### **My priorities for the past year were (May 2014 to May 2015)**

To continue to be as available as possible to Wibsey residents and to represent their views both collectively and individually.

To fight to ensure the provision of democratically accountable services that the people of the ward need and desire.

To continue to make progress with the issue of road safety throughout the ward.

To continue to work to create an environment suitable for both business and residents in Wibsey village.

To continue to seek resources for more improvements in Wibsey Park and other areas within the ward.

To work with my colleagues to help support and develop greater community involvement and activity in the Wibsey area and to work with Police to help tackle crime and anti-social behaviour.

**My priorities for the coming year (May 2015 to May 2016) are:  
(Please list or describe your priorities or targets as a Councillor for the coming year)**

To continue to be accessible to residents of Wibsey and to deal effectively and efficiently with the issues that are raised with me.

To continue to hold regular surgeries.

To work with community organisations and Friends groups to improve partnerships and develop local services.

To explore ways that New Deal can help provide services in Wibsey at a time of reducing resources.
