### **My priorities for the past year were (May 2015 to May 2016)**

I was elected as Labour Party councillor for Little Horton ward in 2015, the year has flown by but I enjoy the role. It has been a busy year dealing with issues such as fly tipping, litter, anti-social behaviour, traffic calming and many other issues that have arisen on day to day basis.

I have attended numerous meetings with our statutory and voluntary organisations to make sure we work towards making Little Horton a place for local residents to live in safely and be proud of. I have held regular surgeries and have met many residents and helped to resolve their issues. Held regular meetings with ward officers and other service providers to make sure we examine the ward plan and to meet targets set.

I have attended local schools sports/fun days and judged best BD5 bin it poster competition which was very enjoyable. On the down side I have dealt with many issues for local families who have had difficulties with social/private land lords, social services or other authorities and the difficult time of the tragic murder of a young man and father to be on Round Street in West Bowling.

I have been accessible which was one of my election promises and will always work hard in these hard times to make sure that the issues of Little Horton ward are raised especially when the council is under enormous pressure to cut services due to the funding cuts from this government.

I am proud to represent Little Horton ward as a Labour Councillor, which has been my home for last 38 years and will do everything in my power as a councillor to make sure the expectations and demands of my constituents are met.

**My priorities for the coming year (May 2016 to May 2017) are:  
(Please list or describe your priorities or targets as a Councillor for the coming year)**
