My priorities for the past year were (May 2014 to May 2015)

As well as contributing actively to all meetings that I attend, I with my fellow colleagues Martin Love and Kevin Warnes will hold regular surgeries and street surgeries where we door knock on Saturday morning to make contact with local residents.

Communicate with residents on regular basis.

Be accessible to all residents and deal with any issues and concerns they may raise.

Put the needs of pedestrians and cyclists as priority.

Attend the relevant civic functions such as Remembrance Sunday and Hiroshima Remembrance Day.

Work with local NHS organisation to promote sustainable health economy.

Work with Transport Planning (Metro) and Go Cycling to promote Cycling and identify safer routes in and around Bradford.

As well as contributing to the meetings that I attend, I with my fellow councillors, held regular surgeries and did case working on Saturdays in and around Shipley to make ourselves available to the residents.

We as Green Group put in Motions and Questions to Full Council meetings frequently.

Attend neighbourhood forums.

Actively promoted and worked with officers to deliver on the recommendations of the Food Strategy, and the allotment report.

Actively support the implementation of the Food Project work on Supplementary Planning Guidance for Hot Food outlet, the Guidance document developed for Mobile Food Outlets and the Good Food Project targeted at hot food take-aways to improve the quality and nutrition of the food on offer.

Also along with my colleagues Martin Love and Kevin Warnes dealt with many issues and concerns raised by local residents such as Gullies, Gritting, planning issues and school appeals to name a few.
