Subject: RE: LA 2003 - Premise Grant

Hi Melanie,

I am submitting a formal objection on the following grounds;

prevention of crime and disorder, public safety, prevention of public nuisance and the protection of children from harm.

As there have been a number of ASB incidents within this area with youths and school age children the opportunity to have the provision in such close proximity to areas where incidents have occurred on Towngate, in Wyke Recreation Ground in and around a children's play area need to be controlled.

Allowing this application to be granted is to be supporting these actions not protecting vulnerable residents

I am concerned that such a licence should be granted to this application as this area of the ward already has a large number of retail outlets that are licensed to provide alcohol for a greater part of the day already.

There are also a large number of public houses within this local area.

I would therefore not be supportive of any application to increase the number of outlets with a premises licence.

thanks

Cllr. David Warburton

**ALCOHOL LICENSING: Objection Letter against Mr Barzan Hussain 5 Drake
Fold, Wyke, BD12 9NU**

27/09/2018

Alcohol Licensing Team

Dear Sir/Madam

I wish to object to the alcohol licence application by *Mr Barzan Hussain 5 Drake Fold, Wyke, BD12 9NU* which was made on the 1st September 2018.

I have an interest in this application because I live in very close proximity to the proposed off-license. (within 1 meter).

We have already been interrupted on an evening upto 9pm which has caused disturbance to my young sons sleep pattern and I feel if such a license is granted within such close proximity this will have a further negative impact on my sons ability to have a good nights sleep. This however is not my primary reason for objecting.

My objection is made under the objectives of **prevention of crims and disorder/prevention of public nuisance and protection of children from harm.**

My primary concerns are for the time range which the shop is proposing to open to and from. From 8am until midnight. I am concerned that patrons of the public house over the road will be visiting the off-license after the public house closes and using our garden as a toilet. This already happens on a regular basis and I feel this would only increase if the shop was permitted to be opened until midnight.

There are various other off-licenses within close proximity and I don't think the local vicinity would benefit from another. We've also had problems with vandalism; this was when a shop in the same building was open until 9pm. This would only worsened along with leading to antisocial behaviour late at night.

I'm certainly not adverse to small businesses wanting to succeed in the area however I feel in this instance I have to object primarily around the late opening. The property is less than 1 foot from my house and opening until midnight would bring about unnecessary noise along with antisocial behaviour late at night.

I was also made aware from a local business owner that the patron of this submission has had previous submissions rejected for properties within 100 yards of the existing property, will the previous submissions and the reasons for denials be added onto this submission for a license?

If there is any further information you require to make my objections formal please let me know and I'd be happy to provide such additional information.
