1.0 SUMMARY

- 1.1 This report considers an application for a Disabled Persons Parking Place where the applicant does not meet all the Policy criteria.

2.0 BACKGROUND

- 2.1 The Council has received an application for a Disabled Persons Parking Place from the occupant of 17 Hastings Street. The resident who lives here is registered disabled, receives PIP at the higher rate and holds a current Disabled Person's Blue Badge. There is no off-street parking at this address.
- 2.2 The criteria for eligibility for a Disabled Persons Parking Place require that the applicant:
- i. holds a Disabled Person's Blue Badge,
 - ii. has a vehicle registered at their place of residence,
 - iii. does not have accessible off-street parking e.g. hard standing or garage, and
 - iv. receives either:
 - a) the Higher Rate Mobility component of Disability Living Allowance, or
 - b) the Higher Rate of Attendance Allowance
 - c) the Mobility component of a Personal Independence Payment (PIP)
- 2.3 The applicant meets 3 of the 4 criteria listed in para. 2.2, but does not currently have a vehicle registered at the address and is currently being visited by care workers and family members in their vehicles for ongoing support.
- 2.4 A plan showing the indicative location of a Disabled Persons Parking Place outside 17 Hastings Street is attached as Appendix 1.

3.0 OTHER CONSIDERATIONS

- 3.1 The applicant has ongoing medical conditions preventing her from being able to support herself independently and relies on the help of family and the community health nurses within the district. The Council has received supporting documentation from Bradford District Care detailing the applicant's on-going medical conditions including difficulty in walking and lung cancer with the ongoing need for extensive support from NHS nurse visits and family members at this time.
- 3.2 As part of the Disabled Persons Parking Place application investigation process, officers undertake consultations with adjacent neighbours to determine if there are any objections to the proposal. This consultation is usually undertaken as a second stage, following successful verification of the criteria being met. In this instance, however, the consultation has already been undertaken (to avoid a scenario whereby the Area Committee approves the exception to the policy but the application then meets with objections from neighbours, thus requiring a further report to the Area Committee). There were no objections from neighbouring properties.

4.0 FINANCIAL AND RESOURCE APPRAISAL

- 4.1 A budget of £8,000 for the provision of Disabled Persons Parking Places across the Bradford East constituency has been approved as part of the 2017/18 Safer Roads schemes programme. If approved, this parking place would be implemented as part of the overall programme of Disabled Persons Parking Places in Bradford East.
