**Other meetings/bodies which you regularly attend: (e.g School governing bodies outside bodies etc)**

Attend Steeton School as a Governor

Aire Wharfe Board for Incommunities Housing Association

**My priorities for the past year were (May 2014 to May 2015)**

The challenge this year will be to ensure that the Craven Ward continues to get the resources that it deserves during difficult financial times and where Bradford Council are actively trying to cut services.

My dog fouling campaign will once again continue to highlight the issue and strive to make our green and pleasant areas enjoyable for everyone.

Working on the Regeneration Scrutiny Committee I will push for more investment to go towards creating a skilled workforce and new employment opportunities across Bradford.

I have taken on the role as shadow spokesperson for Safer and Stronger Communities for the Bradford District and I see this as a major priority, bringing confidence back to residents that Bradford is a safe place to be enjoyed.

**My priorities for the coming year (May 2015 to May 2016) are:  
(Please list or describe your priorities or targets as a Councillor for the coming year)**

To communicate with local residents across the ward and address local issues.

To protect the green fields from developers who wish to place a further burden on the infrastructure.

To push forward with a master plan for the Craven ward to ensure that any development is done sympathetically.

To continue to develop my skills as a Councillor.

I want to see Silsden governed by a respectable and open Town Council.

**What I have achieved in the past year (May 2014 to May 2015)  
(Please list or describe some of your activities as a Councillor and what you see as your key achievements)**

I have represented many residents at planning meetings to object to applications with some success.

Working with planning officers I have made sure that any development has some form of benefit to the local community.

I have raised many issues at both Regeneration and Economy Scrutiny Committee and at the Keighley Area Committee to ensure that rural areas get their share of services.

**What training sessions, seminars, briefings and conferences have you attended to develop your skills and gain knowledge that has helped you to serve the people of the district? (Please list them).**
