1. SUMMARY

This report provides an update on the current position on the proposed refurbishment of the former Odeon building.

2. BACKGROUND

At its meeting on 5 December 2017 the Executive received a report of the Strategic Director Corporate Services (**Executive Document “AM” which contained Not For Publication Appendix 1**) which considered the options available to the Council in securing funding for the proposed refurbishment of the Bradford Odeon.

Executive resolved as follows:

(1) To endorse the risk assessment in the Not for Publication Appendix to Document ‘AM’.

(2) To endorse further detailed consideration, with partners, of the optimal legal and financial structure to develop the Bradford Odeon with their preferred delivery option being Option 2 as set out in the Not For Publication appendix to Document ‘AM’.

(3) To support the principle that the Council provides loan or other forms of capital to enable the development to proceed.

(4) To support bids to other bodies who are willing to co-fund development.

(5) To receive a further report at the earliest opportunity or at its scheduled meeting on 9 January 2018 on the preferred option and any other relevant matters.

At its meeting on 9 January 2018 the Executive received a report of the Strategic Director Corporate Services (**Executive Document “AR” which contained Not For Publication Appendix 1**) which provided an update on Bradford’s city centre regeneration projects including further details in respect of the Former Bradford Odeon, following on from Executive on 5th December 2017.

Executive resolved as follows:

(1) That the contents of Document “AR” be noted and the recommendations in the confidential appendix be approved as amended.

(2) That the Chair of the Corporate Services Overview and Scrutiny Committee be requested to add the report to the work programme for the 25 January 2018 meeting and it be noted that the report is on the work programme of the Regeneration and Economy Overview and Scrutiny Committee for the 23 January meeting.
