Beneficiaries

- Below shows the total beneficiaries of WHHP interventions.
- The householders figure is multiplied by the number of selections indicated from the referrals submitted to determine Children 16 and under and for adults resident. This then shows the total beneficiaries combined. i.e. 2 selections of 3 householders would equate to 6 beneficiaries.

Service User Householders	Children in Household (Selections)	Adults in Household (Selections)	Consequential Beneficiaries from F4CWW
1	10	28	38
2	3	24	54
3	6	7	39
4	2	4	24
5	5	1	30
6	1	0	6
7	0	0	0
8+	0	0	0
Total			191

Eligibility Selections

- Below is the essential criteria required in order to access any of the F4CWW services. Service users can make several selections if more than one eligibility criterion apply.

Eligibility Selections

Supporting Selections
