## **Overview & Scrutiny Area:**

**Environment and Waste Management.**

## **1. SUMMARY**

This report presents the Environment and Waste Management Overview and Scrutiny Committees work programme for 2016/17.

## **2. BACKGROUND**

- 2.1 Each Overview and Scrutiny Committee is required by the Constitution of the Council to prepare a work programme (Part 3E – Overview and Scrutiny Procedure Rules, Para 1.1).

## **3. OTHER CONSIDERATIONS**

- 3.1 The Environment and Waste Management Overview and Scrutiny Committee has responsibility for “the strategies, plans, policies, functions and services directly relevant to the corporate priority about improving waste management and the environment.” (Council Constitution, Part 2, 6.2.1).
- 3.2 The remit of this Committee also includes the strategies, plans, functions and services directly relevant to the corporate priorities about reducing carbon emissions, transport and highways, creating a greener and more sustainable environment and positively affecting climate change.
- 3.3 Best practice published by the Centre for Public Scrutiny suggests that “work programming should be a continuous process”. It is important to review work programmes, so that important or urgent issues that arise during the year are able to be scrutinised. Furthermore, at a time of limited resources, it should also be possible to remove areas of work which have become less relevant or timely. For this reason, it is proposed that the Committee’s work programme be regularly reviewed by members of the committee throughout the municipal year.
- 3.4 The work programme as agreed by the Committee will form the basis for the Committee’s work during the year, but will be amended as issues arise during the year.

## **4. OPTIONS**

- 4.1 The Committee may choose to add to or amend the proposed items to be included in the 2016-17 work programme for the committee.
- 4.2 Members may wish to consider any detailed scrutiny reviews that it may wish to conduct.
