Mr

Ryshworth Hall.

Keighley Road. Crossflatts. Bingley. BD16 2EL. 30/01/2017

Dear Sir/Madam I wish to object to the variance of the licence For Alcohol & Music for Crossflatts Cricket Club currently applied for.

The Grounds for my objections are

Prevention of public nuisance

- Noisy revellers who would now be passing my house at 2am urinating in my gateway which I have witnessed on cctv.

Public safety

- Litter in the form of cans and bottles which invariably smash on my driveway.
- Once when I challenged the group concerned I was sworn at and threatened.

It is my belief that these incidences will increase if the hours are extended, at least now we can rest easy shortly after eleven pm this I feel will be a problem which the club will say "Not their problem".
