Dear Sir/Madam

We wish to make a formal objection to the new application by Malthurst Retail Limited, to sell alcohol at MRH Arkle, 262 Barkerend Road, Bradford, BD3 9BD.

We as the residents believe that if alcohol is sold in this petrol station it would be for the worse. We say this because you may be aware of the disastrous occasions that have happened around this area and these occasions does not have a good social effect in our community.

As the locals we think that if alcohol is to be sold in Arkle it would only make our lives worse. This is because when alcohol is sold here it would make it easier for people to get hold of it even though there are pubs and bars around. This will have a negative effect as when people get hold of it the number of scandals can increase.

Therefore please consider our request and we believe that you will give a positive reply with a positive decision.

Thank you
Yours sincerely,
Local Residents

Dear Sir/Madam

**We strongly disagree with the application for license to sell alcohol at MRH Arkie, 262
Barkerend Road, Bradford, BD3 9BD.**

**We as a community believe that if alcohol was to be sold here it can cause a lot of chaos
and havoc to the area. This is because it can lead to many incidents which we are sure you
are aware of.**

**This will also not be healthy to the community and it is not a good social effect to the area.
Also you might know that there is a Mosque nearby and if alcohol was to be permitted it can
be a disturb to everyone around and to people who come to daily prayers. Youngsters which
get alcohol may become drunk and they may disturb everyone and they may go and destroy
or vandalize things in the community.**

We hope you will take this on board and accept this request.

Thank you

Yours sincerely,
