Grant of Premises Licence, Licensing Act 2003
Off Licence – 57 – 63 North Parade, Bradford, BD1 3JH

I refer to the application in respect of the above premises, dated 19TH October 2016 and received by the police on 26th October 2016.

Discussions have taken place with the applicant's representative and Police enquiries into the application have now been completed and I make the following representations: -

The application is to operate the premises for the sale of alcohol each day of the week between 08:00 and Mid-night Monday through to Sunday.

The police have proposed and the applicant has agreed the following:-

CCTV will be provided in the form of a recordable system, capable of providing pictures of evidential quality in all lighting conditions. Cameras shall encompass all ingress and egress to the premises and all areas where the sale/supply of alcohol occurs. Equipment must be maintained in good working order, be correctly time and date stamped and be kept for a period of 28 days. The premises licence holder must ensure at all time the DPS or appointed member of staff is present on the premises and capable and competent at downloading CCTV footage in a recordable format, either DISC or VHS to the police or Licensing Authority on request. The recording equipment and tapes/discs shall be kept in a secure room and endorsed by signature, indicating that the CCTV system has been checked and is compliant. In the event of any failings of the CCTV system, this shall also be recorded and in the event of technical failure, the premises licence holder/DPS must report the failure to the Bradford District Police Licensing Officer and the Local Authority immediately.

A challenge 25 Policy shall be implemented.

The proposed requirements requested by the police are considered necessary to address all four of the Licensing Objectives.

Should the above be agreed then the police would have no objections to the application

Yours faithfully
