Children's Services

1. SUMMARY

- 1.1 This report informs the Committee of the progress made in relation to the establishment of the new Youth Offer in the District.

2. BACKGROUND

- 2.1 The Assistant Director for Neighbourhood and Customer Services presented a report to the meeting of the Children's Overview and Scrutiny Committee on 12th April 2016. This report outlined plans for establishing a new Youth Offer for the Bradford District in response to the recommendations made in the Youth Offer Review Report produced in November 2014.
- 2.2 The new Youth Offer for the district comprises of 5 key elements:
- Information and advice
 - Voice and influence
 - Open access
 - Targeted provision
 - Active citizens and young people's contribution towards community life.
- 2.3 Options for change and recommendations were presented to the Committee which resolved:
- "That a joint meeting be held with the Children's Overview and Scrutiny Committee and the Health and Social Care Overview and Scrutiny Committee to consider young people's mental health issues and that young people be invited to attend that meeting"
- "That a progress report on the new Youth Offer be submitted to the Committee in 12 months time"
- "That the service encourages young people's voices to continue to be heard in influencing the provision of Youth Services"
- 2.4 Youth Offer Working Group took responsibility to oversee the implementation of the proposals and recommendations from the 2016 Report. There have been closer working relationships developed across the Youth Sector with representation from the Voluntary Sector, the Council, the Police, Community and Faith sectors, working together to develop and lead the Youth Offer Action Plan. This working group feeds into the core strategic group of the Young Lives Bradford Network and the Safer and Stronger Communities – Active Communities Group.
- 2.5 The Youth Offer Action Plan was devised and supports the Council's budget considerations in relation to Youth Work and its future in the district. There was recognition of the need to do things differently and to increase sharing resources and expertise from across the sector. The Youth Offer Action Plan and achievements are detailed in Appendix A.
- 2.6 The Council's Youth Service is a key player in the development and delivery of the Youth Offer in the district. Recent savings has driven and heightened the need to do things differently and to work closer with a wider range of youth sector providers. The development of a "Key Individuals Network" for organisations and adults who

work in the voluntary, community and faith side of the Youth Sector in the District has a sign up of 118 organisations. Added to the network supported by Young Lives Bradford there is significantly more routes and opportunities to share and promote opportunities for young people, training for staff and volunteers and to share details of funding pots that may support youth work delivery.

Information and advice

- i) Information service have operated for many years from 2 key locations – the Information Shop for Young People, sited within the Culture Fusion premises and the Keighley Connexions Centre sited in the Keighley Town Hall. What is evident is that young people are seeking less Information, Advice and Guidance (IAG) from these 2 sites.
- ii) Information Services from the 2 existing locations is no longer viable in the face of reduced resources, but the commitment to provide good quality and trusted IAG is still considered to be essential for the districts young people. The Youth Service has now developed an alternative model of support for young people in relation to IAG in the district. This will see the relocation of information workers to the Customer Services Team based in Britannia House, offering opportunity to expand existing offer by sharing knowledge with the existing customer services team. This provision will operate alongside a wider offer from a broader range of community settings (both voluntary and statutory) which will ensure increased locality based support for young people to seek IAG.
- iii) Working with the Safeguarding Children’s Board and the Virtual College we have been able to strengthen the offer around IAG and create a web based app which is intended to be rolled out across the district in early April 2017. Young people have worked with us to shape the app and engagement will continue throughout the roll out. Recognising that national use of the smart phone stands at 72%, in Bradford this is even higher with 76% of the population engaged in smart phone use. In terms of technology and its use Bradford again outshines the national picture with 81% liking or loving technology compare to 78% nationally Mosaic Research 2016.
- iv) We have undertaken work with the Children’s Commissioner for England to explore her desire to develop an App based on IAG for more vulnerable young people, particularly those at risk from CSE. This is to be called “Is It OK?”, and whilst this has some distance to travel before it will be live, Bradford’s young people have contributed significantly in helping the Commissioners Office to understand how young people use the different platforms within social media and what they consider to be trusted sources of information. Bradford has agreed to be a pilot area, (alongside a London Borough) for the App which is expected to be several more months in its development.

Voice and influence

- v) **The Youth Voice Framework** – We have worked with young people to develop a Youth Voice Framework as part of the Children and Young People's Priority 6. This can be seen in Appendix B.
- vi) Using the Youth Voice Framework we have run 15 district wide cross sector Youth Voice events which have influenced key plans around services for young people. This has included identification of the Top 10 priorities for young people in relation to the development of the District Plan, the priorities for the Children, Young People and Families Plan and development of a Youth App for the district. Attendance by young people to the Public Forum for Education saw young people raising their concerns around the future of Education in the District. Further meetings with lead members for Education enabled young people to raise and discuss their concerns directly and start to better understand the role they can play in the contributing towards the districts Education Covenant.
- vii) West Yorkshire Police has used the district Youth Voice to undertake consultation around an awareness raising poster campaign that is to be rolled out into key transportation hubs across West Yorkshire. This campaign is aimed to support more vulnerable young people in the indentifying signs of abuse and CSE, and to signpost towards help and support services.
- viii) **The voice of transgendered young people** - The Youth Service has maintained the partnership working with voluntary sector provisions that has enabled the continuation of provision for LGBT young people. More recently the Youth Service has made significant steps in developing provision specifically to meet the needs of Transgender young people. This has seen the local authority Youth Service, partner with the national organisation Gender Identity, and through sharing of resources we have shared knowledge and expertise that has enabled supportive work to be established in the district for transgendered young people and in return 24 staff and volunteers have received introduction training for working with young people.
- ix) **Growing up North** – working with young people from across the District Bradford has hosted a team from the Children's Commissioners Office to explore the impact on where you live on your aspirations and successes. Early in the year we facilitated the visits to more vulnerable young people, including those who were living in Care, in supported housing or who were homeless. The findings of the Commissioners visit has been presented back to young people and the strategic director for Childrens Services, and has been key in shaping the District Plan and the Children and Young People's Plan. (appendix C) This has been followed up with further work and the creation of a film which has been used to launch the 12 month project. The launch at the BBC in Salford in December 2016

was the start of the voice and influence by Bradford's young people on the Northern Powerhouse developments. Young people who made the film had opportunity to attend the launch and chat to decision makers about their aspirations for Bradford and its future.

- x) **The Takeover Challenge** – This was an opportunity for young people to “takeover” adult roles for the day, and during that takeover to have their voices heard. Professionals agreed to a young person taking on their role for the day. Working with a steering group of young people we saw a diverse range of opportunities including through health, the Council, Housing and voluntary sector providers. 82 young people and 17 schools offered “takeover” opportunities that supported young people into decision making roles which included local and strategic levels. For young people this had been an empowering experience with a team of roving reporters working alongside the Takeovers to capture and record the day. Following positive feedback from both professionals and young people we are just starting to plan “Take 2” the 2017 Takeover Challenge.
- xi) **Young people’s mental health services** - At the 2016 report to Overview and Scrutiny young people raised their concerns around services to support their mental health. Following this a further Committee meeting was established bringing the Health and Childrens Overview and Scrutiny Committees together to hear what young people had to say. Young People presented a report with recommendations called “Help today’s youth to help tomorrows Bradford”. The joint Committee agreed that a sub group would be established to receive a response to the young people’s paper. This response was heard on 27th March 2017.
- xii) **The Youth Survey** – Across the Youth Sector a survey has been undertaken to identify and inform the future direction of Youth Work in the District. This survey saw 1,700 young people completing the survey which gives some clear directions in terms of the needs and priorities for young people. Highlighted from this survey are how young people feel people from different backgrounds generally get on with each other, how adults respect young people, how safe they feel when it’s late and dark and during the daytime and the pride they feel about the area in which they live. The Youth Survey results (appendix D) will be examined closely by the Youth Offer Working Group and responses to the findings will be embraced by the working group in the development of the Youth Offer Action Plan. Young people from across all communities have contributed to the survey with each area asked to undertake around 200 surveys. We had returns of larger numbers from some areas and these results will be taken back to constituency areas to work with focus groups of young people examine and influence local planning and to present to their local Area Committees.
- xiii) **Interview panels** – During recent months we have worked with the Department of Children’s Services Senior Management Team to support their interviews for key strategic positions including the Safeguarding

Children's Board Manager and the Head of Social Work Service. This has seen a unique opportunity for young people from different organisations to come together to be key contributors and to influence decision making at a high level in being part of a process of appointing lead officers for services for children and young people.

Open access

- xiv) **Youth Work Grants** – working with the Youth Offer Working Group and Young Lives Bradford we have in the last 12 months undertaken a radical overall of the grants allocated to the Voluntary Sector for the delivery of youth work. The budget of £311K has been able to be retained but needed to be aligned to the priorities of the Youth Offer Review, with an emphasis on the work meeting gaps in services and contributing to the wider district wide youth offer. The first part of the financial year we retained the existing 13 providers, but were able to create 2 stands to the funding from Quarter 3. The remaining funding in 2017-18 saw 22 providers securing awards for the delivery of sessional youth work (week in week out type provision) and 3 securing awards to seed fund a piece of developmental youth work. A further round to consider further one off seed funding for developmental youth work for delivery in 2018-19 has seen a further 11 providers securing grants. This is a significant increase in providers with the funding supporting 36 VCFS led initiatives. Early indications from the first round of sessional work are that 656 young people have benefitted from 415 sessions within Quarter 3 of the financial year 2017-18. These figures are encouraging in being able to evidence contribution towards a wider youth offer and have been something we have previously been unable to quantify.
- xv) **Accreditation and The Duke of Edinburgh's Award** – Youth workers have worked with 241 young people to gain Accredited Outcomes in the current financial year to date. This includes ASDAN qualifications, the Lord Mayors Award and The Duke of Edinburgh's Award.
- xvi) In partnership with the Regional Duke of Edinburgh's Award Charity we have successfully remodelled the provision and accessibility for young people enrol on the Award across the Bradford area. This model has seen 28 schools directly licensing their Award activity to the Awards Operations Team, with 1985 young people enrolled to participate. IN addition to this there are 805 young people gaining full awards, which is more than 3 times as many as last year's 243 and again and puts the figures at an all-time high. In addition there are various voluntary organisations operating through the Bradford licence, who again this year have seen growth. Through direct support from the operations team over 100 members of teaching staff have received introduction to Duke of Edinburgh's Award and eDofE training, 40 new Award Expedition Assessors have been trained and 24 new Expedition Leaders have been trained.

The local authority Youth Services has retained a licence to deliver the Award. Currently it runs Award activity in 4 constituency locations, supporting 452 individual participants. Since April 2016 the Youth Service has supported young people to complete 136 Awards (88 Bronze, 37 Silver and 11 Gold Awards). The Youth Service provision is heavily reliant on a team of youth service volunteers who support the direct delivery of the Award and particularly the expedition section. The Youth Service retains a store of outdoor education equipment, which is available to any young person in the district regardless of where they take part in the Award. We have, during the last 10 months worked closely with a team of volunteers in preparation for the transition of the management of these stores to a voluntary sector group. This will enable and support young people to be able to both continue to access equipment, but also to undertake volunteering hours by supporting the running of the stores.

- xvii) **Youth Service / Ward based provision** – The Youth Service continues to offer a locality based open access provision as part of the ward offer. There are 47,817 young people in the 13-19 cohort and between 01.04.16 and 20.03.17 there were 7,572 individual young people who have attended one of more Youth Service sessions. These provisions are detailed in the profiles of provision in appendix E and are led by a ward based youth worker. Increasingly we are seeing sessions delivered in partnership with other youth providers which is increasing the use of resources and removing duplication. The Youth Service continues to have a pivotal role in empowering and supporting the development of locality based provisions for young people. This includes working with and alongside volunteers in a range of settings and supporting training and skill building to deliver locality based provisions.

Targeted provision

- xviii) **Early Help** – The changing face of Early Help has seen youth work input into the 2 pilot Early Help hubs in Keighley and BD3, 4 and 5. The learning and successes of these pilots have enabled a district wide roll out of the Early Help model in January this year. These 5 hubs will see increased joining up and coordinated responses to families and young people from across the youth sector within the hub areas, ensuring families and young people have the best possible voluntary engagement and interventions early in the life of identified problems.
- xix) **Targeted Support** – The Youth Service continues to identify through its needs assessments areas of targeted support. This includes work undertaken in school settings through provision of Teenage Information Centres / Teenage Advice Centres (TIC TAC's) where one-to-one support can be provided on a broad range of social and emotional issues. Commonly youth workers are supporting young people in increasing resilience and critical thinking around issues such as bullying, mental health and relationships.

- xx) **CSE Hub** – Youth Workers are working closely with the district wide CSE Hub, taking referrals for young people at Tier 1 identified as those who undertake or are in peer groups where there are concerns or risk taking behaviours. The Youth Service Youth Workers have worked with 64 young people since this work commenced, providing 1-1 support, and using a ‘Signs of Safety’ framework to enabling these young people to develop local support networks and feel empowered to make positive choices with their lives.
- xxi) **Youth Work Grants** – the realignment of the Youth Work Grants has seen a significant increase in the number of Voluntary, Community and Faith providers securing grants for youth work. This means we are beginning to build clearer evidence of an increased offer to those groups identified previously by the Youth Offer Review as being “bordering on insufficient services”. This included young people who were affected by drug misuse, Young parents, LGBT young people, young people who had been homeless, Missing from Home or had runaway and those who were from New Migrant Communities or who had mental health problems.
- xxii) **Fire Fit** – Bradford has seen the first cohort of young people through the Fire Fit Training. Run by West Yorkshire Fire Service this is a programme designed and targeted towards young people who have disengaged with physical activity. It uses fire fighter training as a tool for re-engaging young people into regular physical activity.
- xxiii) **Bradford District Police** through their Safer Neighbourhoods and Partnerships Team are undertaking a range of projects offering targeted youth provision. The vast majority are focused on engagement of vulnerable young people, with opportunities for young people to gain an insight into policing. Through the Police partnership working they offer a range of activities designed to divert young people away from crime, especially in the school holidays. **The E-Safety Team** engages and educates young people around online safety, with school and community engagement opportunities. The **Police Spring, Summer and Autumn Summer camps** recruit staff and volunteers from a wide range of services to deliver diversionary activities in school holiday periods. The **Police Explorers** programme offers young people 15-18 a real insight into policing, working on evenings and weekends to undertake project work. **Safer Schools Officers** are aligned to schools in the district and run bespoke sessions with students. The **Police Ridealong Scheme** offers young people 16-18 years an opportunity to work alongside a police officer whilst on duty.

Active citizens and young people’s contribution towards community life.

- xxiv) **People Can** - The district wide “People can” initiative has been warmly embraced by young people from across the youth sector with increased numbers taking part in locality based activity. The development of a “Young People Can” arm to the initiative has empowered more young

people to get involved. There are many examples from across the district evidenced on the “people can” web pages at www.peoplecanbradforddistrict.org.uk. This sees the range of active citizenship activity undertaken by young people including many examples of neighbourliness, volunteering, raising money for good causes and taking part in community action.

- xxv) **National Citizenship Service (NCS)** has seen 1039 of Bradford’s young people using their free time to take part in this national programme during 2016, with a further 800 already signed up for this years summer program. From the 2016 cohort 53 young people have taken up the opportunity to progress to the NCS Graduates programme, and these young people will be trained to take an active role in supporting the delivery of this coming summers activities.
The NCS programmes run during school holiday periods recruiting young people who are 15/16 years of age from across the district to come together in cohorts of between 12-15 young people to develop and take action in response to locally identified needs in an area. Bradford Young People raised £10,014 for community partners in the Summer of 2016. Feedback from young people who have participated in these programmes has been extremely positive with 87% of participants reporting increased skills and confidence in themselves.
- xxvi) **Formalised partnerships with education providers** – There are good examples of the impact of youth work practice within a more formal educational setting. In partnership with schools the Youth Service offers a range of programmes of citizenship, anger management conflict resolution and one-to-one support that supports and enables more vulnerable young people to remain within formal education.
- xxvii) **Informal Learning** – a broad offer of informal learning is offered by youth workers using a Youth Service Curriculum. This curriculum is underpinned by a commitment to make activity fun and engaging, whilst presenting challenge and opportunity for personal and social development for young people who participate. Young people are presented with choices and are encouraged and supported to make a positive contribution towards the communities in which they live and within the wider district.
- xxviii) **Children’s Overview and Scrutiny Committee** – the Committee has been supportive and encouraging of youth voice within the Committee. A number of young people have attended Committee meetings over the last 12 months, and have had their voices heard, with regular attendance by a small number. Work is now being developed to ensure those in regular attendance are representative of a wider youth voice.

Appendix F outlines the contributions made towards the key elements of the Youth Offer in Constituency areas and by the voluntary, community and faith sector.

3. OTHER CONSIDERATIONS

No other considerations.

4. FINANCIAL & RESOURCE APPRAISAL

- 4.1 As part of the Budget decisions taken by the Council for the financial year 2016-18 the Youth Service budget has already delivered savings of £750,000. The Youth Service budget will see a realignment of resources based on the Youth Population from April 2017. The local authority has committed £1.8m to the Youth Service for 2017-18.
- 4.2 This is set in the context of reduced financial resources for the whole of the Youth Sector and the delivery of youth work, including the voluntary, community and faith providers.
- 4.3 The Youth Service budget whilst devolved to the respective Area Committee also supports aspects of district wide provision.
- 4.4 There are increasing numbers of Voluntary and Community providers who are contributing towards the districts Youth Offer through delivery of services that are funded from external resources.

5. RISK MANAGEMENT AND GOVERNANCE ISSUES

The Youth Offer Working Group is chaired by the Commissioner (Youth Provisions) and includes the Area Co-ordinator with lead responsibility for the Youth Service. Other members of the Working group are representatives from Young Lives Bradford, Voluntary, Community and Faith Groups and the Police.

6. LEGAL APPRAISAL

- 6.1 The Council has a responsibility to co-ordinate and offer support for the Health and Well-being of Young People set down by Statutory Guidance issued in 2012.

The duty is to secure equality of access for all young people to the positive, preventative and early help they need to improve their well-being. This includes youth work and other services and activities that:

- Connect young people with communities so they contribute to society including through volunteering and ensure they have a voice in decisions affecting them.
- Offer young people opportunities in safe environments so they develop a sense of belonging, socialise safely with their peers, enjoy social mixing, experience time with older people and develop relationships with adults they trust
- Support the personal and social development of young people to build capabilities needed for learning, work and the transition to adulthood

- Improve young people's physical and mental health and emotional well-being
- Help those at risk of dropping out of learning or not achieving their full potential to engage and attain in education or training; and
- Raise young people's aspirations, build resilience and informs their decisions – particularly to address risky behaviours

7. OTHER IMPLICATIONS

7.1 EQUALITY & DIVERSITY

The Youth Service has a responsibility to ensure that the services are accessible to all young people and that participation in the service reflects this approach. Specific targeted work takes place to encourage participation from under represented groups.

7.2 SUSTAINABILITY IMPLICATIONS

The Youth Service delivery enables local initiatives to be supported, encouraging groups and individuals to undertake activities that improve the social, economic and environmental well being of their communities.

The Youth Work Developmental Grants have inbuilt sustainability plans, activated from the offset of the grant in an attempt to reduce dependency on Council funding and grants in future years.

7.3 GREENHOUSE GAS EMISSIONS IMPACTS

No Greenhouse gas emissions apparent within the context of this report.

7.4 COMMUNITY SAFETY IMPLICATIONS

There are a number of youth work projects who are concerned and driven to improve Community Safety within local communities. The increased opportunities and involvement of young people in local decision making has the potential to improve Community Safety. The Youth Sector provides positive experiences for young people helps to build self-confidence, raise aspiration and can provide and encourage 'diversionary activities', these are key contributors in builds and helps to support safer and stronger communities.

The Commissioner (Youth Provisions) works with the district wide Anti-Social Behaviour Panel, the Youth Service and key providers across the Youth Sector to ensure young people are informed of the consequences of their participation in Anti-Social Behaviours. This ensures early interventions, joined up responses and positive requirements are offered to reduce criminalisation of young people and support community safety

7.5 HUMAN RIGHTS ACT

There are no direct Human Rights implications arising from the recommendations below.

7.6 TRADE UNION

There are no implications for Trade Unions arising from this report.

7.7 WARD IMPLICATIONS

District-wide Youth Service work and activities support young people and communities within all the Wards in the Bradford District.

7.8 AREA COMMITTEE ACTION PLAN IMPLICATIONS

Youth Service projects and activities support priorities within each Constituencies Area Committee Action Plan.

8. NOT FOR PUBLICATION DOCUMENTS

None.

9. OPTIONS

- 9.1 That the Overview and Scrutiny Committee adopts the recommendations outlined in this report.
- 9.2 That the Overview and Scrutiny Committee adopts the recommendations outlined in this report, with amendments.
- 9.3 That the Overview and Scrutiny Committee decides not to accept the recommendations outlined in this report.

10. RECOMMENDATIONS

- 10.1 That the Work undertaken by the Youth Offer Working Group and the districts Youth Sector is welcomed.
- 10.2 That the Committee considers and comments on the shared direction of travel and of the continued commitment from the Youth Sector to work together, and to do things differently.
- 10.3 That the Committee notes the work already undertaken around Youth Voice and commits to formalising Youth Voice arrangements in respect of Overview and Scrutiny work going forward

- 10.4 That the Committee notes the achievements of the Youth Offer Working Group as outlined in the Action Plan and receives a further update in respect of the work in 12 months time.

Appendix F – The Constituency Delivery under the key elements of the Youth Offer Bradford South

Information, Advice and Guidance

Young people in Bradford south can access a range of information, advice and guidance. Specialist services include Step2 Young People's health project that provides a drop in centre in Tong and satellite projects in Wyke and Royds. The focus of the project is to reduce teenage pregnancy and STIs. The project also provides small group work focusing on healthy relationships and preventing domestic abuse and CSE.

TICTAC projects are run by the Youth Service in several schools including; Tong, Wyke and Queensbury. In addition to this the Youth Service also supports alternative education provision for the district PRU which has a focus on health, nutrition, anger management and emotional support.

The development of partnerships with local library services continues to provide young people with to access additional IAG resources in their local area. The youth app will also enable more young people to access information.

Support for employment, education and training is provided by Prospects who offer IAG to all young people aged 15-19 years old

Voice and Influence

Data from the 2017 Youth Survey indicate that over 230 young people from Bradford South participated and shared their views on keys issues that affect them. The result of the survey will be shared across the constituency and focus groups will be established to help shape action.

In addition, young people have also participated in a series of Youth Voice Events which have enabled a greater understanding of the lived experience of young people in the constituency. Young people have shared their views on safety, mental health and digital information.

A number of young people have also been directly involved in the GAG at city hall that have led to over £10,000 being allocated to fund local community groups and events.

Open Access

Each ward in Bradford south is different and meets a wide range of young people's needs.

Royds youth work provision sees the Youth Service supporting a number of local community based organisations to deliver youth work. As a result of Youth Service partnerships with the Princes Trust, Sandale and Eden; an average of 120 young people access youth work sessions each week. These sessions are mainly run from Buttershaw Youth Centre but also see joint delivering in Sandale Community Centre in Woodside.

Youth workers have worked alongside local residents to help respond to causes for concern and have used outreach and detached sessions to engage new members and address ASB. The Youth Service continues to have an excellent working relationship with Sandale and the Eden project and hopes to strengthen these partnerships over the next year. Partnerships with ward officers has seen Youth Workers identify and respond to emerging needs and build relationships with key individuals that have been identified as needing early intervention in order to avoid an increase in anti-social behaviour.

Queensbury youth provision has developed an excellent working partnership with Victoria Hall and continues to meet the demand for youth work in the local area. As membership continues to grow youth workers have continually adapted provision to help manage the behaviour of large groups of young people both during and after youth sessions. An average of 100 young people access provision each week and participate in positive activities with accredited outcomes. Partnership work with Queensbury School sees the Youth Service support students through Teenage Information, Teenage Advice Centre. Each week students engage with this partnership to receive support and guidance on a wide range of issues. This one to one support has led to a valued and trusted partnership that provides a link between the school nurse and referrals to specialist support services such as CAMHS.

Wibsey provision is split between large open access sessions run in partnership with Wibsey Rugby Club and targeted street based work. These sessions continue to see Youth Workers presented with a significant challenge in terms of addressing ASB whilst also supporting vulnerable groups. The core members of the Wibsey group have been particularly interested in supporting community activities and raising funds for youth activities. It is hoped that these members will continue to act as role models to other young people and help develop a broader range of community action projects over the coming months. In order to reduce the demand on the Rugby Club and the POD youth workers continue to source additional space that is able to meet the needs of young people in the area. A core element of the Youth Offer in 2017 will be the development of a partnership with the Salvation Army who can provide additional facilities for young people in the local area.

Great Horton provision continues to grow with the emergence of Youth Service partnerships with Grange Technology College, the use of Great Horton Village Hall and a continued commitment to Scholemoor Beacon. Within Great Horton the demand for support continues to grow with new arrivals and Eastern European communities making up a significant percentage of membership. This need has been met by the Youth Service who have been able to engage hard to reach members in trusted relationships. As a result, Great Horton has seen a significant change in behaviour and attitude with young people willing to engage in positive activities and reduce anti-social behaviour. A core element of the Youth Offer for 2017 will see the growth in delivery of youth work by Scholemoor Beacon and St John's.

Wyke provision is a fantastic example of partnership working which provides low cost provision from a wide range of community buildings supported by a variety of partner organisations. The Youth Service's ward lead has developed and maintained working partnerships with St Marys Church, Westfield Church and the Delph Hill Centre. Working alongside community volunteers to provide a sustained commitment to service delivery over 90 young people attend provision each week. Partnership work with St Marys Church has supported the develop of local community action projects such as the community garden. In addition to this a partnership with Young People's Health Project Step2 has helped to address health needs. The partnership with Royds - Delph Hill continues to present a challenge in of meeting the needs of vulnerable individuals who require a great deal of one to one support. Partnership work with Appleton Academy continues to allow young people to access information, advice and guidance to each week through after school 'contact points'.

Tong provision continues to see the Youth Service working in partnership with a wide range of community based organisations. Youth work in Bierley is strengthen through partnership with the Life Centre and Step2 and provides young people with the opportunity to help plan and deliver community events such as Bierley Fun Day. The Youth Service continues to work with the local primary schools and partnerships with Tong School and Bradford Academy provide the opportunity to work with young people at risk of anti-social behaviour and develop relationships that help change attitudes and behaviour. In Holme Wood youth workers continue to develop a model of integrated working alongside YOT, Ward officers and NPT. Youth workers have been able to respond to the on going concerns ASB and have used street based work to build relationships, challenge and encourage different ways of thinking and acting. The challenge of this work remains high and youth workers have started to look beyond the individual and try and offer more things to the family with a view to establish closer working relationships that offer both support and challenge. This work is supported through partnership with West Yorkshires Police and Crime Commissioner. As a result, Youth Service open access provision is complimented by targeted intervention work with key individuals and small groups.

Targeted

Intensive 1-to-1 support is provided to 11-19 year olds who are from high priority group such as LAC, YOT, Teenage Pregnant, Young Mums, At risk of CSE and missing. Youth workers find these young people, build a relationship and support them to deal with issues such as drugs and alcohol, family breakdown, mental health, homelessness and domestic violence. Each ward worker now holds responsibility for a localised case load which connects intensive support to local services. As a result the youth service have seen a significant increase in contact with these young people and progress is being made in making them less vulnerable and ensuring that they are more connected, safer and self-confident. This work sees youth workers work in partnership with Social Care, Youth Offending, Early Help and a wide range of community based organisations.

Work with vulnerable people

The youth service has continues to support young people who are NEET. Many of these young people continue to require support after engagement with Prospects. Youth workers provide this additional support through offering young people the opportunity to volunteer and support their local community. As a result a number of young people have been supported to gain a local award in volunteering and engage with local projects, events and community action. Through maintaining this relationship workers have been able to offer 'Early Help' and link young people and their families into additional support such as parenting groups, debt and housing advise and Families First.

Specialist Projects:

Inclusion – the constituency wide provision attracts young people from Wyke, Queensbury, Royds, Wibsey, Great Horton and Tong. Now in its fifth year the project supports a wide range of young people with referrals from social care, local schools and individual families. Over 80% of the young people that attend this weekly provision are disabled and the project has seen young people grow from points of extreme isolation and vulnerability on initial contact to happy, social and confident young adults who are more able to engage in the wider community. In addition to providing a wide range of positive activities the club also supports parents by providing them with a place to meet and share experiences. The success of the project comes from the strength of several partnership with local organisations and the continued commitment of local volunteers. Recently, members of the club have formed a committee and have started to develop a constituted Friends of Group with the view accessing additional funding.

Child Sexual Exploitation - work in this area continues to develop and support a wide range of young people and families. Throughout the constituency youth workers provide one to one support to young people who are identified as being at risk of CSE by the Hub. Youth workers work closely with social care and referring agencies to provide support and reduce vulnerability. This work takes place in a variety of settings including specialist work in schools and within the community based provision. Over the last 12 months young people have been able to access specialist support in the form of a programme called 'Build a Girl' which explores issues of confidence, self-esteem, value and worth, individual identity and risk taking. As a result young people have been able to offer support to their peers and help others to stay safe. The Youth Service has developed a number of partnerships to help strength this work. The youth service continues to focus on early intervention and prevention and has worked closely with local primary schools to support the transition from primary to secondary school when young people can be at an increased risk.

Active Citizens and Young People's Contribution to Community Life

Over the last year young people have been supported to play a bigger part in their local community. Youth workers have helped young people to identify local needs and plan action in response to the needs. Over the last year young people have been supported to run community events such as the Women's Event in Holme Wood, Bierley Fun Day, Christmas meals for Older residents in Wibsey and Wyke and Buttershaw on the Beach. In addition young people have made their local communities cleaner through several litter picks throughout the constituency and have also helped to promote the value of volunteering through working together and fund raising events. Many of these events have been supported through the YOF and have encouraged young people to continue to think and act on behalf of their local community.

The youth service has developed a partnership with NCS who have provided volunteers from outside of the local area to participate in one off events and days of action. This has created the opportunity for young people from different backgrounds to come together and learn from one another. This has had an impact on a number of levels including raising the profile of young people and encouraging more to become involved in community life.

Cross Cutting Themes

Developing safer and strong communities are the two cross cutting themes that have been supported by the Youth Offer in Bradford South. Several of key agencies have worked in partnership with the Youth Service and community based organisations to address key issues affecting communities. Youth Service resources have been directed at Anti Social Behaviour that has impacted on all wards in south. The Youth Service and the Police have worked together to develop strategies and responses to emerging ASB concerns. The Youth Service continues to support community based organisations in Holmewood, Buttershaw, Woodside and Queensbury to build relationships with young people and change attitudes and behaviours that impact on the wider community. The impact of these partnerships has seen a number of groups of young people prevented from being involved in ASB.

Information and Advice

- Young people can access Information and Advice in their local youth projects.
- Youth Workers and IAG staff have been actively involved in consulting with young people around the format for a new 'Youth App'. A group of 10 young people attended a meeting during February half-term at Margaret McMillan Tower to discuss this further.
- The Youth Service and Customer Services are working together to look at ensuring there is IAG available at Keighley Town Hall.
- A key achievement this year has been developing a 'drop in' session for young people at Keighley College Campus where young people can come along and join in activities, access youth support, including volunteering, and get IAG on a range of issues.

Voice and Influence

Young people are positively supported to engage in the development of their Youth Projects and are actively involved in the planning of the programmes being delivered across the Constituency. They are invited to participate in consultation events and District-wide Voice and Influence Workshops. Young people attend Area Committee Meetings plus attend meetings on an ad-hoc basis with their local Ward and Parish / Town Councillors. In November 2016 a number of young people from Keighley participated in the 'National Takeover Day' and managed to spend some time with Senior Managers in Children's Services, taking on roles in Schools and in Youth Centres and with our Voluntary Sector partners.

Young Advisors' Project - this is joint venture between Bradford Youth Service (Keighley) the Young Advisors' Charity and Keighley Youth Co-op Ltd. Young people volunteer their time and have attended training provided by the Young Advisors' Charity, this took place in Doncaster. They have developed their confidence and ability to use different methods enabling them to look their community in a new light and, in turn, take on a range of Youth Action projects. They have helped to promote the participation of other young people and to raise awareness around issues such as emotional health and well-being, CSE, drug use and Voter Registration. They've attended many Voice and Influence workshops including meetings with Local Councillors and have presented their work at Keighley Area Committee. Currently they are working towards promoting re-cycling and they are involved in a project which will include making a greenhouse using plastic bottles.

Young People Can - Young People from Keighley East, with support from their Youth Workers, have been successful in their negotiation for a donation from ABL Investments Ltd. The money, in memory of Shazad Mahmood, is for young people from the local area to try new activities. Ciara Lelas, 18, a young volunteer and active citizen said "Not only will it benefit young people but also the wider community, as they carry and share their skills throughout their lives. We're very thankful to ALB for kindly donating this money and

investing in our potential. "Aaran Bailey, owner of ALB, presented the cheque for £3,600 to young people on 6th February on the steps of the Parkwood Rise Developments. Young people from the Keighley East area have been actively involved in the Big Local and, as part of this, Youth workers are working alongside a young volunteer to promote 'Big Local' grants for youth activities. The team will ensure that young people are involved in the development of activity programmes and decision making around the allocation of funding. They will identify and visit groups / organisations interested in applying for the funding. Groups will be supported in developing their ideas and submitting grant applications. As part of this process young people will be encouraged to get involved in the Big Local to ensure that young people are represented in local decision making.

Open Access

Across the Keighley Constituency we have a range of Youth Projects in each of the Wards which are open for all young people to attend (see appendix) These are delivered either by Youth Workers and/or Youth Workers in Partnership with local Communities and Volunteers.

- Accessible to any young person within the ages of 11yrs – 19yrs (up to 25yrs with a disability)
- Young people attend on a voluntary basis at a time convenient to them
- Free membership to the service and its resources
- Facilities for young people to meet with their peers in safety
- Trusted adults to talk to about anything (no subject is taboo)
- No minimum attendance requirements
- Access to sports facilities, computers, information and resources
- A place to discuss issues relevant to themselves, peers and wider society
- Young people can gain new experiences and skills in a safe environment

As part of encouraging healthy lifestyles and physical activity a number of cycling events took place in the parks across Keighley and Ilkley, i.e. Knowle Park, Victoria Park, Devonshire Park, the River Gardens at Ilkley and Stockbridge.

Young People from the Bangladesh Community Association (Knowle Park area of Keighley) participated in environmental, interactive, hands-on activities which were led by the Yorkshire Dales Green Guardians. This involved discovering woodland or water habitats and helping the environment such as tree planting, woodland maintenance or dry stone walling. This visit supported and empowered young people to make the right decisions on environmental issues.

Targeted provision

- Early Help Panel – closer working arrangements with different professional agencies to meet the needs of young people. This has involved the development of Girls' Work at Braithwaite, group work with some young people around ASB in partnership with JAMES. Also four WRAP (wellness recovery action plan) programmes at Keighley Young People's Centre. The WRAP sessions involved a number of workshops focussed on emotional well-being and individual ways of managing emotions.

- Referrals from the CSE Hub began In December 2016.
- A healthy relationship has developed between the Youth Service and Specialist Inclusion Project where currently two sessions are delivered on a weekly basis one in Ilkley (Mondays) and one at Keighley Young People's Centre (Saturdays) for young people with disabilities.
- SOUND Project - there are regular one-to-one and group work sessions for young people who are LGBTQ, and these take place in Keighley on a Tuesday evening.
- Saturday Eastern European Youth Project - this open youth session is going from strength to strength with 20+ plus young people attending each week. Programmes incorporating recreational activities, themed workshops, cook and eats, information, advice and guidance and life skills are developed and delivered with input from young people. Young people are increasing their confidence and self-esteem and accessing wider services which they were previously unaware of. Feedback from schools also indicates an improvement in attendance, attainment and engagement in school activities since the young people have attended the youth sessions.

Active Citizens and young people's contribution to Community Life

Young people are actively contributing to their local communities in a number of ways.

- In Oxenhope young people are taking on leadership roles within the local youth club and one young person is also a member of the Parish Council and is actively involved in the links between the Youth Project, the Community and the Parish Council.
- Young People Rise to the Challenge - Due to the Silsden Youth Centre site undergoing a number of changes during the last 3 months, some young people have come together to further develop the current youth provision and as such are actively looking at different ways of raising funds. Suggestions so far include events at a local school, a Sleep-over, a BBQ and a Community Fun Day.
- We are lucky that a number of young people have taken on a leadership role within their Youth Projects and have also become involved as BeFriends in our Inclusion Projects across the Constituency.
- Young People Community Clean-up Day at Riverside Park, Ilkley - The purpose of this event is to encourage young people to take part in litter picking in the park and surrounding areas of Ilkley. This activity aims to promote healthier lifestyles, reduce litter and waste, improve perceptions of young people and also encourage young people to take responsibility and pride in their environment.
- CAP (Community alcohol Partnership), Ilkley. Youth Workers have been actively involved in this partnership by supporting young people to participate so as Partner Agencies could hear the voices of young people in terms of delivering a 'needs led' response. As part of this Healthy Lives Healthy Futures Event was delivered at The Warehouse, Ilkley and young people were afforded the opportunity to access information on health related issues such as healthy relationships, nutrition, and drug and alcohol awareness. Services will provide interactive and fun activities which promote healthy lifestyles and well-being.

VCS contributions to the Youth Offer: some examples

There are a wide range of different voluntary, community and faith providers that provide activities and support for young people in the district. These include

- Activity to support particular interests (arts, drama, junior sports clubs)
- Alternative education providers
- Play and adventurous activities (e.g. Big Swing / Eccleshill Adventure playground, Forest Schools network,
- Specialist support (e.g. mental health, counselling)
- Uniformed organisations (scouts, Guides, Cadets, Boys/Girls Brigade) and similar (Woodcraft Folk)
- Faith based provision hosted by churches, mosques, gurdwaras, temples, or faith inspired organisations

Some organisations operate on a very local basis and others on a district wide basis. Young Lives supports them with information and guidance and signposts them, to sources of support.

There are an estimated 200+ organisations that contribute to the youth offer in some way, Here are just a few examples of their activities – the majority of the activities listed below are predominantly or fully funded from sources other than the Council, although in some cases a small amount of Council funding has enabled the leveraging of much greater external funding).

1. Information and Advice

- **16-25 advice service** runs 5 sessions per week, 3 at culture fusion and 2 from Shipley youth café. They mainly advise around homelessness, housing, welfare benefits and debt and see on average between 25 and 30 young people a week on a drop in basis. They refer and signpost to all relevant organisations in the area, as well as working closely with, leaving care service, youth service, Bradford College amongst other young people's services. This is supported through lottery and trust funding.
- **BYDP:** IAG does not have to be a separate service. **BYDP** describes how it embeds IAG within its wider offer. "we do not provide IAG as a service. However, staff provide IAG support frequently in conversation with young people engaging on programmes. Typically

this involves support for ‘making appropriate choices’ which may include behaviour with younger people and support for courses and work with older people.”

2. Voice and Influence

- **Young Lives Bradford** survey of organisations in 2016 indicated:
 - 81% of organisations involve young people in the governance of their organisation
 - 96% of organisations involve young people in Planning the activities and priorities of their organisation
 - 68% involve young people in the recruitment of staff
 - 88 % involve young people in the running of activities (e.g. as volunteers)2017 data is currently being collected.
- **Barnardos** undertake a significant amount of work supporting young people to have their voice heard, especially on mental health issues
- **Centrepont** runs a youth council, to gather views of young people and influence change
- **Emerge** run youth councils operating in both BD4 and BD3, 8 – 10 YP involved in each, engaging with influencing their provision and local issues
- **Brathay**: currently deliver a project “Have your voice” to young offenders which works with small numbers of young offenders who are in the system and who have been in the system to establish a core group of young people to take part in consultation of their experience of being involved with the Youth Offending Team, identify what it was like having received a service from the YOT, which has increased confidence and self-esteem and helped the young people feel empowered that their voice is valued.
- **BYDP**: hosted the spotlight events held in Bradford to engage young people with decision makers. BYDP carries out research activities to understand the concerns of young people. An application has been submitted to the Government (Communities Fund) to support further research into the views and needs of local young people through the Extend Project in partnership with BMDC.

3. Open Access

- **Uniformed groups**: Uniformed groups provide a range of open access activities. For example Bradford Sea Cadets offer “Youth development and lifelong learning. Through leadership, teamwork, friendship and self-belief the Sea Cadets help young people find their sense of direction: we broaden horizons and create possibilities with the aim of helping young people see the world through new eyes and with new confidence.” 66% of cadets said that attending Sea Cadets improved their attendance and engagement in school; 93% said it helped them gain qualifications; 94% said it provided them with the skills they need in later life; 88% said it will help them get a job. Their work is funded by subscriptions and local donations and volunteer activity.
- **Emerge** runs a total of 28 open access sessions of youth work each week across the following areas (Brierley – 7 sessions per week; West Bowling – 2; East Bowling – 6; Windhill – 4; Undercliffe – 4; Laisterdyke – 3; Holme Wood – 2). These sessions have a range of content from detached work, tradition drop in youth sessions, sports sessions, music sessions, arts and crafts and cohesion initiatives. Most groups are for 11+ young people, but a couple are children’s sessions. They are all run in partnership with a local group providing a venue (e.g. Bierley Community Centre, Community Works in Undercliffe), and funding comes from a range of local sources and large and small national funders.

- **JAMES:** Have been awarded doorstep sports funding from street games. This funds open access football sessions 3 evenings per week and pays for the hire of centres for 2 of those sessions. They also have a partnership with Bradford park avenue funded through the football association. JAMES has been delivering homeless football and work in schools as well as tournaments and drop ins at bradford park avenue grounds.
- **Forest Schools:** There is a range of Forest School provision including from Get out more CIC to provide adventurous and educational activities outside.

4. Targeted Provision

- **Brathay** offer Saturday provision to young offenders who are on ISS orders, cook & eat, music, targeted interventions, and sports activities. They also offer CSE Awareness – funded through the PCC and Brathay Bursaries to deliver sessions around cyber bullying, social media, keeping yourself safe, its ok to talk, these sessions have been delivered to primary/secondary schools. They also offer tenancy ready programme – funded through Trust funds brought in through fundraising to deliver skills around independent living skills to 15-18 years to develop their skills of living on their own,
- **BYDP** has a specialism in social, emotional and behavioural support through its youth work and has been successful in gaining funding for activities that target those most in need. BYDP has a strong local community presence which significantly enhances its impact and engagement with harder-to-reach families. Our Youth Ambitions project based in Manningham (BMDC funding) is developing older pupil's to take leadership responsibility for volunteering, such as in youth work activities. BYDP has just started the 3 year Youth Start programme (funded by BBC Children In Need). Activities around the city will focus on young people aged 8-18 and provide opportunities to experience and develop new skills, work together and increase inclusion, build resilience, self confidence and capacity to be effective citizens.
- **Emerge:** Runs a range of targeted groups in each of the above areas including some girls only small groups and healthy lifestyle groups, along with a couple of faith based groups in partnership with local churches. They also run regular Sports Leader awards for young people and partners with schools to deliver interventions with individuals and groups as required.
- **Snoop:** Provides day time and evening services and activities, including holiday schemes, with a focus on life/independence and social skills for young adults with learning disabilities. They support young adults through the transition from special school into adulthood and support them to identify their own person goals and targets to help them gain the confidence they need to become more independent, make choices and take more control of their own lives in a person centred approach. In addition they are a registered provider of ASDAN accredited awards for 'Towards Independence' and their young adults manage the Bradford Safe Place Scheme, known as the 'Help I'm Lost Card Scheme'.
- **Dance United Yorkshire:** Provides Specialist high-quality arts intervention working with some of the most vulnerable and disengaged children and young people across Bradford and Yorkshire. Bespoke intensive and short term projects are delivered to predominantly 12 – 21yr olds referred from a range of services across the city in order to provoke sustainable and life-long change. DUY offers a unique arts experience which has a track record of transforming the lives of young people who are living on the margins of society.

- **Springfield Community Centre** has secured £8500.00 from big lottery to provide free meals and deliver healthy eating and nutrition workshops/sessions to young people in BD10/2 throughout the summer holidays addressing again the poverty experience by the most disadvantaged young people.

5. Active citizens and young people's contribution to community life

- **Brathay Trust** deliver through Princes Trust programme, Team and Community challenges where young people go out and work with communities i.e. producing films around Refugees and their struggle and what its like to be a refugee, painted houses and tidying up gardens, producing packs to be given out on mental health awareness and where young people can be sign posted to, delivered a programme to people suffering from dementia, delivering fun activities and story time, and clean up campaigns. Young people also fundraise in order to carry out the community activities. This is part of their Princes Trust experience.
- **Emerge:** Run a regular young leaders course in 2 or 3 venues (E and W Bowling, Laisterdyke) enabling young people to become volunteers and tackle local community projects
- **NCS:** Young people on the National Citizens Service raised £1,100 in a variety of activities to fund other youth work in the District and are therefore investing back into provision in the district.
- **Bradford Volunteer Centre** has been active in promoting information about volunteering and the People Can Make A Difference campaign to young people and have reached over 1000 young people 15-18 in the District giving volunteering workshops in the following schools ; Dixons City Academy, St Bedes, Beckfoot Upperheaton, Bradford Girls Grammar. At Bradford Girls Grammar School the 67 pupils volunteered 2600 hours.

Funding

The Bradford District Community Fund is generating money for community projects and distributed grants from a bank to Emerge to fund ongoing youth work see this amazing video.

<https://www.facebook.com/bradfordddcf/videos/1314346835274828/>

The Community Fund also gave grants to sports clubs affected by the floods that provide youth sports and the monies were raised in a public appeal. The Bradford District Community Fund is currently accepting applications for the Pears Youth Fund to fund ongoing youth work and is in the process of distribution youth grants for Bradford Council.

Demonstrating impact

Emerge: are able to evidence that they work with over 500 young people weekly, and in the last 12 months 1700 individuals were involved. Key outcomes are personal growth (confidence, self-esteem, social skills improved), increased attendance and achievement at school (evidenced by schools), reduced involvement in ASB, increase health and wellbeing and safer communities.

BYDP has made application to the Government Communities Fund for the Extend Project to develop standards and examples of best practice. If successful BYDP will work alongside BMDC to review, evaluate and develop ways for providers to learn and improve their own practices. Ultimately this knowledge will improve the value of activity with young people, increase the skills of organisations and provide helpful ways to ensure funding is making a bigger difference.
