## **2.6 Relevant Representations Received**

### **Individual, Body or Business**

Two representations have been received including one from a Ward Councillor, which raise concerns of noise nuisance, anti-social behaviour and continuing criminal activity at the premises.

The representations are attached at Appendix 2.

## **3. OTHER CONSIDERATIONS**

### **Legal Appraisal**

**3.1** The Licensing Act 2003 requires the Council to carry out its various licensing functions so as to promote the following four licensing objectives:

- a) the prevention of crime and disorder
- b) public safety
- c) the prevention of public nuisance
- d) the protection of children from harm

**3.2** The Council must also have regard to the guidance issued by the Home Office under Section 182 of the Licensing Act 2003. Regard must also be taken of the Council's statement of Licensing Policy for the District.

**3.3** Where it is decided it is necessary to depart from the statutory guidance or the Licensing Policy on the merits of a particular case; then special reasons justifying this must be given that can be sustained.

**3.4** Only "relevant representations" can be taken into account. In order to be "relevant" a representation must fairly relate to achieving a licensing objective. If it does not, it must be discounted.

**3.5** Any licensing conditions that Members may propose attaching must also relate to achieving one of the licensing objectives; be tailored to the actual premises and style of licensable activity; must be reasonably achievable by the applicant and in his/her control.

### **Statement of Policy Issues**

**3.6** The following parts of the Licensing Policy are of particular importance; Part 4 (prevention of crime & disorder) and Part 6 (prevention of public nuisance).

**3.7** The Annexes to the Policy sets out various types of model condition that could be considered.

**4. FINANCIAL & RESOURCE APPRAISAL**

There are no apparent finance or resource implications.

**5. RISK MANAGEMENT AND GOVERNANCE ISSUES**

There are no apparent risk management and governance implications.

**6. LEGAL APPRAISAL**

**7. OTHER IMPLICATIONS**

**7.1 SUSTAINABILITY IMPLICATIONS**

**7.2 GREENHOUSE GAS EMISSIONS IMPACTS**

There are no apparent implications.

**7.3 COMMUNITY SAFETY IMPLICATIONS**

When determining the application the Licensing Authority is required to pay due regard to the licensing objectives referred to in 3.1 of this report.

**7.4 HUMAN RIGHTS ACT**

The following rights are applicable:

Article 1 First Protocol to the Convention – Right to peaceful enjoyment of possessions subject to the state’s right to control the use of property in accordance

with the general interest. The Council’s powers set out in the recommendations fall within the states right. A fair balance must be struck between public safety and the applicant’s rights.

Article 6 – A procedural right to a fair hearing. As refusal of the application is an option, adherence to the Panels’ usual procedure of affording a hearing to the applicant is very important. The applicant should also be able to examine the requirements of the fire authority. If the decision is to refuse then reasons should be given.

**7.5 TRADE UNION**

Not applicable.

## **7.6 WARD IMPLICATIONS**

Ward Councillors have been notified of receipt of the application.

## **7.7 IMPLICATIONS FOR CORPORATE PARENTING**

### **9.2** Should the applicant or any other party to the hearing feel aggrieved at any decision with regard to the licence or to any conditions or restrictions attached by Members they may appeal to the Magistrates Court.

NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

#### Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Good afternoon Melanie

Thank you for your response.

The previous application despite it being revoked and no appeal being submitted has continued to operate and the ASB, illegal sale of counterfeit cigarettes and gas cannisters also continues.

In terms of the new application, my objections are specific to the premises and the history in relation to this.

I believe any new application shall affect the residential amenity of neighbours through the ASB which exists as a direct result of this licenced premises. If no licence was to be issued then I believe ASB shall cease in this locality.

I hope this clarifies my perspective.

Regards

Dear Cllr Azam

97 Great Horton Road is a new application which has been made by Mr Morad Omer.

The previous licence was held by Mr Taha Ali Said.

Any representation should relate to the new application and not the previous licence which was revoked.

Kind regards

Hi

With regard to the above planning application, I would like you to consider my statement below, which supports refusing the 24 hour Licence.

We as the Bradford West Area Coordinators Office are very concerned about a 24 hour Off licence being granted for this shop. This is because we have a number of families with young children living in this area. Who already have been complaining about ASB and noise nuisance. 24hour licence may result in further ASB, noise pollution and nuisance for local residents. As I have said this is in a residential area where residents complain that their children get woken up by ASB late at night and damage is caused to their gardens and cars by people who have taken alcohol at night. Families are scared and feel children are tired for school as their sleep is disturbed. This could also attract ASB from neighbouring areas including the City Centre as it is close to this shop. City Centre has a number of shops with 24 hours licence hence I don't feel there is a need for another one in a residential area 5 minutes' walk away. There is a concern we will make this residential area into the City Centre. This area does not have the resources to deal with issues of late night drinking as the city centre does.

Thank you
