Change of Use from cooker centre (A1) to bar/restaurant (A4) at 11-12 Rawson Square Bradford
West Yorkshire BD1 3JP (Sale by Retail of Alcohol/Provision of Recorded Entertainment)

Dear Sir/Madam,

I write in connection with the above planning application. I wish to object strongly to the development of Bar/Restaurant in this location for the use specified

I am an hardworking individual who goes to work in the early hours to earn my livelihood and am unable to get adequate rest with the music and the people shouting till hours in the morning causing disruption in life and to my health.

I have constantly complained regarding the noise that pubs make during the night after certain hours but to no avail.

The street North Parade itself hosts a number of pubs and restaurants which has been a constant cause of nuisance to the locality. There have been a number of events hosted every week and one can hear the loud music going on throughout the night causing constant disturbance.

One can hardly imagine the disturbance if one opens up next door.

It has also been seen that these events has led to gathering of antisocial elements during the night leading to antisocial behavior.

I would like to make a humble request not to pass the planning permission to open up a bar/restaurant.
