*
- (4) *Officers must disclose interests in accordance with Council Standing Order 44.*

3. MINUTES

Recommended –

That the minutes of the meeting held on 25 October 2023 be signed as a correct record (previously circulated).

(Asad Shah – 01274 432280)

4. INSPECTION OF REPORTS AND BACKGROUND PAPERS

(Access to Information Procedure Rules – Part 3B of the Constitution)

Reports and background papers for agenda items may be inspected by contacting the person shown after each agenda item. Certain reports and background papers may be restricted.

Any request to remove the restriction on a report or background paper should be made to the relevant Strategic Director or Assistant Director whose name is shown on the front page of the report.

If that request is refused, there is a right of appeal to this meeting.

Please contact the officer shown below in advance of the meeting if you wish to appeal.

(Asad Shah – 01274 432280)

5. PUBLIC QUESTION TIME

(Access to Information Procedure Rules – Part 3B of the Constitution)

To hear questions from electors within the district on any matter this is the responsibility of the Committee.

Questions must be received in writing by the Director of Legal and Governance in Room 112, City Hall, Bradford, BD1 1HY, by mid-day on Tuesday 28 November 2023

(Asad Shah – 01274 432280)

B. BUSINESS ITEMS

6. BRADFORD WEST LOCALITY PLAN - PROGRESS UPDATE 2022/23 1 - 82

As part of the Council-wide programme of 'Strengthening Locality Working', Neighbourhood and Community Services worked with other Council services and partner agencies to develop five Locality Plans, one for each constituency that make up the Bradford District.

The report of the Bradford West Area Co-ordinator (**Document "G"**) gives an update on the progress achieved towards addressing the locality-wide priorities set out in the Bradford West Locality Plan during 2022/23.

Recommended –

- (1) The Bradford West Area Committee is invited to comment on the Locality Plan – Progress Update 2022/23, as set out in Appendix A of this report.**

- (2) The Area Committee requests that the Bradford West Area Co-ordinator, accompanied by the Chair of Bradford West Area Committee, presents a progress report to the Area Committee in 12 months' time, setting out the progress and achievements made for each of the priorities detailed in the Bradford West Locality Plan during 2023/24.**

(Arshad Mahmood – 01274 432597)

7. YOUTH SERVICE UPDATE - BRADFORD WEST 83 - 102

This report of the Strategic Director, Place (**Document "H"**) gives an update on work undertaken by the Youth Service in the Bradford West

Area in the past 12 months and outlines the direction of travel for the next 12 months.

Recommended –

That the work undertaken by the Youth Service in the Bradford West Area as detailed in this report be welcomed.

(Arshad Mhmood – 01274 432597)

8. ALLOCATION OF WEST YORKSHIRE MAYOR'S CLIMATE COMMUNITY GRANT SCHEME (BRADFORD) 103 - 116

The report of the Bradford West Area Co-ordinator (**Document “I”**) summarises the applications received from eligible local organisations, across the Bradford West Constituency, from West Yorkshire Mayor's Climate Community Grant Scheme (Bradford).

Recommended –

- (1) That the Area Committee agree the proposals for the funding allocations as outlined at Appendix B.**
- (2) That the Grants Advisory Group be thanked for their work with this funding.**

(Arshad Mahmood – 01274 432597)

THIS AGENDA AND ACCOMPANYING DOCUMENTS HAVE BEEN PRODUCED, WHEREVER POSSIBLE, ON RECYCLED PAPER

Report of the Bradford West Area Co-ordinator to the meeting of Bradford West Area Committee to be held on 30th November 2023

G

Subject:

BRADFORD WEST LOCALITY PLAN – PROGRESS UPDATE 2022/23

Summary statement:

As part of the Council-wide programme of ‘Strengthening Locality Working’, Neighbourhood and Community Services worked with other Council services and partner agencies to develop five Locality Plans, one for each constituency that make up the Bradford District. This report gives an update on the progress achieved towards addressing the locality-wide priorities set out in the Bradford West Locality Plan during 2022/23.

EQUALITY & DIVERSITY:

The Locality Plans are being developed in consultation with a wide variety of partners with the aim of ensuring that the voices of all communities in the Locality are heard. This has included specific targeting, to ensure the views of minority groups, and those whose voices are seldom heard, are engaged in the process.

David Shepherd, Strategic Director of Place

Portfolio: Cllr Abdul Jabbar

Overview & Scrutiny Area:

Neighbourhoods & Community Services

1. SUMMARY

As part of the Council-wide programme of 'Strengthening Locality Working', Neighbourhood and Community Services worked with other Council services and partner agencies to develop five Locality Plans, one for each constituency that make up the Bradford District. This report gives an update on the progress achieved towards addressing the locality-wide priorities set out in the Bradford West Locality Plan during 2022/23.

2. BACKGROUND

- 2.1 The vision for the Strengthening Locality Working approach is to build safe, strong and active localities where citizens and local leaders are empowered to work alongside public agencies and partners to address local needs and issues. Working collaboratively and creatively, they utilise local assets, resources and opportunities to enhance community capacity and tackle inequalities. People are at the heart of service design and delivery, and experience coordinated support within their localities and only need to tell their story once. A stronger focus on prevention and early help promotes better outcomes for local people and helps reduce the need for statutory interventions wherever possible.
- 2.2 To achieve this vision the project advocates a stronger role for Bradford Council and its partners as a leader and place shaper, aligning delivery and resources, renewing the emphasis on the role of Area Committees, and supporting local councillors in their capacity as democratic champions.
- 2.3 The project has seen the strengthening of resource and capability within Neighbourhood & Community Services, including the recruitment of 15 Assistant Ward Officers and five Stronger Communities Participation & Engagement Officers and a broadening of the role and influence of Area Co-ordinators as convenors of place.
- 2.4 This work is underpinned by developing arrangements for a Council-wide locality approach to prevention and early help that promotes collaboration between Council colleagues, and with wider partner agencies, to better support individuals, families and communities across the district. By prevention we mean, preventing or delaying problems from arising in the first place so that everyone across the Bradford District – whatever locality they come from – can live a long, healthy, and full life. In turn, Early Help is about tackling problems head-on when they emerge, intervening early before problems escalate. At the heart of both Prevention and Early Help is a constant focus on what's strong, not what's wrong. We work closely with communities to make the most of their assets, resources and opportunities, empowering citizens and local leaders to work alongside public agencies and partners to address local needs in a collaborative and creative way.
- 2.5 This re-dressing of the balance which emphasises an asset-based approach to tackling inequalities and neighbourhood issues, alongside the more dominant deficit-based model, requires a shift in both thinking and practice which challenges

existing ways of working and therefore takes time, commitment and support at all levels of the organisation, to implement successfully.

This does not, however, mean that one approach is better than the other. Working together, assets-based approaches add value to the deficit model by:

- Identifying the range of protective and well-being promoting factors that act together to support well-being and the policy options required to build and sustain these factors.
- Promoting citizens as co-producers of well-being rather than simply as consumers of services, thus reducing the demand on scarce resources.
- Strengthening the capacity of individuals and communities to realise their potential for contributing to the development of their neighbourhoods.
- Contributing to more equitable and sustainable social and economic development and hence the goals of other sectors.

2.6 As this has been the first year of implementing the Locality Plans much of the work has been focused around bringing the relevant people together to explore how best to address the priorities in the Plan. Work has been done to further develop inter agency support and ownership of the themes and priorities, and the action needed to address them.

Neighbourhood & Community Services have led on, or contributed to, this work in the Bradford West locality which is demonstrated within the Bradford Locality Plan and its appendices.

2.7 A key initiative developed by Neighbourhood & Community Services over the past year has been a strength-based approach to working with individuals looking for prevention and early help support in communities, called 'Neighbourhood Connect'. This takes referrals from people themselves, Neighbourhood Wardens, Councillors, Adult Social Care's Independence Advice Hub and many other sources. Ward officers or assistant ward officers then have a strengths-based conversation with the person to determine how they could best connect them with services, activities and groups in their community to give them the most appropriate support which will contribute to their well-being and ability to live a fulfilled life.

2.8 Neighbourhood & Community Services are aware that key performance indicators and other appropriate measures of success need to be developed for the priorities in the Locality Plans and have acknowledged the over-aspirational nature of the goal setting in the original plans. Work has begun on revising these so that they better reflect what is realistically achievable, and this will be continued over the current year. The following principles set the overall context for this work and will continue to guide the setting of locality priorities:

- Increase organisational resilience through a common understanding and approach to locality working.
- Evidence outcomes delivered against the Council and District plan priorities.

- Promote community capacity and improve outcomes to be delivered for communities.
 - Reduce inequalities and improve access to support for individuals and communities.
 - Allow individuals and communities to access multi-disciplinary early help that ultimately prevents/reduces/delays the need for intervention by statutory services.
- 2.9 This work will be informed by, and be undertaken alongside, the development of a Neighbourhood & Community Services Prevention & Early Help strategy which will set out the ways in which the service currently leads on, and contributes to, prevention and early help for individuals and communities, and the future direction for the development of the service.
- 2.10 This report presents a progress update of the 18 locality-wide priorities in the Bradford West Locality Plan during 2022-23 (Appendix A). The priorities set out in the Locality Plan align with the six 'priority outcome areas' that make up the Council Plan 2021-25.
- 2.11 Appendix B contains six Case Studies, one for each of the six priority outcome areas, which highlight an example of the nature of the work being done to address these priorities in the Bradford West locality.
- 2.12 The Locality Plan also includes six Ward Plans which set out the priorities and outcomes for each of the wards covering the Bradford West Locality. Progress against these are reported to Bradford West Area Committee.

3. OTHER CONSIDERATIONS

- 3.1 The Locality Plan sets out an ambitious set of priorities for Bradford Council, working with its partner agencies, communities and residents to address over 3 years. This is building on the important work that Bradford Council and its partners have done over recent years.

4. FINANCIAL & RESOURCE APPRAISAL

This work falls within the current budget and resources of the Neighbourhood Service and other existing Council and partner agency resources that are available for joint working to address the Locality Plan priorities.

5. RISK MANAGEMENT AND GOVERNANCE ISSUES

A key purpose of Strengthening Locality working is to reduce the demand on services.

6. LEGAL APPRAISAL

There are no legal implications directly arising from this progress report. Legal input provided on the current projects have included advice on grants, procurement and subsidy control and further legal input will be provided as required.

7. OTHER IMPLICATIONS

7.1 SUSTAINABILITY IMPLICATIONS

One of the key themes in the Locality Plan aims to increase sustainability across the Area.

7.2 TACKLING THE CLIMATE EMERGENCY IMPLICATIONS

Locality approaches should reduce travel.

7.3 COMMUNITY SAFETY IMPLICATIONS

Community Safety issues will be addressed within the Locality Plan.

7.4 HUMAN RIGHTS ACT

No known issues.

7.5 TRADE UNION

No known issues.

7.6 WARD IMPLICATIONS

There will be positive implications for all Wards in Bradford West if the Strengthening Locality Working programme achieves its objectives.

7.7 AREA COMMITTEE LOCALITY PLAN IMPLICATIONS

This report details progress being made to address the 18 priorities in the Bradford West Locality Plan.

7.8 IMPLICATIONS FOR CHILDREN AND YOUNG PEOPLE

The views of young people have been considered in the development of the Locality Plan through a District wide survey and through consultation in Youth Work settings.

7.9 ISSUES ARISING FROM PRIVACY IMPACT ASSESMENT

No known implications

8. NOT FOR PUBLICATION DOCUMENTS

None

9. OPTIONS

- 9.1 Decisions related to Locality Plans are the responsibility of the relevant Area Committee. Therefore, this report is presented to the Executive for information, discussion and comment.

10. RECOMMENDATIONS

- 10.1 The Bradford West Area Committee is invited to comment on the Locality Plan – Progress Update 2022/23, as set out in Appendix A of this report.
- 10.2 The Area Committee requests that the Bradford West Area Co-ordinator, accompanied by the Chair of Bradford West Area Committee, presents a progress report to the Area Committee in 12 months' time, setting out the progress and achievements made for each of the priorities detailed in the Bradford West Locality Plan during 2023/24.

Insert Powerpoint:

Appendix B: Case Studies

Bradford West Locality Plan 2022-25

Progress update – 2022/23

This plan aligns our District and Council plan objectives with local neighbourhoods, it incorporates the direction of travel for our District ensuring a strong, healthy and fair society, living within environmental limits, achieving strong, resilient and prosperous communities. This plan brings those communities closer together with service providers to plan and deliver better services which meet the needs of the people who use them.

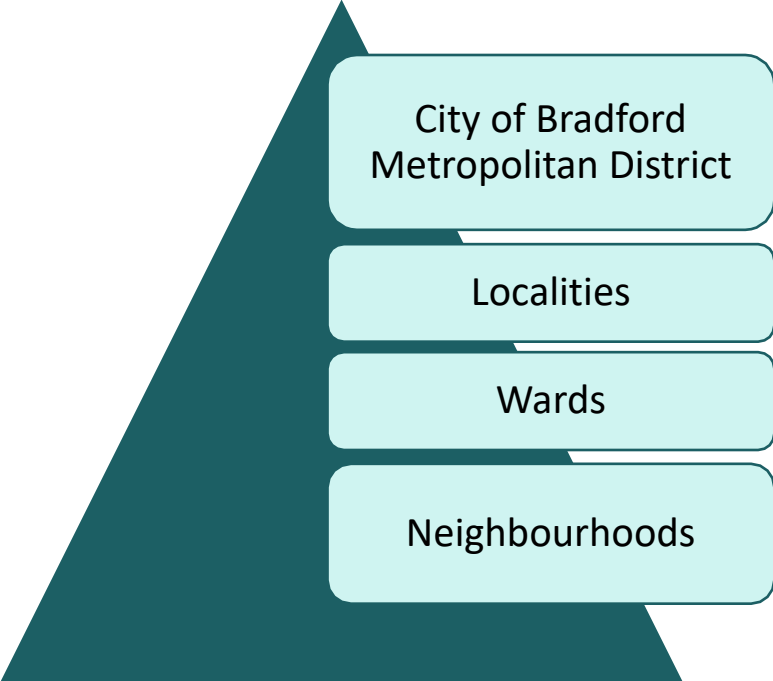

The localities plan incorporates broad strategic aims in order to deliver tangible actions in neighbourhoods and communities, incorporating Bradford's sustainability goals, the JSNA and the cultural strategy working hard towards targeting the inequalities that our communities may experience. During the listening and engagement phase of this plan, participants were overwhelmingly clear that we celebrate and grow the existing strengths, skills and positivity to build further achievements through a prevention and early intervention ethos.

Bradford West covers a diverse area from Bradford city centre to beyond Thornton and to the Calderdale boundary. We take in urban, suburban and rural, residential and industrial areas. It includes well known locations such as the National Media Museum, Valley Parade, Bradford Royal Infirmary, St Luke's Hospital, Chellow Dene, Heaton Woods, Listers Mill, Bradford University and College, Lister Park and Museum and Heaton Woods. Our mix of communities includes single pensioner households, large families with young children, and people from many different religious and cultural backgrounds.

Bradford West incorporates the City centre which is overflowing with investment, growth and restructuring, this undoubtedly has a positive impact on the neighbourhoods in Bradford West leading to increased local jobs, opportunity and investment. Parks and open spaces have been revitalised through direct Council investment, encouraging healthy lifestyles, ensuring a better mix of play spaces provision close homes, as well as destination facilities like the investment in Lister Park. Bradford West has seen recent investment in preventative Mental Health Hubs, transformational change in family play and physical activity through the JU:MP programme and the increased connectivity with the West Bradford Cycling Superhighway.

This means residents in Bradford West can expect to benefit from clean, green environments. The route improvement programme on the A650 Bradford Road / Keighley Road / Manningham Lane/Hamm Strasse into a high-quality green route with improvements for buses, pedestrians and cyclists, will have a direct positive impact on resident of Bradford West. The introduction of the Clean air zone will result in improved health outcomes for residents. In 2021/22 the VCS sector has an uplift of over £270,000 through the Councils ARG fund, investing in sustainability, entrepreneurialism and future proofing much needed community buildings.

Definition of Terms

City of Bradford
Metropolitan District

Localities

Wards

Neighbourhoods

Locality:

The physical geographies in which locality working is delivered; primarily the 5 constituencies of Keighley, Shipley, Bradford West, Bradford East and Bradford South. Also known as an 'Area'.

Ward:

An administrative division of a locality that elects and is represented by 3 ward councillors. There are 6 wards per locality and 30 wards in total.

Neighbourhood:

At sub-ward level, residents may identify with a particular neighbourhood e.g. Braithwaite. This is a more informal local structure.

Prevention:

Preventing or delaying problems from arising in the first place so that everyone across the Bradford District – whatever locality they come from – can live a long, healthy, and full life.

Early Help:

Tackling problems head-on as soon as they emerge, intervening early before problems escalate.

There are 3 important levels at which decisions are made across Bradford; District, Locality and Ward. Sub-ward level neighbourhoods exist through a more informal arrangement.

About the Locality Plan

What is the plan?	Why have one?	How did we develop it?	How do we deliver it?	Who's involved?
<ul style="list-style-type: none"> • A working document for what we want to achieve to create as good a quality of life as possible for the people living here. • It includes information about our strengths, needs and issues and informs our key local priorities. • Some priorities relevant to the whole of Bradford West locality while others are ward specific. 	<ul style="list-style-type: none"> • It will focus our attention on the key strengths and challenges in West Locality and help address them. • It focusses on prevention and early help, so that everyone can live a long, healthy and full life. • It makes sure that what we do locally is involved in bigger plans for the District. 	<ul style="list-style-type: none"> • We used the latest local data and intelligence to develop local priorities. • We had a number of Priority Setting Workshops with a range of local voices in the room. • The plans were subject to public consultation and have been agreed by the Area Committee. 	<ul style="list-style-type: none"> • Now we know our key priorities, we can develop a detailed action plan to help us deliver them. An action log will help us track positive impact makes sure everybody involved knows what else we need to do. • The Area Committee monitors the plan to make sure we're making progress. 	<ul style="list-style-type: none"> • Everybody living in the West locality can make a difference! • We need different local services and organisations working together with local people and communities to address our key priorities.

Page 12

What are the Bradford District Priority Outcomes (2022-25)?
 Better Skills, More Good Jobs and a Growing Economy; Decent Homes; Good Start, Great Schools; Better Health, Better Lives; Strong, Safe and Active Communities; and a Sustainable District.

Bradford West Locality Priorities

Bradford District Priority Outcomes 2021-25	Locality Wide Priorities 2022-25
Better Skills, More Good Jobs and a Growing Economy	<ol style="list-style-type: none"> 1. Work with Employment agencies to bridge the skills gap with bespoke support to residents and businesses 2. Support Business leaders with sustainability and diversification opportunities with local supply chains 3. Improve access for micro businesses to training providers to reduce skills gap.
Decent Homes	<ol style="list-style-type: none"> 1. Empower tenants to know their rights to address quality of private-rented accommodation 2. Develop a locality-based landlord network, to support inform and develop improved rental and HMO properties 3. Ensure holistic partnership working to support residents through financial and winter pressures.
Good Start, Great Schools	<ol style="list-style-type: none"> 1. Ensure targeted support for young people at risk of Criminal and Sexual Exploitation 2. Enhance co-produced family assessment and interventions with Youth services and Childrens Early Help 3. Support and learn lessons from the Act locally programme ensuring activity is connected and based on the places our children live and learn.
Better Health, Better Lives	<ol style="list-style-type: none"> 1. Co-ordinate activity through the Core20plus5 strategy that will target health inequalities. 2. Integrate priorities of the Community Partnerships into a single locality-based collaborative. 3. Integrate Active Bradford physical activities actions into daily business through successful delivery of JUMP programme
Safe, Strong and Active Communities	<ol style="list-style-type: none"> 1. Celebrate and share community strengths across the West Locality 2. Increase and promote opportunities for resident and communities to lead on local community development 3. Address issues dangerous driving and high levels of Road Traffic related deaths and injuries
A Sustainable District	<ol style="list-style-type: none"> 1. Work with community and experts to co-produce knowledge and awareness of climate emergency issues. 2. Co-ordinate interventions to improve recycling, reusing and repair messages. 3. Take a zero-tolerance approach to fly-tipping.

Better Skills, More Good Jobs and a Growing Economy

Priorities

1. Work with Employment agencies to bridge the skills gap with bespoke support to residents and businesses
2. Support Business leaders with sustainability and diversification opportunities with local supply chains
3. Improve access for micro businesses to training providers to reduce skills gap.

Better Skills, More Good Jobs and a Growing Economy

Actions, Outcomes and Progress

Actions	Outcomes	Progress
<p>1. Collaborate with partners to identify opportunities and processes that exist for ensuring that skills initiatives address the specific needs of the Bradford West Locality and work to highlight the specific needs of West.</p> <p>2. Establish a representative forum of local businesses to promote and increase joint planning and working in the locality</p> <p>3. Collaborate with partners, including Bradford College, Bradford BID, Made in Manningham, BTHFT, DWP and Social Enterprises to respond to skills gaps.</p>	<p>1. Stronger involvement in District-wide skills initiatives by representatives able to voice the needs and issues faced by the Bradford West Locality.</p> <p>2. Well networked grassroots businesses engaged and knowledgeable of the strategic vision for Bradford.</p> <p>3. Improved access to upskilling and retraining opportunities.</p>	<p>1. Developing partnership working approach with key stakeholders through the Area Leadership Team. These include Skills House, community facilities and businesses.</p> <p>2. Each neighbourhood investigating and working with businesses and the Council Economic Development Unit to support grass root businesses</p> <p>3. Across all Ward Leadership meetings Ward officers are collaborating with key partners in their wards to develop initiatives and projects to address issues of skills gaps as well as emerging with all communities in their Wards. Recently we have undertaken an initiative with Bradford University, who have allocated a space for the local students and communities so they can work together.</p>

Priorities

1. Empower tenants to know their rights to address quality of private-rented accommodation.
2. Develop a locality based landlord network, to support inform and develop improved rental and HMO properties.
3. Ensure holistic partnership working to support residents through financial and winter pressures.

Decent Homes

Actions, Outcomes and Progress

Actions

1. Co-ordinate a communication and engagement project which enables quick and easy access for tenants to a single point of access, for, help advice and guidance.
2. Establish a Bradford West network of private landlords, linked with industry experts.
3. Build on strong relationships with VCE, faith and business organisations to respond collectively with a co-ordinated offer of warm, dry spaces for vulnerable individuals and families.

Outcomes

1. More tenants particularly from minority backgrounds who know what the minimum levels of housing condition should be and where to ask for help.
2. Increased sharing of good practice, collaboration and uplift numbers and variety of good quality housing.
3. Specifically help to families and individuals who will be adversely impacted by the Financial and fuel crisis.

Progress

1. Working with Social Housing providers across Bradford West locality to support their tenants providing help guidance and advice regarding gaining access to social housing. We have worked with Incommunities, Yorkshire Housing, Manningham Housing Association, Places for People, Accent Housing and Horton Housing
2. Private Sector Housing have developed a Bradford District working group to investigate options of supporting the Private Sector. Currently in process of rating each private rented property for energy efficiency.
3. Working with local community organisations through combined funding process to support families

Priorities

1. Ensure targeted support for young people at risk of Criminal and Sexual Exploitation
2. Enhance co produced family assessment and interventions with Youth services and Childrens Early Help
3. Support and learn lessons from the Act locally programme ensuring activity is connected and based on the places our children live and learn.

Good Start, Great Schools

Actions, Outcomes and Progress

Actions

1. Working in partnership with West Yorkshire Police and Safer Communities Partnership at a localities level directing targeted interventions at families and children identified as most at risk.
2. Co-ordinate the joint resources, experience and knowledge of the Youth Service and Early help childrens teams to identify and support families in need.
3. Supporting and working alongside the Act Locally programme to positively impact the Mental Health of Children in Bradford West.

Outcomes

1. Best possible co-ordinated prevention and early intervention support for families with Children who are at risk.
2. Improved communication and partnership working between partner agencies in having a positive impact on the lives of children, young people and their families.
3. Co-ordinated early intervention systematic approach to supporting children and young people experiencing poor Mental Health support.

Progress

1. Area Leadership Teams working closely with partners to reduce exploitation of young people and children. Recently been supported by Serious Organised Crime funding to support local community organisations in developing early help and prevention models.
2. Work by Bradford West Youth Officers is having a positive impact arising from improved communication or partnership working through projects like Youth in Mind and Ward Leadership Teams. Working with key partners from Bradford West Family Hub, Social Services and the Bradford West Neighbourhood Policing Team.
3. Through Act Locally the voice of children and young people is being heard and acted upon by key partners.

Priorities

1. Co-ordinate locality activity through the Core20plus5 strategy that will target health inequalities.

2. Integrate priorities of the three Community Partnerships into a single locality based working collaborative.

1. Integrate Active Bradford physical activities actions into daily business through successful delivery of JUMP programme

Better Health, Better Lives

Actions, Outcomes and Progress

Actions

1. Collaborate on a locality wide work plan that incorporates Act as One , living well, Partnerships for People Place, Mental health hubs and JUMP work streams in Bradford West Locality
2. Firmly establish the Bradford West Community Partnership Collaborative, with shared priorities, activities, processes and mutual support.
3. Deliver the 2 commissioned JU:MP co-ordinator projects, establish sustainable joint activities group, uplift local greenspaces for physical activity and increase levels of physical activity in local families

Outcomes

1. Increase access to timely and inclusion support for lifestyle choices, including information ensuring successful work is built on rather than duplicated
2. Ensure a system wide approach to undertaken to address health inequalities within Bradford West to support service users, PCNS and communities address their mental health and physical needs using a prevention approach.
3. Integrate physical activity into a system wide way of working, including delivering behaviour change with in all communities.

Progress

Locality working has allowed all three Community Partnerships, Quadrant, Together for Health and Horton City Health and JU:MP collaboratives to projects for communities across Bradford West. These include, Sports activities for children, Maternity circles, Community Health checks, Community Road Show, around Young Parent and Families, Family Crisis Support for those in most need of financial support and mental health support and Men's Mental health.

We are working with enabler programmes, Wellbeing Hubs, Bradford West Family Hub, Digital inclusion team, Living well, Stronger Communities and Reducing Inequalities Managers.

Bradford West are successfully delivering on the two commissioned JU:MP projects. Green spaces highlighted and plans in place for legacy developments which will support local communities becoming more physically active.

Priorities

1. Celebrate and share community strengths across the West Locality.
2. Increase and promote opportunities for resident and communities to lead on local community development projects.
3. Address issues of dangerous driving and high levels of Road Traffic related deaths and injuries.

Safe, Strong and Active Communities

Actions, Outcomes and Progress

Actions

1. Promote 'People Can' and citizen led initiatives and the work done in Bradford West by local residents, VCS, Faith and business groups as models of good practice and sustainability.
2. Lead on work that is strengths based and which celebrates 'what's strong' in our neighbourhoods. Celebrate and share learning from community activist and activity.
3. Work in collaboration with WYP, Highways teams, and Safer Roads teams to develop a programme of information, awareness and prevention

Outcomes

1. Benefit from an increase in people engaging and leading civic participation and community led change.
2. Communities achieve more from community-led initiatives which connect the assets within the community and lead to an increase in more sustainable positive improvements in those neighbourhoods and communities.
3. Residents are aware of the action that is being taken to address Anti social Driving and feel more confident to report their concerns.

Progress

1. Across Bradford West we have developed 'People Can' projects with key partners, Police, Ward Councillors, Community Groups, Schools, Health Partners, these have included litter picks, unadopted back street projects, allotment projects, Speed Watches etc
2. Held a Bradford West Community Stars event. Celebrated some 'legends' of the past community work in Bradford West. Also celebrated the current community centres and the work they do and did to get their communities through COVID and Cost Of Living.
3. Working in partnership with Highways, Police, Wardens, Councillors, Wardens, businesses and residents to deliver projects such as 'Eid' and 'Bonfire period', ensuring communities area safe.

Priorities

1. Work with community and experts to co produce knowledge and awareness of climate emergency issues.
2. Co-ordinate interventions to improve recycling, reusing and repair messages.
3. Take a zero tolerance approach to fly-tipping.

A Sustainable District Actions, Outcomes and Progress

Sustainable development should be a cross-cutting priority and principle underpinning all of the action taken in regard to the previous five themes.

Page 25

Actions	Outcomes	Progress
<p>1. Ensure all of our communities from every background are aware of the impact of Climate change and the critical actions they can take, both big and small to become more sustainable.</p>	<ol style="list-style-type: none">1. Cleaner and better looking local environment2. More households recycling more items3. More individuals and groups involved in growing food	<p>We have supported schools in Bradford West to apply for the Bradford Clean Air Schools Programme (CASP) the £500,000 fund offered grant of £250 to £10,000 per school. Some of the projects applied for included, relocation of seating and play areas away from roads, ventilation and air filtration, behaviour change programmes, providing bespoke information such as air quality monitoring and walking maps Green Infrastructure.</p> <p>We have also support sustainability through grant programme for Climate Change for local community organisations.</p> <p>Projects carried out across Bradford West are cross cutting and impact sustainability.</p>

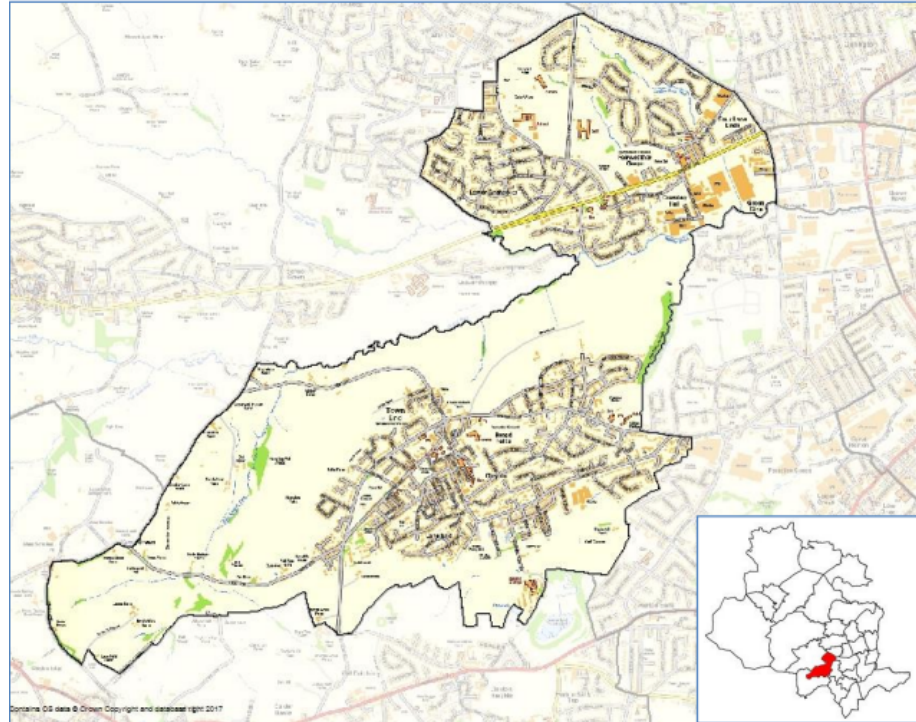

City of
BRADFORD
METROPOLITAN DISTRICT COUNCIL

Clayton and Fairweather Green

Locality Plan

2022-25

Ward Priorities – Clayton and Fairweather Green

Bradford District Priority Outcomes	Ward Priorities – Clayton and Fairweather Green
Better Skills, More Good Jobs and a Growing Economy	<ol style="list-style-type: none"> 1. To establish mini employment & education hub where there is a need. 2. To bring community providers together to improve residents employability chances. 3. Connecting and encouraging new communities to use local providers and facilities to gain the skills to secure a local job.
Decent Homes	<ol style="list-style-type: none"> 1. Explore partnership working between local communities and policymakers to address flooding. 2. Work with private sector housing and social housing providers to improve poor housing stock. 3. To work with partners to look at different ways to improve awareness and relations between communities and partners.
Good Start, Great Schools	<ol style="list-style-type: none"> 1. To work with local schools to set up active groups to raise awareness, develop ideas and implement practical solutions. 2. Work with community organisations to share resources and promote existing social networks for children and families. 3. Support Bradford West family hub in improving levels of development for children in early years including parental support.
Better Health, Better Lives	<ol style="list-style-type: none"> 1. Promote and signpost people to accessible support services and sessions. 2. Support community organisations as providers of age-friendly networks. 3. Develop a partnership approach with a focus on prevention and early intervention to improve mental wellbeing and resilience.
Safe, Strong and Active Communities	<ol style="list-style-type: none"> 1. Encourage community activities promoting civic pride. 2. Support and encourage young people to talk to services and build relationships and trust in a safe environment. 3. Work with the Police to build and strengthen community relationships and look at ways to encourage more reporting and feedback to residents.
A Sustainable District	<ol style="list-style-type: none"> 1. Promote awareness and provide practical tips to help residents make a change. 2. Promote and support communities to be cleaner and greener. 3. Identify suitable locations and look at practical measures for on-street charging points.

Better Skills, More Good Jobs and a Growing Economy

Actions, Outcomes and Progress – Clayton and Fairweather Green

Actions

1. To establish mini employment & education hubs taking services to where the need is, such as Thornaby Hub.
2. Identify providers who can work with Young People who are at risk of becoming NEET.
3. To support new and emerging communities to gain skills to secure local jobs.

Outcomes

1. Deliver several sessions with partners and Thornaby Hub Centre Manager.
2. Information advice worker to deliver several sessions.
3. To explore community surgeries/advice sessions in community settings.

Progress

1. Successful ARG Business Grant Funding. Appointed local Centre Manager for 12 months 25 hrs/5 days. this has led to running successful for residents.
2. Developed a partnership approach with the Employment Co-ordinator for in communities to the Clayton Warm Spaces Network to arrange attending venues to support anyone who is 16 plus to find employment, over a 3-month period.
3. English for Everyone Programme delivered in several community venues across Bradford. 236 learners participated in Bradford West. JK Singh (Incommunities Employment Co-ordinator). Investigating options to trial a session at Thornaby Hub/Event to start building relationships.
Agreed to refer individuals and let the Co-ordinators know of any events that they can attend.

Decent Homes

Actions, Outcomes and Progress – Clayton and Fairweather Green

Actions

1. Encourage partnership working between local residents and policy makers to make improvements on the impact new housing has on flooding and local infrastructure.
2. Encourage and support service providers to bring properties, including empty homes into good repair.
3. Develop an ongoing programme of information and engagement highlighting the ways residents can engage and influence long term population and regeneration planning.

Outcomes

1. To receive alerts and hold community meetings at the earliest opportunity when new housing development applications are submitted. To identify funding for flood preventative measures, such as the becks to cope with increased surface water from new housing developments and climate change, flood resilience grants for individual homes, and consider including conditions in approved planning applications that will prevent further flooding, such as planting more trees to help regulate temperature by cooling overheated urban areas, which can reduce flood risk by absorbing surface rainwater, etc.
2. Engage more with Social Housing providers, such as Accent, Incommunities, Premier and Muir Housing to improve homes. Explore the opportunity with Incommunities and Accent, the main social housing providers in delivering regular advice sessions in community hubs.
3. Hold regular awareness days to give practical energy efficiency tips, information and advice to improve energy rating of homes on uninsulated homes, new windows, etc, and support residents living in poverty

Progress

1. Flood resilience grants and flood defence systems in place for individual homes on Middlebrook View, Crescent & Way. Ward officers worked with land drainage, local resident and Councillors to inform, co-ordinate and support residents in applying for the grant. There were 15 household grants processed.

Area office to work closely with land drainage regarding flood preventative measures to allow the becks to cope with increased surface water during heavy rainfall.
2. Meeting with Incommunities to build closer links with Councillors and Ward office to look at the increased number of enquiries Councillors receive at their surgeries, from the Thornaby Estate. The priority for Incommunities tenants is housing advice regarding bedroom tax.
3. Positive relations made with Accent Housing officer & Councillors re: Clervaux & Badsworth Courts. Some partnership work taken place with the Police re: ASB issues & accessing the courts. Regular Ward Leadership Team meeting held with housing association, youth services, police to develop a partnership approach in dealing with issues on Clervaux and Badsworth Court.

The Money Matters team project Thornaby Hub Centre Manager to gain an understanding of how they can assist with the area re: debt advice & resolution, food parcels & warmth packs. Sara Bates to make contact

Good Start, Great Schools

Actions, Outcomes and Progress – Clayton and Fairweather Green

Actions

1. Develop a network/forum to support Initiatives with and in Schools to raise awareness on emerging issues that are a priority to the local community.
2. Continue the legacy of JUMP and BiB interventions to initiate practical projects supporting long term behaviour change in young people, schools and families on physical and mental health improvement.
3. Work with the Early years' prevention and intervention hub, to support young families, and children.

Outcomes

1. Set up active working groups with local schools to address local priorities.
2. Mapping & sharing of existing social networks that provide and support children and families.
3. Mapping & sharing of local activities, out of school support and other local events.

Progress

1. After damage to local farmer's walls, pupils prodding sheep, injury to livestock from litter. Cow Close footpath (thoroughfare from Low Lane (Clayton to Beckfoot Thornton school (Thornton)/cross ward partnership) – regular fly tipping issues. Working alongside, schools and ward officers to organise litter picks.
2. Bradford West Family Hub have been doing outreach work to provide support to children and families in Clayton Fairweather Green.
3. Road safety team attended assemblies to give Educational Talks and highlight the dangers to foster further discussions with their parents. Banners on the school fencing are rotated with messages re: parking safely. Site visits with the road safety officers to identify additional road safety measures. Ward office arranged 3 days of action with the Parking Wardens, Police and school caretakers. 23 parking charge notices (PCNs) were issued.

Better Health, Better Lives

Actions, Outcomes and Progress – Clayton and Fairweather Green

Actions

1. Alongside the Community Partnership use Health networks to invest in early intervention and prevention projects to directly impact older people isolation, physical health and mental wellbeing.
2. Facilitate the delivery of living well projects using local knowledge and expertise.
3. Improve mental wellbeing and resilience of adults and children through a partnership approach to prevention and early intervention with education providers, NHS, the police and the voluntary and social sectors.

Outcomes

1. Mapping of projects, activities & events for older residents who are vulnerable and at risk of isolation, by promoting via all platforms to reach as many residents as possible, not just social media. Identifying the gaps for future funding/new projects through the Community Partnership and Primary Care Network.
2. To explore the option of street champions or age-friendly networks where there is a need or gap to provide support for vulnerable & isolated residents, befriending service, or other activities.

Progress

1. Quadrant community partnership are working together to invest in early intervention, partners include community centres, NHS, GP's, Area Co-ordinators office and the youth service who work closely with CAHMS who support young people experiencing poor mental health, or difficult feelings or experiences.
2. Clayton Warm Spaces Network established 12 September '22 to provide a warm space & activities for families across 6 venues in Clayton.

Safe, Strong and Active Communities

Actions, Outcomes and Progress – Clayton and Fairweather Green

Actions

1. Create opportunities for residents to take part in community and civic life and strengthening leadership.
2. Support and encourage young people to talk to services and providers to help understand needs and build better relationships and trust in community settings.
3. By working with WYP increase trust in uniformed services and decrease the fear of crime through community engagement, outreach and collaborative projects with local community organisations.

Outcomes

1. To encourage and support residents to come together and actively improve their local environment by volunteering as a street champion, help as a neighbourhood watch co-ordinator, set up a community group, get involved in organised activities, such as clean-ups, reporting issues.
2. To build relationships & trust with residents on the Thornaby estate/hub and work closely with the new Community Centre Manager. NB. Need to provide activities, support or initiatives for 5 to 11 years.
3. Police neighbourhood support officer and other services to support and encourage residents to come together and get involved to make those improvements.

Progress

1. Developing courses at Thornaby Hub to support residents in developing their neighbourhood. Working in partnership in with housing associations to engage their tenants in community activities.
2. Holiday activity funding bid successful at Thornaby Hub to facilitate activities over the summer break including family fundays.
3. Through days of action the police and other services build positive relationships with residents, to come together, get involved to make progressive changes to their and for their community.

A Sustainable District

Actions, Outcomes and Progress – Clayton and Fairweather Green

Actions

1. Raise awareness in local communities of the impact of the climate emergency on the lives of people in Clayton & FWG, using appropriate communication and engagement tools, so that it does not seem like a distant problem.
2. Support communities to reduce, reuse and recycle principle, to support the climate emergency.
3. Expand the network of electric vehicle charging points and number of electric vehicles.

Outcomes

1. To deliver no of awareness days with key partners, such as Incommunities on climate change & recycling by providing practical tips and information on reducing fuel costs, energy consumption (poor insulation & help households access funding to improve energy efficiency), reduce, reuse & recycle in community venues??
2. Identify locations and work with partners to plant more trees, particularly where flooding is an issue, and improve green spaces, through initiatives such as 'Tree for every child' to plant more than 55,000 new trees, one for each primary school pupil.
3. Identify suitable locations that can install and support electric vehicle charging points and look at practical measures for on-street charge points, such as kerb build out or plinth or lampposts. Some authorities have introduced channels for the cables along the footpaths where individual properties have charging points to prevent a hazard/trip. Work with Planning to add charging points to new and change of use applications.

Progress

1. Neighbourhood wardens and the recycling team have visited clayton primary school and Crossley hall school and given talks around environmental issue and recycling.
2. Plans were made with Dixons Allerton school on Rhodesway for trees to be planted
3. InstaVolt Charging Station has been built on a new shopping complex so when people go shopping, they can charge their cars. The planning rules for installing charge points will depend on whether the dwelling has off-street parking or on-street parking. If you have off-street parking, you will likely be able to install a home charger under permitted development rights, this may change if you live in a conservation area or listed building Permitted development rights do not extend to on-street parking, in these circumstances you will be required to apply for planning permission.

City Ward

Locality Plan

2022-25

City Ward Priorities

Bradford District Priority Outcomes	Ward Priorities – City Ward
Better Skills, More Good Jobs and a Growing Economy	<ol style="list-style-type: none"> 1. Mapping/training job support and promote employability projects 2. Regenerating business areas; Great Horton Road and Ingelby Road 3. Connecting BAME communities with educational and job opportunities
Decent Homes	<ol style="list-style-type: none"> 1. Improve the environment inner city areas by supporting & educating residents on taking responsibility for their gardens and streets. 2. Work with private sector/social landlords to improve property standards to support vulnerable communities, reduce overcrowding. 3. Support energy efficiency measures across city ward, focusing on the most vulnerable communities.
Good Start, Great Schools	<ol style="list-style-type: none"> 1. Support Schools to open on evenings and weekends and use the resources for the community. 2. Work with schools to educate pupils on civic roles and responsibilities. Combating issues, littering/fly tipping and climate change. 3. Working with public health, Schools, local community groups and organisations to tackle malnutrition in children. 4. Schools and faith organisations to work in partnership in supporting young peoples education and development.
Better Health, Better Lives	<ol style="list-style-type: none"> 1. Tackle Inequalities in access to NHS services such as GP and Dentist, focus on supporting the online booking systems. 2. Improve health and well being by supporting local initiatives around health. 3. Improve the environment to enable a healthier life style.
Safe, Strong and Active Communities	<ol style="list-style-type: none"> 1. Work on ASB issues. Target hot spot areas including City centre, Great Horton Road/Summerville Road, Ivanhoe Road. 2. Improve youth engagement and education. Supporting businesses in developing business watches. 3. Support communities in developing people can initiatives including Friends of Groups, Litter picking Neighbourhood watches
A Sustainable District	<ol style="list-style-type: none"> 1. Target complex streets, provide a holistic approach to solutions in areas such as, Frank Street and Summerville Road 2. Provide information and support regarding the Bradford Clean air zone being introduced in 2022 which will reduce emissions. 3. Support development and accessibility of green spaces for physical activity and health and wellbeing. 4. Facilitate affordable, eco friendly housing improvements.

Better Skills, More Good Jobs and a Growing Economy

Actions, Outcomes and Indicators – City

Actions

1. Mapping/training job support in the community to improve access to the jobs market.
2. Regenerating business areas;
 - Great Horton Road
 - Ingelby RoadEnsuring local businesses and residents are involved in the process.
3. Connecting members from emerging minority communities with educational and job opportunities.

Outcomes

1. Increased number of adults in full time employment.
2. Visitors feeling safer and more welcome when shopping. Creating a more vibrant experience.
3. Increased members from emerging minority communities accessing training and getting employment opportunities. Working with partners like Connecting Roma.

Indicators

1. Engagement data and increase in referrals to training providers.
2. Increase in footfall. Survey Data, Business Conversations
3. Employment statistics, community conversations

Decent Homes

Actions, Outcomes and Indicators – City

Actions

1. Adopt a multi-agency approach to inner city housing where environmental issues persist. Work with wardens, recycling staff and PCSO's to ensure landlords and tenants are aware of their responsibilities.
2. Take action against private and social sector landlords whose properties are neglected and have rubbish in gardens. Promote the Council app for reporting fly tipping and problematic properties.
3. Work with charities and home improvement companies to improve energy performance within City ward. Support householders most in need to get grants and upgrades they may be eligible.

Outcomes

1. Tenants/Landlords are aware of their responsibilities and increased confidence to engage with uniform staff.
2. Improve pride in the local area, including gardens and streets. More residents aware of reporting methods and taking responsibility for their neighbourhood.
3. Improve energy efficiency amongst households. Better eco ratings in City ward and reduction in emissions.

Indicators

1. Community spirit, number of engagements and feedback.
2. More feedback/reporting, improved appearance of the neighbourhood and resident feedback.
3. More up to date and environment friendly households. Reduced energy consumption and better standards of living.

Good Start, Great Schools

Actions, Outcomes and Indicators – City

Actions

1. Council wardens and officers/partners deliver projects in schools around local issues which affect the community and Civic roles.
2. Use Schools/faith centres as community hubs and look at evening/ weekend opening times to cater for individuals otherwise unavailable.
3. Explore and support networking opportunities for schools/community groups to work in partnership to address key issues being faced by children and local communities.

Outcomes

1. Create a generational change and engage more young people to be part of community work.
2. Maximising community resources by opening on evenings and weekends. Engaging with parents/children otherwise unavailable. Targeting hard to reach residents.
3. Better links between schools. Improved access to resources.

Indicators

1. Young people engaging with initiatives , session data
2. Young people's feedback improvement in attainment levels.
3. Families supported and active children
4. Joint workshops, meetings and collaboration.

Better Health, Better Lives

Actions, Outcomes and Indicators – City

Actions

1. Introduce health champions to volunteer with key surgeries/Dentists to support with online booking forms and triage, especially with those that may not be computer literate.
2. Work closely with faith groups and community centres to support projects that tackle vulnerable groups with communities.
3. Work with partners to set up health initiatives, referral and signposting of residents to public health programmes i.e. with food charities/community groups/ schools to support families facing food poverty.

Outcomes

1. More people able to book online appointments, more equality in accessing NHS services.
2. More people taking part in physically activities. Improved physical/mental health
3. Healthier and informed residents across all communities.
4. More chances for people to take responsibility for their own health
Increased opportunities to engage in an active lifestyle

Indicators

1. Increase number of online appointments.
Engagement with people attending sessions
Residents engaging with consultations around health and well-being and wider determinants of health.
2. People taking part in activities accessing outside spaces.
3. Number of people interacted with and signposted. Number of programs and groups.

Safe, Strong and Active Communities

Actions, Outcomes and Indicators – City

Actions

1. Identify ASB and drug crime hotspots and develop a partnership approach to tackle these long term issues. Developing neighbourhood plans to tackle these issues.
2. Work with businesses along Great Horton Road to develop and promote Business Watch.
3. Work with the youth service to give young people a voice in their locality
4. Use social media, Facebook, Twitter and Instagram to promote Area Office work to help set up more: friends of groups, litter picks and neighbourhood watches.

Outcomes

1. Better quality of life, safer neighbourhood
More residents aware of how to report concerns, reduced issues with parking, off road vehicles, dangerous driving.
2. Better relationships with businesses and understanding of some of the issues they face, develop ideas for regeneration
3. Young people more involved in their community.
4. More community cohesion and participation. Promotion of 'People Can'

Indicators

1. Crime statistics, ASB incidents reported.
2. Number of meetings, number of participants.
3. Young people engaging in sessions /activities
4. Increased number of groups.

A Sustainable District

Actions, Outcomes and Indicators – City

Actions

1. Support local groups involved with projects to improve the outside environment. Improve green spaces – bringing derelict areas into use. Work with groups to develop green spaces for the use of community allotments.
2. Work with charities and government to improve EPC rating of properties in City ward by providing free eco upgrades. Using our social media platforms to advertise the benefits.
3. Work with partners and residents to develop projects that increase recycling. Engage partners to improve 'grot-spots' and work with residents to look at sustaining improvements.

Outcomes

1. More people using green spaces
2. More eco-friendly properties on the district.
3. Increase in numbers of people participating in initiatives. Improvement in recycling rates/physical appearances of neighbourhoods. Increase in local pride and willingness to report fly tipping/waste issues.

Indicators

1. Number projects/activities taking part on green spaces.
2. Increase in energy performance score
3. Improved Recycling rates, promoted campaigns, reduction in reports of fly tipping, increased 'grot-spots' cleared, more residents involved in clean-ups.

City of
BRADFORD
METROPOLITAN DISTRICT COUNCIL

Heaton

Locality Plan

2022-25

Ward Priorities

Bradford District Priority Outcomes	Ward Priorities – Heaton Ward
Better Skills, More Good Jobs and a Growing Economy	<ol style="list-style-type: none"> 1. Mapping/training job support projects 2. Regenerating Bradford West business areas including; <ul style="list-style-type: none"> • Keighley Road • Howarth Road 3. Support Young People to get qualifications and get better jobs working with partners including Incommunities, university, college and schools.
Decent Homes	<ol style="list-style-type: none"> 1. Work with local partners including the council energy efficiency support such as warmer homes team, Incommunities and local charities. 2. Good and supportive infrastructure for local communities when new developments are built. 3. Support private tenants/landlords who let out sub standard properties and not eco friendly.
Good Start, Great Schools	<ol style="list-style-type: none"> 1. Council policy on food and working with NHS – Community Health Partnerships to make a long term plan to tackle obesity/ diabetes prevalent in some communities in Bradford 2. Support young people to achieve the qualifications needed to secure a job 3. Support Schools to open on evenings and weekends, develop projects alongside jump to improve health and activity amongst young people.
Better Health, Better Lives	<ol style="list-style-type: none"> 1. Tackle Inequalities in accessing health services - Public Health to ensure gaps on service provision are met and accesses to local services are maintained. 2. More work/education and enforcement on environmental issues such as fly tipping and working with schools to change behaviours. 3. Promote Healthy lifestyles by increased publicity supported by jump project.
Safe, Strong and Active Communities	<ol style="list-style-type: none"> 1. Support communities to develop community groups and take ownership of their neighbourhood and issues affecting it. 2. Develop on community cohesion and work with community/faith for better integration. 3. Build confidence in community services and develop face to face engagement within local communities.
A Sustainable District	<ol style="list-style-type: none"> 1. Encourage more recycling and liaise with local businesses to reduce waste. 2. Work closely with schools/community groups/residents/businesses to help support initiatives and raise awareness on emerging issues, such as climate change and environmental matters.

Better Skills, More Good Jobs and a Growing Economy

Actions, Outcomes and Progress – Heaton

Actions

1. Map what is available for training and skills across Heaton Ward. Promote employability initiatives, support community enterprise - upskilling people in neighbourhoods, linking in with Skills and Employability Services.
2. Support business areas with improvements to make areas more attractive and safer example set up businesses watches and business forums to support the developments in the area.
3. Support hubs to develop Initiatives which enable members of emerging communities to access training/education and employment.

Outcomes

1. List of support services and venues that provide training and advice, which show gaps and opportunities for training support.
2. Held forums with residents and business owners feel safer and making these areas more attractive for investment.
3. Establish accessible training session with training providers.

Progress

1. We charted the Heaton Ward to establish training sessions with an accredited training provider, CECOS. Once the gaps were identified we linked up CECOS with Frizinghall Primary School and skills house to deliver training programs in a familiar community environment that was used by local families.

2. Engaged with local business around how to make the area look more tidier to make investment better in the area. Held a public meeting with residents and business around ASB issue on Haworth road with police and Alison Lowe (Deputy Mayor for Policing and Crime).
3. Through the Heaton Ward Leadership we have developed a project with CECOS and put them in touch with schools and community centres to start running projects within those local settings.

Decent Homes

Actions, Outcomes and Progress – Heaton

Actions

1. Develop an ongoing programme of information and engagement highlighting the ways residents can engage and access energy efficiency advice and support
2. Encourage partnership working between residents and policy makers to make sustainable improvements when developing new housing schemes in Heaton Ward.
3. Encourage and support service providers to bring properties, including empty homes into good repair, support landlords and tenants.

Outcomes

1. Residents better understand what is available for making their homes more energy efficient and services have a vehicle to engage with local people in Heaton.
2. Social and Private Housing providers regularly engage with local communities to ensure their developments are sustainable and meeting the needs of the local community.
3. Area will improve both environmentally and aesthetically. And working between partners.

Progress

1. We set up a partnership with local councillors, Home Group and Incommunities to look at initiatives to improve housing standards regarding energy efficiency lighting etc. We have also taken part in joint days of action, working in collaboration to ensure we are able to engage with residents from multiple agencies.
2. We set up a strategic group with private sector housing to investigate options to improve housing standards in Heaton. We are also Coordinating community clean ups with Home Group and residents to ensure a clean visible environment.
3. Environmental Wardens and Enforcement Officers have worked closely to identify properties that required enforcement action and worked with landlords to make changes. There are also better reporting mechanisms for issues relating to Incommunities properties on Lynnfield Estate.

Good Start, Great Schools

Actions, Outcomes and Progress – Heaton

Actions

1. Support Public Health and Community Partnership to make a long-term plan to tackle obesity/ diabetes prevalent in some communities across Heaton Ward.
2. Support children achieve educationally high standard's by utilising out of our schools, community centres for education and developing links with schools and faith organisations to see how both can support eachother and children.
3. Promote active lifestyles for young people in and out of school – work with the JU;MP project.

Outcomes

1. Resident will have access and additional support they need to tackle obesity and diabetes
2. More options for children to learn outside school hours. Faith organisations and schools and learn from eachother and provide better opportunities for children to do well.
3. Greater partnership working and more sessions including play opportunities for children across Heaton Ward.

Progress

1. JU:MP project in Frizinghall looking at re designing the MUGA so that local school children can use this for PE lessons. This will then also allow local resident to use this on an evening and weekend.
2. In Upper Heaton we are working in partnership with the schools to design a new play area for residents and young people. School children have been consulted on what they would like in the park.
3. Consultation work taking place to identify potential snickets for Active Travel in Heaton and Frizinghall to encourage walking and physical activity. Partnership work with Frizinghall Community Centre and Frizinghall Primary School to create a sustainable long-term plan for the Multi Use Games Area.

Better Health, Better Lives

Actions, Outcomes and Progress – Heaton

Actions

1. Work in partnership to tackle Inequalities in accessing health services – in partnership with Public Health ensure gaps on service provision are met and accesses to local services are maintained.
2. Develop partnership work through the Enforcement Team to carry out increased enforcement on environmental issues such as fly tipping and work with partners such as with schools to change behaviours.
3. Develop marketing campaign to promote healthy lifestyles across Heaton Ward through the JU;MP project.

Outcomes

1. Mapping, sharing a greater connectivity to local services.
2. Further enforcement action against fly-tippers and behaviour change through schools. Result in better areas to live in and thrive both physically and mentally.
3. Work with partners to explore age-friendly networks that improves physical and mental wellbeing.

Progress

1. Working in partnership with NHS to bridge the gap in hard to reach communities and address some of the health inequalities in Frizinghall by having Health checks at community centres.
2. Wardens have done workshops within schools to educate them on environmental issue and around clean air campaign. Enforcement team and Wardens have carried out Duty of Care checks on Keighley Road and Highgate to ensure businesses are aware of their responsibility.
3. Developing short videos highlighting work between Area Office and groups like Upper Heaton Working Together who are focused on healthy living and growing vegetables and plants, improving mental and physical wellbeing.

Safe, Strong and Active Communities

Actions, Outcomes and Progress – Heaton

Actions

1. Create opportunities for residents to take part in community and civic life and strengthening community leadership.
2. Support and encourage all communities to take part in community activity to support their area.
3. Will work with Public services to increase trust and engagement in services. Develop collaborative projects between local community organisations and public services.

Outcomes

1. Developed community groups, linked groups with services, promoted civic opportunities i.e. School Governors, Volunteers etc.
2. Develop on community cohesion projects opportunities for residents form different communities to support eachother i.e. Community litter picks.
3. Developed Neighbourhood Watch's, environmental projects, business watch's youth projects etc.

Progress

1. We have increased our volunteers in the Heaton Ward through the “people can” campaign and have linked them with Citizen Coin to ensure volunteers are rewarded for their work, this has created scope for further work with the new generation of volunteers.
2. We have several groups in Heaton focused on regular litter pick campaigns and improving the appearance of their neighbourhoods by planting flowers etc. Area Office have continued to facilitate such groups by providing litter picks and networking new groups with those already existing.
3. Through Ward leadership meetings we identified a need for more collaborative working between services to ensure better engagement. We are working with the NHS to develop an Allotment off Haworth Road using resources from the NHS and the Area Office to involve local primary schools and create a lasting impact with young people.

A Sustainable District

Actions, Outcomes and Indicators – Heaton

Actions

1. Develop re-cycling projects with schools and businesses – Re-cycling Engagement Officers to carry out days of action in areas across Heaton.
2. Develop partnership across Heaton Ward with schools/community groups/residents and businesses to highlight and improve issues for the Ward.

Outcomes

1. Encourage more recycling and liaise with local businesses to reduce waste.
2. Partnership to raise issues and explore problem solving approaches to identified concerns and support initiatives and raise awareness on emerging issues, such as climate change and environmental matters.

Progress

1. More events and activities raising awareness about the impact of climate change * Area Office working with wardens and recycling teams in areas where we have had reports of high poor recycling.
2. Improved recycling targets and less litter * Waste and Recycling Team, Area Office, Neighbourhood Wardens. Taking both wardens and recycling team into school to do educational work with children and doing litter picks with the children.

City of
BRADFORD
METROPOLITAN DISTRICT COUNCIL

Manningham

Locality Plan

2022-25

Ward Priorities – Manningham

Bradford District Priority Outcomes	Ward Priorities - Manningham
Better Skills, More Good Jobs and a Growing Economy	<ol style="list-style-type: none"> 1. Support & encourage local businesses to develop networking and information sharing platforms within Manningham. 2. To bring community providers together to improve residents employability chances. 3. Connecting and encouraging new communities to use local providers and facilities to gain the skills to secure a local job.
Decent Homes	<ol style="list-style-type: none"> 1. Explore changes to the current planning system to address cramped living conditions. 2. To work with partners to look a different ways to encourage residents to report and seek advice on local issues. 3. Work with private sector housing to improve property standards and focus on landlord responsibilities.
Good Start, Great Schools	<ol style="list-style-type: none"> 1. Work with community organisations to share resources and provide further support to help educational underachievement. 2. Schools and faith organisations to work in partnership in supporting young peoples education and development. 3. Work with partners to refer potential female role models to develop leadership skills through mentoring programmes.
Better Health, Better Lives	<ol style="list-style-type: none"> 1. Support the Act Locally programme, alongside partners to improve access to health initiatives. 2. Promote the use of local open spaces and parks, specifically to improve mental health and wellbeing 3. Support schools to be accessible out of hours and look at ways to utilise their resources for community use.
Safe, Strong and Active Communities	<ol style="list-style-type: none"> 1. Encourage community activities promoting civic pride. 2. Encourage local communities to come together and become actively involved in their streets by working together to address and report local issues. 3. Work with the Police to build and strengthen relationships with local residents to increase the trust in uniformed services.
A Sustainable District	<ol style="list-style-type: none"> 1. Promote awareness of Environmental issues amongst residents, including ways to make a change. 2. Provide information and support regarding the Bradford Clean air zone being introduced in 2022 to reduce carbon emissions. 3. Promote and support local action towards a cleaner and greener environment.

Better Skills, More Good Jobs and a Growing Economy

Actions, Outcomes and Progress – Manningham

Actions

1. Establish Business Forums in key areas: Manningham Lane, Oak Lane, Lumb Lane, Carlisle Road & White Abbey Road.
2. Identify providers of job skills support and work with key businesses (who have corporate social responsibility) to improve residents employability chances.
3. To support new and emerging communities to gain skills to secure local jobs.

Outcomes

1. Mapping of businesses within Manningham to investigate the options of setting up business forums.
2. Identify/develop mentoring programmes & practical sessions/workshops for young people.
3. To explore community surgeries/advice sessions in community settings.

Progress

1. The ARG and creatives streets project brought businesses together to improve Manningham Lane/Oak Lane. The area office co-ordinated walk abouts with relevant officers and the business to discuss the changes they would like. The community centres worked alongside the businesses and took ownership of the planters and in organising any events/street parties.
2. Through the ward leadership meetings we have worked closely with Skills House who are developing and supporting young people finding work. They are working closely with the youth service, by delivering sessions at the Bradford West Youth Café.
 - The youth service are working with partners to help opportunities for young people in finding work they enjoy. The youth service run CV building workshops and could work with individuals.
3. Working in partnership with all those who have attended the Ward Leadership meeting we have developed ways to engage new and emerging communities.
 - English for Everyone Programme delivered in Manningham. 82 Learners participated in the Manningham programme.
 - Meridian Centre delivered the language classes and enrolled 156 students.

Decent Homes

Actions, Outcomes and Progress – Manningham

Actions

1. Work with Private sector housing and social housing organisations to look at a collaborative approach to high quality affordable social and private sector housing, by supporting local landlords.
2. Work with local communities and partners to identify unsafe, abandoned properties, in order to encourage and enforce responsibilities of owners.
3. Collaborating with partners to identify the inequalities of Covid-19 that further impact on the availability and viability of safe, decent and appropriate housing.

Outcomes

1. Address overcrowded/cramped homes and improve better housing standards and health.
2. Better and safer housing standards.
3. Explore a licence scheme for private landlords to improve housing standards & stop fly tipping when a tenancy changes.

Progress

1. Working with Social housing providers in Manningham to discuss how we could work closely in order to address and improve the health and housing standards for their tenants. Regular walk abouts and street audits have been carried out with officers and housing associations.
2. Partnership working Manningham Housing, In communities and Yorkshire Housing and housing standards to look at standard of homes. Also looking at the homes surrounding to make the environment clean and safe.
3. A strategic private sector housing group has been established to support and improve housing standards. We will investigate the option of implementing a licensing scheme for private landlords.

Good Start, Great Schools

Actions, Outcomes and Progress – Manningham

Actions

1. Develop a network of out of school, home-schooling and religious organisations delivering extra-curricular activities.
2. Create a programme to increase, promote and support the development of Women led.
3. Prioritise women led Physical health and wellbeing programmes.

Outcomes

1. Mapping & sharing of after school homework clubs. Further support to help educational underachievement.
2. Mentoring programme via mosques/ schools with local young professionals.
3. Greater uptake by women to develop their leadership skills, through the mentoring programmes.

Progress

1. Improved knowledge of out of hours school activities has been developed by working with schools, youth services and youth centre.
2. A successful application to JUMP made by Street Space to deliver the Safer Snickets project in Manningham. The ward office worked in collaboration with Hollings youth Association 3 potential locations. A group of young girls aged 11-14 attending the local Mosque and Hollings youth association expressed an interest in the project workshops involved mapping the most common routes they take on a day-to-day basis. They shared comments about how they feel at different times of the day using these routes and created mood boards of inspiring images to shape the snicket. The local Mosque and Schools were consulted on the project and the final design was chosen. The girls also gained a real-life experience in community engagement and public realm design and received a certificate for their participation in this innovative programme.
3. Manningham JUMP project have increased the participation of women and girls in physical activity. This project involved employing and providing volunteering opportunities for local women and girls developing and leading.

Better Health, Better Lives

Actions, Outcomes and Progress – Manningham

Actions

1. Alongside the Community Partnership use Health networks to invest in early intervention and prevention projects to directly impact older people isolation, physical health and mental wellbeing.
2. Invest in local outdoor green spaces, making them more inviting, appropriate and useable by all sectors of the community.
3. Recognise prevention and early help are important to change long lasting health inequalities, Use the lessons learnt from JUM:P and BiB interventions and support the behaviour change in young people, schools and families.

Outcomes

1. Mapping, sharing & greater connectivity to local services.
2. Improved more inviting spaces. Greater Connectivity and sharing of community spaces.
3. Healthier, Happier communities living longer.

Progress

1. Warm Spaces (renamed as Welcoming Space for Summer 2023) safe, friendly, local places where anyone can spend time for free 8 warm spaces in Manningham have been set up. Neighbourhood Connect established April '23 to connect vulnerable residents to local services.
2. Links made with community associations to support with delivering services for children and young people in the area. Jump Greenspaces Developments on St Michael's Recreational Ground and Drummond Road field. Design consultation completed and works to commence in July 2023. Grosvenor Park development commenced June '23. ZA to co-ordinate an open day on 2.7.23. Carlisle Road pocket park improvements complete 2023.
3. Health fair/events held across Manningham to support the community getting health checks done without having to attend their GPs Locality working with Together for Health and Jump has allowed us to develop health and wellbeing projects in collaboration to support local communities.

Safe, Strong and Active Communities

Actions, Outcomes and Progress – Manningham

Actions

1. We will work to empower communities, so we do things with them not for them, encouraging positive early intervention and preventative projects, identifying collective resources, encouraging collaboration including establishing local social media networks and street champions.
2. Create opportunities for residents to take part in community and civic life and strengthening leadership. We will nurture and grow a resilient and vibrant voluntary and charitable sector, including having readily available information that allows active citizens to report, issues, in easily and accessible manner.
3. By working with our WYP increase the trust in unformed services and decrease the fear of crime through a community engagement, outreach and collaborative projects with local community organisations.

Outcomes

1. Regular partnership/community walkabouts. Support to set up community organisations.
2. Increased community participation by building relationships and supporting communities to proactively take pride where they live.
3. To explore community surgeries/advice sessions in community settings.

Progress

1. Area Office colleagues are trained in Asset Based Community Development (ABCD) approaches. This helps us support communities in forming groups and developing community led initiative. Walkabouts with residents carried out across Manningham to build positive relationships with residents.
2. Identified community connectors develop community led initiatives to which community clean ups, days of actions for parking and idling around schools. The area office supported grass route groups to be constituted.
3. In partnership with the police we have successfully supported the local communities with Anti-social behaviour for example Temple Street, Hollings Road and North Avenue.

A Sustainable District

Actions, Outcomes and Progress – Manningham

Actions

1. Raise awareness in local communities of the impact of the climate emergency on the lives of people in Manningham, using appropriate communication and Engagement tools, so that it does not seem like a distant problem.
2. Help households access resources, information and knowledge to improve energy efficiency in the home.
3. Support communities to reduce, reuse and recycle principle, to support the climate emergency.

Outcomes

1. Information/Engagement days with partners & local schools to reduce parking & idling outside schools.
2. Deliver information/practical solutions to have a greater understanding.
3. Better understanding of the impact of food waste, fly tipping and recycling.

Progress

1. Through partnership working with the police, road safety team and wardens we established educational workshops which were held at the primary schools for children, the information also been sent to parents, days of actions held at school pick up and drop of times to educate parents and carers about the impacts of idling and dangerous/illegal parking. The Area Office provided information regarding Clear Air Zone Funding resulting to several successful bids.
2. Cost of Living information booklet delivered across Manningham. Arwa office supported groups to apply for cost-of-living fund resulting to several successful applicants.
3. Neighbourhoods wardens deliver education sessions Aswell as delivering information packs in hotspot areas. Working closely with the enforcement team to act against fly tipping in Manningham.

Let's keep the conversation going

Contact your Area Co-ordinators Office for more information about this plan, and how to get involved in your community.

Area Co-ordinator: Arshad Mahmood

Phone: 01274 432597

Email: Bradfordwestinfo@bradford.gov.uk

Address:

Bradford West Area Co-ordinator's Office
Lawcroft House
Lilycroft Road
Manningham
Bradford
BD9 5AD

Everybody in the Bradford West locality can make a difference!
Here are a few ideas....

Connect

- Meet your ward councillors (via email, phone, in person at their surgeries)
- Get to know your Area Co-ordinator's Office team and their Ward Officers and Assistant Ward Officers

Have your say

- Share your ideas through resident and community consultation
- Attend Area Committee, learn about key plans and ask questions
- Vote in local elections

Get involved

- Volunteer in your area (lots of opportunities can be found [here](#))
- Be neighbourly
- Choose sustainable, active travel options
- Community action e.g. Dementia friendly communities, litter picks

Find lots more ideas at www.peoplecanbradforddistrict.org.uk

BETTER SKILLS, MORE GOOD JOBS AND GROWING ECONOMY

Bringing Skills Training to The People

Thornaby Hub may be a small building but plays a big part in the Clayton Estate community. Thanks to partners working together the centre delivers regular activities for local residents. One of the key mains of this Hub is to work with key stakeholders and develop opportunities for local residents to gain better skills. The Hub is working on the following tangible initiatives that meet the needs of local residents:

- Incommunities – as landlord of the Hub which is leased to Clayton Estate Community Action Group are looking to support and utilise the hub by linking Incommunities Employment Co-ordinators to trial sessions and support residents back to work and provide housing advice, which is a priority and raised regularly with local Councillors.
- Department of Work and Pension's, Community Outreach Coaches to trial weekly support sessions to help individuals and families turn their lives around.
- Skillshouse are looking to deliver the English for Everyone Programme to help a number of learners from Clayton & Fairweather Green who are travelling to other parts of Bradford for ESOL provision access the programme locally.

To get local people attracted and engaged to the Hub a number of projects have been undertaken for the community these include, THRIVE (part of the Clayton Warm Spaces Network established in 2022) for families to meet in a warm space with a brew, chat and activities to keep warm, Grub at the Hub, holiday activities with food, and more.

- 400 people attended free holiday activities, such as sports & physical activities, musical theatre summer school, trips to the Zoo and more through Education's Holiday Activity Funding 2023 funding.

With a successful Family fun day on 31.8.23 to end the summer activities. 10 volunteers including local councillors helped to make the day a success with 372 sausages cooked and not one left.

- The Hub has built positive relationships with residents and worked with partners to turn the hub into a community venue that meets the needs of the community. What's on at the hub is regularly posted on the new Clayton Estate Community Action Group's Facebook page.

Getting to know residents is building the trust that is needed, particularly with young people to help them recognise the benefits and value of the hub as they now want to look after the building and keep it.

- 15 volunteers help at the centre to deliver activities and events, and are actively involved in the family fun day, Grub at the Hub every Friday 12.30-1 pm which is growing and now supports up to 56 local residents with essential food items for £3 a bag, making everyone feel welcome and more.

The appointment of a centre manager has been invaluable and helped to reduce the pressure on a number of statutory services, such as the police, fire brigade, children's/youth services. The hub was a regular agenda item for local Councillors and Ward Officers, due to young people gathering outside the building and causing ASB issues and the need to turn the centre into a positive place, particularly for young people aged 5 to 11 years.

DECENT HOMES

Brighter Heaton: Transforming Communities Together

The collaborative efforts of Bradford West Area Office, local Ward Councillors, Incommunities, and Home Group resulted in a marked improvement in the living conditions and engagement levels of Heaton ward residents.

Statistics from Public Health show there are a series of challenges that affect the overall well-being of residents of Heaton. Suboptimal living conditions and a lack of community engagement were pressing concerns. However, a transformative initiative, aptly named 'Brighter Heaton', emerged as a beacon of hope for this community.

Main Achievements:

The project's success is evident in the numbers. Over 50 households actively participated, signifying a significant increase in community engagement levels. Two large skips were provided by Home Group, allowing residents to dispose of any waste in their gardens.

In addition to improving living conditions, 'Brighter Heaton' took a holistic approach to narrowing inequalities within the community. The provision of energy-efficient measures, including draft excluders and LED lights, proved instrumental in raising the living standards for all residents. Waste disposal education was also a crucial aspect, as it empowered residents with knowledge about proper waste management procedures. This comprehensive approach contributed to a more equitable environment, where every resident could enjoy an improved quality of life.

A key aspect of the project's success was the emphasis on community engagement. Council Neighbourhood Wardens played a vital role in this regard, serving as a bridge between the project partners and the residents. They actively engaged with residents, offering guidance on waste disposal procedures, and providing information about available resources. This personalized approach helped build trust and rapport within the community, ultimately leading to higher levels of participation.

'Brighter Heaton' stands as a testament to the power of collaboration and community-driven initiatives. Through the concerted efforts of Bradford West Area Office, Incommunities, Home Group, and the dedicated residents of Heaton, a transformative change has taken root.

The Green Doctor program is an excellent initiative that provides free, impartial advice on how to save energy in the home and access other services and initiatives available. They can provide

different kinds of support, whether that's advice on paying off debt with energy or water companies or spotting other concerns for a referral to other services.

However, the Bradford Council has prioritized the goal of ensuring everyone has a comfortable home that meets their needs and helps them lead fulfilling lives. The council aims to increase the supply of homes of the right type, quality, and location to meet the needs and aspirations of the diverse and growing population in Bradford. They also aim to retrofit existing housing stock to create energy-efficient and adaptable homes.

This case study serves as an inspiring example of how targeted interventions can lead to tangible improvements in the lives of community members. As we reflect on the journey of 'Brighter Heaton', we are reminded of the potential for positive change.

GOOD START, GREAT SCHOOLS

Childrens route to success!! Together We Can

Local young girls bring their ideas to life to help transform the Hollings Road snicket creating a safe and enjoyable space for local children and families to walk to school. Participants also gained a real-life experience in community engagement and public realm design and received a certificate for their participation in this innovative programme.

- Street Space Founder Director Phillippa Banister secured a small grant from JU:MP to deliver the Safer Snickets project in Manningham.
- Ward Officer identified 3 potential key locations that would benefit from this project.
- Ward Officer linked Street Space to Hollings Youth Association where 9 young women aged 11-14 expressed an interest in the project and attended workshops at Hollings Youth Association. The workshops involved mapping the most common routes they take on a day-to-day basis. They shared comments about how they feel at different times of the day using these routes and created mood boards of inspiring images to shape the snicket.
- Ward Officer arranged a site visit with Street Space and the PC Women & Girls Engagement Officer who collectively agreed on the Hollings Road to White Abbey Road snicket due to its close proximity to Dixons Manningham and Green Lane schools.
- The girls started by developing a manifesto for 'Safe Snickets' to measure the success of any interventions created and then developed ideas first in 2D by editing current images of

the snicket before bringing ideas to life in 3D using a model kit. The local Mosque and Schools were consulted on the project and the final design was chosen. Everyone involved had lots of fun!

- The ideas were developed by working with designers and architects before supporting the installation of their interventions, such as Painted hopscotch, Painted birds & words: Start - Testing - Trying - Flying - Take Off, Laser cut wooden or vinyl birds to hang to/from the lamp column and stake/fence, painted in-steps – bringing them to life in the space and monitoring their impact.

Stakeholders and Consultations:

- Street Space, JU:MP: Secured funding for the project.
- Ward Officer, PC for Women & Girls Engagement Officer, local Councillors: Instrumental in supporting the project, working with Street Space and local girls to help finalise the location and make links with young women through Hollings Youth Association.
- Cleansing Services, Signage Team: Supporting the girls to litter pick the snicket & install a post for the birds in flight.

The purpose of the safer snickets project is to work collaboratively to transform an unloved snicket or small public space.

BETTER HEALTH, BETTER LIVES

BRINGING GOOD HEALTH TO YOU NEIGHBOURHOOD HEALTH SCREENING

The Farnham Community Association has been actively working with a local community partnership group to organize an event aimed at the early prevention of high blood pressure and diabetes among adults aged 30-60. The event focused on catching early signs of these factors, which would help the NHS understand early signs in that age bracket. The centre utilized its own volunteers to assist with the welcoming and signing process, reducing waiting times, and alleviating pressure on doctors. With a long history of running events of this nature, the Farnham Community Association is actively working for the benefit of residents in the area.

To address health inequalities within Bradford West, a system-wide approach is being undertaken to support service users, Primary Care Networks (PCNs), and communities in addressing their mental health and physical needs using a prevention approach. City Ward have hosted health

checks focusing on blood pressure, diabetes, and healthy living. An event in September 2023 at the Milta Islamic Mosque on Ivanhoe Road, which attracted over 80 participants in just 3 hours. This was supported by the local area office we were the link between PCN and Farnham Community Association with putting the two together so the event could take place.

These health checks are part of efforts to promote better health and well-being within the community. By raising awareness about common health conditions such as high blood pressure and diabetes, individuals can take proactive steps to manage their health and make informed lifestyle choices. Regular health checks can help identify potential health risks early on and enable timely interventions.

It's great to see initiatives like these taking place in city ward to improve the overall health and well-being of the community!

SAFE, STRONG AND ACTIVE COMMUNITIES

KEEPING IT GREEN AND KEEPING YOU SAFE

This area designated as village green status has been blighted with the constant noise and anti-social behaviour of off-road vehicles accessing Allerton Green for years. The issue has been two-fold with local residents bringing their off-road bikes/quads and also people from out of the area driving their vans onto Allerton Green and offloading bikes/quads and bringing their whole families. The offroad bikes have also been causing issues on the roads surrounding the access points. Police and Bradford Council officers have previously undertaken several measures to try and resolve the issues but have not been able to reduce the antisocial behaviour.

Bradford West Area Co-ordinator's office have led on the work with Local ward councillors, NPT and officers from Bradford Councils Countryside and Rights of Way and Safer Communities to address the anti-social use off-road vehicle accessing into Allerton Village Green and Chellow Dene area, but still allowing access for residents.

The main priority of the intervention was to secure the access points. There are 9 access points, we have identified 5 access points which need measures put in place to restrict access to off road vehicles.

Phase 1 - new gate and extra bollards have been installed at the entrance off Meadowbank Avenue, still allowing access for residents. The barriers at Meadowbank Avenue are the first to be installed with the co-operation and support of the landowners and residents. New PSPO zone signs have been put in place on lampposts and residents have also been asked to support by continuing to report incidents to the police.

Phase 2 - Field gates and kissing gates to be erected at the access points off North parade and Ivy Lane.

Phase 3 - working with Highways we are looking at putting measures in at 2 other access points.

Since the gate has gone up on Meadowbank Avenue the police have said there has been a marked reduction in the calls to service. Also, residents have welcomed the scheme and said there has been less issues.

Police patrols have been stepped up in the area and colleagues from Operation Steerside are regularly carrying out operations in the area.

This area is fostering better sense of safety and trust among its residents and services this will lead to stronger and more resilient communities. Since the development of this project:

- Restricted access for off road vehicles
- Less off-road vehicle nuisance
- Reduced calls to service for police/council

A SUSTAINABLE DISTRICT

Clean Air, Safe Streets = Healthier and Happier YOU

Girlington Primary school was part of School Streets which was a pilot scheme introduced at nine Bradford schools in 2021. It involved schools that were not on major roads and saw the road around the school gates closed to cars at drop off and pick up times. It was in a bid to encourage more families to walk to school and to reduce dangerous congestion around the school gates and subsequently to reduce air pollution whilst also improving health and wellbeing. Unfortunately, due a number of factors the scheme was temporarily suspended.

Bradford West Area Office led on revitalising this work in Girlington, working together with partners including Council highways, schools and local volunteers from Greener Girlington.

The Scheme is now operating at two schools in the heart of Girlington, Girlington Primary School and St Philips CE Primary Academy with the aim to: Reduce congestion around the school; Prevent dangerous driving, parking and turning outside school where there are lots of children and families; Reduce air pollution (caused by engines running) and noise pollution; Provide a safer, calmer, happier, healthier space for our children; Encourage walking, cycling, wheeling and scooting to school.

Local community group Greener Girdlington have worked with parents and the wider community to recruit volunteers and manage the street closures with the support of the West NPT and Bradford West Area Office. Council highways officer provided the initial training for school staff and since then Bradford West Area Office has done training sessions with the volunteers. Over 20 Parents and residents have got involved and are volunteering as school streets stewards.

This project has seen a considerable reduction in the number of pupils being driven to school. More pupils are being let walk to school by themselves. It has led to an overall calmer start and end to the school day.

The volunteers are getting more engaged with school life and other initiatives in the community. Attending JUMP sessions at the school around health and nutrition and fitness sessions at Masjid Umar on Kensington Street. Positive feedback from the schools, parents, pupils and residents.

- *Children are calmer school start, more pupils walking*
- *Its tension free I don't have to worry about my little ones leaving me side.*
- *I don't have to worry about cars driving onto the pavement without looking out for small children.*
- *Theres more space for children to move around, jump and run.*
- *There have been so many times before this road closure when cars drove so fast and recklessly just to get as near to the school entrance as possible.*

These schools now are looking to be part of the Bradford Clean Air Schools Programme (CASP).

E-mail: ash.m@bradford.gov.uk

Portfolio: Cllr Abdul Jabar

Neighbourhoods and Customer Services

Overview & Scrutiny Area:

Children's Services

1. SUMMARY

- 1.1 This report gives an update on work undertaken by the Youth Service in the Bradford West Area in 2022-23
- 1.2 The report outlines the following information:
- An overview of Youth Service provision in Bradford West
 - An update on how the Youth Service continues to respond to increased demand and complexity of need.
 - An update on youth provision ward by ward and key developments.

2. BACKGROUND

- 2.1 The Bradford Council Youth Service is part of the wider Bradford District Youth Offer that aims to ensure the provision of a range of activities and services that take place in safe spaces, where young people can develop a sense of belonging, socialise with their peers and develop relationships with adults they can trust. It recognises that with the right supportive relationships, strong ambitions and good opportunities all young people can realise their potential and be positive and active members of society.
- 2.2 The Youth Service vision statement is to work with partners to ensure that young people grow up healthy, happy, informed and aspiring; proud of who they are, where they come from and actively involved in their community.
- 2..2.1 Youth Service priorities are aligned to the five key elements of the Bradford District Youth Offer – as detailed in the table below:

<i>Youth Offer Element 1 – Information, Advice and Guidance (IAG)</i> Increase the numbers of young people accessing IAG through digital media.
<i>Youth Offer Element 2 – Voice and influence</i> Increase the numbers of young people participating in Youth Voice opportunities at all levels.
<i>Youth Offer Element 3 – Open access/detached</i> Deliver a diverse youth offer through working in partnership with the Voluntary & Community Sector (VCS) and local communities.
<i>Youth Offer Element 4 - Targeted provision</i> Increase the number of specific interventions to address the needs of vulnerable young people.
<i>Youth Offer Element 5 - Active citizens and young people's contribution to community life</i> Increase the number of young people having a positive impact on their community.

- 2.4 The Youth Service is managed within a localities model as part of Neighbourhood and Customer Services. From 1st April 2023 the Breaking the Cycle Youth Work Team became part of Bradford Children and Families Trust.

3. OTHER CONSIDERATIONS

3.1 Youth Provision

Over the last 12 months youth provision across all six wards has continued to respond to the needs of young people. Ward teams have worked with a wide range of community partners to ensure that young people have a network of support that

enables them to engage in positive relationships. This work has taken place through a range of delivery methods including detached, outreach and centre based sessions. This approach has enabled Youth Workers to consistently respond to issues faced by young people whilst continuing to promote key public health messages by offering information, advice and guidance.

In October and November 2022, significant Youth Service resources were used to prevent and challenge the seasonal peak in Anti-Social Behaviour (ASB) associated with Halloween, Mischief Night, and Bonfire Night. Youth Workers engaged young people in a 'Consequences' campaign that highlighted the impact of ASB and misuse of fireworks. In October 2023 Bradford West Youth Service provided a 7-day bonfire detached response team. In addition, they provided a diversionary residential, targeting young people who had previously been involved with Bonfire related ASB. We saw a direct positive impact of the 7-day response detached work and the diversionary residential. Throughout the week Bradford

West youth service engaged with 966 young people.
Information regarding the Bradford West bonfire response detached work can be found in both Appendix C

Between December 2022 and May 2023 Youth Workers focused on balancing the needs of young people through open access youth provision and small group work sessions. This approach enables Youth Workers to offer a menu of support to young people whilst increasing membership and participation.

Over the summer months Youth Workers offered activities in local parks that encouraged young people to respect green spaces and the members of the community. In addition, Youth Workers targeted young people making the transition between primary and secondary school and offered *Moving Up* sessions that helped build resilience.

3.2 **Responding to demand and complexity of need**

Over the last 12 months Youth Workers have responded to a significant increase in referrals from partner organisations to help address the following issues:

Domestic Abuse – young people report that they have experienced increased tension and domestic abuse within their family units.

Educational Anxiety – young people report that they are anxious and fearful of the learning that they have lost and what this means for their future.

Isolation – young people report that they have felt lonely and isolated, and a significant amount of family time is spent in different rooms on individual screens and devices.

Self-Harm – young people report that they have used self-harm as a means to cope with some of the issues that they have experienced.

The Youth Service has remained focused on meeting demand and delivered the

following support through local youth provision:

Youth Clubs – each ward has a youth club that enables young people to come together and socialise through a series of activities and programmes that help develop personal and social skills whilst encouraging thought and action on local area issues. Youth clubs are an essential component in developing independence and reducing dependency on specialist services.

Small Groups – the Youth Service has developed a series of peer support groups that enable young people to come together and support each other for issues that are important to them. Many of these sessions have a central activity that helps young people to engage and build trust.

One to One Support – young people are supported by a local Youth Worker who will offer a home visit and a series of interventions designed to build trust. Through these interventions youth workers will set goals and targets for young people and help them assess local support networks. This work helps address complex issues such as; Domestic Abuse, Child Sexual Exploitation and Family Breakdown.

Volunteering – as young people become older we encourage them to take on board more responsibility in the local community. Youth Workers support young people to participate in community action projects, helping others and developing employability skills through volunteering.

3.3 **Other work targeted at young people with specific needs including vulnerable and at risk.**

The Youth Service continues to provide direct support to young people at risk of exploitation. Through building trust with their Youth Worker, young people have reported feeling less isolated, more connected with their community and safer. Bradford West currently runs several targeted provisions all of which offer young people a safe space to engage in positive activities. This work helps raise awareness of issues such as serious organised crime, grooming and county lines.

3.4 **Youth Work support as part of Youth in Mind**

The Youth Service has been commissioned to deliver early interventions to young people across the district. This is a collaborative partnership with Bradford District Care Trust and Youth in Mind (YiM) which offers help to young people for their mental health and well-being and seeks to reduce demand on specialist services.

Over the last year, Bradford West has received over 300 referrals from the Child and Adolescent Mental Health Service (CAMHS), School Nurses & other professionals. These referrals are allocated to Youth Workers who act as Buddies to young people, their role is to befriend them, support them using the Signs of Safety approach and navigate local support networks.

In addition, Youth Workers work closely with all secondary schools in Bradford West and help identify students who need support for their mental health and well-being. Youth Workers support these additional caseloads in schools, delivering 1:1 work

on a weekly basis developing young people's confidence, self-belief, and resilience. Youth Workers also support young people in hospital offering interventions that promote self-care and connect them to local services that offer crisis support.

3.5 **A partnership approach**

The Youth Service is supported by a wide range of partners in each community. Youth Workers work with local partners to understand the needs of the community and help build capacity to deliver bespoke projects. These projects help build stronger relationships with the local community and increase participation, action and ownership on local area issues.

Within each ward Youth Workers work alongside Ward Officers to map local area issues and develop responses. A good example of how this can be seen in the weekly Anti-Social Behaviour (ASB) Reports that are shared by the Police with the Area Office. These reports allow Youth Workers to identify where ASB is impacting on the community. Youth Workers visit the locations, engage the community and feedback to ward officers who track and monitor the impact of the interventions.

Mapping and understanding the root causes of local issues provides an opportunity to plan and develop longer term responses that local partners are supported to lead on. This enables funding to be secured and additional resources to be invested.

3.6 **Future Workforce**

In September 2022 Bradford West welcomed 2 new Youth Work Trainees to the team. The trainees were placed with the team with the view to supporting the development of Youth Voice initiatives that ensure young people have a greater role in shaping service delivery. The trainees also helped identify gaps in provision and develop new projects that respond to the needs of young people.

From September 2023, the team will support a Youth Worker Apprentice to complete a degree in Youth Work. The apprentice will hold several key responsibilities within the team supporting the development of Youth Voice initiatives that ensure young people have a greater role in shaping service delivery. They will also help identify gaps in provision and develop new projects that respond to the needs of young people.

3.7 **West Wide Provisions**

Bradford West currently leads on the delivery of 3 area wide sessions. These sessions are for young people to attend from across Bradford West. The area wide sessions are themed to suit young people's needs, interests and increase our Youth Offer. Information regarding the West Wide provisions can be found in both Appendix A and Appendix B.

3.8 **District wide youth work**

The team work closely with Bradford Children and Families Trust. From April 2023

we have retained a strong commitment to ensuring seamless services for young people in the area.

The work of the District Youth Service includes Breaking the Cycle project who are employed under the BDC Trust, they specialise in providing intensive support to young people who are at risk or who are being criminally exploited. This work includes those identified as being linked to Organised Crime Groups, Urban Street Gangs and those who have higher than yellow ASB sanctions. The longer-term prevention and building relationships are undertaken by Bradford Youth service.

District Youth Services have over the last 12 months developed the Youth Work Academy – this has seen 11 youth rights trainees working with the service on the agenda of youth voice and children’s rights. They have almost completed their traineeships and a high number of them have acquired Level 2 and 3 in youth work and have gone on / have secured future employment for when the traineeships end in September. This team has led the serious violence consultation for the district to ensure the voices of young people are strong as stakeholders in the new serious violence duty which is imposed on the authority and several other strategic partners.

District Youth Services continue to provide training for a number of other agencies, coordinated through the Bradford Safeguarding Partnership - the team have delivered training around County Lines and weapons to help other practitioners become more aware of the early indicators of serious violence.

4. FINANCIAL & RESOURCE APPRAISAL

- 4.1 The Youth Service base budget remains unchanged for 2023/24. The service has filled vacancies and recruited additional staff to fulfil commissioned service delivery including: Youth in Mind, BACS and Positive Futures. Some of this commissioned work is geographically specific which may mean that we see demand being met with additional Youth Work resources.

5. RISK MANAGEMENT AND GOVERNANCE ISSUES

The implementation of the planned budget for the Youth Service is subject to the internal risk management plan of the Council and progress is reported to the Place Departmental Management Team.

6. LEGAL APPRAISAL

No issues.

7. OTHER IMPLICATIONS

7.1 EQUALITY & DIVERSITY

The Youth Service as part of the Council’s commitment to the District has a responsibility to ensure that the service is accessible to all young people and that

participation in the service reflects this approach.

7.2 SUSTAINABILITY IMPLICATIONS

The Youth Service delivery enables local initiatives to be supported, encouraging groups and individuals to undertake activities that improve the social, economic and environmental wellbeing of their communities.

7.3 GREENHOUSE GAS EMISSIONS IMPACTS

Greenhouse gas emissions and wider environmental impacts was a consideration of the Buildings Review.

7.4 COMMUNITY SAFETY IMPLICATIONS

Young people from across Bradford West engaging in weekly sessions and specialist provisions are directly and indirectly involved with supporting and developing community safety within their local area. Voice and influence is central to youth work delivery ensuring young people's ideas, suggestions and thoughts are heard.

The strengthened approach to the devolution of the Youth Service as will allow for:

- an increased sense of local democracy for both young people and communities
- young people to be more active in democratic, decision-making processes alongside their political representatives.
- the voice and influence of young people to remain central, meaningful and paramount in identifying and addressing needs and issues in their communities.
- the requirements of the localism/devolution agenda to be met effectively and efficiently.

7.5 HUMAN RIGHTS ACT

There are no direct Human Rights implications arising from the recommendations below.

7.6 TRADE UNION

All budget proposals are subject to consultation with the Trade Unions.

7.7 WARD IMPLICATIONS

The information in this report is related to all wards in the constituency and appendix B outlines the Youth Service projects and activities delivered across West.

8. NOT FOR PUBLICATION DOCUMENTS

None.

9. OPTIONS

- 9.1 That Bradford West Area Committee adopts the recommendations outlined in this report.
- 9.2 That Bradford West Area Committee adopts the recommendations outlined in this report, with amendments.
- 9.3 That Bradford West Area Committee decides not to accept the recommendations outlined in this report.

10. RECOMMENDATIONS

- 10.1 That the work undertaken by the Youth Service in the Bradford West Area as detailed in this report be welcomed.

11. APPENDICES

- 11.1 Appendix A: Bradford West Youth Service Baseline Youth Provision
- 11.2 Appendix B: Bradford West – Youth Service Ward Updates
- 11.3 Appendix C – Bradford West Youth Service Bonfire detached response work

Thursday 10.00am–13.30pm	1:1 Support	St Bedes & St Josephs	Weekly	Health and Well Being
Friday 8.30am-15.30pm	1:1 Support	Beckfoot Thornton	Weekly	Health and Well Being

The above table provides an overview of the work that is delivered in secondary schools in Bradford West. Each youth worker will hold an average case load of 12 young people who they provide one to one support to over a half-term. This enables youth workers to work with many young people over the course of a school year. The impact of these early interventions helps reduce exclusions and maintain attendance whilst also reducing the demand on specialist services. The support received is unique to each individual but often focuses on emotional wellbeing, anxiety and low self-esteem.

The impact of this '*school-based support*' has been the growth of '*community based*' peer support groups across the constituency. These groups offer young people the opportunity to share the 'self-care skills' that they have learnt with others. We commonly refer to these groups as Youth in Mind – Peer Support groups.

Bradford West Wide			
Day/Time	Activity	Location	Frequency
Monday 16.00 – 18.00	SOUND group	Thornton Community Centre	Weekly
Monday 17.00 – 20.00	ASD Youth Shine	Culture Fusion	Weekly
Thursday 18.00 – 21.00	Inclusion - Star Club	Culture Fusion	Weekly

The Bradford West Wide provisions have been developed across the area in response to the needs and issues raised by young people. These provisions include small group sessions, targeted groups supporting young people around LGBTQ+, wellbeing and resilience support sessions, provisions to support young people with additional needs and youth voice focussed sessions.

Appendix B

Bradford West – Youth Service Ward Updates:

Manningham Ward

Throughout Manningham, we have built some strong networks with different partners and after having a successful summer where our Manningham young people had opportunities to attend lots of summer provision alongside different trips to insane air, the beach go-karting, and a restaurant we are now back in our regular sessions where we have been planning our next 12 weeks up to the winter holidays.

From conversations with our partners within Manningham and the voices of young people regarding feeling safe around bonfire week, we conducted outreach work, engaging in discussions and interventions with young people around fireworks, “staying safe” and consequences associated with inappropriate use of fireworks. This has been a positive start to bonfire week with many young people engaging within this work.

Using local data and using consultations with our Manningham young people around obesity. We have a new and exciting project, which will be start in November at the sharing voices youth group. Youth workers will present a direct focus around wellbeing and healthy eating. Utilising our local partners, we are liaising with gyms and football sessions for young people to not only receive the knowledge but also the active participation of physical activity.

During our BYO sessions, our young people are approaching university age and with many young people lacking skills of independent living, we have been conducting workshops in response to this to help and advice young people around keeping safe in the dark, knife crime awareness, managing money, cooking and life skills. This has been successful with young people as we have a group who have all started university and come back to BYO to share how they are finding their courses and what they are enjoying.

Youth Workers continue to undertake regular detached sessions, garden gate visits and 1:1’s engaging with the young people in their community responding to issues shared and highlighted by our partners with a focus on addressing ASB.

Heaton Ward

Sessions at Frizinghall community centre are open access each week. The introduction of additional workshops for our young people to informally educate on a wide range of topics, with ASB being at the forefront.

Heaton village hall open access sessions are developing each week. There is a consistent cohort of young people who attend. 1-1 work, as well as peer workshops has a strong presence in this group and the young people have been producing some fantastic outcomes. Youth workers have also directly liaised with the local PCSO’s, who regularly attend the Friday provision. Youth Workers continue to undertake detached work in the area, and we are looking to developing the session further.

St Martins Church has recently opened as an open access youth centre within the church. This is

an outdoor space for the young people, again it is encouraging the young people to attend as the youth workers have conducted excellent outreach summer sports sessions throughout the 6-week holidays. Great relationships have been established through this work. Youth workers frequently liaise with Bell Vue girls & Beckfoot Upper Heaton secondary school, providing 1:1 low level mental health support within both schools on a weekly basis.

Youth Workers continue to undertake regular detached sessions, garden gate visits and 1:1's engaging with the young people in their community responding to issues shared and highlighted by our partners with a focus on addressing ASB.

Partnership working is increasingly developing throughout Heaton ward, youth workers are currently organising a ward wide event, including numerous agencies to attend.

City Ward

In a partnership with the community organisation Grange Interlink we deliver two youth provisions. Our Connect Girls group is a targeted provision for young females within the community. The group is currently undertaking work on having their voice heard through taking part in lyric writing and music production around issues which affect them. They are also building resilience tools through self-care and meditations sessions to learn the best techniques to look after their emotional health and creating Black History Month artwork. Our open access group at Grange Interlink are currently engaging in session expanding their understanding around current topics such as Black History month, Knife crime workshop, Mental health and how to be active citizens.

Targeted detached work is currently being undertaken around City Ward including the city centre. The staff team have also supported response work such as additional three days detached to provide de-escalation support after antisocial behaviour from young people fighting in the City Park area caused public disorder and been on had to support young people during the Palestine demonstration. The detached team are also currently working on creating and developing issue-based session with a view to provide these to various community centres in the Ward to support young people who are not currently benefiting from youth work intervention in the area.

The city ward staff team will also be undertraining a week of Bonfire response work with the West Team where we shall provide young people with consequence information around the dangers of misusing fireworks, support de-escalation of situations and keep our young people safe. young people from the city ward will also be offered places on the diversionary residential that will take place bonfire weekend, with young people having opportunity to participate in adventure activities over three days.

Youth People in the City Ward are also provided with Youth in Mind one to one support for emotional health either through a community referral or a school referral were needs for additional assistance.

Toller Ward

Toller ward operates 3 sessions per week, open access at Girlington community centre, girls only group at Farcliffe Community Hub and open access at Toller Youth Café. These sessions belong to different ethnicities attending each week. Most recently there has been a direct focus across the ward highlighting current issues such as ASB, Education & Employment, Drugs & Alcohol. Through the use of guest speakers, workshops, and various activities.

The sessions also enable young people to engage with other young people from different communities and backgrounds. Youth workers have hosted cohesion provisions, trips & residential to ensure our young people are improving social cohesion, development understanding of others from different backgrounds and improving the social tensions between different wards within the district.

Youth workers are frequently assessing creative avenues to enable young people to engage and use the services by facilitating and adapting to new ideas to make the sessions more suitable, interesting, and convenient for young people.

Youth workers have connected with J.U.M.P to launch a girls only session at Girlington Community centre.

Youth Workers continue to undertake regular detached sessions, garden gate visits and 1:1's engaging with the young people in their community responding to issues shared and highlighted by our partners with a focus on addressing ASB.

Furthermore, we aim to establish strong connections with local schools and other organisations to engage with more young people and understand the needs of young people. In addition, we are also working on an event to engage with the local community and informally educate families and young people on the services available to them within their localities.

Clayton & Fairweather Green Ward

Clayton Village Hall open access session has regular high attendance, the young people engage positively, the sessions are an opportunity for the young people to have a safe space where they can socialise with their peers, take part in fun engaging activities such as sports and games. The sessions are also an opportunity to engage the Young People on informal topics around a wide range of issues impacting the lives of the young people. Most recently discussions have taken place around knife crime and firework safety. Youth workers within the sessions are utilising a variety of methods to aid and support young people's engagement which has been working well.

Youth Workers continue to undertake regular detached sessions, garden gate visits and 1:1's engaging with the young people in their community responding to issues shared and highlighted by our partners with a focus on addressing ASB.

Lower Grange Community Centre open access session is well attended with regular YP accessing the provision. As with Clayton the session at Lower Grange is also an opportunity to engage the Young People on informal topics around a wide range of issues impacting the lives of the young people. The centre is well equipped and the YP have access to a sports hall where they can partake in a variety of active activities such as a range of multi-sports. There is also access to the kitchen and young people enjoy preparing and making some snacks and healthy foods.

The Bradford Youth Service have worked closely with HAF (Holiday Activities and Food programme) The HAF summer programme was a massive success across the board and over the summer 2023 250 young people engaged with the youth service which is fantastic! Lots of different trips and activities were put on for all YP to enjoy. We are currently in the process of organising our Christmas HAF programme.

Open access provisions at Lower Grange have also seen youth workers work alongside young

people who are NEET and are at risk or ASB and CCE and has formed strong partnership work with JUMP and others.

Lower Grange Young Leaders is a closed group, and the numbers are smaller than those of the open access. This group is aimed at young people who have been identified as having any Social Emotional Mental Health difficulties and is a great opportunity to allow them to be able to share their thoughts/ feeling in a safe environment and a good opportunity to meet with peers who are experiencing the same or similar issues.

Thornton & Allerton Ward

Through the recent partnership to develop a youth provision at St. James' Church Thornton, we are starting a new 'After school provision' that is now available, operating every Thursday between the times of 3:30pm – 5:30pm. Creating a safer environment for young people to attend, and engage with Youth workers after school.

Through the use of the café in the church, we have brilliant engagement from young people; providing healthy snacks, informal education and multi sporting activities.

Café West in Allerton operates Wednesday evening. We have worked closely with Café west to create a partnership that works well in the community and has a varied service that is used by the whole community.

Once again this session is well attended with around 50 – 60 young people attending weekly.

Thornton football sessions are running and is a great success, numbers continue to grow, and the session is delivered in partnership with Thornton school and Thornton Recreation Centre where we use sport as a tool to engage young people in issue-based work. Over the past month we have been able to integrate girls into the dominantly boy's session. After a conversation with a few of the girls I decided to introduce 'Netball' nets into the space

Appendix C

Bradford West Youth Service Bonfire detached response work please see attached tables.

Day	Communication Lead / call	Based within a hub	Bonfire Outreach teams 5- 8 /5:30 – 8:30/ 6 - 9	Lead Contact numbers

Bradford West Bonfire plan **Communication lead** **Green first aider**

- The Communication Lead links directly with Anthony Casson **07582100684** at the start of the evening for an update, the communication lead then links in with the outreach and response leads ensuring they are in the agreed areas and that all is okay.
- If the outreach teams identify any issues or concerns then they are to remove themselves from that area and feed the information through to the communication lead – If the communication lead cannot be contacted then they can contact Heather W directly.
- The communication lead feeds any information through to Heather, in turn Heather will then decide if the response team needs to attend the area.
- The response team cover in a vehicle the identified West Hot Spots and feed information through to the communication lead, they may be asked to attend specific areas including areas across the district.
- Every team is to carry a rucksack that includes a torch, a full first aid bag including cling film & a burns kit and a charged mobile phone. All outreach teams are to work in their known areas that they cover weekly on detached and not to attend any situation that they feel poses a risk to themselves or others – all staff to check in and out for each session and remain in regular communication with the communication lead. All teams to have read through the street work guidelines in their teams and fully understand and implement these.

Report of the Bradford West Area Co-ordinator to the meeting of Bradford West Area Committee to be held on 30th November 2023

Subject:

Allocation Of West Yorkshire Mayor's Climate Community Grant Scheme (Bradford)

Summary statement:

This report summarises the applications received from eligible local organisations, across the Bradford West Constituency, from West Yorkshire Mayor's Climate Community Grant Scheme (Bradford).

EQUALITY & DIVERSITY:

The District Plan and Locality Plans are underpinned by a cross-cutting principle of tackling inequality in our communities and sustainability considerations, including reducing our carbon footprint. Applications have been encouraged from across the district, particularly from underrepresented communities and communities who need support to meet challenges around climate change.

**Overview & Scrutiny Area: Regeneration
and Environment**

1. SUMMARY

This report summarises the applications received from eligible local organisations, across the Bradford West Constituency from West Yorkshire Mayor's Climate Community Grant Scheme (Bradford).

2. BACKGROUND

2.1 The City of Bradford Metropolitan District Council (CBMDC), via its Constituency Area Offices, jointly working with the Sustainability Service, invited applications from eligible groups to apply for funding available from West Yorkshire Mayor's Climate Community Grant Scheme (Bradford).

2.2 The grants from this funding were part of a two-stage process – an expression of interest form and then, after approval, further grant applications were considered by the Bradford West Grants Advisory Group. The West Yorkshire Mayor's Climate Community Grant Scheme (Bradford) had a total budget of £369,000 allocated equally across the five areas at £73,800.

2.3 Applications were invited for between £5,000 and £50,000 towards projects and services that help take actions to reduce CO2 across the district through initiatives for:

- Energy – local clean and flexible energy solutions
- Building – healthy, affordable and efficient community buildings
- Transport – walking, cycling and public transport
- Nature – green and climate ready nature and biodiversity solutions

2.3 Projects may include:

- Developing locally generated clean energy schemes, producing onsite energy/renewable energy, for example solar panels and wind turbines;
- Making community buildings resilient to climate change and increased fuel costs through insulation, A-rated appliances, LED lighting or heat pumps – reducing consumption and promoting good practice to local residents;
- Reducing car and fossil fuel usage by making it more appealing to cycle, walk or use public transport or
- Finding ways of working with nature, such as preserving or increasing biodiversity in our green spaces, strengthening the link between residents and nature through access to green space, local food growing, and creating opportunities for people to connect with nature.

2.3 Proposals were encouraged towards projects which were community-led and driven by an understanding of local needs. The funding focused on activities that had the potential to make a meaningful and lasting difference to the carbon footprint of our diverse communities across the district with longer-term benefits. In addition, applications that supported long-term changes in behaviour and ways of working and practices positively reducing carbon footprints within communities were encouraged.

2.4 The application form and guidance for applicants is attached as Appendix A. A total of 24 applications were submitted to the Bradford West Area and of these a total of 5 applications for a combined valued of £73,800 are being recommended for approval

from the Bradford West Area Committee as shown in appendix B.

3. OTHER CONSIDERATIONS

There are no other considerations.

4. FINANCIAL & RESOURCE APPRAISAL

The West Yorkshire Mayor's Climate Community Grant Scheme (Bradford) had a total budget of £369,000 allocated across the five areas is £73,800. A nominal management fee provided project management and admin support of these grants through a temporary post.

5. RISK MANAGEMENT AND GOVERNANCE ISSUES

There are no known risk management or governance issues. All successful applicants are screened to ensure compliance with eligibility criteria and organisational eligibility.

6. LEGAL APPRAISAL

There are no direct legal implications other than that each successful applicant must sign and return a grant agreement which stipulates terms and conditions of the awards.

7. OTHER IMPLICATIONS

This funding provides an opportunity to provide financial assistance towards creative ideas to test and learn across the district supporting climate change environmental improvement, behaviour change and long-term impact.

7.1 SUSTAINABILITY IMPLICATIONS

The District Plan and Locality Plan is underpinned by sustainability goals. As the priorities have been set using the District Plan, the outcomes achieved from this funding help us achieve our district goals on sustainability.

7.2 TACKLING THE CLIMATE EMERGENCY IMPLICATIONS

This funding directly supports projects and other initiatives working with a range of partners on climate friendly projects supporting a transition to become a net zero carbon region.

7.3 COMMUNITY SAFETY IMPLICATIONS

There are no community safety implications arising from this report.

7.4 HUMAN RIGHTS ACT

There are no human rights implications arising from this report.

7.5 TRADE UNION

There are no trade union implications arising from this report.

7.6 WARD IMPLICATIONS

This is detailed within the main body of the report and is key to the successful

delivery of the grants allocated, to improve quality of life for residents across the Bradford West constituency, to support the Bradford West Ward Plans.

7.7 AREA COMMITTEE LOCALITY PLAN IMPLICATIONS

As above in 7.6 and to support the Locality Plan

7.8 IMPLICATIONS FOR CHILDREN AND YOUNG PEOPLE

Projects funded from this scheme benefit people from all age groups, communities and diverse backgrounds.

7.9 ISSUES ARISING FROM PRIVACY IMPACT ASSESSMENT

There are no issues arising from this report.

8. NOT FOR PUBLICATION DOCUMENTS

None

9. OPTIONS

- 9.1 To agree the proposals for the allocation of funding outlined in Appendix B.
- 9.2 To amend the proposals for the allocation of funding outlined in Appendix B.

10. RECOMMENDATIONS

- 10.1 That the Area Committee agree the proposals for the funding allocations as outlined at Appendix B.
- 10.2 That the Grants Advisory Group be thanked for their work with this funding.

11. APPENDICES

Appendix A - Application form for stage 1 and stage 2
Appendix B - Proposed allocation of funding (to be presented at the Area Committee meeting)

12. BACKGROUND DOCUMENTS

None

WY Mayor's Climate Community Grants Scheme

Funding Expression of Interest

This is a two stage application process – please submit this expression of interest to Stronger.Communities@bradford.gov.uk by **Monday September 4 2023**

Successful groups will then be contacted to fill in a detailed application, to be submitted by Monday 2 October. Grant panel decisions will be issued by Mon 30 October.

Your Details

Q1. Name, contact details of Project Lead

--

Project Description

Q2 Which of the four themes does your project address ? (Please tick or cross all that apply)

- **Energy** – local clean and flexible energy solutions
- **Buildings** – healthy, affordable and efficient community buildings
- **Transport** – walking, cycling and public transport
- **Nature** – green and climate ready nature solutions

Q3 Describe the need your project will address and who you have involved in developing it (150 words max)

--

Q4. Describe how your project will make a lasting difference to the carbon footprint in your community (150 words max)

--

Q5. - How is your project helping to ensure a “just transition” i.e. support for disadvantaged communities to be able to reduce carbon footprint (100 words max)

--

Q6. What are the intended outputs and outcome(s) that will be achieved? (150 words max)
EG

How many people supported to reduce carbon footprint
Location of the project and beneficiaries – spread of communities with evidenced disadvantage

--

Project Finances

Q7. Please provide an outline/breakdown of delivery costs, including any match funding

--

Q8. Do you need any technical advice or info to further develop your idea?

--

WY Mayor’s Climate Community Grants Scheme

Application Form

This is a **SECOND STAGE** of the application process – please submit this application to Stronger.Communities@bradford.gov.uk by **Monday 9th October 2023**.

Grant panel decisions will be issued by Monday 30th October 2023.

Your Details

Q1. Please provide the following details

Project Name	
Organisation Name	

Q1. Please provide the following details

Organisation Main Contact					
Address					
Postcode					
Landline telephone number					
Mobile telephone number					
Email					
Constituency of your Organisation's base and majority of beneficiaries.	Bradford East <input type="checkbox"/>	Bradford South <input type="checkbox"/>	Bradford West <input type="checkbox"/>	Keighley <input type="checkbox"/>	Shipley <input type="checkbox"/>

Please tick the box if you agree to your details being shared with other parts of the Council for climate environment and sustainability purposes?

Q2. What type of organisation is your group? If you are not a constituted group, please state this

- Registered charity
 Community interest company
 Charitable Incorporated Organisation
 Company limited by guarantee
 Unincorporated club or association
 Other (Please state) _____

Q3. Income over last accounting year / Bank name (we use these details to pay your grant)

£

Your Bank:

Bank Address:

Bank Account Number:

Bank Sort Code:

Q4. Staffing and Volunteers

How many of the following are involved in the organisation?

- | | |
|---|---|
| <input type="checkbox"/> Full time staff / workers: | <input type="checkbox"/> Part time staff / workers: |
| <input type="checkbox"/> Volunteers (excl. management committee): | <input type="checkbox"/> Management committee: |

Project Description

Q5. Which of the four themes does your project address? (Please tick or all that apply)

- Energy** – local clean and flexible energy solutions
- Buildings** – healthy, affordable and efficient community buildings
- Transport** – walking, cycling and public transport
- Nature** – green and climate ready nature solutions

Q6. Please tell us how you will ensure that your project is delivered within the required timeframe and demonstrate that you have the experience in delivering projects of this scale. (300 words max.)
(Projects must start after 31st December 2023 and complete by 31st December 2024)

Project start date:

Project end date:

Q7. What would you like to do with your grant? Please specify what activities will take place, how will these achieve behaviour change and raise awareness for climate action. (300 words max.)

Impact

Q8. Please provide a summary of what your project aims to achieve (Outputs and Outcomes). In addition, how this project supports delivery of the locality and ward plans? (500 words max.)

Q9. How many people will benefit from this funding? Please only tell us about the people specifically accessing this service, not the number of people your whole service supports. Please also explain how you will capture this information. (300 words max.)

Q10. Beneficiaries (Please tick any beneficiary groups who will benefit from your grant)

- | | |
|---|--|
| <input type="checkbox"/> Black, Asian and minority ethnic | <input type="checkbox"/> Carers |
| <input type="checkbox"/> Children and young people | <input type="checkbox"/> Ex-offenders/offenders/At risk of offence |
| <input type="checkbox"/> Families/Parents/Lone parents | <input type="checkbox"/> Homeless people |
| <input type="checkbox"/> Lesbian, gay, bisexual and transgendered groups | <input type="checkbox"/> Local residents |
| <input type="checkbox"/> Long-term unemployed | <input type="checkbox"/> Men |
| <input type="checkbox"/> Not in education, employment & training (NEET 16-24) | <input type="checkbox"/> Older people |
| <input type="checkbox"/> People with alcohol/drug addictions | <input type="checkbox"/> People in care or suffering serious illness |
| <input type="checkbox"/> People with learning difficulties | <input type="checkbox"/> People with low skill levels |
| <input type="checkbox"/> People with mental health issues | <input type="checkbox"/> People with multiple disabilities |
| <input type="checkbox"/> People with physical difficulties | <input type="checkbox"/> People living in poverty |
| <input type="checkbox"/> Victims of crime/violence/abuse | <input type="checkbox"/> Women |

Q11. Ethnicity (Please tick any ethnic groups who will benefit from your grant)

- | | |
|---|--|
| <input type="checkbox"/> White | <input type="checkbox"/> Any other |
| <input type="checkbox"/> White Irish | <input type="checkbox"/> White British |
| <input type="checkbox"/> White Gypsies and Travellers | <input type="checkbox"/> White East European |
| <input type="checkbox"/> Black Caribbean and White | <input type="checkbox"/> Mixed |
| <input type="checkbox"/> Asian and White | <input type="checkbox"/> Black African and White |
| <input type="checkbox"/> All ethnicities | <input type="checkbox"/> Other Mixed Ethnicity |
| <input type="checkbox"/> Indian | <input type="checkbox"/> Asian and Asian British |
| <input type="checkbox"/> Bangladeshi | <input type="checkbox"/> Pakistani |
| <input type="checkbox"/> Black and Black British | <input type="checkbox"/> Other Asian |
| <input type="checkbox"/> African | <input type="checkbox"/> Caribbean |
| <input type="checkbox"/> Chinese | <input type="checkbox"/> Other Black |

Q12. Age Groups (Please tick any applicable age groups for your grant)

- | | |
|---|---|
| <input type="checkbox"/> Early years (0-4) | <input type="checkbox"/> Children (5-12) |
| <input type="checkbox"/> Young people (13-18) | <input type="checkbox"/> Young adults (19-25) |
| <input type="checkbox"/> Adults (26-65) | <input type="checkbox"/> Seniors (65+) |

Q15. If the total cost of your project is greater than the amount you are applying for, please tell us how you will fund the project i.e. match funding, contribution in kind. If there are any other agencies involved with this project, please list their names and contribution. (300 words max.)

Supporting Documents

Please attach the following supporting documents with your application (*if you are an organisation that requires these documents/policies)

- | | |
|---|--|
| <input type="checkbox"/> Constitution or governing document expenditure | <input type="checkbox"/> Two quotations for each item of expenditure |

Consent

Please tick the box below to confirm that you give permission for the City of Bradford Metropolitan District Council to record the information in this form.

We give permission for City of Bradford Metropolitan District Council to record and process the information in this form electronically and in paper form and to contact our organisation by phone, mail or email with regard to this application. We agree that this information can be shared with the funder and members of the decision-making panel.

We understand and agree that should we be successful, we will be required to comply with the funding terms and conditions.

Please tick the box below to confirm that you give permission for the City of Bradford Metropolitan District Council to record the information in this form.

We understand that we will have to account for any money awarded, by retaining any receipts to show how the grant was spent, and you agree you will complete an evaluation form.

We understand that we will be required to take part in appropriate and proportionate promotions (we will not ask you to identify service users), such as donor visits, publicly acknowledging the funding for example on social media (if you use it) or by taking part in case studies.
