1.0 SUMMARY

- 1.1 This report considers an application for a Disabled Persons Parking Place where the applicant does not meet all the Policy criteria.

2.0 BACKGROUND

- 2.1 The Council has received an application for a Disabled Persons Parking Place from the occupant of 28 Highgate. There is no off-street parking at these premises.
- 2.2 The applicant meets all criteria with the exception of not being in receipt of either:
- a) the Higher Rate Mobility component of Disability Living Allowance, or
 - b) the Higher Rate of Attendance Allowance, or
 - c) the Mobility component of a Personal Independence Payment (PIP)
- 2.3 A plan showing the indicative location of a Disabled Persons Parking Place outside 28 Highgate is attached as Appendix 1.

3.0 OTHER CONSIDERATIONS

- 3.1 As part of the Disabled Persons Parking Place application investigation process, officers undertake consultations with adjacent neighbours to determine if there are any objections to the proposal. This consultation is usually undertaken as a second stage, following successful verification of the criteria being met. In this instance, however, the consultation has already been undertaken (to avoid a scenario whereby the Area Committee approves the exception to the policy but the application then meets with objections from neighbours, thus requiring a further report to the Area Committee). There were no objections from neighbouring properties.

4.0 FINANCIAL AND RESOURCE APPRAISAL

- 4.1 A budget of £12,000 for the provision of Disabled Persons Parking Places across the Bradford West constituency has been approved as part of the 2018/19 Safer Roads schemes programme. If approved, this parking place would be implemented as part of the overall programme of Disabled Persons Parking Places in Bradford West.
