1. SUMMARY

The application is for the review of a premises licence authorising the sale of alcohol for consumption off the premises.

A copy of the Licence is attached at Appendix 1.

2. BACKGROUND

2.1 The Premises

Namo Mini Market, 13 Town Gate, Wyke, Bradford, BD12 9PA.

2.2 Premises Licence holder

Mr Yunis Mohammad.

2.3 Application Received asking for a Review of the Licence

Responsible Authority

West Yorkshire Trading Standards, has applied for a review of the premises licence.

On 6 March 2023, a test purchase of counterfeit cigarettes was made. The female working in the store obtained the cigarettes from under the counter.

On 8 March 2023, an inspection visit was made. Illegal cigarettes and hand rolling tobacco were recovered from a hidden concealment built into the wall behind the counter as well as a shelf and bags in the back storeroom. Illegal oversized vapes were also seized from behind the counter.

In order to address the prevention of crime and disorder objective and public safety objective, West Yorkshire Trading Standards would recommend revocation of the licence.

The application for review is attached at Appendix 2

3. OTHER CONSIDERATIONS

Legal Appraisal

3.1 The Licensing Act 2003 requires the Council to carry out its various licensing functions so as to promote the following four licensing objectives:

a) the prevention of crime and disorder

- b) public safety

3.2 The Council must also have regard to the Guidance issued by the Home Office under Section 182 of the Licensing Act 2003. Regard must also be taken of the Council's statement of Licensing Policy for the District.

An extract of the Home Office Guidance is attached to this report at Appendix 3.

3.3 Where it is decided it is necessary to depart from the statutory guidance or the Licensing Policy on the merits of a particular case; then special reasons justifying this must be given that can be sustained.

3.4 Only "relevant representations" can be taken into account. In order to be "relevant" a representation must fairly relate to achieving a licensing objective. If it does not, it must be discounted.

3.5 Any licensing conditions that Members may propose attaching must also relate to achieving one of the licensing objectives; be tailored to the actual premises and style of licensable activity; must be reasonably achievable by the applicant and in his/her control.

Statement of Policy Issues

3.6 The following parts of the licensing policy are of particular importance; Part 4 Prevention of Crime and Disorder and Part 5 Public Safety.

Please state the ground(s) for review (please read guidance note 1)

Mr Yunis Mohammed is the Premises Licence Holder and Designated Premises Supervisor (DPS) for the business trading as Abrakadabra 13 Town Gate, Wyke Bradford, BD12 9PA. Mr Mohammed has held these positions throughout the period covered by the activities described in this application. Mr Mohammed is therefore responsible for ensuring the business operates in accordance with the terms of its premises licence and upholds the Licensing Objectives, particularly Prevention of Crime and Disorder, at all times.

The facts of the case are as follows:

The retail premises, **Abrakadabra, 13 Town Gate, Wyke, Bradford, BD12 9PA** came to the attention of West Yorkshire Trading Standards Service (WYTSS) following information received which indicated that the business was selling illegal tobacco. The business is a limited company, Anas Bradford

Ltd, incorporated on 30/05/2022 with a sole director, the licensee Mr Yunis Mohammad. The trading name has been kept from a previous Limited company registered at the address, Abrakadabra Limited. This unconnected limited company was incorporated on 19/06/2020 and then dissolved on 09/08/2022. The directors of this company did not include the current licensee Mr Mohammad and are not connected to the current business trading at this premises.

On 6th March 2023, a Trading Standards Officer in plain clothes attended the store to make a test purchase. A counterfeit packet of 20 Richmond cigarettes was purchased for £4.50. The female working in the store obtained the cigarettes from under the counter. The normal price for this item is over £10, over £6.00 of which is Excise Duty.

On 8th March 2023, Trading Standards Officers conducted an inspection visit at the store. Working there was a female who claimed she did not know who owned the business or how to work the CCTV. Illegal cigarettes and hand rolling tobacco were recovered from a hidden concealment built into the wall behind the counter as well as a shelf and bags in the back storeroom. Illegal oversized vapes were also seized from behind the counter.

The total amount seized was 263 x 20 packets of cigarettes (5,260), 68 x 50g pouches of hand rolling tobacco(3.4kg) & 199 disposable vapes.

The tobacco products recovered during the visit are not labelled with the statutory health warnings required by the Tobacco and related products regulations 2016 and did not have the plain packaging as required by the Standardised Packaging of Tobacco Products Regulations 2015. Other offences being committed include ones under the Trade Marks Act 1994, Companies Act 2006 and Customs and Excise Management Act 1979. By committing these offences, the licence holder Mr Mohammad is clearly failing to uphold the licencing objective to prevent crime and disorder.

The statutory health warnings which are absent on these tobacco products include “Smoking Kills” and “Smoking seriously harms you and others around you”. These warnings were implemented in an effort to enhance the public’s knowledge about the dangers and risks of using such tobacco products. All cigarettes pose a major health risk and contain hundreds of poisons, including dozens of cancer-causing chemicals. Over half of long-term smokers die early of smoking related diseases.

The supply of cheap and illicit tobacco significantly undermines the government’s policy of using tax to maintain the high price of tobacco and help reduce smoking.

By selling non packaging compliant cigarettes at around half the normal retail price, reducing the incentive for smokers to cut down and quit smoking, the premises licence holder is failing in its licencing objective to protect public safety.

Dealers in cheap and illicit tobacco products reap the financial benefits of supplying cheap cigarettes and tobacco at the expense of legitimate retailers by providing unfair competition to shops selling the genuine tax paid products. This may lead to honest retailers closing down and causing local economies to suffer.

The supply of illicit and counterfeit tobacco products costs the taxpayer over £2.5 billion per year in lost revenue.

The current Home Office Guidance issued under section 182 of the Licensing Act 2003 states: -

11.27 There is certain criminal activity that may arise in connection with

licensed premises which should be treated particularly seriously. These are the use of the licensed premises for certain stated activity and includes:

- for the sale or storage of smuggled tobacco and alcohol.

11.28 It is envisaged that licensing authorities, the police, the Home Office (Immigration Enforcement) and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence – even in the first instance – should be seriously considered.

By selling smuggled and counterfeit tobacco products the owners of this business have shown a blatant disregard for the law and licencing objectives. **West Yorkshire Trading Standards, as a Responsible Authority, considers the matters outlined above to be extremely serious and therefore recommends a full revocation of the premises licence.**

I am the lead cheap and illicit tobacco officer employed by West Yorkshire Trading Standards Service (WYTSS). I am an authorised officer for the purposes of the Trade Marks Act 1994, the Tobacco and Related Products Regulations 2016, the Standardised Packaging of Tobacco Regulations 2015 and the Consumer Rights Act 2015.

On 8th March 2023, I was in company with Police officers when I took part in an inspection visit at Abrakadabra, 13 Town Gate, Bradford, BD12 9PA. Working at the store was a female called Ms Maria TOKAROVA who was served with a notice of powers and rights. I explained to Ms TOKAROVA the purpose of our inspection. She stated she did not know who the owner was as she had been employed by an agency.

Ms TOKAROVA told me that there was illegal tobacco products hidden behind the counter and in the bathroom.

No A3 tobacco notice was on display, nor could Ms TOKAROVA locate the alcohol licence. Ms TOKAROVA also didn't know how to work the CCTV.

A search of the shop was conducted and illegal packets of cigarettes were found built in to a concealment behind the counter. More illegal tobacco products were found on a shelf in the back store room and 2 more bags of illegal tobacco products found in the bathroom/store room. Illegal/oversized vapes were also found behind the counter and seized.

I visually examined the tobacco products and could see they were not in the standardised format as required by The Standardised Packaging of Tobacco Products Regulations 2015 and were in violation of the Tobacco and Related Products Regulations 2016 as the prescribed health warnings were not present in English. From discrepancies in the packaging on some cigarettes and from the foreign excise stamps present on others it was clear to me the cigarettes were a mix of counterfeit and smuggled items. The total amount seized was 5,260 cigarettes (263 x 20 packets of cigarettes) 68 x 50g Hand Rolling Tobacco & 199 illegal disposable vapes.

On 6th March 2023, I attended the premises of **Abakadabra, 13 Town Gate, Wyke, Bradford, BD12 9PA** to carry out a test purchase for illegal tobacco on behalf of West Yorkshire Trading standards. I was wearing plain clothes. Working behind the counter was a female of Asian descent, I describe her as being quite short, and aged around 30 to 40 years. I approached the counter and asked to purchase a packet of Richmond cigarettes. I was asked how many I wanted, and I replied that I wanted 20. She then reached under the counter and produced a packet of cigarettes in blue packaging,

11. Reviews

The review process

- 11.1 The proceedings set out in the 2003 Act for reviewing premises licences and club premises certificates represent a key protection for the community where problems associated with the licensing objectives occur after the grant or variation of a premises licence or club premises certificate.
- 11.2 At any stage, following the grant of a premises licence or club premises certificate, a responsible authority, or any other person, may ask the licensing authority to review the licence or certificate because of a matter arising at the premises in connection with any of the four licensing objectives.
- 11.3 An application for review may be made electronically, provided that the licensing authority agrees and the applicant submits a subsequent hard copy of the application, if the licensing authority requires one. The licensing authority may also agree in advance that the application need not be given in hard copy. However, these applications are outside the formal electronic application process and may not be submitted via GOV.UK or the licensing authority's electronic facility. The applicant must give notice of the review application to the responsible authorities and holder of the licence or certificate. The licensing authority is required to advertise a review application.
- 11.4 In addition, the licensing authority must review a licence if the premises to which it relates was made the subject of a closure order by the police based on nuisance or disorder and the magistrates' court has sent the authority the relevant notice of its determination, or if the police have made an application for summary review on the basis that premises are associated with serious crime and/or disorder.
- 11.5 Any responsible authority under the 2003 Act may apply for a review of a premises licence or club premises certificate. Therefore, the relevant licensing authority may apply for a review if it is concerned about licensed activities at premises and wants to intervene early without waiting for representations from other persons. However, it is not expected that licensing authorities should normally act as responsible authorities in applying for reviews on behalf of other persons, such as local residents or community groups. These individuals or groups are entitled to apply for a review for a licence or certificate in their own right if they have grounds to do so. It is also reasonable for licensing authorities to expect other responsible authorities to intervene where the basis for the intervention falls within the remit of that other authority. For example, the police should take appropriate steps where the basis for the review is concern about crime and disorder or the sexual exploitation of children. Likewise, where there are concerns about noise nuisance, it is reasonable to expect the local authority exercising environmental health functions for the area in which the premises are situated to make the application for review.
- 11.6 Where the relevant licensing authority does act as a responsible authority and applies for a review, it is important that a separation of responsibilities is still achieved in this process to ensure procedural fairness and eliminate conflicts of interest. As outlined previously in Chapter 9 of this Guidance, the distinct functions of acting as licensing authority and responsible authority should be exercised by different officials to ensure a separation of responsibilities. Further information on how licensing authorities should

achieve this separation of responsibilities can be found in Chapter 9, paragraphs 9.13 to 9.19 of this Guidance.

- 11.7 In every case, any application for a review must relate to particular premises in respect of which there is a premises licence or club premises certificate and must be relevant to the promotion of one or more of the licensing objectives. Following the grant or variation of a licence or certificate, a complaint regarding a general issue in the local area relating to the licensing objectives, such as a general (crime and disorder) situation in a town centre, should generally not be regarded as relevant unless it can be positively tied or linked by a causal connection to particular premises, which would allow for a proper review of the licence or certificate. For instance, a geographic cluster of complaints, including along transport routes related to an individual public house and its closing time, could give grounds for a review of an existing licence as well as direct incidents of crime and disorder around a particular public house.
- 11.8 Where a licensing authority receives a geographic cluster of complaints, consideration may be given as whether these issues are the result of the cumulative impact of licensed premises within the area concerned. In such circumstances, the licensing authority may be asked to consider whether it would be appropriate to publish a cumulative impact assessment. Further guidance on cumulative impact assessments can be found in Chapter 14 of this Guidance.
- 11.9 Responsible authorities and other persons may make representations in respect of an application to review a premises licence or club premises certificate. They must be relevant (i.e., relate to one or more of the licensing objectives) and, in the case of other persons, must not be frivolous or vexatious. Representations must be made in writing and may be amplified at the subsequent hearing or may stand in their own right. Additional representations which do not amount to an amplification of the original representation may not be made at the hearing. Representations may be made electronically, provided the licensing authority agrees and the applicant submits a subsequent hard copy, unless the licensing authority waives this requirement.
- 11.10 Where authorised persons and responsible authorities have concerns about problems identified at premises, it is good practice for them to give licence holders early warning of their concerns and the need for improvement, and where possible they should advise the licence or certificate holder of the steps they need to take to address those concerns. A failure by the holder to respond to such warnings is expected to lead to a decision to apply for a review. Co-operation at a local level in promoting the licensing objectives should be encouraged and reviews should not be used to undermine this co-operation.
- 11.11 If the application for a review has been made by a person other than a responsible authority (for example, a local resident, residents' association, local business or trade association), before taking action the licensing authority must first consider whether the complaint being made is relevant, frivolous, vexatious or repetitious. Further guidance on determining whether a representation is frivolous or vexatious can be found in Chapter 9 of this Guidance (paragraphs 9.4 to 9.10).

Repetitious grounds of review

- 11.12 A repetitious ground is one that is identical or substantially similar to:

- a ground for review specified in an earlier application for review made in relation to the same premises licence or certificate which has already been determined; or
 - representations considered by the licensing authority when the premises licence or certificate was granted; or
 - representations which would have been made when the application for the premises licence was first made and which were excluded then by reason of the prior issue of a provisional statement; and, in addition to the above grounds, a reasonable interval has not elapsed since that earlier review or grant.
- 11.13 Licensing authorities are expected to be aware of the need to prevent attempts to review licences merely as a further means of challenging the grant of the licence following the failure of representations to persuade the licensing authority on an earlier occasion. It is for licensing authorities themselves to judge what should be regarded as a reasonable interval in these circumstances. However, it is recommended that more than one review originating from a person other than a responsible authority in relation to a particular premises should not be permitted within a 12 month period on similar grounds save in compelling circumstances or where it arises following a closure order or illegal working compliance order.
- 11.14 The exclusion of a complaint on the grounds that it is repetitious does not apply to responsible authorities which may make more than one application for a review of a licence or certificate within a 12 month period.
- 11.15 When a licensing authority receives an application for a review from a responsible authority or any other person, or in accordance with the closure procedures described in Part 8 of the 2003 Act (for example, closure orders), it must arrange a hearing. The arrangements for the hearing must follow the provisions set out in regulations. These regulations are published on the Government's legislation website (www.legislation.gov.uk). It is particularly important that the premises licence holder is made fully aware of any representations made in respect of the premises, any evidence supporting the representations and that the holder or the holder's legal representative has therefore been able to prepare a response.

Powers of a licensing authority on the determination of a review

- 11.16 The 2003 Act provides a range of powers for the licensing authority which it may exercise on determining a review where it considers them appropriate for the promotion of the licensing objectives.
- 11.17 The licensing authority may decide that the review does not require it to take any further steps appropriate to promoting the licensing objectives. In addition, there is nothing to prevent a licensing authority issuing an informal warning to the licence holder and/or to recommend improvement within a particular period of time. It is expected that licensing authorities will regard such informal warnings as an important mechanism for ensuring that the licensing objectives are effectively promoted and that warnings should be issued in writing to the licence holder.
- 11.18 However, where responsible authorities such as the police or environmental health officers have already issued warnings requiring improvement – either orally or in writing – that have failed as part of their own stepped approach to address concerns, licensing authorities should not merely repeat that approach and should take this into account

when considering what further action is appropriate. Similarly, licensing authorities may take into account any civil immigration penalties which a licence holder has been required to pay for employing an illegal worker.

- 11.19 Where the licensing authority considers that action under its statutory powers is appropriate, it may take any of the following steps:
- modify the conditions of the premises licence (which includes adding new conditions or any alteration or omission of an existing condition), for example, by reducing the hours of opening or by requiring door supervisors at particular times;
 - exclude a licensable activity from the scope of the licence, for example, to exclude the performance of live music or playing of recorded music (where it is not within the incidental live and recorded music exemption)¹⁰;
 - remove the designated premises supervisor, for example, because they consider that the problems are the result of poor management;
 - suspend the licence for a period not exceeding three months;
 - revoke the licence.
- 11.20 In deciding which of these powers to invoke, it is expected that licensing authorities should so far as possible seek to establish the cause or causes of the concerns that the representations identify. The remedial action taken should generally be directed at these causes and should always be no more than an appropriate and proportionate response to address the causes of concern that instigated the review.
- 11.21 For example, licensing authorities should be alive to the possibility that the removal and replacement of the designated premises supervisor may be sufficient to remedy a problem where the cause of the identified problem directly relates to poor management decisions made by that individual.
- 11.22 Equally, it may emerge that poor management is a direct reflection of poor company practice or policy and the mere removal of the designated premises supervisor may be an inadequate response to the problems presented. Indeed, where subsequent review hearings are generated, it should be rare merely to remove a succession of designated premises supervisors as this would be a clear indication of deeper problems that impact upon the licensing objectives.
- 11.23 Licensing authorities should also note that modifications of conditions and exclusions of licensable activities may be imposed either permanently or for a temporary period of up to three months. Temporary changes or suspension of the licence for up to three months could impact on the business holding the licence financially and would only be expected to be pursued as an appropriate means of promoting the licensing objectives or preventing illegal working. So, for instance, a licence could be suspended for a weekend as a means of deterring the holder from allowing the problems that gave rise to the review to happen again. However, it will always be important that any detrimental financial impact that may result from a licensing authority's decision is appropriate and proportionate to the promotion of the licensing objectives and for the prevention of illegal working in licensed premises. But where premises are found to be trading irresponsibly, the licensing authority should not hesitate, where appropriate to do so, to take tough

¹⁰ See chapter 16 in relation to the licensing of live and recorded music.

action to tackle the problems at the premises and, where other measures are deemed insufficient, to revoke the licence.

Reviews arising in connection with crime

- 11.24 A number of reviews may arise in connection with crime that is not directly connected with licensable activities. For example, reviews may arise because of drugs problems at the premises, money laundering by criminal gangs, the sale of contraband or stolen goods, the sale of firearms, or the sexual exploitation of children. Licensing authorities do not have the power to judge the criminality or otherwise of any issue. This is a matter for the courts. The licensing authority's role when determining such a review is not therefore to establish the guilt or innocence of any individual but to ensure the promotion of the crime prevention objective.
- 11.25 Reviews are part of the regulatory process introduced by the 2003 Act and they are not part of criminal law and procedure. There is, therefore, no reason why representations giving rise to a review of a premises licence need be delayed pending the outcome of any criminal proceedings. Some reviews will arise after the conviction in the criminal courts of certain individuals, but not all. In any case, it is for the licensing authority to determine whether the problems associated with the alleged crimes are taking place on the premises and affecting the promotion of the licensing objectives. Where a review follows a conviction, it would also not be for the licensing authority to attempt to go beyond any finding by the courts, which should be treated as a matter of undisputed evidence before them.
- 11.26 Where the licensing authority is conducting a review on the grounds that the premises have been used for criminal purposes, its role is solely to determine what steps should be taken in connection with the premises licence, for the promotion of the crime prevention objective. It is important to recognise that certain criminal activity or associated problems may be taking place or have taken place despite the best efforts of the licence holder and the staff working at the premises and despite full compliance with the conditions attached to the licence. In such circumstances, the licensing authority is still empowered to take any appropriate steps to remedy the problems. The licensing authority's duty is to take steps with a view to the promotion of the licensing objectives and the prevention of illegal working in the interests of the wider community and not those of the individual licence holder.
- 11.27 There is certain criminal activity that may arise in connection with licensed premises which should be treated particularly seriously. These are the use of the licensed premises:
- for the sale and distribution of drugs controlled under the Misuse of Drugs Act 1971 and the laundering of the proceeds of drugs crime;
 - for the sale and distribution of illegal firearms;
 - for the evasion of copyright in respect of pirated or unlicensed films and music, which does considerable damage to the industries affected;
 - for the illegal purchase and consumption of alcohol by minors which impacts on the health, educational attainment, employment prospects and propensity for crime of young people;
 - for prostitution or the sale of unlawful pornography;
 - by organised groups of paedophiles to groom children;
 - as the base for the organisation of criminal activity, particularly by gangs;

- for the organisation of racist activity or the promotion of racist attacks;
- for employing a person who is disqualified from that work by reason of their immigration status in the UK;
- for unlawful gambling; and
- for the sale or storage of smuggled tobacco and alcohol.

11.28 It is envisaged that licensing authorities, the police, the Home Office (Immigration Enforcement) and other law enforcement agencies, which are responsible authorities, will use the review procedures effectively to deter such activities and crime. Where reviews arise and the licensing authority determines that the crime prevention objective is being undermined through the premises being used to further crimes, it is expected that revocation of the licence – even in the first instance – should be seriously considered.

Review of a premises licence following closure order or illegal working compliance order

11.29 Licensing authorities are subject to certain timescales, set out in the legislation, for the review of a premises licence following a closure order under section 80 of the Anti-social Behaviour, Crime and Policing Act 2014 or an illegal working compliance order under section 38 of and Schedule 6 to the Immigration Act 2016. The relevant time periods run concurrently and are as follows:

- when the licensing authority receives notice that a magistrates' court has made a closure order it has 28 days to determine the licence review – the determination must be made before the expiry of the 28th day after the day on which the notice is received;
- the hearing must be held within ten working days, the first of which is the day after the day the notice from the magistrates' court is received;
- notice of the hearing must be given no later than five working days before the first hearing day (there must be five clear working days between the giving of the notice and the start of the hearing).

Review of a premises licence following persistent sales of alcohol to children

11.29 The Government recognises that the majority of licensed premises operate responsibly and undertake due diligence checks on those who appear to be under the age of 18 at the point of sale (or 21 and 25 where they operate a Challenge 21 or 25 scheme). Where these systems are in place, licensing authorities may wish to take a proportionate approach in cases where there have been two sales of alcohol within very quick succession of one another (e.g., where a new cashier has not followed policy and conformed with a store's age verification procedures). However, where persistent sales of alcohol to children have occurred at premises, and it is apparent that those managing the premises do not operate a responsible policy or have not exercised appropriate due diligence, responsible authorities should consider taking steps to ensure that a review of the licence is the norm in these circumstances. This is particularly the case where there has been a prosecution for the offence under section 147A or a closure notice has been given under section 169A of the 2003 Act. In determining the review, the licensing authority should consider revoking the licence if it considers this appropriate.
