1. SUMMARY

This report includes the Corporate Overview and Scrutiny Committee work programme for 2016/17, which is attached as appendix 1 to this report.

2. BACKGROUND

2.1 The Council constitution requires all Overview and Scrutiny Committees to produce a work programme.

3. OTHER CONSIDERATIONS

3.1 The Corporate Overview and Scrutiny Committee has the responsibility for “the strategies, plans, policies, functions and services directly relevant to the corporate priority about customer services and e-government, that improve the Councils ability to deliver, govern and change, community cohesion and all other corporate matters not falling within the responsibility of any other Overview and Scrutiny Committee.” (Council Constitution, Part 2, 6.2.1).

3.2 The remit of this Committee also includes:

- the co-ordination of the discharge of the Overview and Scrutiny role within the Council and in relation to external bodies;
- supporting the Executive through its contribution towards the improvement of the Council’s performance;
- co-ordinating the development of the Overview and Scrutiny role within the Council.

3.3 Best practice published by the Centre for Public Scrutiny suggests that “work programming should be a continuous process”. It is important to review work programmes, so that important or urgent issues that arise during the year are able to be scrutinised. Furthermore, at a time of limited resources, it should also be possible to remove areas of work which have become less relevant or timely. For this reason, it is proposed that the Committee’s work programme be regularly reviewed by members of the committee throughout the municipal year.

3.4 The work programme as agreed by the Committee will form the basis for the Committee’s work during the year, but will be amended as issues arise during the year.
