Dear Sir/Madam,

MR. ALAN HASSAN SHARIF
168 CLAYTON ROAD
BRADFORD.

a

My husband and I would like to object to
the above selling alcohol.

Across the road from this shop is a convenience store
that sells alcohol and in Scholemoor Conventions Store on
Scholemore Lane sells alcohol. Then at Lidget Green traffic
lights there is the McColls who sell alcohol and just ~~at~~
before Lidget Green lights on Clayton Road another shop has
opened selling alcohol.

We have enough problems with people drinking
on the street across the road and also behind the shops
(behind shops where 168 is) They are all only around 10 mins
of each other or even less. Why do we have to have another
shop selling Alcohol. We have to live here and we believe
there is no need for another offence. Also the opening
times will mean more noise and disruption and more
rubbish we live in a cottage to the shops. doors
away from 168 Clayton Road.

Yours faithfully
MRS
