My priorities for the past year were (May 2015 to May 2016)

To be an efficient and effective Councillor for my constituents and to attend training courses as necessary to gain the skills required to be an effective Councillor.

Making a difference locally – I will work hard with other ward councillors, community groups, organisations and service providers to make the Royds ward and the Bradford District a better place to live.

Great Neighbourhoods – I will continue to develop and protect our parks and green spaces and work with local community organisations to provide first class facilities for all residents.

I will try my utmost to help and assist any constituent of Royds who may have a Council related problem. I will work hard and honestly for my constituents.

**My priorities for the coming year (May 2016 to May 2017) are:

**What I have achieved in the past year (May 2015 to May 2016)
(Please list or describe some of your activities as a Councillor and what you see as your key achievements)**

I have attended a good amount of training/awareness courses to help provide me with information I need to be a good, effective Councillor.

I have made good links with many groups within the local community.

I am responsive to my constituents and have made a positive difference to many.

What training sessions, seminars, briefings and conferences have you attended to develop your skills and gain knowledge that has helped you to serve the people of the district? (Please list them).
