No issues.

Item 6: SCAPAG MEETING NOTES – 11 OCTOBER 2017

No comments.

Item 7: YOUTH OFFER – SHIPLEY AREA

Presenting Officer: Carys Bose

Howard Clough: We fought for years to get some provision in Cottingley and the Youth Service was supported to do good work. Is it really all about footfall? How does it compare with other areas?

Carys Bose: It was a very small group in Cottingley and the space is also very small. It was a horrible situation but it was down to footfall and the fact that Bingley is a short distance away. We had a long meeting with Tracey and offered support in the future. We are unable to deliver a weekly session but will support when we can.

Howard Clough: Will you come to a meeting with the new Centre Manager?

Carys Bose: Yes, please do invite me.

Gianfranco Sabelli: I would like to thank James and Danny and Janet, from Big Swing, for all the youth provision in the Windhill area. I would also like to call for support from the Area Committee for youth work across the district and more inter-departmental work. Feel that is a must as there are lots of cross over with issues. It is all about improving life chances for young people. Has anyone been briefed on Sport England?

Cllr Martin Love: I'm going to a meeting next week.

Cllr David Heseltine: We will keep an eye on things and different areas and hope that investment will be relative.

Item 8: DEMENTIA FRIENDLY COMMUNITIES – SHIPLEY AREA
