

The Localism Act 2011 Community Right to Bid

Application to Nominate Assets of Community value

You will need to complete this application form if you wish to nominate an asset of community value for listing. The responses to the questions in your application will enable the Council to reach a decision about your nomination. In the event that the information you supply is insufficient to make a decision, your application will be rejected.

Before completing this application **please read** the information about the Assets of Community Value provisions available on the Council website at http://www.bradford.gov.uk/bmdc/leisure_and_culture/parks_and_open_spaces/assets_of_community_value

This information will help you to better understand whether the asset you propose to nominate meets with the definition of an 'asset of community value'. It also provides additional information about your rights to nominate and bid for assets as well as the rights of asset owners.

Your completed application should be sent to:

Assets of Community Value
The Operational Estate Manager
Estate Management
City of Bradford Metropolitan District Council

For information, the table below summarises the 'assets of community value' nominating and bidding process in four simple stages.

Stage one: Identify an asset for nomination

If an eligible community or voluntary group thinks that a local asset meets the definition of an 'asset of community value' they can fill in an application form and ask the Council to list the property as an 'asset of community value'. If the nomination meets the relevant criteria and is approved by the Council, the asset will be included on the list. A list will also be compiled for any unsuccessful nominations that do not meet the criteria.

Stage 2: The owner wants to sell their asset

If the owner wants to sell their asset they must notify the Council, which will then notify the community group that nominated the asset and publicise the proposed sale to the wider community. If within six weeks of informing the Council of their intention to sell their asset an eligible community interest group does not come forward, the owner is free to sell their asset for a period of eighteen months from the date that they notified the Council of their intention to sell the asset.

Step 3: A designated community group wants to bid for the asset

If an eligible community interest group *does* express an interest in bidding for the asset, this group or groups will be granted extra time to prepare a business plan and gather the finance needed to purchase the asset. All in all, the time-frame for groups to put together their bids is six months starting from the time the asset owner informs the Council of their intention to sell the asset.

Step 4: The point at which the asset is to be sold

The six month window of opportunity is only for eligible community interest groups to put their business plans together and gather necessary funding. Once the six month window has expired, the asset owner is free to sell their property to who they want. They are under no obligation to sell the asset to any eligible community interest group or groups who bid to purchase the asset.

5. Reasons for nomination ; Why you think the land or building is of community value	
<p><i>Please note that the following are not able to be assets of community value:-</i></p> <ul style="list-style-type: none"> <i>• A building wholly used as a residence, together with land “connected with” that residence. This means adjoining land in the same ownership. Land is treated as adjoining if it is separated only by a road, railway, river or canal.</i> <i>• A caravan site.</i> <i>• Operational land. This is generally land belonging to the former utilities and other statutory operators.</i> 	
<p>5.1 Does the use of the asset currently further the social wellbeing or social interests* of the local community, or has it done so in the recent past? If so, how? <i>* These could be cultural, recreational and/or sporting interests – please say which one(s) apply.</i></p> <p>The Park has been, since it's inception, a public facility for both residents and visitors to enjoy. These include landscaped planted and lawned areas, and a children's play area with play equipment, various paths and walkways.</p> <p>The park is frequently used for family and community based events as well as a general play area for children and parents. This is a public access space with access for disabled persons and for all ages.</p>	
<p>5.2 How could the building or land be acquired and used in future? <i>If it is listed as an asset of community value, community interest groups (not limited to your organisation) will get the opportunity to bid for it if it comes up for sale. Please set out how you think such a group could fund the purchase of the building or land, and how they could run it for the benefit of the community.</i></p> <p>It is the intention to continue to have this as a public space very much the centre of activities in Cross Road. The functions, access and availability would continue to be as broad as at present. Its role as a public park and facility is already well recognised.</p>
